School Accountability Report Card Reported Using Data from the 2017—18 School Year California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2018—19)

Manlio Silva Elementary School is located west of Interstate 5 at the 8 Mile Road interchange. Built during the 2004-2005 year using Measure K funding, the school opened for the first time on August 1, 2005 initially serving 600 kindergarten through sixth grade students. The school currently follows Lodi Unified School District's Modified Traditional Calendar. There is a full time principal and a vice principal, 32 full-time classroom teachers along with physical education and music teachers.

Currently there are over 800 regular education students enrolled at Silva School, plus three special day classes. Grades K-3 have 24 students per teacher, while students in grades 4-6 average 30 students per classroom teacher. Other services include: A full-time Resource Specialist Teacher and a Speech and Language Teacher; a part-time psychologist, a nurse, a part-time Counselor, and a part-time READ 180 Teacher. Programs offered at the school include: Library, a Gifted and Talented Cluster Program for students in grades 4-6, and a computer device for every student.

Other services offered on site include before and after school intervention classes, Rosetta Stone, Choir, Art, Strings, Band and Accountable Responsible Kids (ARK) classes. Also available is a before, during, and after school child care program provided by the YMCA. We review and update our School Safety Plan with our Staff, Leadership Committee, PTA and School Site Council annually.

Our school wide Life Skills curriculum (Shark Slips, Triple A, and Caught Being Good) and Quarterly Life Skills Awards assemblies promote a positive climate and inspire students to do their personal best. This involvement emphasizes regular attendance, academic growth and positive social interaction among all students, parents, staff, and community members. The Parent-Teacher Association (PTA) funds and supports these positive incentive programs with assemblies, books, and other academic and social programs.

MISSION STATEMENT:

"The Silva community (staff, students, and families) value high achievement for ALL. We believe it can be obtained in a positive, safe, and effective learning environment that meets the academic and social emotional needs of everyone."

School Facility Conditions and Planned Improvements

AGE OF SCHOOL BUILDINGS:

Year built 2005.

MAINTENANCE AND REPAIR:

The Silva School facilities' condition, including grounds and restrooms, are very good based on custodial staffing, a regular district painting and maintenance schedule and funding available for equipment and supplies. Custodial workers are assigned based on a district formula to ensure equity. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

CLEANING PROCESS AND SCHEDULE:

A scheduled maintenance program is administered by Lodi Unified School District to ensure that all classrooms, restrooms and facilities are well-maintained and in good repair. Staff works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

DEFERRED MAINTENANCE PROJECTS: N/A

MODERNIZATION PROJECTS: 2013 Painted entire exterior of site and tilt-up walls. Repaired various siding areas. 2017 Completed Prop 39 Year 2 Lighting Retrofit Service Project. Prop 39 EMS HVAC controls replaced in portables.

NEW SCHOOL CONSTRUCTION PROJECTS: N/A

Data on school facilities was collected for Manlio Silva Elementary on 9/27/2018.

Lodi Unified School District takes great effort to ensure that all schools are clean, safe and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the school office or the district office. As of September 2018, none of the eight emergency facilities needs specified in Education Code Section 17592.72 (c)(1) exist at Manlio Silva Elementary. These needs include:

- gas leaks
- nonfunctioning heating, ventilation, fire sprinklers, or air-conditioning systems
- electrical power failure
- major sewer line stoppage
- major pest or vermin infestation
- broken windows or exterior doors or gates that will not lock and that pose a security risk
- abatement of hazardous materials previously undiscovered that pose an immediate threat to pupils or staff
- structural damage creating a hazardous or uninhabitable condition

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2016—17	School 2017—18	District 2016—17	District 2017—18	State 2016—17	State 2017—18
English Language Arts / Literacy (grades 3-8 and 11)	54.0%	64.0%	43.0%	44.0%	48.0%	50.0%
Mathematics (grades 3-8 and 11)	50.0%	52.0%	33.0%	33.0%	37.0%	38.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018—19)

Our Parent Teacher Association (PTA) Board, combined with over 300 families that become PTA members, encourages all parents to get involved with the school through school programs and the Parent Teacher Association. This past year the PTA provided multiple student programs such as Preschool Story Time, after school enrichment classes, field trips, Honor Roll Breakfast, Triple A, etc. Silva's PTA continues their rich history of providing for Silva students through an ongoing mission of teaming with the Silva teachers and staff. The School Site Council (SSC) consists of 10 members (five staff and 5 parent/community members) overseeing Silva's programs and budget for improvement. The Council welcomes all parents to attend meetings and regularly relays information to parents about school news or current activities. The English Language Advisory Committee is charged to monitor and advise the staff regarding needs of our English Learners. The vice principal and the site's bilingual para-educator invite everyone to join in their once a quarter meetings. We encourage parents to visit our school during the day and witness the joys of learning and quality instruction at Silva School. For safety reasons, we do require all visitors to sign in at the office and receive a pass before moving about the school. Teachers are always willing to discuss the educational process with you, but cannot during instructional times when they are engaged in teaching the children. Please contact your child's teacher or the office at (209) 953-9302 for an appointment if you want to volunteer or discuss about your child or if you would like to be more involved with Silva School and in your child's classroom.

School Safety Plan (School Year 2018—19)

A Comprehensive School Safety Plan is in place to address safety issues as well as a school wide plan to eliminate bullying behavior. Key elements of the safety plan include safe school strategies and programs, disaster response procedures, procedures for safe ingress and egress and rules and procedures on school discipline. School wide behavior expectations and discipline policies are consistently applied, and students are provided adult supervision at all times. Visitors to the school must sign in at the office and receive a visitor's pass prior to going to classrooms. Visitors must return to the office and sign out upon leaving the school. Our Comprehensive School Safety Plan was last reviewed on 10/29/2018.

Professional Development

Lodi Unified School District is committed to supporting school district staff through quality professional development. Teachers and staff receive professional development each year. A variety of data is used to determine the focus of staff development in Lodi Unified School District. Data from state assessments, district assessments and teacher and staff surveys assist us in identifying areas of concentration. Our current focus is on early literacy skills, school safety, computer science, STEAM and support for students at risk of failure. Our goal is to continue to have a highly trained professional staff that supports the success of all students in the classroom. We provide several programs and a variety of strategies to allow staff full access to training.

Teacher Induction Program (TIP) is available to newly credentialed teachers through the district. All Teachers participate for two days of professional development per year, attend after school workshops, conferences and are released from their classroom for professional development. Non-instructional personnel are offered training in technology, budget, and job specific content. Many Paraprofessionals take advantage of district offered training. Instructional coaches are available to work with staffs on-site in their classrooms as well as through district sponsored events.
