

Staff Development Catalogue

The MISD Staff Development Catalogue is published each semester for course registration in the following areas:

- **Department/Paraprofessional/Auxiliary Staff Development**
- **Personal Growth and Development**
- **Professional Staff Development**
- Specific courses and training will be added each semester to reflect the continued needs of the District.
- Semester publications include: **Summer, Fall and Spring** and correspond with the district semester dates.
- Course registration takes place within Eduphoria.
- The Staff Development Catalogue is posted online.

*Departments will enter course data into Eduphoria as per the technology guidelines for Eduphoria New Course data entry.
