Welcome: Brian Bolinder

Counseling Report (Mr. Plant)

- 7th Grade CCR's (College & Career Readiness) will continue through January
- Class Changes for 2nd semester are on going
- Registration for next year will start next month

Student Report (Grace Nielsen)

- Sub for Santa was a great success
- Question asked, "Why do we do the pledge?" Mr. Stromberg responded by saying, the district has asked schools to do it once a week and it is a State Law.

Trust Lands Update (Mr. Stromberg)

- Reviewed trust land expenses
- Laptops have been ordered and will show on next month expense report
- Three expenses that will continue to change through the year are: EO Aide, Teacher Credit Recovery, After School Homework Lab

Report on Discussion with Department Heads/Student Body Officers-Breakout Group

- **English Spokesperson (Anne Jeppesen)** Chrome books not as effective, need more graders and readers, need more time to collaborate with teachers, assist students who maybe struggling, feel strongly to stay on traditional or 4x4 schedule.
- **Science Spokesperson (Brian Bolinder)** Longer teaching time on subjects (block schedule), like to adapt blended learning, more teacher training. Would like more learning on new program (Nearpod). Have more help to assist students who are struggling.
- **CTE Spokesperson (Shelly Damron)** Digital literacy curriculum been taught in other classes and students feel it is repetitive. Need better class correlation with the high school. Students do not understand the importance of CTE end of level test. Completion certificate is valuable on a resume.
- **Math Spokesperson (Brynn Clinger)** Ipads are not compatible with Aleks. Not enough honor classes. Going to make more curriculum changes next year.

School Improvement Goal

Mr. Stromberg and Mr. Bolinder will meet to discuss School Improvement Goals. Mr. Bolinder will email notes to the community council members prior to the February 3, 2019 meeting. Committee will have further discussion on goals discussed.
