## 2011-2012 Annual Report

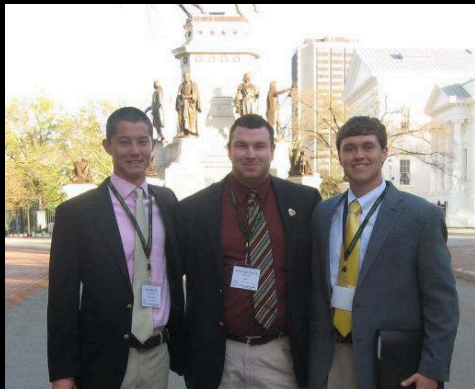

## GREETINGS FROM OUR PRESIDENT

As I reflect on the 2011-2012 academic year, I am reminded that Fuqua School's most valuable assets are its people. From our wonderful students to our talented faculty to our dedicated parents and grandparents, we all feel a deep sense of pride and commitment that permeate our school community.

As always, we are so grateful for the support of our many contributors, support that is central to Fuqua School's continued pursuit of excellence and to fulfilling its mission of developing the "boundless individual potential" of each student. We were delighted with the success of our major fundraising events, *Bag the Five Grand Falcon* and *Falconfest*, as well as the growth of our annual giving through *The Skeeter Fore Annual Fund*. Our total fundraising for the year exceeded \$210,000.

With your gifts of time and resources and the dedicated efforts of our faculty and staff, we enjoyed many successes, expanded our program, and provided our students with a number of meaningful experiences.

- Twenty-three out of twenty-nine seniors received academic college scholarships totaling collectively over \$2.2 million.
- One of our graduating seniors, Brandon Ah, received a full appointment to the Naval Academy.
- Two students from Fuqua School made history at the 64th Model General Assembly (MGA) program sponsored by the Virginia YMCA. Zach Davis was elected Lieutenant Governor and Brandon Ah became House Speaker for the 2012 session. In the 64-year history of the program, no school has held both of these elected positions simultaneously.
- For the third straight year, Fuqua School qualified for the annual Battle of Brains competition sponsored by WTVR in Richmond and the Virginian 529 College Savings Plan, advancing to the top sixteen schools.
- Our Senior Band competed in the "Music in the Parks" Competition in Atlanta, Georgia, earning first place in the Single A High School Concert Band category.
- Our Veteran's Day assembly featured guest speaker, COL Jeffrey Hice, a twenty-five year U.S. Army Veteran who had recently returned from a one-year combat tour as a Military Advisor to the Afghan Army. COL Hice offered thoughtful insight on "What to Say to a Veteran" and honored Fuqua School with a special American flag and certificate from Headquarters, International Security Assistance Force, resting in a display case hand-crafted in Kabul.

- Our Student Forum focused on forensics science and the American criminal justice system and featured presentations by a number of outstanding guests, including keynote speaker, Annette Kiewiet de Jonge, criminalist supervisor with the California Department of Justice, who introduced students to the complex world of DNA analysis.
- Sixth grade students worked with the nationally acclaimed *If I Had A Hammer* program that teaches real-life skills through a hands-on construction project.
- We initiated our first *Homecoming Day of Service* through which all upper school students participated in a local service project, further enhancing our focus on giving back to the community.
- Three new student service clubs were initiated - *The International Club*, *Fuqua for UNICEF*, and the *Interact Club* sponsored by Rotary International.
- We added two new elective courses to the upper school curriculum, Geography and Honors Literature, as well as Beginning Spanish to the lower school curriculum, further expanding the scope of our academic offerings.
- We launched a lacrosse program for both boys and girls and were excited when each team won its first game in this inaugural season.
- Through the vision of our PTSA, a new tradition was created to recognize the transition from lower to middle school and to celebrate the close bond our students feel toward one another. A tree was planted in the name of our rising sixth grade class and marked with a commemorative plaque.

I extend to each of you a heartfelt "thank you" for your unwavering support and personal commitment and ask that you continue to serve as ambassadors for this great institution as we work to truly make a difference in the lives of so many students.

Ruth S. Murphy, President

## ALUMNI AWARD

Each year at Fuqua School's Commencement, the Prince Edward Academy/Fuqua School Alumni Association presents its Alumni Recognition Award to an alumna/us who demonstrates enthusiasm, devotion, and dedication toward his/her career, community, or to Fuqua School.

The recipient of the 2012 Award was Elisha Edward "Ted" Hodges III '79. Hodges was chosen to receive the Award to recognize his willingness to lend a hand, no matter what his high school alma mater needs. Hodges is a talented photographer, who is endeared for the moments he captures, and then so generously shares with the school community.

Hodges, a graduate of Longwood University, is now the President of Maxey and Associates. In his spare time, he serves as secretary for the Prince Edward Ruritans and is on the Johns Memorial Episcopal Church Vestory. He and his wife, Sarah, live in Farmville. They have two daughters, Elizabeth and Kyle, both graduates of Fuqua School.

