2018-19 EPHS Student Handbook with Changes:

Academic Expectations

Eden Prairie Schools and Eden Prairie High School (EPHS) are committed to the academic success of all students. We know you have entrusted your student's education to us, and we promise to work as hard as possible to educate each child in a caring, safe environment.

Graduation Requirements

A student must successfully complete 54 credits to graduate and complete all courses required of their graduating class. In addition, students are required to take graduation exams required by the State of Minnesota. Eden Prairie High School expects students to make continuous progress toward graduation. Seniors will be allowed to participate in commencement exercises only if they have completed and passed all graduation requirements, or are fewer than two credits deficient. Students who are deficient in credits may make them up by enrolling for extra classes or attending an approved night school, summer school, or independent study program. It is strongly recommended that the student confer with his/her counselor regarding progress toward graduation.

Continued Education for Students Who do not Meet Academic Standards

For students who do not meet or exceed Minnesota academic standards, as measured by the MCAs, admission to a public school is free and available to any resident under 21 years of age and their personal learning plan will continue while enrolled. Please refer to [Minnesota Statutes, section 120A.20, subdivision 1, paragraph \(c\)](#) for age limitations for students who turn 21 after enrollment.

Credit for Prior Learning

Credit for Prior Learning provides students the opportunity to demonstrate prior learning. A student may test out of most courses if s/he is able to demonstrate prior knowledge and mastery of the course outcomes. Each department determines the appropriate assessments and acceptable level of performance. A student may not test out of any course in which s/he has been or is currently enrolled. Testing will occur twice a year. All applications for this procedure must be completed by November 1 for terms 3 and 4 and April 1 for terms 1 and 2 of the next school year. Science courses require earlier application dates – see the Gifted and Talented Coordinator for more information. Credit for Prior Learning may not be used towards the Honors Diploma. Forms for the Credit for Prior Learning process are available from the Gifted and Talented Coordinator.

Dropping Classes

- Class drops will be allowed only for students who have not met course prerequisites and/or are significantly misplaced as suggested by previous course grades.
- Students in grades 9-10 are expected to carry a full schedule throughout the school year. This means they will have a class every period of the school day.
- Students in grades 11-12 are expected to carry a minimum of 3 classes each term.

Eden Prairie Independent Coursework (EPIC)

Independent Coursework is an option offered to allow a student to design his/her own learning plan, creating an option for credit. The goal of the program is to give students a learning opportunity which fits individual needs while maintaining a quality experience. This option is not intended for courses regularly offered in the EPHS Course Offerings Guide, and teachers are under no obligation to supervise students in this program. EPIC forms are available from the Gifted and Talented Coordinator.

EPHS Staff Assistance Limited to EPHS Courses

EPHS staff are under no obligation to assist students taking non-EPHS courses. Examples of non-EPHS courses include: Post-Secondary Enrollment Option courses, Credit for Prior Learning, non-EPHS online courses, non-EPHS Advanced Placement courses, or Self-Study.

Failing and Re-taking a Course

A student who has received a “D+” or lower has the option of re-taking the same course. The student may not earn credit multiple times for the same course. The student is responsible for requesting that the higher grade replace the lower grade on the transcript (i.e., the lower grade is eliminated from the transcript.) Registration will be on a space available basis. Students failing the preceding term of a multiple term class may continue in the course at the discretion of the teacher.

Grade Level Waivers

Grade level requirements for EPHS courses are listed in the Course Offerings Guide. Students may ask for a grade level waiver on a case-by-case basis by meeting each of the following criteria:

- a severe scheduling conflict or other extreme need, as determined by an EPHS counselor or administrator;
- a high class ranking equivalent to Post-Secondary Enrollment Option status for the University of Minnesota (the student must have a GPA of 3.70 or higher);
- completion of all other prerequisites for the course;
- a strong teacher recommendation from the student’s most recent teacher in the subject area in question for the waiver;
- several examples of where the student has shown strong interactive or discussion skills in a class or activity (especially highlighting interaction or discussion with older students); AND,
- an early request (i.e., during the spring registration period for the following school year) so that staffing levels can be addressed, or a later request if space is available in the class in question.

EPHS reserves the right to deny a grade level waiver if related administrative issues cannot be reasonably resolved. Forms to request a grade level waiver are available from the Gifted and Talented Coordinator.

Grading Policy

These policies are established to reflect the EPHS philosophy that grades are a reflection of learning and our commitment to EACH student's learning. The purpose of grading is to communicate to parents/guardians, students, and the community the extent to which the student has met the objectives of a course. The 4.0 non-weighted grading system, standardized within courses and departments, should promote risk-taking, promote mastery, and allow for personalization. Letter grades are determined in each class as follows:

- **A:** 93-100%
- **A-:** 90-92%
- **B+:** 87-89%
- **B:** 83-86%
- **B-:** 80-82%
- **C+:** 77-79%
- **C:** 73-76%
- **C-:** 70-72%
- **D+:** 67-69%
- **D:** 63-66%
- **D-:** 60-62%
- **F:** 0-59%
- Pass/No Credit system: P = 73% and above NC = below 73%

- Final term grades will be rounded up for point values of .5-.9 and rounded down for point values of 0-.4.
- Grades based on at least a 70% Academic Performance/30% Academic Practice split
- No Extra Credit factored into grade
- Re-takes/re-dos apply to course/team identified Essential Learning items in the Academic Performance category
- Any re-take/re-do is worth 100% value
- Cheating or unexcused absences on Essential Learning items in Academic Performance category will result in disciplinary responses, but re-take/re-do rule applies.
- If students are missing Essential Learning items in Academic Performance category at the end of a term, the student grade may be reported as an incomplete until the student completes those items

Pass/No Credit Option

The guidelines for the pass/no credit option are:

- The student must continue to meet all classroom expectations after choosing the P/NC option or the option will be revoked and the student will be graded on an A - F scale. This includes completion of daily work, projects, and quizzes/tests. Class attendance is mandatory.
- The passing grade for all departments will be 73 percent of the accumulated points or grades for the term.
- Students may exercise the option for up to two courses each year with no more than one per term.
- Many colleges and universities request courses be taken for the grade.
- Students must declare their intent in writing with required signatures by the second school day following parent/teacher conferences each term.

Homework

When a student is ill, the student is encouraged to contact a classmate or contact a teacher by email, voicemail, and access Moodle/Schoology site to get assignments. If students need textbooks from a locker, parents/guardians are encouraged to stop at the high school and pick up the books from their student's locker. Teachers are not required to provide assignments prior to a student's vacation. Students must turn in homework within an agreed time frame. Parents must call the attendance line, 952-975-8001, within 48 hours to excuse an absence.

