

Antelope Valley Union High School District
2019-20 ACADEMIES AVAILABLE TO REQUEST
THROUGH OPEN ENROLLMENT

Listed below are the special academies specific to each school site that are available to request through Open Enrollment—Academies. These academies are available to qualified students who live within the boundaries of the high school where the academy is located or who are approved to attend that high school through Open Enrollment.

Please note there are two separate application processes. Open Enrollment applications for available schools must be submitted to AVUHSD Student Services. In addition, applications for academies must be submitted to the academy coordinator at the requested school site. Academy information is available on-line at <https://www.avdistrict.org/academics/career-academies>. Questions regarding the academies may be directed to the academy coordinators listed below or to the AVUHSD Career Technical Education office at 661-575-1029.