# ATHLETICS HALL OF FAME

## 2011 Athletics Hall of Fame Inductees

Dan Phillips '69  
Cindy Farmer '76  
John Adams '86  
Denise "Deedle" Murphy Bachman '94  
Jon Martin '97

Established in 1999, the Athletics Hall of Fame honors those who have made lasting contributions by their outstanding achievement in athletics or service to the athletics program. The Hall of Fame inducts not only former athletes, but also coaches, administrators, and others who have contributed to the rich athletics history. In addition, "Special Citations" are awarded to recognize individuals making similar contributions in support roles.

To be eligible for selection, the candidate's most recent contribution in high school athletics must have occurred five or more years prior to his/her induction. Consideration is given to All-State, All-Conference, MVP, and other similar awards, as well as team captaincy, how the individual compared to other athletes of the era, and leadership.

Nomination forms are available through Fuqua School's Office of Alumni Affairs.

# OUR NEWEST ALUMNI ~ CLASS OF 2012

Fuqua School held its commencement exercises on May 25, 2012 on the lawn of the upper school. In keeping with its tradition of inviting outstanding alumni to speak at graduation, Karen Booth Adams '87, was selected as speaker. Karen serves as CEO of Hot Technology Holdings, a group of entrepreneurs and investors who have launched ten successful businesses since 1993. Karen shared her words of wisdom and encouraged the class of 2012 to explore their career choice not just with college classes. She stressed the need to actually find someone in that career with whom to intern or volunteer. "Find out if this is what you really want to do before spending your college years pursuing it." Her message continued, "Take risks while you can." The presentation of diplomas by President Ruth S. Murphy and Sandra F. Moss, Vice-Chair, Rural Education Foundation Board of Directors, followed.

All twenty-nine graduates plan to attend a college or university. There are 11 Summa Cum Laude graduates, 5 Magna Cum Laude and 4 Cum Laude. Collectively, the graduates have been offered over \$2.2 million in academic scholarships. Fuqua School 2012 graduates were offered admission to the following colleges and universities: American University, Bridgewater College, Christopher Newport University, College of Charleston, College of William & Mary, Elon University, Ferrum College, Furman University, Georgetown University, Hampden-Sydney College, High Point University, Hollins University, James Madison University, Liberty University, Longwood University, Lynchburg College, Radford University, Randolph College, Roanoke College, Southside Virginia Community College, Sweet Briar College, The Citadel, United States Naval Academy, University of Mary Washington, University of Richmond, University of Virginia, Virginia Commonwealth University, Virginia Military Institute, Virginia Tech, Virginia Wesleyan College, Washington and Lee University.

# WHY DOES FUQUA SCHOOL NEED ANNUAL GIVING?

Fuqua School's tuition covers only about 70% of the cost of educating its students; therefore, the tuition of every Fuqua School student is supplemented.

With the support of alumni and friends, we can keep tuition as affordable as possible and, together, ensure that our kindergarten students have the same opportunity to graduate from this excellent school as children have had for the past 50 years.

# WAYS TO GIVE

## PAM BUTLER WELCOMED INTO LEGACY CIRCLE

Fuqua School inducted its third Legacy Circle member, Pam Butler of Farmville. Ms. Butler has been a longtime friend and supporter of the school. Mr. Dickie Cralle and Mr. Bobby Showalter were the first inductees.

The Legacy Circle recognizes with honor all donors who have made a significant investment in the quality of education provided at Fuqua School with their cumulative gifts of \$100,000 or more.

Pictured (l-r)

Murphy, President of Fuqua School

There are many ways to make a gift to Fuqua School, including gifts of cash, stock, real estate, and life insurance as well as bequests or charitable trusts. Gifts are tax-exempt under Section 501(c)(3) of the Internal Revenue Code. We will be glad to discuss giving options with you. For more information please contact the Director of Development, at 434-392-4131, ext. 273.

### Matching Gifts

Often your gift to Fuqua School can be doubled or tripled by matching funds from your employer. Please contact your employer's Human Resource Department for more information.

### Credit Card

Paying by credit card provides several potential benefits including extending your payment over a period of time and receiving promotional benefits from your credit card company. We accept Visa, MasterCard and Discover.

### Securities

When making a gift of appreciated securities, you may receive a charitable deduction for the market value of the gift and save the capital gains tax which would otherwise be payable upon the sale of the assets. To receive these benefits, securities must be transferred to Fuqua School prior to the sale. Our Director of Development can assist you in these transmittals.

### School Program Support

When you shop, keep Fuqua School in mind. Many businesses such as Campbell's, Food Lion, General Mills Bxotops for Education, Kroger, and Target have school support programs. At [www.onecause.com](http://www.onecause.com), register Fuqua School as your recipient; you can turn everyday shopping into dollars for Fuqua School.

### Gifts-in-Kind

Gifts-in-kind are non-monetary contributions, including goods and services.

