As well, a compliment was given to the boys hockey team commenting on the impressive character of the players at a recent game. If less than all Bonds of a maturity are called for redemption, the District will notify DTC (as defined in Section 8 hereof) of the particular amount of such maturity to be prepaid. DTC will determine by lot the amount of each participant's interest in such maturity to be redeemed and each participant will then select by lot the beneficial ownership interests in such maturity to be redeemed. Prepayments will be at a price of par plus accrued interest.

Section 2. Registration and Payment.

2.01. Registered Form. The Bonds will be issued only in fully registered form. The interest thereon and, upon surrender of each Bond, the principal amount thereof, is payable by check or draft issued by the Registrar described herein.

2.02. Dates; Interest Payment Dates. Each Bond will be dated as of the last interest payment date preceding the date of authentication to which interest on the Bond has been paid or made available for payment, unless (i) the date of authentication is an interest payment date to which interest has been paid or made available for payment, in which case the Bond will be dated as of the date of authentication, or (ii) the date of authentication is prior to the first interest payment date, in which case the Bond will be dated as of the date of original issue. The interest on the Bonds is payable on February 1 and August 1 of each year, commencing August 1, 2016, to the registered owners of record as of the close of business on the fifteenth day of the immediately preceding month, whether or not that day is a business day.

2.03. Registration. The District will appoint a bond registrar, transfer agent, authenticating agent and paying agent (the "Registrar"). The effect of registration and the rights and duties of the District and the Registrar with respect thereto are as follows:

(a) Register. The Registrar must keep at its principal corporate trust office a bond register in which the Registrar provides for the registration of ownership of Bonds and the registration of transfers and exchanges of Bonds entitled to be registered, transferred or exchanged.

(b) Transfer of Bonds. Upon surrender for transfer of a Bond duly endorsed by the registered owner thereof or accompanied by a written instrument of transfer, in form satisfactory to the Registrar, duly executed by the registered owner thereof or by an attorney duly authorized by the registered owner in writing, the Registrar will authenticate and deliver, in the name of the designated transferee or transferees, one or more new Bonds of a like aggregate principal amount and maturity, as requested by the transferor. The Registrar may, however, close the books for registration of any transfer after the fifteenth day of the month preceding each interest payment date and until that interest payment date.

(c) Exchange of Bonds. When Bonds are surrendered by the registered owner for exchange the Registrar will authenticate and deliver one or more new Bonds of a like aggregate principal amount and maturity as requested by the registered owner or the owner's attorney in writing.

(d) Cancellation. Bonds surrendered upon transfer or exchange will be promptly cancelled by the Registrar and thereafter disposed of as directed by the District.

(e) Improper or Unauthorized Transfer. When a Bond is presented to the Registrar for transfer, the Registrar may refuse to transfer the Bond until the Registrar is satisfied that the endorsement on the Bond or separate instrument of transfer is valid and genuine and that the requested transfer is legally authorized. The Registrar will incur no liability for the refusal, in good faith, to make transfers which it, in its judgment, deems improper or unauthorized.

(f) Persons Deemed Owners. The District and the Registrar may treat the person in whose name a Bond is registered in the bond register as the absolute owner of the Bond, whether the Bond is overdue or not, for the purpose of receiving payment of, or on account of, the principal of and interest on the Bond and for all other purposes, and payments so made to a registered owner or upon the owner's order will be valid and effectual to satisfy and discharge the liability upon the Bond to the extent of the sum or sums so paid.

(g) Taxes, Fees and Charges. The Registrar may impose a charge upon the owner thereof for a transfer or exchange of Bonds sufficient to reimburse the Registrar for any tax, fee or other governmental charge required to be paid with respect to the transfer or exchange.

