

What is a Family-School Compact?

A Family-School Compact is an agreement that families, students, and teachers develop together. It explains how families and teachers will work together to make sure all our students reach grade-level standards.

Effective compacts:

- Link to goals of the School Improvement Plan
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality instruction
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

Jointly Developed

The School Improvement Team of Pine Valley Elementary developed this Family-School Compact with input from parents and students.