Academic Integrity

Eden Prairie High School strives to establish high ethical standards for all students in order to create a positive and stimulating learning environment. Integrity is essential to excellence both in education and life. Assessments and other schoolwork are measures of a student's academic performance. Honesty is required to ensure an accurate measurement of a student's academic knowledge. Student work must be evaluated on what the student knows or can do in order for the student and his/her family to have a clear and accurate accounting of the student's mastery of the material. When a student chooses to cheat and/or plagiarize on their schoolwork, they both compromise their integrity and project an inaccurate picture of their performance. As such, academic integrity violations will include both academic and disciplinary responses.

Plagiarism

Plagiarism is the taking of someone else's product, words, ideas, or data and representing them as if they are one's own work. When a student submits work for credit that includes the product, words, ideas, or data of others, the source must be acknowledged by the use of complete, accurate, and specific references. By placing one's name on work submitted for credit, the student certifies the originality of all work not otherwise identified by appropriate acknowledgements. On written assignments, if verbatim statements are included, the statements must be enclosed by quotation marks or set off from regular text as indented extracts. A student will avoid being charged with plagiarism if there is an acknowledgement of sources of information whenever one:

- Quotes another person's actual words, or replicates all or part of another's product.
- Cutting and pasting another person's actual words.
- Uses another person's ideas, opinions, work, data, or theories, even if they are completely paraphrased in one's own words.
- Borrows facts, statistics, or other illustrative materials - unless the information is common knowledge.

Incomplete Policy

Incompletes can be given to students who did not complete coursework due to extenuating circumstances that are beyond their control. If students are missing Essential Learning items in Academic Performance category at the end of a term, the student grade may be reported as an incomplete until the student completes those items. When a student earns a grade of (I) Incomplete, it will be reflected in the computation of his/her new GPA as a zero. This zero stays until the grade is changed. In order to resolve an incomplete, the student must make arrangements with the teacher to complete the missing work. If an incomplete is not completed by these arrangements the student has these options:

1. **Contract with their teacher to finish it:** If student contracts with a teacher, the teacher stipulates what must be done and a deadline (at least 3 weeks after the end of the term) for completion of work. If student contracts with teacher, and does not complete by the contracted deadline, the "I" turns in to an "F" and there is no option to go to credit recovery.
2. **Enroll in an in-school credit recovery class:** If student enrolls in the in-school credit recovery class, they must finish the incomplete by the end of the term of enrollment. If they do not, the "I" turns into an "F" and there is no option to go to 287 credit recovery. This option is only available if the original class is able to provide materials to allow credit recovery. If the teacher can provide rubrics to correct the assessments associated with the incomplete, then the credit recovery teacher can do this. If not, then the original teacher must evaluate the work.
3. **Enroll in a 287 after school credit recovery class:** If student enrolls in the 287 after school credit recovery class, they have one year from time of enrollment to complete the course (per 287 guidelines). If they do not, the "I" turns in to an "F." This option is only available if the original class is able to provide materials to allow credit recovery. If the teacher can provide rubrics to correct the assessments associated with the incomplete, then the credit recovery teacher can do this. If not, then the original teacher must evaluate the work.
4. **Enroll in a 287 summer school class:** If student enrolls in the 287 summer school credit recovery class, need to complete credit in summer school. If they do not, they must re-take the class in the regular school year. The original grade of "I" turns in to an "F." This option is only available if the original class is able to provide materials to allow credit recovery. If the teacher can provide rubrics to correct the assessments associated with the incomplete, then the credit recovery teacher can do this. If not, then the original teacher must evaluate the work.

Paging students to pick up messages is limited to passing times, before and after school only. Messages not picked up by students will be discarded at the end of the day. Students are responsible, once paged, to report to their student center to pick up their message. Calling into a classroom is reserved for emergencies only. All emergency calls will be referred to the health office, the student's dean, counselor, or principal's office.

Deliveries for Students

Deliveries will be accepted only from parents/guardians and only items related to school (lunches, books, etc.) will be delivered. Deliveries will be made to the Student Center South. Non-school related material or sealed items may not be left for students.

If school dismisses early, students will be told to go home on their regular buses – please be sure your child has a backup plan in place. Students may not remain at school since staff will also face hazardous travel home. If school dismisses early, the building will be closed for after-school and evening activities (such as sports, scouts, PTO meetings, and community education classes). If your child goes to an after-school program at a location other than school, please check with them regarding their closing policy. Again, have a backup plan in place.

Website

Students and parents have access to student information by logging onto the Eden Prairie Schools website at www.edenpr.org. Within that website, the following student information is available: attendance, grades, final report cards, and unofficial transcripts. In addition, the daily bulletin, the Eagles Nest (newsletter), calendar information, and time sensitive news releases are available. If there are problems logging into the website, call 952-975-7094 or email helpline@edenpr.org.

Conferences/Progress Reports

The Eden Prairie School District recognizes the importance of families and teachers working together. Students and their parents/guardians will have several opportunities to meet with teachers during the school year. Student Progress Reports include a letter grade, specific reasons for that grade (for example, test scores, missing work, etc.), and space for comments about behavior, performance, and attitude. Conferences are held in October, December, February/March. First, Second, and Third Term conferences are set-up through an on-line scheduler for the teachers/staff you'd like to meet with. Information and details are sent home by the second week of each term.

Parent communication with EPHS staff

As a community of learners, EPHS parents, teachers, and students work together to build a positive learning environment. Communicating with students and parents about student progress, school events, and classroom activities builds and maintains the learning environment. All staff members respond to requests for information and assistance in a timely and professional manner. Some tips for communicating effectively with teachers:

- Log in to the Parent Portal to access academic or attendance information.
- Utilize email and voicemail whenever possible to contact teachers; you can expect a response within two working days.
- Call the teacher in advance to schedule a meeting if you would like to discuss something with the teacher regarding your student.
- Strive to resolve a conflict directly with a teacher first; you are welcome to contact building administration if you are dissatisfied with the resolution.

Webpage

Each classroom teacher is assigned a web page that contains basic general information about the classes he/she teaches. Teachers may include more specific information regarding class activities, homework, links to related information on the internet, and other information. Teachers and students will set expectations about how to use the teacher's website at the beginning of the year.

Student Life

After-School Guidelines

The following guidelines must be met if a student is to remain after school:

- Any student staying after school must belong to a school-sponsored activity that meets after school.
- Students who are not a part of an activity, or not seeking academic support, must leave the high school campus by 3 p.m.
- Any student staying after school for academic support must be in the media center or a department resource center, and under the supervision of school staff.
- Once a student has completed their supervised activity, they must remain in a designated area determined by security staff.
- Students who ride the after-school activity bus must have a current school ID. Buses depart from the activity center entrance.
- Students who fail to comply with these guidelines may have a discipline referral, and/or a trespassing notice filed with the Eden Prairie Police Department.

Backpacks/Book Bags

Students are allowed to transport books to and from school in backpacks/book bags. Backpacks/book bags in the classroom will be subject to teacher discretion. Backpacks/book bags/large purses are not allowed the final week of school.

