Financial Aid Information

Lakeside Summer School Programs does its best to make all of our camps and classes accessible to all families, regardless of income. Our programs range in price from \$205 - \$5200. We provide aid up to \$2300 per student, with the exception of Biology and Spanish III students who may qualify for a larger award. Aid is awarded on a first-come, first-served basis.

If you would like to apply for financial aid for a Summer School Program, please complete the following steps:

- 1) Register your student for the courses/camps they would like to attend using our registration portal (accessible February 1 for Lakeside students, children of Lakeside alumni, and The Downtown School students and February 25 for students not attending Lakeside).
- 2) As part of the registration process, choose Financial Aid in the same way that you sign up for a class. You will then be prompted to fill out a Financial Aid application later in the registration process. **You only need to choose the Financial Aid option once.**
 - If your family has a current or incoming Lakeside student who has already applied for school-year aid, your aid award will be determined with the information already on file at Lakeside. **You must still choose the Financial Aid option during registration.** If your family does not currently receive aid, please fill out the financial aid application and upload (or email/mail) a copy of 1040 and W2 or other income-related tax forms.
 - If you are a non-Lakeside student, you will need to fill out the financial aid application and upload (or email/mail) a 1040 and W2 or other income-related tax forms.

If you have any questions about the financial aid application process, please contact the Summer School Programs office at SummerSchool@lakesideschool.org or call 206-440-2700.
