2016-17 and 2017-18  
ANNUAL REPORT

# A LETTER FROM OUR CHAIR

It is an honor to present this biennial report of the Spring Branch Education Foundation (SBEF). Speaking on behalf of 63 Board members, we are proud to share the results of two extraordinary years. The second year, 2017-18, Hurricane Harvey brought unique challenges; however, we're pleased to report the largest gift SBEF has been honored to give Spring

Branch ISD. We extend our heartfelt thanks to Lisa Schwartz who served as SBEF chair during this time.

In response to the hurricane, we established the SBEF Harvey Relief Fund and raised almost \$1.1 million through generous community donations, grants and gifts sent from 13 states. We provided \$900 gift cards to 1104 displaced families and helped with emotional and fiscal needs through our partnership with Communities In Schools. When our neighbors were in need, you, our community, and SBEF responded.

I serve with some of the finest citizens in the community. The commitment to align our mission with SBISD's mission to serve every child is at the forefront of everything we do. Board members, volunteers and donors bring their talents to improve SBEF's performance every year. Our small, but extraordinary staff is committed, extremely capable and passionate about the Foundation. I'm truly proud of our accomplishments this biennium. I encourage you to get to know SBEF better; you'll find out why so many join me in saying, "I LOVE SBEF!"

# Thank you from our recipients

## STUDENT

"I am honored to be a recipient of the Goldstein-Altman Scholarship. I plan to seize every opportunity afforded to me during the next four years at The University of Texas. Thank you for your kindness and generosity."

— Adriana Kelly

## SCHOOL

"Using the action-based learning desks allowed students to move around and focus on the lesson at the same time. 'Sam' (not pictured) was struggling in his ELA classroom and had a 50 average. In small group intervention, he was introduced to action-based learning. Using the slider desk, he successfully completed all his work, and his average went way up."

— Julie Moczygembra  
Spring Woods Middle

## CLASSROOM

"The [reading] grant had a huge impact on the students in our Kindergarten classrooms. These books served students in our classrooms and their homes. ... and have helped meet our reading objectives. We treasure this resource!"

— Chris Winstead  
Pine Shadows Elementary

## COMMUNITY

"I have been an SBISD teacher for 37 years and have always felt supported and respected in my professional career. After losing my home, contents and cars to Hurricane Harvey, I have been overwhelmed by love and support in my personal life. Thank you."

— Janet Christman

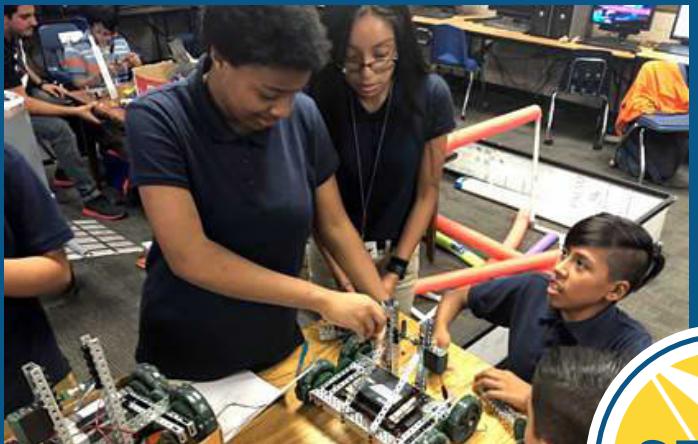

# MAKING OUR SCHOOLS BETTER

## Your gifts at work

In 2016-17 and 2017-18, we awarded 54 campus and district-wide grants. We also presented 254 scholarships and more than \$1 million to our community.

### Student

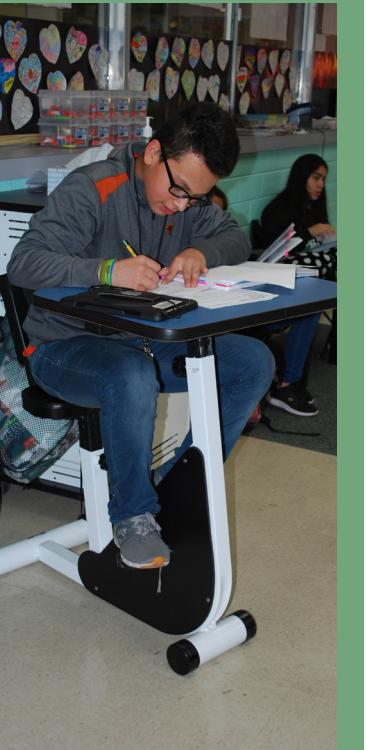

- Computer-based language assistance for refugee and immigrant students
- A school-within-a-school for social, emotional and behavioral skills building
- An independent living learning lab for special needs students