Communication Information Systems

The daily bulletin, video monitors, P.A. system, and bulletin boards are communication systems and their use is subject to administrative approval. Most information needed is posted on the EPHS website.

All EPHS students and guests must present their ID when purchasing their ticket and at prom. All guests must fill out a guest form prior to purchasing prom tickets. All guests must follow the general guest policy stated in the handbook.

Personal Electronic Devices

Students are allowed to access their electronic device in any academic setting with teacher permission. If an electronic device becomes a distraction in any school environment, it will be confiscated and school policies will be enforced. Failure to comply will result in further action. EPHS is not responsible for lost or stolen electronic devices.

Some bus drivers allow use of electronic devices on the bus. If students have permission to use these items on the bus, they will need to store them out of sight during the day. If students store valuable items in their lockers, they assume any risk of theft that may result.

Food and Beverages

Food and beverages are allowed to be consumed only in the east and west commons. Food must be consumed in the commons from which it is purchased; transporting food is not allowed. At a teacher's discretion, food may be allowed in Connections. Food must remain in the Connections classroom. Students are responsible for leaving the Connections area clean. Food will not be allowed in hallways.

Hennepin Technical College: Transportation

Students may apply to drive or ride with another student to H.T.C. on a daily basis. Applications may be picked up at either student center. The application process must include:

- Completion of the application including an approved statement of need.
- Written parent permission on file.
- The school district may revoke driving privileges at their discretion.

Locker Rules and Responsibilities

Student assigned lockers and physical education and athletic lockers are to be locked at all times. Do not bring large amounts of cash or valuables to school with you.

- The district cannot reimburse you if your personal property is stolen.
- Items left in lockers at the end of the school year will be donated to charity.

The Eden Prairie School District policy concerning lockers is as follows: School lockers are the property of the school district. At no time does the school district relinquish its exclusive control of lockers provided for the convenience of students. Inspection of the interior of lockers may be conducted by school authorities for any reason at any time, without notice, without student consent, and without a search warrant. The personal possessions of students within a school locker may be searched only when school authorities have a reasonable suspicion that the search will uncover evidence of a violation of law or school rules. As soon as possible after the search of a student's possessions, the school authorities must provide notice of the search to the students whose lockers were searched unless disclosure would impede an ongoing investigation by police or school officials.

Media Center

The Library Media Center supports all learners and staff by providing print and electronic collections, areas for collaboration, instruction, technology, and library services in a quiet academic atmosphere.

- All students are responsible for going to www.ephs.edenpr.org, then Library web page and applying the information provided in the text, tutorials and videos regarding orientation, resources, procedures, and services. The District Acceptable Computer Use policy is strictly observed, respect for staff and students is demonstrated as defined in the Student Management plan, and food and drinks are not allowed.
- Backpacks are allowed in the LMC as long as they are under student desks and not left unattended.
- Hours are 7:15 a.m. – 4:30 p.m. Monday through Thursday, 7 a.m. -3 p.m. Friday.

Neighborhood

Eden Prairie High School is part of a neighborhood. Our neighbors have every right to expect that their property (house, yard, cars, business, etc.) will be treated with respect. Therefore, EPHS students are not to trespass on neighborhood businesses or private property.

Parking

Students who choose to drive to school will operate their vehicles in conformance with all rules and regulations of the state of Minnesota, the city of Eden Prairie, and School District 272 Board of Education policy governing the reserved parking lot. Motor vehicles must be licensed and covered by insurance. The school is not responsible for the motor vehicle or its contents. It is important to remember that driving to school is considered a privilege and rules will be strictly enforced. Students may not park their vehicles in the staff or visitor lots. Students parking on campus without a parking permit are subject to penalties.

Parking Permits

Students who choose to park on campus must purchase a yearly parking permit for \$350 or \$200. Yearly passes are available by a seniority system. Limited daily parking permits are available for \$5 and must be purchased a day in advance. Permits are to be purchased at Student Center South. - Never throw or slide a MacBook Air. If the MacBook Air is in your backpack or another carrying case, do NOT throw or slide the case/backpack.
- Cords and cables must be inserted carefully into the MacBook Air to prevent damage.
- Never expose a MacBook Air to extreme temperatures, direct sunlight, or prolonged periods of time in rooms that are not at a normal room temperature.
- MacBook Airs must be kept in a secure location at all times; it is the student's responsibility to know where their MacBook Air is at all times. Do NOT leave unsupervised, or lend to friends or family members outside of your home.

- During classes or lunch periods when the MacBook Air is not needed, place the MacBook Air in your locker or in a locked classroom. DO NOT SHARE YOUR LOCKER COMBINATION WITH ANYONE. Do NOT place your MacBook Air on the BOTTOM of your locker, but rather on top of all other materials.

MacBook Air Cases: Transporting to & From School

Acknowledging the importance of a protective case for the MacBook Air, Eden Prairie Schools invested in purchasing protective cases for all of the MacBook Airs. These cases are suitable to transporting the device to and from school and EPS policy is that all MacBook Airs need to be in the EPS issued protective case.

- The MacBook Air should ALWAYS be in its protective case during transit.
- The MacBook Air should be charged (EPS provides a charger) and brought to school ready to use each day.
- Do NOT place your MacBook Air in a book bag that contains food, liquids, heavy or sharp objects.

MacBook Air Screen & Cleaning

- The screens are sensitive to pressure and therefore can be damaged; they are scratch resistant, **not scratch proof**.

- **Do NOT use liquids to clean the MacBook Air.** This includes, but is not limited to: window cleaners, household cleaners, aerosol sprays, solvents, alcohol, ammonia, or abrasives.

 - Opportunities for students to explore and construct their learning through choice, practice, trial, error and reworking
 - Knowing the students culturally, and individually, by being fully cognizant of their strengths and interests
 - Co-creating classroom rituals that maximize learning bell-to-bell
 - Creating a climate that respects difference and allows for multiple perspectives without hurting others
 - Fostering opportunities for students to determine responsibility in meeting academic, social, and emotional expectations in monitoring their self-control

5. Participate actively in the learning experience by respecting differences while asserting perhaps a divergent viewpoint, doing so without harm to the other students, staff, team, other leader, and property.
6. Demonstrate empathy (knowing others) to build fruitful relationships that create a cohesive learning opportunity for all and through self-control, behave in an ethical manner from the moment he/she is on the bus until s/he is returned home.

If a student demonstrates a lack of responsibility, respect, empathy or self-control and disrupts the learning for other students, adults will:

- Re-direct, work with and ensure that student fully understands the expectations
- Create an accountability system with the student and parent/guardian with clear consequences or processes for resolution for additional violations
- Work in partnership with family, students, staff and other significant adults to determine additional strategies and/or consequences

Volunteering

District Volunteers

A variety of district level committees and advisory councils, such as the Curriculum Advisory Council, Finance Advisory Committee, Special Education Advisory Council, and Community Education Advisory Council, are important ways parents can help shape district policies, procedures, and programs. For more information, log onto www.edenpr.org or call (952) 975-7150.

