INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the School Board and Management of
Independent School District No. 272
Eden Prairie, Minnesota

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of Independent School District No. 272 (the District) as of and for the year ended June 30, 2017, and the related notes to the financial statements, which collectively comprise the District's basic financial statements, and have issued our report thereon dated November 15, 2017.

INTERNAL CONTROL OVER FINANCIAL REPORTING

In planning and performing our audit of the financial statements, we considered the District's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we do not express an opinion on the effectiveness of the District's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the District's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

(continued)

COMPLIANCE AND OTHER MATTERS

As part of obtaining reasonable assurance about whether the District's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

PURPOSE OF THIS REPORT

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the District's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control and compliance. Accordingly, this report is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR
EACH MAJOR FEDERAL PROGRAM; REPORT ON INTERNAL CONTROL
OVER COMPLIANCE; AND REPORT ON THE SCHEDULE OF EXPENDITURES
OF FEDERAL AWARDS REQUIRED BY THE UNIFORM GUIDANCE

To the School Board and Management of
Independent School District No. 272
Eden Prairie, Minnesota

REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM

We have audited Independent School District No. 272's (the District) compliance with the types of compliance requirements described in the U.S. Office of Management and Budget *Compliance Supplement* that could have a direct and material effect on each of the District's major federal programs for the year ended June 30, 2017. The District's major federal programs are identified in the Summary of Audit Results section of the accompanying Schedule of Findings and Questioned Costs.

MANAGEMENT'S RESPONSIBILITY

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on compliance for each of the District's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the District's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the District's compliance.

(continued)

BASIS FOR QUALIFIED OPINIONS ON THE CHILD NUTRITION CLUSTER AND SPECIAL EDUCATION CLUSTER

As described in the accompanying Schedule of Findings and Questioned Costs, the District did not comply with the child nutrition cluster requirements for procurement reported as Finding 2017-001, and did not comply with the special education cluster requirements for allowable costs reported as Finding 2017-002. Compliance with such requirements is necessary, in our opinion, for the District to comply with the requirements applicable to these program clusters.

QUALIFIED OPINIONS ON THE CHILD NUTRITION CLUSTER AND SPECIAL EDUCATION CLUSTER

In our opinion, except for the noncompliance described in the Basis for Qualified Opinion paragraph, the District complied, in all material respects, with the types of compliance requirements referred to on the previous page that could have a direct and material effect on the child nutrition cluster program and the special education cluster program for the year ended June 30, 2017.

REPORT ON INTERNAL CONTROL OVER COMPLIANCE

Management of the District is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to on the previous page. In planning and performing our audit of compliance, we considered the District's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the District's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, we identified deficiencies in internal control over compliance, as described in the accompanying Schedule of Findings and Questioned Costs as items 2017-001 and 2017-002, that we consider to be significant deficiencies.

(continued)

DISTRICT'S RESPONSES TO FINDINGS

The District's responses to the internal control over compliance and noncompliance findings identified in our audit are described in the accompanying Schedule of Findings and Questioned Costs. The District's responses were not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the responses.

PURPOSE OF THIS REPORT

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

REPORT ON SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS REQUIRED BY THE UNIFORM GUIDANCE

We have audited the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the District as of and for the year ended June 30, 2017, and the related notes to the financial statements, which collectively comprise the District's basic financial statements. We issued our report thereon dated November 15, 2017, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Expenditures of Federal Awards is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

INDEPENDENT AUDITOR'S REPORT
ON MINNESOTA LEGAL COMPLIANCE

To the School Board and Management of
Independent School District No. 272
Eden Prairie, Minnesota

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of Independent School District No. 272 (the District) as of and for the year ended June 30, 2017, and the related notes to the financial statements, which collectively comprise the District's basic financial statements, and have issued our report thereon dated November 15, 2017.

MINNESOTA LEGAL COMPLIANCE

The *Minnesota Legal Compliance Audit Guide for School Districts*, promulgated by the State Auditor pursuant to Minnesota Statutes § 6.65, contains seven categories of compliance to be tested: contracting and bidding, deposits and investments, conflicts of interest, public indebtedness, claims and disbursements, miscellaneous provisions, and uniform financial accounting and reporting standards for school districts. Our audit considered all of the listed categories.

In connection with our audit, nothing came to our attention that caused us to believe that the District failed to comply with the provisions of the *Minnesota Legal Compliance Audit Guide for School Districts*, except as described in the Schedule of Findings and Questioned Costs as items 2017-003, 2017-004, and 2017-005. However, our audit was not directed primarily toward obtaining knowledge of such noncompliance. Accordingly, had we performed additional procedures, other matters may have come to our attention regarding the District's noncompliance with the above referenced provisions.

DISTRICT'S RESPONSES TO FINDINGS

The District's responses to the legal compliance findings identified in our audit have been included in the Schedule of Findings and Questioned Costs. The District's responses were not subjected to the auditing procedures applied in our audit of the financial statements and, accordingly, we express no opinion on them.

PURPOSE OF THIS REPORT

The purpose of this report is solely to describe the scope of our testing of compliance and the results of that testing, and not to provide an opinion on compliance. Accordingly, this report is not suitable for any other purpose.

