

January 28, 2019

To the Parents/Guardians of Rising 9th Grade Students,

Welcome to the first step of the Maryville Junior High School online registration process. Enclosed you will find the following information regarding registration: placement criteria for rising 9th grade classes, a listing of required and elective courses, and a "How to Register" information page. Please look over these materials as it will make the registration process easier and more efficient.

Online registration will begin immediately following the Parent Orientation Meeting on Monday, February 11. Assistance will be available for you and your student to view the process after orientation. Please bring your student's laptop, PowerSchool login, and password. Although you will be registering for required and electives courses, questions regarding your student's academic placement must be addressed at a later date.

If your student has an IEP, elective courses will be decided at the spring transition meeting. If your student currently receives Response to Intervention services in the Academic Success classroom or is assigned to Learning Support, a decision regarding electives will be made at the end of the 2018-19 school year.

We hope you will attend the Parent Orientation Meeting on Monday, February 11 at 6:00 p.m. in the MJHS gym. This meeting is for parents of rising 9th grade students. All information regarding registration is located on the MJHS website at www.maryville-schools.org/mjhs at the top of the page under Quick Links. The staff at MJHS looks forward to seeing you and working together to build a bridge for success for every student through unified efforts.

Sincerely,

Lisa McGinley
Principal