Parent-Teacher Organizations

The Parent-Teacher Organization (PTO) at EPHS is comprised of parents and staff working together to enhance your child’s school experience. The group sponsors and also organizes a wide variety of parent volunteer programs. The PTO plans events that serve as fundraisers with money used for programs and curriculum supplements that directly benefit students.

School Volunteers

Opportunities: EPHS offers a wide variety of volunteer opportunities that can vary by school year depending on need. Some of the possibilities include speaking in classes, assisting with school pictures, working in the resource centers, and working in the media center.

Procedures: Volunteer forms will be available in the “back-to-school packet” in the summer. Please fill one out and return it at any time. Volunteers are asked to follow the school security sign-in procedures. Staff are instructed to ask if they can help any visitor without a volunteer badge. This procedure has been developed in response to safety concerns. As you work with staff and students, information of a confidential nature may be shared with you. The problems, abilities, relationships, and confidences of students, their parents and staff should never be discussed with anyone who does not have a professional right or need to know. Like teachers, volunteers are bound by a code of ethics to keep confidential matters within the school.

Attendance

Eden Prairie Schools values attendance. We believe that every student should be in school every day. Regular school attendance is directly related to success in academic work, benefits students socially, provides opportunities for important communications between teachers and students, and establishes regular habits of dependability important to the future of the student. Class attendance is a joint responsibility to be shared by the student, parent or guardian, teacher, and administrators. Eden Prairie Schools is a participant in the Hennepin County Attorney’s Office be@school program. This program seeks to improve school attendance and increase the opportunity for Hennepin County’s children to realize their potential. In collaboration with the County efforts, Eden Prairie aims to have each student attend school every day. In accordance with the Minnesota Compulsory Instruction Law, Minn. Stat. 120A.22, the students of the school district are REQUIRED to attend all assigned classes and/or study halls every day school is in session, unless the student has been excused by the school board from attendance because the student has already completed state and school district standards required to graduate from high school, has withdrawn, or has a valid excuse for absence.

Late Arrival/ Early Departure

Eden Prairie students arriving late or leaving early must have parents call the attendance line at 952-975-8001. The message should include the parent/guardian’s name, student name, and reason for absence. Excused reasons for being late or leaving early will follow the same listing as excused absences.

Excused Absences

The following reasons shall be sufficient to constitute excused absences:

1. Illness
2. Serious illness in the student’s immediate family
3. A death or funeral in the student’s immediate family or of a close friend or relative
4. Medical, dental, or orthodontic treatment, or counseling appointment
5. Court appearances occasioned by family or personal action

In order for an absence to be excused, a parent needs to call the school attendance line within 48 hours of the absence. The parent needs to state when the child will be absent and explain the reason for the absence. Students whose absences are excused are required to make up assignments missed or to complete alternative assignments as deemed appropriate by the classroom teacher. Students who accumulate excessive absences, even when excused, will work with the school staff and parents to develop a plan to assure attendance at school daily.

Unexcused Absences or Truancy

These are examples of absences that will not be excused:

1. Truancy which is an absence that is not approved by the parent and/or the school district
2. Any absence where the student/ family failed to comply with any reporting requirements of the school district's attendance procedures

EPHS has an automated phone calling system that will contact a parent/guardian when a student has an unexcused absence to a class.

Tardiness

Students not in class when the bell rings will be marked tardy.

~~Students are expected to be in their assigned area at the start of school or the start of a class. Failure to do so constitutes tardiness.~~

Procedures for Reporting Tardiness

Students tardy at the start of school must sign in with security. Parents need to report the late arrival on the automated attendance line. Tardiness between class periods will be handled by the teacher.

Excused Tardiness

Valid excuses for tardiness are:

1. Illness
2. Serious illness in the student's immediate family.

3. A death or funeral in the student's immediate family.
4. Medical, dental, orthodontic, or mental health treatment.
5. Court appearances occasioned by family or personal action.
6. Physical emergency conditions such as fire, flood, storm, etc.
7. Any tardiness for which the student has been excused in writing by an administrator or faculty member.

Unexcused Tardiness:

An unexcused tardiness is failing to be in an assigned area at the designated time class period commences without a valid excuse.

Consequences of Unexcused Absences

- School district staff will work with the parent, student and the Hennepin County Attorney's office be@school program and follow the three-day notification and six-day Parent Group Meeting process.
- If unexcused absences continue after following be@school process, the Hennepin County Attorney's office will follow with necessary legal action to ensure attendance at school.
- Absences resulting from official suspension will be handled in accordance with the Pupil Fair Dismissal Act, Minn. Stat. 121A.40-121A.56.
- Days during which a student is suspended from school shall not be counted in a student's total cumulated unexcused absences.
- Along with following the Hennepin County Attorney's be@school programs, the student or his or her parent or guardian may, within a reasonable time, request a conference with school officials regarding the student's absences and the prescribed discipline. The notification will state that the school strongly urges the student's parent or guardian to request such a conference.

Attendance Policy Definitions

- **School-excused absence:** any absence as a result of a school-sponsored activity (i.e. field trips, activity meetings, or student participation in competition). This absence must include a parent/guardian signed permission slip and does not need to be called in by the parent.

Procedures for Excusing Students

Parents are encouraged to call the school prior to 11 a.m. each day their student is absent. Parents must follow procedures for excusing students. A voice messaging system is available; the phone number is 952-975-8001.

All absences must be called in within 48 hours; no absences will be excused after that time period. Students who are 18 years old are not allowed to call themselves in for attendance or early release. Notes are not accepted. School will not accept calls from parents/guardians to excuse their student from missing a class for any reason while remaining in the building; this will be counted as an unexcused absence.

Leaving School during the Day

No student is to leave the building or its premises during the school day without having an early dismissal pass, permission from a dean, signing out with the nurse, being on an authorized work program, having a permanent pass (juniors only), or a senior privilege (seniors only). Students who leave without permission will be considered unexcused from the classes missed and disciplinary action will follow. Students leaving the building during the school day must pick up their pass from student center south and sign out with security at an authorized door (north, south, or east). Failure to do so may result in disciplinary action.

State Tournament Attendance

Students wishing to be excused from classes to attend a state tournament as a spectator must have a parent/guardian call the student attendance office to excuse the absence. Students will be dismissed at an appropriate time to allow for travel to the tournament. Absences will be counted as part of the student's absence allocation.

Health

The Health Services staff work in partnership with educational staff to provide students with high quality and consistent health care and health management. Find Health Services forms online at www.edenpr.org.

Allergies (Animals, Fragrances, Latex)

Animals and pets are not allowed to visit inside schools without principal permission and specific policy requirements. This policy is in place because of student and staff health needs and air quality issues. Some exceptions may be made; please check with the principal before bringing any animals into the classroom.

