School Accountability Report Card Reported Using Data from the 2017—18 School Year California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2018—19)

The Joe Serna, Jr. Charter School is located at 19 South Central Avenue in the heart of the east side of Lodi, a community of approximately 60,000. Joe Serna School was opened in the fall of 2000 and was named after the late mayor of Sacramento and former Lodi resident, Joe Serna, Jr. The students, staff, and families of the school participated in the naming process during the spring of 2001.

Serna Charter School opened in the fall of 2000 with 180 K-5 students and had 290 K-8 students during the 2010-11 school year. The school operates on a modified traditional calendar of 180 school days. The campus currently includes thirteen classrooms, school office, cafeteria, library and auditorium.

The student population at Serna Charter School is dominated by two main ethnic groups: Hispanic and Anglo with a small student population of Asian and African American students. Over fifty percent of the students at Serna were Limited English Proficient (LEP) and the free and reduced lunch percentage was sixty eight. Serna Charter School qualified for Title I targeted intervention money for the first time during the 2000-2001 school year, but did not receive funding until the 2002-2003 school year. The school no longer receives targeted intervention money.

During 2010-11, the total number of students at Serna was 290. There were 14 classroom teachers, 1.5 support teachers, 1.1 PE/Music teachers, and 10 classified personnel. There were a total of 10 minimum days for parent conferences in the fall and spring and students have one minimum day each week for teacher planning and staff development. Students in kindergarten attend school for 225 minutes a day which exceeds the requirements for kindergarten. Students in first through sixth grades attend school for 335 minutes per day, minus the minimum days, which also exceeds the state requirement for minutes.

Curriculum Focus

The curriculum at Serna Charter School is based on the California State Standards in language arts, math, science, social studies, and the arts. Our goal is to have all students reading at grade level. Student outcomes for each level are designated by Lodi Unified School District and intervention for students is provided based on these assessments. Other academic support is provided through support personnel, equipment, supplies, and resources. Staff development opportunities for teachers include school and district in-service, conferences, and coaching opportunities in math and language arts. Evaluation of student achievement includes the STAR assessment, LUSD District assessments as well as teacher designed assessments.

Educational Program And Instructional Design

-The school maintained its small size of 360 students.

-Class and Grade Configurations:

Kindergarten - Two Classes

First Grade - Two classes

Second Grade - Two Classes

Third Grade - Two Classes

Fourth - Two Class

Fifth Grade - Two Class

Sixth Grade - Two Class

Seventh Grade - One Class

Eighth Grade - One Class

Two-Way Immersion

Our school began a two-way immersion, Spanish/English, program during the 2001-2002 school year at the K/1 level and currently all but one class of eighth graders participate in the program.

Program Features

- Even number of Spanish and English Speaking students in each class.
- Kindergarten and first grade: 90% of the day is spent in Spanish in order to foster true proficiency in both languages over time.
- A gradual shift in the percent of time spent in Spanish diminishes to 50% by fourth grade in order to ensure proficiency in English and Spanish.
- Content Standards of the State of California are the same for students in this program as in other English immersion programs.

Language Arts

Reading instruction is aligned with California State Standards and is taught in whole group lessons as well as in smaller groups targeted toward the achievement level of these groups. A balanced literacy model was implemented which includes Read Aloud, Shared Reading, Guided Reading, Independent Reading, Modeled Writing, Interactive Writing, Writer's Workshop, Independent Writing, Phonemic Awareness, Phonics, Literature Circles, and Reciprocal Teaching. A spelling program was adopted for 2002-2003 school year. The Rebecca Sitton Spelling Program focuses on high frequency words and spelling patterns and is intended to improve spelling during writing tasks. We have aligned this program with the state standards and it meets or exceeds standards in the areas of spelling and written language.

English Language Development (ELD)

All students at JSCS receive daily instruction in English in accordance with state standards. For students who are English learners, the English instruction includes structured English Language Development delivered at the student's level of English proficiency. ELD includes four components: a) listening; b) speaking; c) reading; and d) writing.

The Instruction Is Designed To

- Bring students to mastery of state ELD and ELA standards
- Develop students' English proficiency;
- Provide access to academic content instruction.

Specially Designed Academic Instruction In English (SDAIE)

The staff implements SDAIE techniques in both English and Spanish as the delivery model for a school wide, content-based language development program. These techniques include: Whole group, explicit instruction to introduce new concepts, and small, leveled group instruction to differentiate and reinforce the ELD standards that are being targeted for each group of English learners. Students also engage in cooperative group activities and independent practice to acquire linguistic competency.

