Go Green!

Some students in Ms. Fox's Class and Mr. Braun's class have come together to inform the Terrace Community about what is happening to the ocean and how we can help. They have been working on ways to save the ocean by recycling. When we dispose of trash, we can recycle it so it doesn't get dumped in the ocean. Even though recycling doesn't sound like much, it can save the ocean every day even if it's a little bit.

Message from the Principal

Our 5th grade students have been researching and completing Passion Projects. They have worked collaboratively in groups to create a service project that will support a community need or organization. Thank you for those who donated to the November SPCA Food Drive. A different group will launch their project next week, Dec. 17th -21st. Their project is focused on collecting new unwrapped toys for children in need. All of the toys donated will go to the SBISD Police Department's District Toy Drive.

Thank you again for the donations and support. We understand that it may be asking a lot to donate every time. We hope that you will participate in at least one this year.

We are very proud of our 5th graders for demonstrating leadership, empathy, and service.

We look forward to seeing you during this holiday season at our school events.

Library News

Last week the students participated in Hour of Code to celebrate Computer Science Education Week. They had a blast coding different dance moves and other coding activities. Ask your students to show you by going to code.org.

Kinder and 1st grade students have been studying the different books on the Texas 2X2 reading list. This is a list of books recommended for children ages 2-2nd grade. We are half way through the list! Students have been discussing why (or why not) they enjoyed the book. The 2018 list can be found here- <https://txla.org/tools-resources/reading-lists/2x2/current-list/>.

Students: Candy Canes in a jar- Make sure you stop by the library to guess how many candy canes are in the jar! There will be a prize for the winner!
