## ***From the Administration***

Dear Parents,

This week is Parent Teacher Conferences. If you haven't sign-up for a time to visit with your child/ren's teacher, the last day you can is Sunday January 27. Early out will be Wednesday, Thursday and Friday at 1:25.

We are seeking some feedback about the EagleGram and school communication. Please click on the link below and complete the survey. This will help us to know how to better communicate you.

Questionnaire link → [HERE](#)

Thank you,

Mike

## Did you know?

We have a LOST and FOUND located in the middle hallway. There are a lot of coats, sweatshirts, lunch boxes, gloves, hats and even random shoes in the box. Please take a few minutes, when you are at the school, to look for any items that belong to your child/ren. Any items not claimed for after Parent Teacher Conferences, at the end of January, will be taken to goodwill.

M – Sloppy Joes  
T – Mini Corn Dogs  
W – Grilled Cheese  
Th – Orange Chicken  
F – Diced Ham

## Counselor's Corner

We will be finishing up our focus on habit #4 this week, "Think Win Win." The students have learned about their invisible bucket, which represents their "emotional bank account." The concept taught was to take time to fill your own bucket and others' buckets every day, by practicing positive self talk and being kind to yourself and others. By doing so, this is a WIN WIN!!! When our buckets are full of positive feelings, we will be our best self. When they are low or empty, we struggle with self-doubt, sadness, negative energy, and lack motivation. The challenge was given to all to look for ways to "WIN WIN" by filling individual buckets and others' buckets by saying things like: "You are awesome, You CAN do it, I love myself, Let me help you, How can we both have our needs met?" Are YOU going to be a bucket filler or a bucket dipper... the choice is yours 😊

## ***Students Soaring ...***

During Term 2 the 4th grade, SEM class learned about ancient Egypt. They learned how to write using the Egyptian Alphabet, pictured below; can you tell what it says? They also learned that in ancient Egypt a whole mouse was used to cure a toothache. If that isn't gross enough, brains were used to cure eye infections and injuries! Aren't we glad we don't have those as our cures today?!
