Ricky Anderson

Admin. Ass't. Instructional Improvement

February 4, 2019

Hello Las Palmitas Families,

I am honored and excited to introduce myself, Mrs. Marjorie Paiyarat, as your new principal at Las Palmitas Elementary School. My passion for education and student success has grown exponentially over the past 11 years at Sea View Elementary School, where I served as both a teacher and assistant principal. I look forward to joining you in our journey towards student achievement and excellence. My priorities at Las Palmitas are to ensure a safe learning environment, to facilitate best instructional and extracurricular opportunities, and to help construct promising futures for our students.

Please help us in ensuring your child is at school and on time each day. The first bell rings at 8:10am and classes start at 8:15. School attendance is one of the most important factors in predicting academic success and setting the foundation for life long learning.

In addition, please help your child practice our PBIS "3 B's" at home – be safe, be respectful, and be responsible. Talk with your child about what each of these means and have them share examples of how they are safe, respectful, and responsible both at home and at school. We look forward to hearing the examples they share!

Finally, take time to read with your child each night. Have them practice reading aloud to you in addition to listening to you read. Ask them questions about what they read, for example:

- What is this text (or story) mostly about?
- What connections can you make between this text and your life?
- What do you think will happen next?

I am here to support each of our students, teachers, and staff as we continue on towards our journey of success. I look forward to working with you all.

Kind regards,

Mrs. Marjorie Paiyarat