(h) Mutilated, Lost, Stolen or Destroyed Bonds. If a Bond becomes mutilated or is destroyed, stolen or lost, the Registrar will deliver a new Bond of like amount, number, maturity date and tenor in exchange and substitution for and upon cancellation of the mutilated Bond or in lieu of and in substitution for any Bond destroyed, stolen or lost, upon the payment of the reasonable expenses and charges of the Registrar in connection therewith; and, in the case of a Bond destroyed, stolen or lost, upon filing with the Registrar of evidence satisfactory to it that the Bond was destroyed, stolen or lost, and of the ownership thereof, and upon furnishing to the Registrar an appropriate bond or indemnity in form, substance and amount satisfactory to it and as provided by law, in which both the District and the Registrar must be named as obligees. Bonds so surrendered to the Registrar will be cancelled by the Registrar and evidence of such cancellation must be given to the District. If the mutilated, destroyed, stolen or lost Bond has already matured or been called for redemption in accordance with its terms it is not necessary to issue a new Bond prior to payment.

(i) Redemption. In the event any of the Bonds are called for redemption, notice thereof identifying the Bonds to be redeemed will be given by the Registrar by mailing a copy of the redemption notice by first class mail (postage prepaid) to the registered owner of each Bond to be redeemed at the address shown on the registration books kept by the Registrar and by publishing the notice if required by law. Failure to give notice by publication or by mail to any registered owner, or any defect therein, will not affect the validity of any proceeding for the redemption of Bonds. Bonds so called for redemption will cease to bear interest after the specified redemption date, provided that the funds for the redemption are on deposit with the place of payment at that time.

2.04. Appointment of Initial Registrar. The District appoints Bond Trust Services Corporation, Roseville, Minnesota, as the initial Registrar. The Chair and the District Clerk are authorized to execute and deliver, on behalf of the District, a contract with the Registrar. Upon merger or consolidation of the Registrar with another corporation, if the resulting corporation is a bank or trust company authorized by law to conduct such business, the resulting corporation is authorized to act as successor Registrar. The District agrees to pay the reasonable and customary charges of the Registrar for the services performed. The District reserves the right to remove the Registrar upon 30 days' notice and upon the appointment of a successor Registrar, in which event the predecessor Registrar must deliver all cash and Bonds in its possession to the successor Registrar and must deliver the bond register to the successor Registrar. On or before each principal or interest due date, without further order of this School Board, the District Treasurer must transmit to the Registrar moneys sufficient for the payment of all principal and interest then due.

2.05. Execution, Authentication and Delivery. The Bonds will be prepared under the direction of the District Clerk and executed on behalf of the District by the signatures of the Chair and the District Clerk, provided that those signatures may be printed, engraved or lithographed facsimiles of the originals. If an officer whose signature or a facsimile of whose signature appears on the Bonds ceases to be such officer before the delivery of a Bond, that signature or facsimile will nevertheless be valid and sufficient for all purposes, the same as if the officer had remained in office until delivery. Notwithstanding such execution, a Bond will not be valid or obligatory for any

purpose or entitled to any security or benefit under this Resolution unless and until a certificate of authentication on the Bond has been duly executed by the manual signature of an authorized representative of the Registrar. Certificates of authentication on different Bonds need not be signed by the same representative. The executed certificate of authentication on a Bond is conclusive evidence that it has been authenticated and delivered under this Resolution. When the Bonds have been so prepared, executed and authenticated, the District Clerk will deliver the same to the Purchaser upon payment of the purchase price in accordance with the contract of sale heretofore made and executed, and the Purchaser is not obligated to see to the application of the purchase price.

2.06. Temporary Bonds. The District may elect to deliver in lieu of printed definitive Bonds one or more typewritten temporary Bonds in substantially the form set forth in EXHIBIT B attached hereto with such changes as may be necessary to reflect more than one maturity in a single temporary bond. Upon the execution and delivery of definitive Bonds the temporary Bonds will be exchanged therefor and cancelled.

Section 3. Form of Bond.

3.01. Execution of the Bonds. The Bonds will be printed or typewritten in substantially the form as attached hereto as EXHIBIT B.

