

Dear Parents/Guardians,

We are excited to announce that Dunlap School District has partnered with CareDox to provide accurate, real-time, health information for all students. **CareDox is a secure web based student health documentation system that adheres to both FERPA and HIPAA regulations to ensure the confidentiality of your student's health information.** CareDox can be accessed by parents via computers, tablets, and/or smart phones to provide maximum accessibility.

Access CareDox by signing into the PowerSchool Parent Portal, click on the "Secure Documents" link under the Navigation tabs on the left. This will open the "Caredox" link which you can access by clicking on the CareDox link on the lower left-hand side of the screen.

### The Benefits of CareDox

- Streamlined medical information sharing, reduction in paper mail, faxing, and phone calls
- Real Time notifications of when your child visits the nurse.
- Accurate and portable vital information for daily and emergency use.
- The student's health profile will only need to be filled out ONCE. Only updating as changes arise.
- Parents will automatically be notified when their child's prescription medication inventory is running low, so your child never misses a dose.
- Parents will have access to their child's health information anywhere, anytime.
- Peace of mind that the school is fully aware of all medical conditions that your child has, and you have an efficient way to communicate with Dunlap Nursing staff.