School Facility Conditions and Planned Improvements

AGE OF SCHOOL BUILDINGS:

Joe Serna Charter School was purchased from the First Baptist Church in the year 2000. Since then, the two major instructional and operational areas of the school were renovated to local building codes. All areas are protected with a fire sprinkler system as well as heat and smoke detectors. All bathroom facilities were renovated with new water service and hardware. The school is well maintained with painting, and deep cleaning is done on a regular basis. The school has a gym, a cafeteria and a 400 seat auditorium, which is unique to most schools in the area.

MAINTENANCE AND REPAIR:

The Serna School facilities' condition, including grounds and restrooms, are very good based on custodial staffing, a regular district painting and maintenance schedule and funding available for equipment and supplies. Custodial workers are assigned based on a district formula to ensure equity. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

CLEANING PROCESS AND SCHEDULE:

A scheduled maintenance program is administered by Lodi Unified School District to ensure that all classrooms, restrooms and facilities are well-maintained and in good repair. Staff works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

DEFERRED MAINTENANCE PROJECTS: /A

MODERNIZATION PROJECTS: 2013 Added fake turf to playground area. 2014 Added new fencing for security. 2015 Added access control and cameras. 2017 Measure U Roofing Project. Replaced flooring in various rooms and restrooms. Painted outside of school.

NEW SCHOOL CONSTRUCTION PROJECTS: /A

Data on school facilities was collected for Joe Serna, Jr. Charter School on 9/27/2018.

Lodi Unified School District takes great effort to ensure that all schools are clean, safe and functional. To assist in this effort, the district uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the school office or the district office. As of September 2018, none of the eight emergency facilities needs specified in Education Code Section 17592.72 (c)(1) exist at Joe Serna, Jr. Charter School. These needs include:

- gas leaks
- nonfunctioning heating, ventilation, fire sprinklers, or air-conditioning systems
- electrical power failure
- major sewer line stoppage
- major pest or vermin infestation
- broken windows or exterior doors or gates that will not lock and that pose a security risk
- abatement of hazardous materials previously undiscovered that pose an immediate threat to pupils or staff
- structural damage creating a hazardous or uninhabitable condition

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2016—17	School 2017—18	District 2016—17	District 2017—18	State 2016—17	State 2017—18
English Language Arts / Literacy (grades 3-8 and 11)	42.0%	44.0%	43.0%	44.0%	48.0%	50.0%
Mathematics (grades 3-8 and 11)	30.0%	31.0%	33.0%	33.0%	37.0%	38.0%

ote: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ote: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018–19)

Parents who wish to participate in Joe Serna, Jr. Charter School's leadership teams, school committees, school activities, or become volunteers may contact Principal Maria Cervantes at (209) 331-7809.

Parents are encouraged to be partners in their child's education. Parent education programs include English classes, Spanish classes, Saturday schools which focus on curriculum, and parenting classes. Parents are encouraged to volunteer in the class, help with projects at home, become active members of PTA, attend principal coffees, attend two-way immersion meetings, and school advisory committee meetings. Each family is expected to reach the goal of thirty hours of participation each year at Serna Charter School. We have formed a partnership with the Mexican American Lion's Club of Lodi for fundraising and community partnerships. The Serna Charter School participated in the Grape Festival Kiddie Parade and presented programs to the local adult day care center.

School Safety Plan (School Year 2018—19)

A Comprehensive School Safety Plan is in place to address safety issues as well as a school wide plan to eliminate bullying behavior. Key elements of the safety plan include safe school strategies and programs, disaster response procedures, procedures for safe ingress and egress and rules and procedures on school discipline. School wide behavior expectations and discipline policies are consistently applied, and students are provided adult supervision at all times. Visitors to the school must sign in at the office and receive a visitor's pass prior to going to classrooms. Visitors must return to the office and sign out upon leaving the school. Our Comprehensive School Safety Plan was last reviewed on 1/9/2018.

Professional Development

Lodi Unified School District is committed to supporting school district staff through quality professional development. Teachers and staff receive professional development each year. A variety of data is used to determine the focus of staff development in Lodi Unified School District. Data from state assessments, district assessments and teacher and staff surveys assist us in identifying areas of concentration. Our current focus is on early literacy skills, school safety, computer science, STEAM and support for students at risk of failure. Our goal is to continue to have a highly trained professional staff that supports the success of all students in the classroom. We provide several programs and a variety of strategies to allow staff full access to training.

Teacher Induction Program (TIP) is available to newly credentialed teachers through the district. All Teachers participate for two days of professional development per year, attend after school workshops, conferences and are released from their classroom for professional development. on-instructional personnel are offered training in technology, budget, and job specific content. Many Paraprofessionals take advantage of district offered training. Instructional coaches are available to work with staffs on-site in their classrooms as well as through district sponsored events.