3.02. Approving Legal Opinion. The District Clerk is authorized and directed to obtain a copy of the proposed approving legal opinion of Kennedy & Graven, Chartered, Minneapolis, Minnesota, which is to be complete except as to dating thereof and cause the opinion to be printed on or accompany each Bond.

Section 4. Bonds; Security; Pledges.

4.01. Debt Service Fund. For the convenience and proper administration of the moneys to be borrowed and repaid on the Bonds, and to provide adequate and specific security for the Purchaser and holders from time to time of the Bonds, there is hereby created a special fund to be designated the General Obligation Refunding Bonds, Series 2015A Debt Service Fund (the "Debt Service Fund") to be administered and maintained by the District Treasurer as a bookkeeping account separate and apart from all other funds maintained in the official financial records of the District. The Debt Service Fund will be maintained in the manner herein specified until all of the Refunded Bonds have been paid and until all of the Bonds and the interest thereon have been fully paid. The following accounts are hereby created and shall be maintained as set forth herein: the "School Building Bonds Account" and the "Alternative Facilities Bonds Account."

The amount of any surplus remaining in the School Building Bonds Account when the Series 2006C Refunding Bonds and interest thereon are paid will be used as provided in Section 475.61, subdivision 4 of the Act.

The amount of any surplus remaining in the Alternative Facilities Bonds Account when the Series 2007B Refunding Bonds and interest thereon are paid will be used as provided in Section 475.61, subdivision 4 of the Act.

4.02. Escrow Fund. A portion of the proceeds of the Bonds in the amount of \$32,037,781.26 will be deposited in a separate fund (the "Escrow Fund") maintained by U.S. Bank National Association, Saint Paul, Minnesota, acting as escrow agent (the "Escrow Agent"). Such funds will be received by the Escrow Agent and applied to fund the Escrow Fund or to pay costs of issuing the Bonds. Proceeds of the Bonds not used to pay costs of issuance on the Bonds are hereby irrevocably pledged and appropriated to the Escrow Fund, together with all investment earnings thereon. The monies in the Escrow Fund will be invested in securities maturing or callable at the option of the holder on such dates and bearing interest at such rates as will be required to provide sufficient funds, together with any cash or other funds retained in the Escrow Fund, to (i) pay when due the interest to accrue on the Bonds to and including August 1, 2016 (the "Redemption Date"); (ii) pay on the Redemption Date the principal amount of the Series 2006C Bonds then outstanding; and (iii) pay on the Redemption Date the principal amount of the Series 2007B Bonds then outstanding. Other than the monies in the Escrow Fund to be used to pay costs of issuance of the Bonds, the monies in the Escrow Fund will be irrevocably appropriated to the payment of the interest on the Bonds to and including the Redemption Date and the payment of the principal of the Refunded Bonds until the proceeds of the Bonds therein are applied to prepayment of the Refunded Bonds. The moneys in the Escrow Fund will be used solely for the purposes herein set forth and for no other purpose, except that any surplus in the Escrow Fund may be remitted to the District, all in accordance with the Escrow Agreement. Any moneys remitted to the District upon termination of the Escrow Agreement will be deposited in the Debt Service Fund.

4.03. Prior Debt Service Accounts. The Debt Redemption Fund heretofore established for the Series 2006C Bonds pursuant to the resolution authorizing the issuance and sale of the Series 2006C Bonds (the "Series 2006C Bonds Resolution") shall be closed following the redemption of the Series 2006C Bonds, and all monies therein shall be transferred to the School Building Bonds Account of the Debt Service Fund herein created. The Debt Redemption Fund heretofore established for the Series 2007B Bonds pursuant to the resolution authorizing the issuance and sale of the Series 2007B Bonds (the "Series 2007B Bonds Resolution") shall be closed following the redemption of the Series 2007B Bonds, and all monies therein shall be transferred to the Alternative Facilities Bonds Account of the Debt Service Fund herein created.

