G. ACTION ITEMS

1. A Resolution Awarding the Sale of General Obligation School Building Bonds, Series 2016a, in the Original Aggregate Principal Amount of \$46,245.00; Fixing Their Form and Specifications; Directing Their Execution and Delivery; and Providing for Their Payment.

Motion by Forsberg, seconded by Easter, to approve the following resolution:

(Note Joel Ehlers stepped up to the podium and shared the bid information with board members, as well as commented that "there probably was never a better day to sell bonds in the past 50 years than today." The taxpayers will benefit from the district's strong credit rating leading to higher demand for the bonds, as well as a very low interest rate on the sale.)

BE IT RESOLVED By the Board of Education (the "Board") of Independent School District No. 16 (Spring Lake Park Schools), Anoka County, Minnesota (the "District"), as follows:

Section 1. Findings, Determinations; Sale of Bonds.

1.01 Background. It is hereby determined that:

(a) At a duly called and regularly held special election on April 26, 2016, the voters of the District approved the issuance and sale by the District of general obligation bonds for the acquisition and betterment of school sites and facilities in the maximum principal amount of \$49,925,000 pursuant to Minnesota Statutes, Chapter 475, as amended (the "Act").

(b) The purpose of the bonds as approved by the voters is to provide financing for the improvement of security at all school facilities districtwide, including without limitation the (i) acquisition of land for and construction of a new preK-4 elementary school and renovation of classrooms to address increasing enrollment; (ii) construction of preschool and early childhood classrooms; and (iii) renovation of classrooms for STEM (science, technology, engineering, and math) instruction at each school and Career and Technical Education programming at Spring Lake Park High School (collectively, the "Project").

(c) It is necessary and expedient to the sound financial management of the affairs of the District to issue its General Obligation School Building Bonds, Series 2016A (the "Bonds"), in the original aggregate principal amount of \$46,245,000, to provide financing for the Project.

(d) By resolution adopted by the Board on May 10, 2016, the District has covenanted and obligated itself to be bound by the provisions of Minnesota Statutes, Section 126C.55, which provides for payment by the State of Minnesota in the event of a potential default of a school district obligation. The District understands that as a result of its covenant to be bound by said provisions, these provisions shall be binding as long as the Bonds remain outstanding.

(e) The District is authorized by Section 475.60, subdivision 2(9) of the Act to negotiate the sale of the Bonds because the District has retained an independent financial advisor in connection with the sale of the Bonds. The actions of the District staff and its municipal advisor in negotiating the sale of the Bonds are ratified and confirmed in all aspects.

1.02. Award to the Purchaser and Interest Rates. The proposal of Jefferies, New York, New York, as syndicate manager (the "Purchaser"), to purchase the Bonds of the District described in the Official Terms of Proposal thereof is hereby found and determined to be a reasonable offer and is hereby accepted, the proposal being to purchase the Bonds at a price of \$50,250,740.73 (par amount of the Bonds of \$46,245,000.00, plus original issue premium of \$4,118,346.10, less an underwriter's discount of \$112,605.37), plus accrued interest to date of delivery, if any, for Bonds bearing interest as follows:

The District Treasurer is directed to retain the good faith check of the Purchaser, pending completion of the sale of the Bonds, and to return the good faith checks of the unsuccessful proposers. The Chair and District Clerk are directed to execute a contract with the Purchaser on behalf of the District.

The District will forthwith issue and sell the Bonds pursuant to the Act, in the total principal amount of \$46,245,000, originally dated July 7, 2016, in the denomination of \$5,000 each or any integral multiple thereof, numbered No. R-1 upward, bearing interest as above set forth, and maturing serially on February 1 in the years and amounts as follows:

1.05. Optional Redemption. The District may elect on February 1, 2026, and on any day thereafter to prepay Bonds due on or after February 1, 2027. Redemption may be in whole or in part

and if in part, at the option of the District and in such manner as the District will determine. If less than all Bonds of a maturity are called for redemption, the District will notify DTC (as defined in Section 7 hereof) of the particular amount of such maturity to be prepaid. DTC will determine by lot the amount of each participant's interest in such maturity to be redeemed and each participant will then select by lot the beneficial ownership interests in such maturity to be redeemed. Prepayments will be at a price of par plus accrued interest.

