

Naviance Activities for Freshmen

Naviance Website: www.connection.naviance.com/montavista

(or you can click the Naviance link on the Monta Vista website)

Each year, we will highlight activities on Naviance we would like you to complete as a way to plan for the upcoming years, and explore your options for both careers and majors. While we can't get through all of these activities during our one day in your class, the goal is for you to complete these activities by the end of 1st semester.

Required

- ❑ Complete 4 Year Plan in Naviance.
 - "My Planner" tab
 - Click the purple "Tasks" link
 - Click "Complete 4 Year Plan"
 - If you aren't able to finish, upload what you have, and you can go back in and make edits.
The goal would be to have this as a work in progress throughout your 4 years in high school.

- ❑ Complete "Learning Style Inventory".
 - Under "About Me" tab , click My Assessments, then Learning Style Inventory
 - Once you have finished, read through the results and think through the following questions:
 1. How can you connect the results of the Learning Style Inventory to how you function in the classroom and how you learn best?
 2. Are there any changes you can make?
 3. Are there new strategies you have learned from completing the inventory?
 4. What can you do differently to increase your success in school?

Recommended

- Explore all of the tabs in Naviance: Career, College, About Me, My Planner
- Start "Resume" and enter your education and extra-curricular activities starting with 9th grade. This is a great way to keep track of your hours and activities as you go through high school
- Log in on a regular basis to update your resume and explore various major and career options.