Eden Prairie Schools encourages a fragrance aware and latex limited environment. “Fragrance Aware” means that we will try to have a fragrance and scent-free environment. “Latex Limited” means that no latex gloves or latex balloons are allowed.

Health Conditions

The school nurse will work closely with students who have an acute or chronic health need such as asthma, cancer, diabetes, allergies, or other illness. Parents will want to notify Health Services about their student’s specific health needs. The student and parents will work with the school nurse to determine how best to manage the health conditions and plan for any potential life threatening emergencies.

Health Services Information

The school health service has been established for the health and safety of students. The health room is to be used exclusively for students who become ill, are injured during the school day, need medication or health related information.

- Students who become ill during the day must have a pass from the class they are missing. They will be given a pass from health services to return to class. Students reporting that they spent the period in the lavatory or commons will not be given an excused absence from class.
- Exceptions to the above will be made at the discretion of health services based on the severity of the illness or injury.
- All medications, including over-the-counter medications, required by students during the school day will be dispensed through health services with appropriate parental and physician signatures. The school nurse will meet with the students and families to provide for individual health care needs.

Homebound or Hospital Instruction

Homebound or hospital instruction is provided for children who are absent from school due to prolonged illness or disability. If your child is going to be absent longer than 15 school days, please contact the health office at (952) 975-8074.

Illness

Please call your school’s attendance line if your child will not be at school due to illness. Also, please notify the school health office if your child contracts a communicable disease or parasite so that notices may be sent home with classmates listing symptoms and treatments.

Illness/Injury at School

When a student is unable to remain in school due to an illness or injury, a parent or emergency contact will be notified by the health services office. First aid is given by school personnel, and parents are expected to provide transportation and decide whether a doctor should be contacted. In emergencies,

911 will be notified. No child will be sent home unless an adult assumes responsibility for his/her care. Students are not to leave school if they are ill without first contacting health services. Failure to do so may result in an unexcused absence.

Immunizations Up-to-Date

Eden Prairie Schools is part of the “No Shots, No School” program. All students must have proof of vaccine to start school. Students who have special medical problems and cannot be vaccinated, or whose parents conscientiously object, may receive legal exemption. Contact Health Services for assistance with accessing immunizations or to get information on exemptions.

Insurance

The Eden Prairie School District does not carry accident, disability or medical insurance for students. Coverage is through the student’s family medical coverage, including the cost of ambulance services. The district does carry public/general liability coverage for district premises and/or employee negligence.

MinnesotaCare health insurance is available for those families who qualify based on monthly income and family size. Questions about this plan can be directed to the School Nurse or Social Worker.

Medications

Students are not usually permitted to administer their own medication at school. Parents requesting that prescription or non-prescription medication be administered during school hours are required to provide:

- A physician’s order/signature for medication during the school day
- Parent’s signature on a Medication Authorization Form or a note
- Medicine in original prescription bottle labeled with student’s name, etc. Please ask the pharmacy to put prescription medication in two bottles completely labeled – one for home and one for school.

Improper use of medications may be subjected to chemical violations.

All non-prescription medications must be provided in their original labeled container. No medications can be dispensed when provided in envelopes, plastic bags, etc. Medication Authorization Forms are available in the nurse’s office.

Notices

Asbestos/Pesticide/Air Quality Notices

Asbestos/Pesticide/Air Quality Notices The Environmental Protection Agency requires school districts to annually notify parents, guardians, and staff about the presence of asbestos in district facilities as well as planned abatement activities. Eden Prairie Schools performs routine six month periodic inspections of all

asbestos-containing building material to ensure materials are in good condition. Records of these inspections are available for viewing in each building maintenance office and the Facilities and Safety Department at the Administrative Services Center. Anyone is welcome to review these plans with prior notice during normal working hours Monday through Friday. No planned asbestos abatement is scheduled for the upcoming school year. If you have any questions or concerns, please contact the district's Asbestos Designated Person, Jim Anderson, at 952-975-7126. More information on Asbestos can be found at: www.epa.gov/asbestos/pubs/asbestos_in_schools.html

The Parents' Right-To-Know Act that was passed by the Minnesota Legislature requires schools to notify parents, guardians, and staff regarding pesticide application in schools. The district uses Orkin Pest Control to conduct planned pesticide applications during the school year. Applications will be done as needed, but will always be on the fourth Thursday of each month while school is not in session. However, the schedule may change due to inclement weather. Parents, guardians, and staff may request to be notified of any changes in the application schedule by contacting any of the school offices. If you have any questions or concerns, please contact the Facilities and Safety Department at 952-975-7121. More information on Pest Management can be found at: www.mda.state.mn.us/en/plants/pestmanagement/ipm/ipmschools.aspx

Eden Prairie Schools has developed an Indoor Air Quality (IAQ) Management Program as required by the Minnesota Department of Education. The program includes information for concerned parents, guardians, and staff regarding the IAQ in our schools as well as an overall building walk through inspection that is conducted in all school district buildings annually. The program also includes a written set of procedures that describe ways to correct the identified IAQ problems, prevent future problems, and respond to emergencies and concerns. The district's Indoor Air Quality Coordinator is Jim Anderson, Facilities and Safety Director. He can be reached at 952-975-7126. More information on Indoor Air Quality can be found at: www.health.state.mn.us/divs/eh/indoorair/schools/index.html

Background Checks, Employment

The school district will seek criminal history background checks for all applicants who receive an offer of employment with the school district. The school district also will seek criminal history background checks for all individuals, except enrolled student volunteers, who are offered the opportunity to provide athletic coaching services or other extracurricular academic coaching services to the school district, regardless of whether compensation is paid. These positions include, but are not limited to, all athletic coaches, extracurricular academic coaches, assistants, and advisors. The school district may elect to seek criminal history background checks for other volunteers, independent contractors, and student employees.

Curriculum Content Review

As part of its policy, the district has specified a procedure for a parent, guardian, or adult student 18 years or older to review the content of instructional materials, address concerns, and propose alternative instruction for an individual student. The procedure spells out three action steps beginning

with an informal meeting of the adult and responsible staff members. If the concern is not resolved, it will be taken to the building principal. If resolution cannot be reached, the parent/guardian/adult student will be asked to complete a form and a meeting involving representatives of the district and site Teaching and Learning staff will be convened.

Fees

Materials that are part of the basic educational program are provided with state, federal, and local funds at no charge to a student. Students are expected to provide their own pencils, paper, erasers, and notebooks. Students may be required to pay certain other fees or deposits, including (not an all-inclusive list):

- Cost for materials for a class project that exceeds minimum requirements and is kept by the student.
- Security deposits for the return of materials, supplies, or equipment.
- Field trips considered supplementary to the district's educational program.
- Admission fees or costs to attend or participate in optional extracurricular activities and programs.
- Voluntarily purchased student health and accident insurance.