1.06. Mandatory Redemption; Term Bond. The Bonds maturing on February 1, 2035 shall hereinafter be referred to collectively as the "Term Bond." * *Maturity*

1.07. Combined Maturities. The maturity schedule of the Bonds shall be combined with the maturity schedules of the District's total currently outstanding general obligation debt, which combined maturities conform to Section 475.54, subdivisions 1 and 2 of the Act.

Section 2. Registration and Payment.

2.01. Registered Form. The Bonds will be issued only in fully registered form. The interest thereon and, upon surrender of each Bond, the principal amount thereof, is payable by check or draft issued by the Registrar described herein.

2.02. Dates; Interest Payment Dates. Each Bond will be dated as of the last interest payment date preceding the date of authentication to which interest on the Bond has been paid or made available for payment, unless (i) the date of authentication is an interest payment date to which interest has been paid or made available for payment, in which case the Bond will be dated as of the date of authentication, or (ii) the date of authentication is prior to the first interest payment date, in which case the Bond will be dated as of the date of original issue. The interest on the Bonds is payable on February 1 and August 1 of each year, commencing February 1, 2017, to the registered owners of record thereof as of the close of business on the fifteenth day immediately preceding each interest payment date, whether or not such day is a business day.

2.03. Registration. The District will appoint a bond registrar, transfer agent, authenticating agent and paying agent (the "Registrar"). The effect of registration and the rights and duties of the District and the Registrar with respect thereto are as follows:

(a) Register. The Registrar must keep at its principal corporate trust office a bond register in which the Registrar provides for the registration of ownership of Bonds and the registration of transfers and exchanges of Bonds entitled to be registered, transferred, or exchanged.

(b) Transfer of Bonds. Upon surrender for transfer of a Bond duly endorsed by the registered owner thereof or accompanied by a written instrument of transfer, in form satisfactory to the Registrar, duly executed by the registered owner thereof or by an attorney duly authorized by the registered owner in writing, the Registrar will authenticate and deliver, in the name of the designated transferee or transferees, one or more new Bonds of a like aggregate principal amount and maturity, as requested by the transferor. The Registrar may, however, close the books for registration of any transfer after the fifteenth day of the month preceding each interest payment date and until that interest payment date.

(c) Exchange of Bonds. When Bonds are surrendered by the registered owner for exchange the Registrar will authenticate and deliver one or more new Bonds of a like aggregate principal amount and maturity as requested by the registered owner or the owner's attorney in writing.

(d) Cancellation. Bonds surrendered upon transfer or exchange will be promptly cancelled by the Registrar and thereafter disposed of as directed by the District.

(e) Improper or Unauthorized Transfer. When a Bond is presented to the Registrar for transfer, the Registrar may refuse to transfer the Bond until the Registrar is satisfied that the endorsement on the Bond or separate instrument of transfer is valid and genuine and that the requested transfer is legally authorized. The Registrar will incur no liability for the refusal, in good faith, to make transfers which it, in its judgment, deems improper or unauthorized.

(f) Persons Deemed Owners. The District and the Registrar may treat the person in whose name a Bond is registered in the bond register as the absolute owner of the Bond, whether the Bond is overdue or not, for the purpose of receiving payment of, or on account of, the principal of and interest on the Bond and for all other purposes, and payments so made to a registered owner or upon the owner's order will be valid and effectual to satisfy and discharge the liability upon the Bond to the extent of the sum or sums so paid.

(g) Taxes, Fees, and Charges. The Registrar may impose a charge upon the owner thereof for a transfer or exchange of Bonds sufficient to reimburse the Registrar for any tax, fee, or other governmental charge required to be paid with respect to the transfer or exchange.

(h) Mutilated, Lost, Stolen, or Destroyed Bonds. If a Bond becomes mutilated or is destroyed, stolen, or lost, the Registrar will deliver a new Bond of like amount, number, maturity date, and tenor in exchange and substitution for and upon cancellation of the mutilated Bond or in lieu of and in substitution for any Bond destroyed, stolen, or lost, upon the payment of the reasonable expenses and charges of the Registrar in connection therewith; and, in the case of a Bond destroyed, stolen, or lost, upon filing with the Registrar of evidence satisfactory to it that the Bond was destroyed, stolen, or lost, and of the ownership thereof, and upon furnishing to the Registrar an appropriate bond or indemnity in form, substance, and amount satisfactory to it and as provided by law, in which both the District and the Registrar must be named as obligees. Bonds so surrendered to the Registrar will be cancelled by the Registrar and evidence of such cancellation must be given to the District. If the mutilated, destroyed, stolen or lost Bond has already matured or been called for redemption in accordance with its terms it is not necessary to issue a new Bond prior to payment.

