Message from the Principal

Thank you to our wonderful PTA and Fall Festival Committee for a well-planned and organized fall festival. We had many community partners and parents who supported with monetary donations. We also want to thank the high school volunteers from Northbrook High School and Spring Woods High School for assisting with the games and activities. Thank you to all who contributed in some way. It was a success!

Communication

Please remember to check our SBISD Terrace webpage for upcoming events, calendar dates, and reminders. We communicate via our website, school messenger emails and texts. We also put posts on our Terrace Facebook page and include upcoming dates each month in the Timberwolf Chronicles. We have many events during the holiday season so be sure to mark your calendars and save the dates! There is a calendar on our webpage that has all of the important dates marked for the rest of the fall semester.
