E. DISCUSSION, REPORTS, INFORMATION ITEMS

1. **Student Learning and Development:** Improving student learning and realizing high achievement for all learners is our ultimate purpose and measure of success.

Embedded College and Post-Secondary Success – Project Update - Dr. Hope Rahn, Director of Learning and Innovation, Lisa Switzer, Learning and Teaching Coordinator, and Steve Brady, Associate Principal, Spring Lake Park High School presented an update of this 2015-2016 District Operational Plan project. Highlights of the presentation included the Why of the project, description of embedded college, and end goals. Several embedded college options were mentioned including MN Transfer Curriculum, 12x12 (12 college credits by 12th grade), and associates of arts degree. The board gave positive input to the 12x12 model at the previous work session where this topic was discussed. Spring Lake Park Schools has partnered with Anoka Ramsey Community College to provide courses at Spring Lake Park High school beginning Fall of 2016.

2. **Effective Operations:** Improve our effective management of human, financial, and physical resources.

Monthly Financial Report for December 2015 - Ms. Amy Schultz, Director of Business Services, reviewed the monthly financial report for December 2015 including treasurer's report, revenue, and expenditures.

Master Facilities and Programming Study – Bond Presentation - Ms. Amy Schultz, Director of Business Services, and Dr. Jeff Ronneberg, Superintendent of Schools presented information on the upcoming Bond Referendum. Highlights include a review of the district Vision for the Future, District Over-arching Goals, enrollment overview, history of the facilities study, review of the three phases of the study, input and work of the Community Facility Design Team, master facilities plan, bond referendum cost, ongoing financial stewardship, tax impact, and next steps.

The priorities of the Bond Referendum are:

- Avoid current and projected overcrowding by building a new preK-4 school and adding classroom space at Spring Lake Park High School
- Meet the growing interest and demand for preschool and early childhood programming by building early learning classrooms
- Expand and enhance K-12 STEM programming and Career and Technical Education at the secondary level, by renovating learning spaces in each of our schools.

Space and classrooms will be designed to allow teachers and staff flexible use to meet the diverse needs and interests of students. The bond priorities reflect purposeful planning over multiple years to position the district for the future while being fiscally responsible.

Details of the Bond Referendum:

- \$31.9 million for new preK-4 school and land purchase
- \$8.95 million for addition of classrooms
- \$4.775 million for expanding and enhancing STEM and Career and Technical Education programming at all schools
- \$4.3 million for preschool and early childhood classrooms at the new school and DSC

Land options continue to be studied for feasibility and are actively being negotiated. Three possible locations for a new preK-4 school are:

- site currently owned by the National Sports Center in Blaine
- site owned by the Metropolitan Airports Commission near 85th and Highway 10
- site at the northwest corner of 109th and Lexington Avenue

Dr. Ronneberg also shared information on additional projects to be completed, that will come from funding sources other than the bond: athletic and activities facilities, remodeling of classrooms for special education programming, construction of a second driveway at Westwood, replacing outdated furniture with items that teachers and students can use more flexibly. It was noted that these projects are contingent on passage of the bond.

Ms. Amy Schultz reviewed the ongoing financial stewardship of the district including:

- early debt payoff of District Services Center building and the high school turf – allowed for construction of classroom additions at Northpoint and Park Terrace at no additional cost to the taxpayer
- approval of the 2016-17 property tax levy at lower amount than in 2015-16, resulting in tax decrease
- over the past 4 years the district’s property tax levy has increase by only 0.2%, one of the lowest in the metro area
- three bond refunding opportunities have taken place in the last 5 years to reduce taxes for district residents, resulting in about \$110 savings per year on a \$250,000 home

Ms. Amy Schultz reviewed the potential tax impact of the bond:

- Initial cost - \$113 per year or \$9.42/month on \$200,000 home.
- This initial cost will be reduced due to the recent bond refunding which will save owners of a \$200,000 home about \$42/year; resulting in the cost of the bond to \$71/year for a \$200,000 home
- Individual tax calculator will be available on the district website on the bond referendum page

Comprehensive bond information is available the district website at springlakeparkschools.org/bond2016. Public meetings will be held this spring and questions can be directed via email to bond2016@district16.org or by calling the bond hotline at 763-600-5545.

3. Superintendent’s Report - Dr. Jeff Ronneberg, Superintendent of Schools, shared some of the accomplishments of our students and how they are performing in athletics, activities, and academics, including: Boy’s Hockey Team Conference Championship – this is the 2nd time in the history of the school district; Math Team is ranking 12th in the state; high school dance team has qualified for state again, 12 years in a row; the science Olympiad team advanced to state, only the 2nd year we have had this activity; Girl’s hockey team advanced through the quarter-finals; and Knowledge Bowl team won 1st place out of 38 teams in a recent competition.