4.04. General Obligation Pledge. For the prompt and full payment of the principal of and interest on the Bonds, as the same respectively become due, the full faith, credit and taxing powers of the District will be and are hereby irrevocably pledged. If the balance in the Escrow Fund or Debt Service Fund is ever insufficient to pay all principal and interest then due on the Bonds and any other bonds payable therefrom, the deficiency will be promptly paid out of monies in the

general fund of the District which are available for such purpose, and such general fund may be reimbursed with or without interest from the Escrow Fund or Debt Service Fund when a sufficient balance is available therein.

4.05. Pledge of Tax Levies.

(a) To provide moneys for payment of a portion of the principal and interest on the Bonds maturing after the Redemption Date, there is hereby levied a direct annual irrepealable ad valorem tax (the "Taxes") upon all of the taxable property in the District which will be spread upon the tax rolls and collected with and as part of other general taxes of the District. Such Taxes will be credited to the School Building Bonds Account and to the Alternative Facilities Bonds Account of the Debt Service Fund above provided and will be in the years and in the amounts attached hereto as EXHIBIT C.

(b) The tax levies are such that if collected in full the Taxes, together with estimated collections of investment earnings (and until the Redemption Date, of all amounts in the Escrow Fund), and other revenues herein pledged for the payment of the Bonds, will produce at least five percent (5%) in excess of the amount needed to meet when due the principal and interest payments on the Bonds. The tax levies will be irrepealable so long as any of the Bonds are outstanding and unpaid, provided that the District reserves the right to reduce the levies in the manner and to the extent permitted by Section 475.61, subdivision 3 of the Act.

4.06. Cancellation of Prior Levies after Redemption Date. Following the payment in full of all outstanding principal of and interest due on the Refunded Bonds on the Redemption Date, the District Treasurer is hereby directed to certify such fact to and request the Manager of Property Records and Taxation of Anoka County, Minnesota (the "Manager of Property Records and Taxation") to cancel any and all tax levies made by the Series 2006C Bonds Resolution and the Series 2007B Bonds Resolution.

4.07. Prior Pledges. The pledges and covenants of the District made by the Series 2007B Bonds Resolution requiring the District to annually update its five-year plan and biennially submit its facility maintenance plan to the Commissioner of the Department of Education are restated and confirmed in all respects. The provisions of the Series 2007B Bonds Resolution are hereby supplemented to the extent necessary to give full effect to the provisions hereof.

4.08. Filing. The District Clerk is authorized and directed to file a certified copy of this resolution with the Manager of Property Records and Taxation and to obtain the certificate required by Section 475.63 of the Act.

Section 5. Refunding of Refunded Bonds; Findings; Redemption of Refunded Bonds.

5.01. Purpose of Refunding. The 2017 through 2029 maturities of the Series 2006C Bonds will be called for redemption on the Redemption Date in the principal amount of \$27,500,000. The 2017 through 2023 maturities of the Series 2007B Bonds will be called for redemption on the Redemption Date in the principal amount of \$3,940,000. It is hereby found and determined that based upon information presently available from the District's municipal advisor, the issuance of the Bonds, a portion of which will be used to refund the Refunded Bonds, is consistent with covenants made with the holders of the Refunded Bonds.

5.02. Findings. It is hereby found and determined that based upon information presently available from the District's municipal advisor, the issuance of the Bonds will result in a reduction of debt service cost to the District on the Refunded Bonds, such that the present value of such debt service or interest cost savings (the "Reduction") is at least three percent (3%) of the debt service on the Refunded Bonds. The Reduction, after the inclusion of all authorized expenses of refunding in the computation of the effective interest rate on the Bonds, is adequate to authorize the issuance of the Bonds as provided by Section 475.67, subdivisions 12 and 13 of the Act.