2017-001 Internal Control and Compliance With Federal Procurement Requirements

Criteria – 2 CFR § 215.45 requires Independent School District No. 272 (the District) to establish and maintain effective internal control over compliance with requirements applicable to federal program expenditures, including procurement requirements applicable to the child nutrition cluster program.

Condition – During our audit, we noted that the District did not have sufficient controls in place within its child nutrition cluster federal program to assure compliance with federal procurement requirements, which resulted in noncompliance. For three of seven vendors tested, the District had not awarded a contract based on sealed bids or quotations as required by the Uniform Guidance.

Questioned Costs – None noted.

Context – Three of seven vendors tested were not in compliance. This was not a statistically valid sample.

Repeat Finding – This is a current year and prior year finding.

Cause – This was an oversight by district personnel.

Effect – Noncompliance with the procurement requirements could result in the District expending federal funds with vendors that are not eligible to be parties to such transactions, which could be viewed as a violation of the award agreement.

Recommendation – We recommend that the District review its internal control procedures relating to procurement for all federal programs. The District should verify compliance with federal procurement procedures, including awarding contracts based on sealed bids or quotations for the purchase of goods or services exceeding applicable federal dollar thresholds.

View of Responsible Official and Planned Corrective Actions – The District agrees with the finding. The District intends to review its procedures relating to procurement for its federal programs, and will ensure that bids and/or quotations are obtained when required. The District has separately issued a Corrective Action Plan related to this finding.

2017-002 Internal Control and Compliance With Federal Allowable Costs Requirements

Criteria – 2 CFR § 200.302(b)(3) requires the District to maintain records that adequately identify the source and application of funds for federally-funded activities in accordance with 2 CFR 200 Subpart E – Cost Principles.

Condition – During our audit, we noted that the District did not have sufficient controls to ensure adequate and timely documentation of time and effort was created and retained to support salary costs charged to federal programs and ensure compliance with the U.S. Office of Management and Budget's *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) allowable costs standards, which resulted in noncompliance.

Questioned Costs – \$48,325.

Context – The deficiency in controls and compliance pertains to major programs tested in the current year. This was not a statistically valid sample.

Repeat Finding – This is a current year finding.

Cause – This was an oversight by district personnel.

Effect – This could be viewed as a violation of the award agreement.

Recommendation – We recommend that the District review its internal control procedures relating to time and effort documentation of allowable costs for special education federal programs.

View of Responsible Official and Planned Corrective Actions – The District agrees with the finding. The District will review and update its policies and procedures relating to allowable costs for its federal programs to ensure compliance with Uniform Guidance in the future. The District has separately issued a Corrective Action Plan related to this finding.

Criteria – Minnesota Statutes § 471.425 requires prompt payment of local government bills within a standard payment period of 35 days from the receipt of goods and services, or the invoice for goods or services, for districts with governing boards that meet at least once a month.

Condition – Two of twenty-six disbursements selected for testing were not paid within the required thirty-five days from the receipt of goods and services.

Questioned Costs – Not applicable.

Context – Two of twenty-six disbursements tested were not paid within the required thirty-five-day period.

Repeat Finding – This is a current year finding.

Cause – This was an oversight by district personnel.

Effect – The District did not pay these claims within the time frame allowed by state statutes.

Recommendation – We recommend that the District review its procedures for paying invoices to ensure that all bills are paid within the statutory time limit.

View of Responsible Official and Planned Corrective Actions – The District agrees with the finding. The District will review its procedures relating to processing disbursements to ensure compliance in the future. The District has separately issued a Corrective Action Plan related to this finding.

2017-004 Withholding Affidavit

Criteria – Minnesota Statutes § 270C.66.

Condition – Before making final settlement with any contractor under a contract requiring the employment of employees for wages by said contractor or subcontractors, the District must obtain a certificate by the Commissioner of Revenue that the contractor or subcontractor has complied with the withholding requirements of Minnesota Statutes § 290.92 (either a Commissioner of Revenue Form IC134 or a Contractor's Withholding Affidavit). The District did not obtain the required certificate for one of two contracts selected for testing prior to making final settlement during fiscal 2017.

Questioned Costs – Not applicable.

Context – Three of seven vendors tested were not in compliance.

Repeat Finding – This is a current year and prior year finding.

Cause – This was an oversight by district personnel.

INDEPENDENT AUDITOR'S REPORT ON
UNIFORM FINANCIAL ACCOUNTING AND
REPORTING STANDARDS COMPLIANCE TABLE

To the School Board and Management of
Independent School District No. 272
Eden Prairie, Minnesota

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of Independent School District No. 272 (the District) as of and for the year ended June 30, 2017, and the related notes to the financial statements, which collectively comprise the District's basic financial statements, and have issued our report thereon dated November 15, 2017.

Audit standards referred to in the previous paragraph require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the District's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the District's basic financial statements. The accompanying Uniform Financial Accounting and Reporting Standards (UFARS) Compliance Table is presented for purposes of additional analysis as required by the Minnesota Department of Education (MDE), and is not a required part of the basic financial statements of the District. The UFARS Compliance Table is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the UFARS Compliance Table is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

(continued)

The purpose of this report on the UFARS Compliance Table required by the MDE is solely to describe the scope of our testing of the UFARS Compliance Table and the results of that testing based on our audit. Accordingly, this report is not suitable for any other purpose.