F. ACTION ITEMS

1. Resolution Authorizing the Issuance of School Building Bonds and Calling Special Election Thereon

Motion by Delfs, seconded by Easter to adopt the following resolution:

BE IT RESOLVED by the School Board (the “Board”) of Independent School District No. 16 (Spring Lake Park Schools), Anoka County, Minnesota (the “School District”), as follows:

1. The Board hereby finds and determines that it is necessary and expedient for the School District to issue general obligation bonds of the School District in an aggregate amount not to exceed \$49,925,000, and not to exceed any applicable limitation on authorized indebtedness on the date or dates of the issuance of such bonds, for the purpose of providing funds for the

acquisition and betterment of school sites and facilities within the School District, including without limitation:

(a) acquisition of land for and construction of a new prek-4 elementary school and renovation of classrooms to address increasing enrollment;

(b) construction of preschool and early childhood classrooms; and

(c) renovation of classrooms for STEM (science, technology, engineering, and math) instruction at each school and Career and Technical Education programming at Spring Lake Park High School.

The question on borrowing funds for these purposes shall be School District Ballot Question 1 at the special election held to approve the issuance of such bonds.

2. A description of the projects described in paragraph 1 (the “Projects”) will be submitted to the Commissioner of Education of the State of Minnesota (the “Commissioner”) for review and comment, pursuant to Minnesota Statutes, Section 123B.71, as amended. The actions of the administration in consulting with the Minnesota Department of Education, causing a proposal to be prepared and submitted on behalf of the Board to the Commissioner for the Commissioner’s review and comment, and taking such other actions as necessary to comply with the provisions of Minnesota Statutes, Section 123B.71, are hereby authorized and approved in all respects. A positive review and comment from the Commissioner, if received, will provide that voter approval is required in order for the School District to proceed with the projects.
3. The question of issuing general obligation school building bonds in the maximum amount of \$49,925,000 shall be submitted to the qualified voters of the School District at a special election, which is hereby called and directed to be held on Tuesday, April 26, 2016.
4. Pursuant to Minnesota Statutes, Section 205A.11, the precincts and polling places for this special election are those precincts or part of precincts and polling places located within the boundaries of the school district which have been previously established by the School District for School District elections. The voting hours at those polling places shall be the hours between 7:00 a.m. and 8:00 p.m.
5. The School Board will appoint duly qualified individuals to serve as election judges at a regular or special meeting no later than April 1, 2016.
6. The Clerk is hereby authorized and directed to perform the following duties:
 - (a) cause written notice of the special election to be provided to the county auditor of Anoka County, at least 74 days before the date of the special election;
 - (b) cause written notice of the special election to be provided to the Commissioner at least 74 days before the date of the special election;
 - (c) cause the Notice of Special Election, in substantially the form attached as Exhibit A, to be published once a week in the official newspaper of the School District for two consecutive

weeks, with the second publication occurring at least 14 days before the date of the special election; and

(d) cause the Notice of Special Election to be posted at the administrative offices of the school district, for public inspection, at least 10 days before the date of said special election.

7. The Clerk is further authorized and directed to cause a printed Ballot for the questions to be prepared in accordance with Minnesota Statutes, Section 205A.08, Subdivision 4, for use at the special election, to cause a sample ballot to be posted in the administrative offices of the School District, for public inspection, at least four (4) days before the date of the special election and to cause a sample ballot to be posted at each polling place on the date of the special election. The Clerk is further authorized and directed to cooperate with the proper election officials to cause ballots or ballot cards to be prepared for use at said election. The ballot shall be in substantially the form attached as Exhibit B.
8. The Clerk is authorized and directed to acquire and distribute such election materials and to take such other actions as may be necessary for the proper conduct of this special election and generally to cooperate with election authorities conducting any other elections on that date. The Clerk and members of the administration are authorized and directed to take such actions as may be necessary to coordinate this election with those other elections, including entering into agreements with appropriate municipal and county officials regarding preparation and distribution of ballots or ballot cards, election administration, and cost sharing.
9. If the School District will be contracting to print the ballots for this special election, the Clerk is hereby authorized and directed to prepare instructions to the printer for layout of the ballot. Before a contract in excess of \$1,000 is awarded for printing ballots, the printer shall furnish, in accordance with Minnesota Statutes, Section. 204D.04, a sufficient bond, letter of credit or certified check acceptable to the Clerk in an amount not less than \$1000 conditioned on printing the ballots in conformity with the Minnesota election law and the instructions delivered. The Clerk shall set the amount of the bond, letter of credit or certified check in an amount equal to the value of the purchase.
10. The special election shall be held and the returns made and canvassed in the manner prescribed by law, and the Board shall meet between April 29 and May 6, 2016 (on a date between the third and tenth day after the election) for the purpose of canvassing the results thereof.