(i) Redemption. In the event any of the Bonds are called for redemption, notice thereof identifying the Bonds to be redeemed will be given by the Registrar by mailing a copy of the redemption notice by first class mail (postage prepaid) to the registered owner of each Bond to be redeemed at the address shown on the registration books kept by the Registrar and by

publishing the notice if required by law. Failure to give notice by publication or by mail to any registered owner, or any defect therein, will not affect the validity of the proceedings for the redemption of Bonds. Bonds so called for redemption will cease to bear interest after the specified redemption date, provided that the funds for the redemption are on deposit with the place of payment at that time.

2.04. Appointment of Initial Registrar. The District appoints Bond Trust Services Corporation, Roseville, Minnesota, as the initial Registrar. The Chair and the District Clerk are authorized to execute and deliver, on behalf of the District, a contract with the Registrar. Upon merger or consolidation of the Registrar with another corporation, if the resulting corporation is a bank or trust company authorized by law to conduct such business, the resulting corporation is authorized to act as successor Registrar. The District agrees to pay the reasonable and customary charges of the Registrar for the services performed. The District reserves the right to remove the Registrar upon 30 days' notice and upon the appointment of a successor Registrar, in which event the predecessor Registrar must deliver all cash and Bonds in its possession to the successor Registrar and must deliver the bond register to the successor Registrar. On or before each principal or interest due date, without further order of this Council, the District Treasurer must transmit to the Registrar moneys sufficient for the payment of all principal and interest then due.

2.05. Execution, Authentication, and Delivery. The Bonds will be prepared under the direction of the District Clerk and executed on behalf of the District by the signatures of the Chair and the District Clerk, provided that those signatures may be printed, engraved or lithographed facsimiles of the originals. If an officer whose signature or a facsimile of whose signature appears on the Bonds ceases to be such officer before the delivery of a Bond, that signature or facsimile will nevertheless be valid and sufficient for all purposes, the same as if the officer had remained in office until delivery. Notwithstanding such execution, a Bond will not be valid or obligatory for any purpose or entitled to any security or benefit under this Resolution unless and until a certificate of authentication on the Bond has been duly executed by the manual signature of an authorized representative of the Registrar. Certificates of authentication on different Bonds need not be signed by the same representative. The executed certificate of authentication on a Bond is conclusive evidence that it has been authenticated and delivered under this resolution. When the Bonds have been so prepared, executed, and authenticated, the District Clerk will deliver the same to the Purchaser upon payment of the purchase price in accordance with the contract of sale heretofore made and executed, and the Purchaser is not obligated to see to the application of the purchase price.

2.06. Temporary Bonds. The District may elect to deliver in lieu of printed definitive Bonds one or more typewritten temporary Bonds in substantially the form set forth in EXHIBIT B attached hereto with such changes as may be necessary to reflect more than one maturity in a single temporary bond. Upon the execution and delivery of definitive Bonds the temporary Bonds will be exchanged therefor and cancelled.

Section 3. Form of Bond.

3.01. Execution of the Bonds. The Bonds will be printed or typewritten in substantially the form attached hereto as EXHIBIT B.

3.02. Approving Legal Opinion. The District Clerk is authorized and directed to obtain a copy of the proposed approving legal opinion of Kennedy & Graven, Chartered, Minneapolis, Minnesota, which is to be complete except as to dating thereof and cause the opinion to be printed on or accompany each Bond.

Section 4. Payment; Security; Funds; Pledges and Covenants.

4.01. Debt Service Fund. The Bonds will be payable from the General Obligation School Building Bonds, Series 2016A Debt Service Fund (the "Debt Service Fund") hereby created, and the proceeds of the ad valorem taxes levied pursuant to Section 4.03 hereof (the "Taxes") are hereby pledged to the Debt Service Fund. If a payment of principal or interest on the Bonds becomes due when there is not sufficient money in the Debt Service Fund to pay the same, the District Treasurer will pay such principal or interest from the general fund of the District, and the general fund will be reimbursed for those advances out of the proceeds of the Taxes levied by this resolution, when collected. There is appropriated to the Debt Service Fund (i) capitalized interest on the Bonds, if any; and (ii) amounts over the minimum purchase price of the Bonds paid by the Purchaser to the extent designated for deposit in the Debt Service Fund in accordance with Section 1.03 hereof.