Students will be charged for textbooks, workbooks, and library books that are lost or destroyed. The school district may waive a required fee or deposit if the student and parent/guardian are unable to pay. For more information, contact your school's principal.

Parent Right to Know

If a parent requests it, the school district will provide information regarding the professional qualifications of his/her child's classroom teachers, including, at a minimum, the following:

1. Whether the teacher has met state qualifications and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
2. Whether the teacher is teaching under emergency or other provisional licensing status through which state qualification or licensing criteria have been waived;

5. In addition, the school district will provide parents with information as to the level of achievement of their child in each of the state academic assessments. The school district also will provide notice to parents if, for four or more consecutive weeks, their child has been assigned to or taught by a teacher who is not highly qualified.

Pledge of Allegiance

Students will recite the Pledge of Allegiance to the flag of the United States of America weekly. Any person who does not wish to participate in reciting the Pledge of Allegiance for any personal reason may elect not to do so. Students must respect another person’s right to make that choice. Students will also receive instruction in the proper etiquette toward, correct display of, and respect for the flag.

Release of Directory Information

The Family Education Rights and Privacy Act requires school districts to notify parents/guardians and students that certain information from student records may be released and made public without the written consent of the parents or students 18-years-of-age or older. This information is called “directory information.” Directory information includes name, residential mailing address, telephone number, date and place of birth, grade in school, major field of study, participation in officially organized activities and sports, weight and height of athletic team members, dates of attendance, degrees and awards received, previous school attended, and photos. These publications could include district-initiated publications such as calendars, newsletters, annual reports, and brochures. They also include school-initiated publications such as student newspapers and yearbooks. In addition, media, including weekly community newspapers, metro daily papers, and television stations may ask to take photos of district students. Parent/guardians or students of majority age who do not want directory information released for internal and/or external use should indicate this on the annual “Directory Release Form” located on the parent portal by October 1. If you need a hard copy of the form, please contact your child's school. Hard copies of the form should be turned into the school office by October 1.

Student Records

Eden Prairie Schools has adopted a policy about the rights of parents and students with respect to school records. This policy complies with federal and state laws guaranteeing the right to examine and challenge the contents of student records. The Minnesota Legislature has said that all school records are deemed private. This means that the district cannot release any information without permission except directory information. A summary of census information along with grades and attendance data is stored electronically when students leave the school system.

Student Surveys

Occasionally, the school district utilizes surveys to obtain student opinions and information about students. If you have questions related to the rights of parents/guardians and eligible students about conducting surveys, contact your principal.

Search and Seizure of Student Possessions

School officials may, without a search warrant, search a student and/or their personal possessions based on a reasonable suspicion. Reasonable suspicion means that a school official has grounds to believe that the search will result in evidence of a violation of school district policy, rules, and/or law. Pursuant to Minnesota statutes, school lockers and student desks are the property of the school district. The district has adopted a weapons policy. Anyone who has reason to believe a weapon is on a school site, bus, or at a school-sponsored activity has a duty to report that information to the site administrator, police officer, or any adult supervisor. Wellness Policy

Eden Prairie Schools has adopted a Wellness Policy to encourage students and staff to eat nutritiously and incorporate physical activity into a healthy lifestyle. A Wellness Advisory Committee was convened to monitor implementation of Wellness policies and guidelines, and to make recommendations to the district. School district practices that have changed as a result of the policy include: lunch was moved after recess to discourage hurried eating, no pop is sold where students are present during the school day, classroom birthday treats are discouraged, staff is encouraged to model healthy behaviors, food and beverage rewards are discouraged, healthy snacks from home are encouraged (a snack guideline is available at each site), classroom/holiday parties should be limited and not centered around food, and staff are encouraged to create opportunities for physical activity for students.

Safety and Security

Drills State law requires schools to have 11 emergency drills each school year, including fire drills, lockdown drills, and tornado drills. School staff train students on procedures required to observe each drill. During drills, staff will act immediately to assist students, visitors, and volunteers in evacuation to a safe location.

Emergencies During emergency procedures or evacuation, students, visitors, and volunteers are required to:

- Follow all emergency directions given by school officials.
- Report to designated area for attendance and further instruction.
- Report any suspicious activity/behavior, concern or information immediately to school officials.

Police Liaison Eden Prairie Police Liaison Officers are connected with each school. Some have offices on campus, others visit regularly to develop relationships with students and teach safety programs. Officers also assist school staff with some student behavior investigations. Police Liaison Officers and the Facilities Department work cooperatively to review district crisis management plans and site emergency procedures so that there is a coordinated response to emergencies by the school district and emergency responders.

For all students who live two miles or fewer from school, bus transportation is available for a fee.

Bus Assignment

The bus assignment process is as follows:

- **May** – Transportation Commitment Letters are emailed to families.
- **June** – Transportation Commitment Forms and payment are due. Families inform the district of how their student(s) will be getting to school the following year so the district can plan appropriately for bus routes and pedestrian and vehicle traffic at each school. Pay-to-Ride payment is due by date on form.
- **End of August** – Student Bus Route Information cards (bus number, stop locations, pick-up and drop-off times) will be emailed to all students (including those who have requested and paid in full for transportation).

Riding a Different Bus Home

Students may ride a different bus to or from school on a space available basis.

Assessment opt-out - refer to attachment

Electronic Devices pg. 9

Students may have cell phones at school as long as they are kept turned off and out of sight during the school day. Students are not allowed to use iPods or other music playing devices at school. If a cell phone becomes a distraction in any school environment, it will be confiscated and returned to the parent/guardian of the student. Failure to comply will result in further action. CMS is not responsible for lost or stolen cell phones. We do provide phones in each of our classrooms that students may use before and after school. If you need to contact your student during the school day, please call the main office, and we will contact him or her or relay a message. Please do not call your student's cell phone during the day. The electronic item policy and expectations still apply if students are talking with family members.

Some bus drivers allow use of iPads and cell phones on the bus. If students have permission to use these items on the bus, they will need to store them out of sight during the day. If students store valuable items in their lockers, they assume any risk of theft that may result.

Students will be informed of the expectations for their school issued iPad. If a student violates these expectations, a consequence will be assigned.

Tardiness pg. 22

Students are expected to be in their assigned area at the start of school or the start of a class when the bell rings. Failure to do so constitutes tardiness. Accumulating three tardies or one unexcused absence in any class is a violation of the CMS attendance policy. Violations will result in further intervention and may include disciplinary action. All students in the hallways or other unsupervised areas during class time must have a pass from a staff member.

