COURSE: Digital Arts and Design IV Work Based Learning (6086)

INSTRUCTOR: Mrs. Leanne McCullough

EMAIL: leanne.mccullough@tcsedu.net

ROOM: Room GW104

COURSE DESCRIPTION

Digital Arts & Design IV is a Work Based Learning course that enables a proactive approach to bridging the gap between high school and high-demand, high-skill. Students build on classroom-based instruction to develop employability skills that prepare them for success in postsecondary education and future careers. Through experiences like internships, apprenticeships, and paid work experience, juniors and seniors (16 years or older) may earn high school credit for capstone Work Based Learning experiences.

COURSE OBJECTIVES

Throughout this course, the student will learn employability skills as provided through the Work Based Learning Framework.

COURSE REQUIREMENTS

Attendance: Attendance is key for success in this course, as it is computer-based and requires special software. In order to complete your coursework you **must be present**. Attendance is checked and reported daily for each class. Each student should be at his/her desk when the bell rings.

EVALUATION

All assignments are due at the beginning of the next class session unless otherwise specified.