5.03. Proceeds Pledged to the Escrow Fund. As of the date of delivery of and payment for the Bonds, proceeds of the Bonds in the amount of \$31,940,626.26 are hereby pledged and appropriated and will be deposited in the Escrow Fund for the purposes of (i) redeeming the principal amount of the 2017 through 2029 maturities of the Series 2006C Bonds on the Redemption Date; (ii) redeeming the principal amount of the 2017 through 2023 maturities of the Series 2007B Bonds on the Redemption Date; and (iii) paying interest on the Bonds to and including the Redemption Date. Proceeds of the Bonds in the amount of \$97,155.00 will be deposited in the Escrow Fund to pay the costs of issuance of the Bonds.

5.04. Securities to Fund Escrow Fund. Securities purchased, if any, from the moneys in the Escrow Fund will be limited to securities specified in Section 475.67, subdivision 8 of the Act. Springsted Incorporated and/or U.S. Bank National Association as agent for the District, is hereby authorized and directed to purchase for and on behalf of the District and in its name, appropriate securities to fund the Escrow Fund. Upon the issuance and delivery of the Bonds, the securities so purchased will be deposited with the Escrow Agent and held pursuant to the terms of the Escrow Agreement and this resolution.

5.05. Notices of Call for Redemption. The Series 2006C Bonds maturing on February 1, 2017 and thereafter will be redeemed and prepaid on the Redemption Date. The Series 2006C Bonds will be redeemed and prepaid in accordance with their terms and in accordance with the terms and conditions set forth in the form of Notice of Call for Redemption attached hereto as EXHIBIT D-1, which terms and conditions are hereby approved and incorporated herein by reference. The Series 2007B Bonds maturing on February 1, 2017 and thereafter will be redeemed and prepaid on the Redemption Date. The Series 2007B Bonds will be redeemed and prepaid in accordance with their terms and in accordance with the terms and conditions set forth in the form of Notice of Call for Redemption attached hereto as EXHIBIT D-2, which terms and conditions are hereby approved and incorporated herein by reference. The registrars for the Refunded Bonds are authorized and directed to send a copy of each Notice of Call for Redemption to each registered holder of the Refunded Bonds at least thirty days prior to the Redemption Date.

5.06. Escrow Agreement. On or prior to the delivery of the Bonds, the Chair and the District Clerk are hereby authorized and directed to execute on behalf of the District an escrow agreement (the "Escrow Agreement") with the Escrow Agent in substantially the form now on file with the District Clerk. All essential terms and conditions of the Escrow Agreement, including payment by the District of reasonable charges for the services of the Escrow Agent, are hereby approved and adopted and made a part of this resolution, and the District covenants that it will promptly enforce all provisions thereof in the event of default thereunder by the Escrow Agent.

6.02. Certification as to Official Statement. The Chair, District Clerk, and District Treasurer are hereby authorized and directed to certify that they have examined the Official Statement prepared and circulated in connection with the issuance and sale of the Bonds and that to the best of their knowledge and belief the Official Statement is a complete and accurate representation of the facts and representations made therein as of the date of the Official Statement.

6.03. Other Certificates. The Chair, the District Clerk, and the District Treasurer are hereby authorized and directed to furnish to the Purchaser at the closing such certificates as are required as a condition of sale. Unless litigation shall have been commenced and be pending questioning the Bonds or the organization of the District or incumbency of its officers, at the closing the Chair, the District Clerk, and the District Treasurer shall also execute and deliver to the Purchaser a suitable certificate as to absence of material litigation, and the District Treasurer shall also execute and deliver a certificate as to payment for and delivery of the Bonds.

6.04. Payment of Costs of Issuance. Costs of issuance of the Bonds will be paid by the Escrow Agent pursuant to the Escrow Agreement.

Section 7. Tax Covenant.

7.01. Tax-Exempt Bonds. The District covenants and agrees with the holders from time to time of the Bonds that it will not take or permit to be taken by any of its officers, employees or agents any action which would cause the interest on the Bonds to become subject to taxation under the Internal Revenue Code of 1986, as amended (the "Code"), and the Treasury Regulations promulgated thereunder, in effect at the time of such actions, and that it will take or cause its officers, employees or agents to take, all affirmative action within its power that may be necessary to ensure that such interest will not become subject to taxation under the Code and applicable Treasury Regulations, as presently existing or as hereafter amended and made applicable to the Bonds.

