## ***From the Administration***

Dear Parents,

January 13-27 is the window for you to sign-up for a time to meet with the teacher to learn about the great things your children are doing. Please sign-up for a time by going to myDSD. If you need assistance please call the office, Miss Laura and Miss Dixie would be happy to help you in any way.

As a teacher, I loved this time to meet one-on-one with each parent to discuss their children. I learned many valuable things but also discuss with the parents ways that they could help their child be successful. By you coming in and discussing with the teacher, tells your child how much you love and support them. It is a simple tool but a powerful opportunity to praise your child. This short time will give any child a great lift in life. I loved this personal time! Thank you for taking this time to build a stronger relationship with your child and to learn of these great things that are happening at school.

Sincerely,

Mike Page

## PTA News

Hello Oak Hills,

Did you know Friday, January 18th is "Spirit Friday"? This is a fun day for students to show their school spirit. Students can wear their Oak Hills hats or their Oak Hills shirt (from any year), or a shirt that is one or all of the school colors (Black, Red, White). If they choose to participate, they will get a small treat or prize from the PTA at lunch time. This is just a fun way to show our school pride.

Grandparents and Goodies day is coming up on Wednesday, January 30 at 8:10am. Students are invited to bring their Grandparents to school, enjoy a donut, show off our school, and attend the Book Fair. What if Grandparents can't make it? All are invited! Bring an aunt, uncle, friend, neighbor or even mom - anyone is welcome!

Thank you,

## Counselor's Corner

"Think Win Win" habit #4 is the challenge that has been extended to the students this month. The focus on making deposits into our individual as well as other's "emotional bank accounts." As we deposit positive comments, behaviors, and feelings into our "emotional accounts" we feel more positive and happy. When withdraws are made from our "emotional accounts" we feel more depleted and sad. It is important to fill our "emotional accounts" daily with positive self-talk and positive behaviors. It is also important to fill other's "emotional accounts" and in doing so, it is a WIN WIN situation. Remember to be aware of your own "emotional account" and be kind to yourself every day. As you are kind to others, it fills your account as well as the person receiving the kindness. Let's all focus on WIN WIN and fill those "emotional accounts" as full as we can!!!

## *Students Soaring...*

Mrs. Tilley's 6<sup>th</sup> Grade class put on a Science Fair, Thursday, January 10<sup>th</sup>. The students were outstanding and so well prepared. They learned the engineer design process, which falls under the STEM umbrella. Students had to ask a question, make a hypothesis, research their topic, design and outline the experiment, make conclusions and present their findings. They also learned time management skills as well as presentation skills, which increased their confidence. The students didn't just do a fabulous job, but they truly enjoyed this project and the positive interaction with science. Parents, students and other school faculty and staff were able to participate in this great fair. Way to go Mrs. Tilley's Class!