4.02. Construction Fund. The proceeds of the Bonds, less the appropriations made in Section 4.01 and costs of issuance paid pursuant to Section 5.04, together with any other funds appropriated for the Project, will be deposited in a separate fund of the District (the "Construction Fund"). Amounts in the Construction Fund will be disbursed solely to pay costs of the Project and costs of issuance of the Bonds to the extent not paid pursuant to Section 5.04. Any balance remaining in the Construction Fund after completion of the Project may be used for any other public use authorized by law or credited to the Debt Service Fund or other District debt service funds, all in accordance with Section 475.65 of the Act.

4.03. Pledge of Taxes. For the purpose of paying the principal of and interest on the Bonds, there is levied a direct annual irrevocable ad valorem tax upon all of the taxable property in the District, to be spread upon the tax rolls and collected with and as part of other general taxes of the District. The Taxes will be credited to the Debt Service Fund above provided and is in the years and amounts attached hereto as EXHIBIT C.

4.04. Debt Service Coverage. It is determined that the estimated collection of the foregoing Taxes will produce at least five percent (5%) in excess of the amount needed to meet when due, the principal and interest payments on the Bonds. The tax levy herein provided will be irrevocable until all of the Bonds are paid, provided that at the time the District makes its annual tax levies the District Treasurer may certify to the Director of Property Taxation and Records of Anoka County, Minnesota (the "Director of Property Taxation and Records") the amount available in the Debt Service Fund to pay principal and interest due during the ensuing year, and the Director of Property Taxation and Records will thereupon reduce the levy collectible during such year by the amount so certified.

4.05. Registration of Resolution. The District Clerk is authorized and directed to file a certified copy of this resolution with the Director of Property Taxation and Records and to obtain the certificate required by Section 475.63 of the Act.

Section 5. Authentication of Transcript.

5.01. District Proceedings and Records. The officers of the District are authorized and directed to prepare and furnish to the Purchaser and to the attorneys approving the Bonds, certified copies of proceedings and records of the District relating to the Bonds and to the financial condition and affairs of the District, and such other certificates, affidavits, and transcripts as may be required to show the facts within their knowledge or as shown by the books and records in their custody and under their control, relating to the validity and marketability of the Bonds, and such instruments, including any heretofore furnished, will be deemed representations of the District as to the facts stated therein.

5.02. Certification as to Official Statement. The Chair, the District Clerk, and the District Treasurer are authorized and directed to certify that they have examined the Official Statement prepared and circulated in connection with the issuance and sale of the Bonds and that to the best of their knowledge and belief the Official Statement is a complete and accurate representation of the facts and representations made therein as of the date of the Official Statement.

5.03. Other Certificates. The Chair, the District Clerk, and the District Treasurer are hereby authorized and directed to furnish to the Purchaser at the closing such certificates as are required as a condition of sale. Unless litigation shall have been commenced and be pending questioning the Bonds or the organization of the District or incumbency of its officers, at the closing the Chair, the District Clerk, and the District Treasurer shall also execute and deliver to the Purchaser a suitable certificate as to absence of material litigation, and the District Treasurer shall also execute and deliver a certificate as to payment for and delivery of the Bonds.

5.04. Payment of Costs of Issuance. The District authorizes the Purchaser to forward the amount of Bond proceeds allocable to the payment of issuance expenses to KleinBank, Chaska, Minnesota on the closing date for further distribution as directed by the District's municipal advisor, Ehlers & Associates, Inc.

Section 6. Tax Covenants.

6.01. Tax-Exempt Bonds. The District covenants and agrees with the holders from time to time of the Bonds that it will not take or permit to be taken by any of its officers, employees, or agents any action which would cause the interest on the Bonds to become subject to taxation under the Internal Revenue Code of 1986, as amended (the "Code"), and the Treasury Regulations promulgated thereunder, in effect at the time of such actions, and that it will take or cause its officers, employees or agents to take, all affirmative action within its power that may be necessary to ensure that such interest will not become subject to taxation under the Code and applicable Treasury Regulations, as presently existing or as hereafter amended and made applicable to the Bonds.