Late to Class pg. 22

~~Students need to be in their assigned location before the bell rings or they will be marked tardy. All students in the hallways or other unsupervised areas during class time must have a pass from a staff member.~~

Late Arrival/ Early Departure pg. 25

CMS students arriving late or leaving early must bring a note from a parent/guardian that includes the parent's name, student name and reason for absence. Excused reasons for being late or leaving early will follow the same listing as excused absences. Students should give the note to the receptionist as soon as they arrive at school. If leaving early, the note should indicate the time the student should meet their parents at the reception desk. Students who are late due to oversleeping or missing the bus are considered unexcused. ~~and may be counted as tardy or in some cases, unexcused for a full day. Students who have three unexcused tardies in a quarter will work with school staff to determine a plan and may have detention or other consequences assigned.~~

Tardiness pg. 25

Students are expected to be in their assigned area at the start of school or the start of a class when the bell rings. Failure to do so constitutes tardiness. Accumulating three tardies or one unexcused absence in any class is a violation of the CMS attendance policy. Violations will result in further intervention and may include disciplinary action.

Procedures for Reporting Tardiness pg. 25

~~Students tardy at the start of the school day must report to the school office for an admission slip. Tardiness between class periods will be handled by the teacher and student management office.~~

Pg 4 (underneath “evaluation/reporting system”) please ADD:

CMS Grades

Grades should convey the learning, specifically the mastery of content, done in each class.

A student’s class grade will be comprised of at least 70% (at a minimum) summative assessments. Summative assessments may include tests, quizzes, end of unit projects, labs, etc. Extra credit will only be given for standards-related learning.

Redos and retakes are essential to offer to our students. Upon completion of a reasonable proof of practice as determined by each department, teachers will allow students to retake a summative assessment. The retake must be completed within two weeks of the original assessment, however, individual teachers may choose to extend the amount of time on a case-by-case basis. The retake assessment may be an alternate format for demonstrating mastery of content. Any retake is worth 100% value.

Rules: pg. 11

- Keep hands, feet, and objects to self.
- Follow directions from both kitchen and lunchroom staff.
- Do not cut in line.
- Stand in line only if buying a meal.
- Please keep money in student accounts as they are not allowed to charge.
- Be on time.
- Students are not allowed to leave the lunchroom without permission.
- Be responsible for keeping table and surrounding area clean.
- Return to seat and stay seated after disposing of your garbage.

The Lunchroom Supervisors and/or the Student Management Office will determine consequences for inappropriate behavior in the cafeteria.

School Store pg. 12

The CMS school store is located adjacent to the cafeteria. The store is open during lunch ~~(10:04-12:25)~~. Students may purchase quality merchandise, such as school supplies, at reasonable prices.

Insurance pg. 28

The Eden Prairie School District does not carry medical insurance for student accidents on district property. The District does make available student accident insurance at a low cost to parents. More information can be found on the district's website under Departments/Finance/Student Accident Insurance. The district also carries public/general liability coverage for district premises and/or employee negligence. MinnesotaCare health insurance is available for those families who qualify based on monthly income and family size. Questions about this plan can be directed to the school nurse or social worker.

Mission

The Mission of Eden Prairie Schools is to inspire each student to learn continuously so they are empowered to reach personal fulfillment and contribute purposefully to our ever-changing world.

Central Middle School Philosophy

We believe that education is important, that teachers are professionals, and that the school is a valid institution of learning. Education provides for physical, emotional, social, and intellectual growth for each unique middle school student. Developmentally, middle school students are in varied stages of physical change and they experience emotional uncertainties including an increasing sense of isolation as well as a need to belong. Intellectually, they eagerly test new skills and knowledge while also seeking security and encouragement. Our school responds with a positive learning environment that provides for individual differences.

In addition, the middle school is a transition between elementary school and high school. CMS offers a nurturing learning environment that encourages growing independence and exploration while students develop habits, attitudes, skills, appreciations, and ideas essential for a lifetime of learning. We provide a caring, exciting, challenging, and comforting environment. We strive to provide a model for responsible adult behavior while allowing for the activity of youthful enthusiasm.

CMS is a vital part of the total community. We encourage a partnership among school, home, and the greater community by encouraging involvement, cooperation, responsibility, and communication. CMS empowers its staff to have a substantial impact on the system of learning, and we encourage cooperation, collaboration, innovation, and support among staff members.

The Critical Components of the CMS Program Include:

- **Instructional Excellence:** We strive to provide experiences where the atmosphere, materials, pace, and flexibility focus each student on success in learning. We strive to vary content presentation, use the 4Cs of Critical Thinking, Communication, Collaboration and Creativity, and make modifications to meet the unique needs of each student. We recognize students for achievement, growth, leadership, and service.
- **Exploration:** We provide a wide range of intellectual, physical, and cultural activities with opportunities to take risks, discover, and experiment. We encourage participatory learning, divergent as well as convergent thinking, and exploration of a variety of co-curricular activities, career options, and subject areas. The CMS staff encourages this belief through the use of innovation and exploration within a 21st Century context of learning.
- **Comprehensive Curriculum:** We value the integration of learning in English, math, social studies, science, fine and related arts, and physical education. We recognize, celebrate, and encourage creativity in both basic skills and exploratory learning experiences. We value the process of learning as well as the end result. We encourage continued exploration into new, evolving curriculum.
- **Continual pursuit of personal goals and aspirations:** We strive to develop self-directed, lifelong learners who enthusiastically accept the challenge of their future with confidence and competence. Students assume increasing responsibility for their own academic, social, and personal learning. Students learn to solve problems, make decisions, manage time, set goals, work in groups, respond to change, and cope with positive and negative experiences.
- **Contribution to Community (local to global):** We encourage and model honesty, responsibility, compassion, cooperativeness, creativity, and competency. We expect students to respect themselves and others, tolerate ambiguity, recognize human equity, and understand global and multicultural concepts. We support positive student involvement in school, home, community, and world projects.
- **Guidance:** We are a caring community. We seek to create a more intimate environment attuned to each student's needs. The focus on creating smaller communities fosters stable, close, respectful relationships with adults and peers. Within the school, teachers, advisors, counselors, support staff, and administrators serve as resources for meeting students' personal needs. Finally, we recognize that all adults in the school model appropriate behaviors and attitudes.

Academic Success

Eden Prairie Schools and CMS are committed to the academic success of each student. This commitment stems from our mission statement, “Inspiring each student every day!” We know you have entrusted your student’s education to us, and we promise to work hard to educate him or her in a caring, safe environment.

Advisor

The advisor/advisee system provides communication between teachers, students, and parents/guardians. A teacher from a student’s team will be his/her advisor. Students meet with their advisor group at the beginning of each school day before first period. The advisor takes attendance, reads the daily bulletin, keeps students informed of important school events, and shares information from teachers about classroom achievements and behavior. In addition, the advisor curriculum consists of community building, literacy, intervention time and digital citizenship activities along with organizational checks for students.

Gifted and Talented Services

Central Middle School serves as a bridge between elementary gifted services and the many advanced and/or enriched offerings at the high school level. As in the elementary schools, CMS offers enrichments and extensions in the regular classroom curriculum. CMS offers enriched classes in four areas--Math, English, Science and Social Studies--for students who are interested in an extra challenge. Prior to registration for each school year, a parent informational meeting about enriched programs is held at CMS.