### Gifts of Real Estate

Making a gift of property can benefit both Fuqua School and you. Because your residence, vacation home, timeshare, or acreage have appreciated in value through the years, a sizable capital gains tax would be assessed on any sale. A gift to Fuqua School would avoid the capital gains tax, and you would receive a charitable tax deduction for the full market value of the property.

**The only gift too small is no gift at all!**

## THE SKEETER FORE FUND

**The only gift that is too small is no gift at all.**

As with previous generations, the population from which Fuqua School draws is economically and socially diverse. Parents still work multiple jobs to pay tuition, recognizing that it is an investment for a lifetime. For them, Fuqua School not only provides the opportunity for their children to pursue an academic program which opens the door to top colleges and universities but, perhaps more importantly, equips them with the qualities and skills to pursue their dreams.

The Skeeter Fore Fund is not an athletic scholarship. It is intended to help provide financial support to all program areas, keeping the school in the forefront of academic excellence.

## BAG THE FIVE GRAND FALCON

Kicking off the Christmas season with the *Five Grand Falcon* fundraiser has been a Fuqua School tradition for years. The decorations, festive spirits, and generous giving set the tone for a great holiday season. This event, which is looked forward to by so many, generated \$39,000 in proceeds to our school and good will among many. The silent auction allowed plenty of browsing and bidding, while the live auction created excitement and friendly competition. Auctioneers Jimmy Carwile and Tom Jones, with Carwile Auctions, once again gave their best to Fuqua School, and we are so thankful to them for donating their time, energy and expertise again this year. The outstanding food, provided by John Ellington and his amazing staff, was a delight for many. All the success of the evening is due to the generosity of the many donors and sponsors, the hard work of the volunteers, and the community that came out to support Fuqua School. We thank you all so much!

## *FALCONFEST* AUCTION

Spring at Fuqua School is welcomed with the Alumni Easter Egg Hunt, the blooming of the grounds, and *Falconfest*, which continues to be one of our largest fundraising efforts. More than 100 business and individuals make contributions to our annual auction and yard sale...as a result, great bargains are to be found! This event is open to the community, and folks come from all over to join in the fun and adventure of bargain-seeking. The event, held March 24, 2012, raised \$32,000 for our school. Ned Collier, our auctioneer for the day, enhanced the atmosphere with fun and excitement, and we truly appreciate his time and energy. We could not have had the success we did without the tremendous efforts of Green Front Furniture and Green Front Accessories, who bent over backwards to make many road trips picking up and delivering furniture and other items for the auction. Thank you to all who helped make this event such a success.

# ALL ARE WELCOME...SHARE WITH YOUR FRIENDS!

Visitors are welcome at Fuqua School. Campus visits are encouraged at any time and can be scheduled through the Admissions Office. Upcoming "Fuqua For a Day" dates are February 12 and April 9.

*Lil' Falcons* is a FREE program designed to introduce families to Fuqua School. The group meets the 2nd and 4th Tuesdays of each month. Activities include story time, games, crafts, music, snacks and much more. This program is held at the Lower School. All are welcome!

Fuqua School will once again offer the community a variety of exciting camps and sports clinics this summer. Be on the lookout for information and plan to join us!

Home-schoolers are welcome to take classes! Fuqua School admits qualified part-time students to take high school courses for credit. Students are allowed to take one class per semester. Contact the Director of Admissions for details.

## NEW FAMILY REFERRAL PROGRAM

### Step 1

Complete and submit a New Family Referral Form with information on a great prospective family for the 2013-14 school year. Only refer a family with whom you have a personal relationship as we will be requesting your assistance in introducing this family to Fuqua School.

### Step 2

Working with you, we will determine the best way to approach your referred family; however, you will be expected to actively participate.

### Step 3

We will keep you apprised of progress, i.e., when the family is coming to visit, when application is made, when accepted, etc.

### Step 4

Once your referral signs an enrollment agreement for the 2013-14 school year and is accepted you will receive a \$500 credit toward your child's 2013-14 tuition, which will be applied to your balance.\*

### Step 5

Feel great about helping to bring a new family to Fuqua School AND enjoy your tuition credit!

### THE FINE PRINT ~ REFERRAL PROGRAM

All current Fuqua School families and faculty/staff are eligible to participate in the New Family Referral Program.

There is no limit to the number of families you may refer. (Aim for attending Fuqua School for free next year!)

If more than one Fuqua School family submits a New Family Referral Form for the same new family, only the first family to submit the form (by date and time) will be eligible to receive the tuition credit.

\*The \$500 tuition credit is per new family enrolled. If your child is graduating from Fuqua School in May 2013, or if you are a Fuqua employee with no children attending Fuqua School, you will receive \$500 cash per new family enrolled.

We will need your assistance during the admission process, so your help does not stop after you make the referral.

If your referred family applies but is not accepted by Fuqua School, we will let you know as early in the process as possible, but only after we have notified the applicant. We cannot guarantee that your referral will be accepted to Fuqua School.

All questions regarding the New Family Referral Program should be directed to the Director of Admissions.