6.02. Rebate. The District will comply with requirements necessary under the Code to establish and maintain the exclusion from gross income of the interest on the Bonds under Section 103 of the Code, including without limitation requirements relating to temporary periods for investments, limitations on amount invested at a yield greater than the yield on the Bonds, and the rebate of excess investment earnings to the United States.

6.03. Not Private Activity Bonds. The District further covenants not to use the proceeds of the Bonds or to cause or permit them or any of them to be used, in such a manner as to cause the Bonds to be "private activity bonds" within the meaning of Sections 103 and 141 through 150 of the Code.

6.04. Not Qualified Tax-Exempt Obligations. The District shall not designate the Bonds as "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the Code.

6.05. Procedural Requirements. The District will use its best efforts to comply with any federal procedural requirements which may apply in order to effectuate the designations made by this section.

Section 7. Book-Entry System; Limited Obligation of District.

7.01. DTC. The Bonds will be initially issued in the form of a separate single typewritten or printed fully registered Bond for each of the maturities set forth in Section 1.04 hereof. Upon initial issuance, the ownership of each Bond will be registered in the registration books kept by the Registrar in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York, and its successors and assigns (“DTC”). Except as provided in this section, all of the outstanding Bonds will be registered in the registration books kept by the Registrar in the name of Cede & Co., as nominee of DTC.

7.02. Participants. With respect to Bonds registered in the registration books kept by the Registrar in the name of Cede & Co., as nominee of DTC, the District, the Registrar, and the Paying Agent will have no responsibility or obligation to any broker dealers, banks and other financial institutions from time to time for which DTC holds Bonds as securities depository (the “Participants”) or to any other person on behalf of which a Participant holds an interest in the Bonds, including but not limited to any responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any Participant with respect to any ownership interest in the Bonds; (ii) the delivery to any Participant or any other person (other than a registered owner of Bonds, as shown by the registration books kept by the Registrar), of any notice with respect to the Bonds, including any notice of redemption; or (iii) the payment to any Participant or any other person, other than a registered owner of Bonds, of any amount with respect to principal of, premium, if any, or interest on the Bonds. The District, the Registrar, and the Paying Agent may treat and consider the person in whose name each Bond is registered in the registration books kept by the Registrar as the holder and absolute owner of such Bond for the purpose of payment of principal, premium and interest with respect to such Bond, for the purpose of registering transfers with respect to such Bonds, and for all other purposes. The Paying Agent will pay all principal of, premium, if any, and interest on the Bonds only to or on the order of the respective registered owners, as shown in the registration books kept by the Registrar, and all such payments will be valid and effectual to fully satisfy and discharge the District’s obligations with respect to payment of principal of, premium, if any, or interest on the Bonds to the extent of the sum or sums so paid. No person other than a registered owner of Bonds, as shown in the registration books kept by the Registrar, will receive a certificated Bond evidencing the obligation of this resolution. Upon delivery by DTC to the District Clerk of a written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., the words “Cede & Co.” will refer to such new nominee of DTC; and upon receipt of such a notice, the District Clerk will promptly deliver a copy of the same to the Registrar and Paying Agent.

7.03. Representation Letter. Registered Owner: Cede & Co.

Independent School District No. 16 (Spring Lake Park Schools), a duly organized and existing school district in Anoka County, Minnesota (the "District"), acknowledges itself to be indebted and for value received hereby promises to pay to the Registered Owner specified above or registered assigns the principal sum of \$_____ on the maturity date specified above, with interest thereon from the date hereof at the annual rate specified above, payable February 1 and August 1 in each year, commencing February 1, 2017, to the person in whose name this Bond is registered at the close of business on the fifteenth day (whether or not a business day) of the immediately preceding month. The interest hereon and, upon presentation and surrender hereof, the principal hereof are payable in lawful money of the United States of America by check or draft by Bond Trust Services Corporation, Roseville, Minnesota, as Registrar, Paying Agent, Transfer Agent, and Authenticating Agent, or its designated successor under the Resolution described herein. For the prompt and full payment of such principal and interest as the same respectively become due, the full faith and credit and taxing powers of the District have been and are hereby irrevocably pledged.

