From the Administration

Hello Parents,

I hope that your holiday was wonderful and filled with great memories made.

This is what I call the “golden” time of the school year meaning that the breaks for the rest of the year are not many until Spring Break. This is optimal time for our great teachers to instruct your students because of the uninterrupted time. Please do all you can to have your child in school. Our teachers prepare often and plan daily to give your students their best. Please do what you can to schedule events other than during the school day. Thank you!

A reminder to send your kids to school dressed for the cold weather. Any child with respiratory needs can stay in when the inversion is happening.

We are sad that we are losing Mrs. Joseph. She has been a great member of this fantastic staff. Thank you, Mrs. Joseph and good luck, in your new adventures.

We welcome our new custodian, Scott Bybee.

Let's make 2019 a fabulous year full of learning and growth!

Mike Page, Principal

Did you know?

We have a new custodian! Our new custodian is Scott Bybee, Mr. Scotty. He was at Central Davis Jr. High in Layton and was an assistant head custodian there for several years. Mr. Scotty has a miniature poodle named Chewy. He is an adrenaline junky and enjoys most extreme sports like sky diving, scuba diving and others. He likes kids who seek adventure and he won't turn down a coconut cream pie. He is very friendly and easy to get to know. We are excited to have him at Oak Hills!

M – Meatball
T – Tacos
W – Pepperoni or Cheese Pizza
Th – Orange Chicken
F – Cheese Ravioli

Happy New Year

Counselor's Corner

Happy New Year!!! I love new beginnings and this is such a great time of year to start out with some new beginnings. Setting goals and working on improvements in our selves is a healthy behavior and habit to develop. This month we will be working on habit #4 "Think Win Win." Students will learn how to make emotional deposits into other's emotional bank accounts. They will learn to balance what they want with what others want, learning to think of other's well-being and not just their own. I encourage all to take this time of year to reflect on ways we can improve our own well-being as well as the well-being of others.

Shannon Struebing, School Counselor
