Rucker Elementary

325 Santa Clara Avenue, Gilroy CA 95020

Website: rucker.gilroyunified.org Telephone: 669-205-4800

Dear Rucker Families:

We will soon be finishing up our second Trimester on the 15th of the month. Report cards will be sent home on March 13th. The coming months are busy with many school activities so please continue to stay in touch by reading notices that come home and checking our website for updates.

Rucker Steam Lab Open

Before we left for break we opened our STEAM lab. Students have been working collaboratively on engineering design projects. Our December/January challenge for K-2 had a literature connection to the story of The Gingerbread man. Students had to design a boat to help him cross the river. 3-5 students designed a catapult for snowballs. We are excited to have this great learning opportunity open for all our students.

SEAL Classrooms

Many of our SEAL classrooms are beginning new units. Kinder will be digging into weather, 1st grade will begin their Then and Now unit, 2nd will also be investigating the past and 3rd grade will study local history and indigenous tribes that lived in our area.

PBIS Golden Awards

Congratulations to the following classrooms or winning a Golden Award: Golden Clock – Ms. Wallau's Class, Golden B – Ms. Carlile's Class, Golden Ball – Ms. Manzo's Class, Golden Book – Ms. McMillen's Class, Golden Frying Pan – Ms. Gamm's Class, and the Golden Trash Can – Ms. Muzzio's Class.