The District may elect on February 1, 2026, and on any date thereafter to prepay Bonds due on or after February 1, 2027. Redemption may be in whole or in part and if in part, at the option of the District and in such order as the District will determine. If less than all Bonds of a maturity are called for redemption, the District will notify The Depository Trust Company ("DTC") of the particular amount of such maturity to be prepaid. DTC will determine by lot the amount of each participant's interest in such maturity to be redeemed and each participant will then select by lot the beneficial ownership interests in such maturity to be redeemed. Prepayments will be at a price of par plus accrued interest.

The Bonds maturing on February 1, 2035 shall hereinafter be referred to collectively as the "Term Bond." The principal amount of the Term Bond subject to mandatory sinking fund redemption on any date may be reduced through earlier optional redemptions, with any partial redemptions of the Term Bond credited against future mandatory sinking fund redemptions of such Term Bond in such order as the District shall determine. The Term Bond is subject to mandatory sinking fund redemption and shall be redeemed in part at par plus accrued interest on February 1 of the following years and in the principal amounts as follows:

* *Maturity*

This Bond is one of an issue in the aggregate principal amount of \$46,245,000 all of like original issue date and tenor, except as to number, maturity date, redemption privilege, and interest rate, all issued pursuant to a resolution adopted by the Board of Education of the District (the "Board") on June 14, 2016 (the "Resolution"), for the purpose of providing money to aid in financing the acquisition and betterment of school sites and facilities, pursuant to and in full conformity with the Constitution and laws of the State of Minnesota, including Minnesota Statutes, Chapter 475, as amended, pursuant to authority granted by the voters of the District at a duly called and special election held on April 26, 2016, and the principal hereof and interest hereon are payable primarily from ad valorem taxes, as set forth in the Resolution to which reference is made for a full statement of rights and powers thereby conferred. The full faith and credit of the District are irrevocably pledged for payment of this Bond and the Board has obligated itself to levy additional ad valorem taxes on all taxable property in the District in the event of any deficiency, which additional taxes may be levied without limitation as to rate or amount. The Bonds of this series are issued only as fully registered Bonds in denominations of \$5,000 or any integral multiple thereof of single maturities.

The Board has not designated the issue of Bonds of which this Bond forms a part as "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the Internal Revenue Code of 1986, as amended (the "Code") relating to disallowance of interest expense for financial institutions and within the \$10 million limit allowed by the Code for the calendar year of issue.

The District has covenanted and obligated itself to be bound by the provisions of Minnesota Statutes, Section 126C.55, and to guarantee the payments of the principal of and interest on this Bond when due, pursuant to said statute.

As provided in the Resolution and subject to certain limitations set forth therein, this Bond is transferable upon the books of the District at the principal office of the Registrar, by the registered owner hereof in person or by the owner's attorney duly authorized in writing, upon surrender hereof together with a written instrument of transfer satisfactory to the Registrar, duly executed by the registered owner or the owner's attorney; and may also be surrendered in exchange for Bonds of other authorized denominations. Upon such transfer or exchange the District will cause a new Bond or Bonds to be issued in the name of the transferee or registered owner, of the same aggregate principal amount, bearing interest at the same rate and maturing on the same date, subject to reimbursement for any tax, fee, or governmental charge required to be paid with respect to such transfer or exchange.

The District and the Registrar may deem and treat the person in whose name this Bond is registered as the absolute owner hereof, whether this Bond is overdue or not, for the purpose of receiving payment and for all other purposes, and neither the District nor the Registrar will be affected by any notice to the contrary.

IT IS HEREBY CERTIFIED, RECITED, COVENANTED AND AGREED that all acts, conditions and things required by the Constitution and laws of the State of Minnesota to be done, to exist, to happen and to be performed preliminary to and in the issuance of this Bond in order to make it a valid and binding general obligation of the District in accordance with its terms, have been done, do exist, have happened

and have been performed as so required, and that the issuance of this Bond does not cause the indebtedness of the District to exceed any constitutional or statutory limitation of indebtedness.

This Bond is not valid or obligatory for any purpose or entitled to any security or benefit under the Resolution until the Certificate of Authentication hereon has been executed by the Registrar by manual signature of one of its authorized representatives.

IN WITNESS WHEREOF, the Independent School District No. 16 (Spring Lake Park Schools), Anoka County, Minnesota, by its Board of Education, has caused this Bond to be executed on its behalf by the facsimile or manual signatures of the Chair and District Clerk has caused this Bond to be dated as of the date set forth below.
