testmasters - WHO WE ARE. WHAT WE DO

With over 160,000 students since 1991, Testmasters is the fastest-growing test preparation company around. We offer classroom, online, and private 1-on-1 courses to prepare you for the SAT, PSAT, ACT, and other standardized exams. The SAT and ACT are the most important tests you will take in high school, and your scores determine where you will go to college: the higher the scores, the better the college. This is why proper preparation for these tests is so important.

Each year, Testmasters produces more perfect SAT & ACT scores and more National Merit Semifinalists than all our competitors combined! We teach unique test preparation strategies not taught anywhere else. Our dynamic teaching staff is the best in the industry. Our course material is constantly updated to give our students a significant edge in their test-taking performance.

The SAT has seen significant changes recently. As a result, how you choose to prepare today is more important than ever before. The Testmasters SAT Course is completely updated for the New SAT. The Testmasters New SAT course is so effective that we guarantee your score will improve by 200 points – higher than any other test preparation company around!
