

Junior Achievement Sign-up Form

What is Junior Achievement? Junior Achievement (JA) is a program that empowers young people to own their economic success, plan for their future, and make smart academic and economic choices. JA brings the real world to students, opening their minds to their potential and preparing them for the world of work. Students participating in JA practice the principles of financial management, and develop the 21st century skills necessary to succeed in a global workforce. In addition to learning how to manage money, and how to become career and work ready, students are empowered to explore their potential to become successful entrepreneurs.

When will the program run? JA will run during your child's lunch recess time for five weeks on Mondays (2nd & 5th grades), Wednesdays (3rd grade) or Fridays (1st and 4th grades) from January 28th through March 4th.

What does it cost? Nothing! The JA program is free for kids and free for the school!

What do I need to do? If you would like your child to participate in JA, please return the attached permission slip by Friday, January 18th. If you would like to volunteer to lead your child's class through the JA program, we need you! Volunteers are given a package with all of the necessary supplies and a teaching guide. It's a very fun and rewarding experience!

Junior Achievement is sponsored by Jefferson Elementary School and the PTA. Please contact Kerri Timmerwilke (ktimmerwilke@gmail.com) if you have any questions. Thank you!
