## District Authorized Cleaning Products

The following is a list of products referred to in this manual. They are listed in numerical order by stock item number. Custodians are authorized to use any products listed in this manual in accordance with the manufacturer's directions. Custodians are not authorized to use any products that are not listed in this manual unless given prior permission from the Administrative Officer of Operations. Custodians are never to bring their own cleaning products into MISD facilities. In addition, pesticides are never to be brought into MISD facilities. Any pest control problem should be reported to the Facilities Management Department in the form of a work order.

Items from the stock item catalog can be ordered by submitting an order requisition to the purchasing department. During times when requisitions cannot be completed, items can be ordered through the LA Berry Support Complex Warehouse at 972-882-5400.
