

Lincoln Elementary Drop Off/Pick Up Traffic Rules

**** State law mandates a max speed of 20 mph and no cell phone use in school zones when children are present ****
**** Drop Off and Pick Up Traffic Rules apply from 7:45-8:30am and from 2:45-3:30pm ****
**** Please follow all posted traffic signs ****

DRIVING TO SCHOOL

◇ Car Lines:

There are two drop off/pick up car lines. The Fairfield line runs from Crescent to Montrose and MUST be joined at Crescent. The Hillside line runs from Prairie Path to Vallette and MUST be joined at Prairie Path. Left turns are not allowed from Vallette to Fairfield and Montrose to Hillside during Drop Off and Pick Up (this is a posted traffic sign)

Please pull as far forward as you can when you can. Once your child has exited/is in your car, please pull SLOWLY to the left lane and move forward SLOWLY to exit the car line.

◇ Park and Walk or Park (even just briefly) to Drop Off or Pick Up:

If you prefer to drop off/pick up outside the car lines, please do so only in areas where parking is allowed. **DO NOT DROP OFF (OR PARK AND WAIT) FOR YOUR CHILD IN NO PARKING ZONES**. Do not drop off anywhere on Vallette between Spring and Hillside.

WALKING TO SCHOOL

Great idea!! The map above shows optimal pedestrian crossing locations with arrows at the intersections. These optimal paths minimize vehicle / pedestrian interaction.

MOST IMPORTANTLY

Please be patient. We have 600 kids trying to get to and from school in 12 minutes, twice a day. If we all follow the recommended paths and exercise courtesy and patience, this major feat can be accomplished with the highest levels of safety for our children and in the shortest amount of time.