7.02. Rebate. The District will comply with requirements necessary under the Code to establish and maintain the exclusion from gross income under Section 103 of the Code of the

interest on the Bonds, including without limitation requirements relating to temporary periods for investments, limitations on amounts invested at a yield greater than the yield on the Bonds, and the rebate of excess investment earnings to the United States.

7.03. Not Private Activity Bonds. The District further covenants not to use the proceeds of the Bonds or to cause or permit them or any of them to be used, in such a manner as to cause the Bonds to be “private activity bonds” within the meaning of Sections 103 and 141 through 150 of the Code.

7.04. Not Qualified Tax-Exempt Obligations. The District shall not designate the Bonds as “qualified tax-exempt obligations” within the meaning of Section 265(b)(3) of the Code.

7.05. Procedural Requirements. The District will use its best efforts to comply with any federal procedural requirements which may apply in order to effectuate the designations made by this section.

Section 8. Book-Entry System; Limited Obligation of District.

8.01. The Depository Trust Company. The Bonds will be initially issued in the form of a separate single typewritten or printed fully registered Bond for each of the maturities set forth in Section 1.04 hereof. Upon initial issuance, the ownership of each such Bond will be registered in the registration books kept by the Registrar in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York, and its successors and assigns (“DTC”). The District, the Registrar and the Paying Agent may treat and consider the person in whose name each Bond is registered in the registration books kept by the Registrar as the holder and absolute owner of such Bond for the purpose of payment of principal, premium and interest with respect to such Bond, for the purpose of registering transfers with respect to such Bonds, and for all other purposes. The Paying Agent will pay all principal of, premium, if any, and interest on the Bonds only to or on the order of the respective registered owners, as shown in the registration books kept by the Registrar, and all such payments will be valid and effectual to fully satisfy and discharge the District’s obligations with respect to payment of principal of, premium, if any, or interest on the Bonds to the extent of the sum or sums so paid. Any Paying Agent or Registrar subsequently appointed by the District with respect to the Bonds will agree to take all action necessary for all representations of the District in the Representation Letter with respect to the Registrar and Paying Agent, respectively, to be complied with at all times.

8.04. Transfers Outside Book-Entry System. In the event the District, by resolution of the Board, determines that it is in the best interests of the persons having beneficial interest, in the Bonds that they be able to obtain Bond certificates, the District will notify DTC, whereupon DTC will notify the Participants, of the availability through DTC of Bond certificates. In such event the District will issue, transfer and exchange Bond certificates as requested by DTC and any other registered owners in accordance with the provisions of this Resolution. DTC may determine to discontinue providing its services with respect to the Bonds at any time by giving notice to the District and discharging its responsibilities with respect thereto under applicable law. In such event, if no successor securities depository is appointed, the District will issue and the Registrar will authenticate Bond certificates in accordance with this resolution and the provisions hereof will apply to the transfer, exchange and method of payment thereof.

8.05. Payments to Cede & Co. Notwithstanding any other provision of this resolution to the contrary, so long as a Bond is registered in the name of Cede & Co., as nominee of DTC, payments with respect to principal of, premium, if any, and interest on the Bond and notices with respect to the Bond will be made and given, respectively in the manner provided in DTC's Operational Arrangements, as set forth in the Representation Letter.

Section 10. Defeasance. When all Bonds and all interest thereon have been discharged as provided in this section, all pledges, covenants and other rights granted by this resolution to the holders of the Bonds will cease, except that the pledge of the full faith and credit of the District for the prompt and full payment of the principal of and interest on the Bonds will remain in full force and effect. The District may discharge all Bonds which are due on any date by depositing with the Registrar on or before that date a sum sufficient for the payment thereof in full. If any Bond should not be paid when due, it may nevertheless be discharged by depositing with the

Registrar a sum sufficient for the payment thereof in full with interest accrued to the date of such deposit.
