WASC

The Western Association of Schools and Colleges (WASC) is the organization that accredits schools to ensure the quality of educational institutions and programs. A visiting committee from WASC will be visiting McNair beginning Sunday, February 24 and ending Tuesday, February 26. The staff at McNair High School has worked hard to prepare a report and continues to work hard in preparation for the visit. The visiting committee would like to meet with parents and guardians of our students on Sunday, February 24. The meeting is scheduled for 4:00 pm in McNair's library. Light snacks and refreshments will be served. We hope to see you there.

Astronomy Night

Please join us for Astronomy Night on Tuesday, February 12 at 7:00 pm. Members of the Stockton Astronomical Society will be here at McNair for a Star Party! They've volunteered to setup their telescopes on the south lawn (by the main office). Students, staff, and families will have the opportunity to view planets, moons, galaxies, and more! The MESA Club will be selling treats.

Band and Orchestra

There will be two opportunities in February to see McNair's music program in action. On Tuesday, February 12 McNair's orchestra will be participating in a multi-school concert. The concert will take place at Tokay High School in Lodi and will begin at 7:00 pm. On Wednesday, February 27 there will be an all school band concert. The concert will be held in the Theatre at McNair and is scheduled for 7:00 pm.
