Student ID#: _____ **Home Phone:** _____ **Other Contact #:** _____

Parent/Guardian's Name: _____

Home Address: _____
Street Apt No. Zip code

Parent's email: _____ **Student's email:** _____

About the Phoenix Program

Phoenix is a Summit Learning Experience. Students work one-on-one with a mentor who guides them in setting individualized goals and developing self-directed learning habits. Students are assessed on their mastery of high-level cognitive skills demonstrated through rigorous, real-world, collaborative projects. Mentors and teachers work closely with students on developing emotional intelligence, growth mindset, and interpersonal skills.

Students are encouraged to seek challenge and to persist in mastering and improving cognitive skills. Students who are motivated, self-disciplined, and who enjoy collaboration with peers and teachers do best in this program. For more information, visit www.summitlearning.org/program/learning-environment. Pre-AP and AP classes are offered in the Phoenix program, as well as dual-credit classes through HCC.

Please note that parent involvement is highly encouraged and that parents are expected to commit to 2-3 meetings over the course of a school year.

Please complete the two questions on the back of this application.