- SpringBoard mentoring connects almost 600 students with caring adults
- Robotics club members learn STEM principles

### Classroom

- J. Landon Short Mini-Grants transform the learning environment
- Kindergarten reading and writing kits promote a lifelong love for reading
- Software helps overcome dyslexia and dysgraphia challenges
- Flexible classroom seating, from bean bags to standing desks
- Technology for coding, community building, language resources, a photography lab and more

### School

- STEM instruction benefits from calculators and computers
- Field trips from museums to colleges promote T-2-4
- Blended and Action-Based Learning Labs increase academic engagement
- Professional development for educators
- Lunchtime counseling/ computer lab for help with college applications and forms

### Community

- Cultural adventures at Altharettta Yeargin Art Museum
- New grade-level books bolster home libraries
- Support for health services
- More than \$1 million helped staff and student families displaced by Harvey

## OUR MISSION

Spring Branch Education Foundation is committed to supporting our students and educators. We partner with Spring Branch ISD and the community to fund programs that enhance education and prepare our students for the future.

## Our Challenge

For SBISD, the State of Texas education funding formula means that millions of our local property taxes do not remain in Spring Branch. Our district sent \$75 million in local tax collections to the state during the 2018 school year and is slated to send \$88 million this school year in the funding equalization method officially called Recapture and known by many as Robin Hood. See [www.springbranch.com](http://www.springbranch.com) for information about the funding problems facing our district.

## Our Solution

Private funding, through the Foundation, remains in the district and helps enhance quality of education. SBEF raises funds only for SBISD. In the last two years, the Foundation donated more than \$3 million to the district. In addition to reaching students on every campus through grants and scholarships, the Harvey Relief Fund helped student and staff families who were displaced by Hurricane Harvey.

## Support SBEF

Together, we can achieve our ultimate goal of excellence in education for every SBISD student. Donations can be designated for specific district-wide or campus projects. Donors are recognized district-wide, and all donations are tax deductible.

# WAYS TO GIVE

## Your gifts make a difference

When you invest in our students, you invest in our community. Giving is easy – and important. We invite you to call us for information or visit with our executive director or a board member to learn more about us. Your gifts really do make a difference!

## Making Our Schools Better

Making Our Schools Better is what we do! This annual campaign funds programs that support our teachers and prepare our students for the future. Your gifts contribute to student success – one child, one classroom, one school, one community at a time!

Whether it's a grant that supports mentors, funds a robotics program, provides transportation to a STEM workshop or teaches leadership to middle school students, the Making Our Schools Better campaign reaches students on every campus.

## Employee Campaign

Throughout the school year, Spring Branch ISD staff members contribute to the SBEF Employee Campaign, funding scholarships for SBISD graduates who are children of district employees. Each year, employees eagerly donate, knowing that 100 percent of their gifts will fund a scholarship for a colleague's child.

To date, SBEF's Employee Campaign has awarded 430 scholarships – that's \$549,750 for our employees' children!

## Fund for the Future

Endowed gifts are forever gifts. They become part of the Foundation's Fund for the Future endowment. Invested and never spent, your gift will generate interest income that will support SBEF programs for years to come.

Created in 2008, Fund for the Future already has a principal in excess of \$1 million, and its earned income is supporting education-enhancing programs.

## Legacy Circle

Legacy Circle members make SBEF part of their financial and estate plans to support current and future generations of SBISD students. You can decide how you want your gift to be used: an unrestricted bequest, which authorizes SBEF to allocate funds according to the greatest need, or a gift to Fund for the Future endowment to be invested.

There are many ways to give. Your estate planner can help with these and other options – all of them will make a lasting difference for SBISD students.

**Cash** – the simplest of all

**Stocks and securities** – among your most valuable assets and easy to donate

**Bequests** – a percentage of your estate after expenses

**Beneficiary designations** – all or a portion of your retirement and/or life insurance

**Endowed gifts** – interest income supports our programs for generations

**Thank you!**

Those two words hardly seem large enough to contain our gratitude. During the two school years, 2016-17 and 2017-18, you donated more than \$3 million to SBEF. All of your donations – 100 percent! – were gifted to SBISD and stayed in this district. In addition to funding grants and scholarships for students and educators, last year you gave \$1,045,932 to student and staff families who were displaced by Hurricane Harvey. What a beautiful example of neighbors caring for neighbors!
