DOCUMENTING SOURCES

(MLA 8th)

List your sources in alphabetical order (by author or title, whichever comes first). Information from a Database is varied in format. Treat the information as if it were an original printed source (magazine article, report, book, newspaper article, review, etc.) adding the online retrieval information. Name of the online database is not necessary.

Bibliography—Images.

Authors: Provide the name of the creator of the image.
[If no author is named, place the title of the website that the image was found in]
Title: Provide the title of the image.
Title of the overall website: Italicized if distinct from the title of the work otherwise not italicized.
Names of the contributors: List the names of any contributors responsible for the image.
Version: Provide the version of the image if applicable.
Number: provide any numbers associated with e image if applicable.
Publisher: Provide the name of the publisher.
Date of publication: Provide the date the image was created or published.
Location: Provide the location of the image such as the URL.

***If the digital image does not have a title, include a description of the image. Do not place this information in quotation marks or italics.**

***If the picture was found using Google Images, do not cite Google Images as the publisher. Instead, click on the picture and use the information from the website that is hosting the picture.**