Other rigorous academic options Include:

- **Co-Curricular Activities:** CMS offers many co-curricular activities to engage gifted learners including academic contests and teams, student government, cultural experiences, music ensembles, arts programs, speech and drama activities, publications, and service groups.
- **Credit for Prior Learning:** Central Middle School’s Credit for Prior Learning policy provides the opportunity for a student to “test out” of courses for which he/she can demonstrate mastery of the course outcomes and preparatory graduation standards. Mastery needs to be shown at 85% or higher. Departments determine the appropriate assessments (written, lab demonstrations, tests, etc.). Forms for the Credit for Prior Learning process are available from the CMS Gifted Services Coordinator.
- **Intermediate District #287 Northern Star Online Program:** Summer and online courses are offered for students who meet the required prerequisites. Please contact the Gifted and Talented Coordinator for more information.
- **University of Minnesota Talented Youth Mathematics Program:** The University of Minnesota offers an accelerated math program for gifted math students who qualify through examination. Students can complete high school and collegiate levels of math through this program. Please contact the Gifted and Talented Coordinator for more information.

Evaluation/Reporting System/Grades

Grades should convey the learning, specifically the mastery of content, done in each class.

A student's class grade will be comprised of at least 70% (at a minimum) summative assessments. Summative assessments may include tests, quizzes, end of unit projects, labs, etc. Extra credit will only be given for standards-related learning.

Redos and retakes are essential to offer to our students. Upon completion of a reasonable proof of practice as determined by each department, teachers will allow students to retake a summative assessment. The retake must be completed within two weeks of the original assessment, however, individual teachers may choose to extend the amount of time on a case-by-case basis. The retake assessment may be an alternate format for demonstrating mastery of content. Any retake is worth 100% value.

Students receive quarterly letter grades for their performance. Parents/guardians can see students' current letter grades through the CMS online portal as well as at conferences. The letter grades are determined in each class as follows:

A 93-100 %	A- 90-92 %	B+ 87-89 %	B 83-8 9%	B- 80-82 %	C+ 77-79 %	C 73-76 %	C- 70-72 %	D+ 67-69 %	D 63-66 %	D- 60-6 2%	F 0-59 %
------------------	------------------	------------------	-----------------	------------------	------------------	-----------------	------------------	------------------	-----------------	------------------	----------------

Honor Roll

CMS recognizes academic achievement with an A and B Honor Roll. A student's grade point average (GPA) is used to determine placement on the A and B honor rolls as follows:

A 4.0	A- 3.7	B+ 3.4	B 3.0	B- 2.7	C+ 2.4	C 2.0	C- 1.7
----------	-----------	-----------	----------	-----------	-----------	----------	-----------

An average of 3.7 or better will be recognized on the A honor roll. An average of 3.0-3.69 will be recognized on the B honor roll.

Student of the Month

The "Student of the Month" program recognizes approximately 35 students each month for their overall performance at CMS. These students will have their pictures placed in a display case in the 200 hall, and a letter explaining the honor will be sent to their parents/guardians. A student of the month breakfast is held three times per year to celebrate their achievement.

Homework

Central Middle School believes that it is essential for middle school students to develop good study and homework habits. The school also believes parents/guardians can play a vital role in this area. In all subjects, at some time, students will have homework. Homework might consist

of a writing assignment, preparing for a test, reviewing, reading, and/or research. Students will have homework regularly in math, English, and world language.

Honesty

If a student uses someone else's words or ideas in his/her work, the source must be acknowledged by the use of complete, accurate, and specific references. Any form of academic dishonesty whether it involves copying someone else's work or allowing someone else to copy your own work will result in loss of credit and/or disciplinary action. This includes the transmission of and/or sharing of digital work as well.

Organizational System-POWER binder

We strongly recommend all CMS students use a POWER binder to assist with organization throughout the year. We require use of a binder so students have a systematic way to keep track of resources and learn important organizational skills. We also strongly recommend that students use a planner (traditional or digital) and the organizational tools found in their Schoology account. These tools have two purposes: to help students learn organizational skills and to improve communication between home and school.

Success Center

Success Center is an after-school academic center open Monday – Thursday from 2:20-3:50 p.m. that supports students through homework help. Success Center offers a quiet, structured environment after school in which a teacher supervises students working independently. Students may make up a test, use reference materials for research, or complete daily assignments.

- Students must arrive by 2:20 p.m. They must have a pass from a staff person if they arrive late.
- Students may have a snack (no beverages please).
- Activity bus passes will be issued at 3:50 for those students riding the 4:00 bus. For those students who need to leave early, a note with parental permission is required.
- Only students who are following directions, working productively, and behaving respectfully will be allowed to stay in the Success Center.

Targeted Services

Targeted Services helps students acquire and master basic skills such as math, reading, writing, organization, time management, and test taking. Students who wish to attend will be enrolled and expected to attend at least one day per week and can attend up to four days per week. Students will receive instruction in academic and task management skills.

Teaming

Central Middle School students and staff members are divided into teams. We have four seventh grade teams and four eighth grade teams. We designate each team by color with each having about 150-180 students and seven to nine teachers. Randomly placed on teams by their elective choices, students remain on their team the entire year. Teaming exists for several

reasons. It creates a feeling of being in a small group within a large school. Staying with the same teachers all year helps teachers know students better and vice versa. Team teachers plan together and discuss student progress. We encourage parents/guardians to call team teachers with questions and concerns.

Communications

Alerts

The district has the ability to call and email all district families. In order to help ensure that you receive these important messages, please go to www.edenpr.org and make sure that we have the correct email address and phone numbers for us to use. Log in using your username and password and click “edit profile.” Contact us with questions at (952) 975-7094 or helpline@edenpr.org.

Publications

Families with students attending Eden Prairie Schools receive print and electronic publications from the district. To ensure you’re receiving electronic newsletters from the district and CMS, log onto the district website, www.edenpr.org. After logging in, click “edit profile” to update your email address in our system.

Contacting Your Student

If parents need to contact students during the school day, they should call CMS at (952) 975-7300 rather than calling or texting their child’s cell phone. Students are not allowed to receive or make cell phone calls or send text messages during the school day. Parents can get a message to their student by calling the main office. If students are observed using their cell phones during the school day, the phone will be confiscated and parents/guardians of the student will be responsible for picking up the phone.

Deliveries for Students

Items that are dropped off in the office for a student should be marked with the student’s name. We will not interrupt class for deliveries. Students should pick up these items during passing time. Students are not allowed to receive food purchased from outside vendors during the school day.

Email

Email is one of the most cost-effective, timely, efficient ways for your teacher, principal, and the district administration to communicate with families. To ensure that we have your current email address, log onto the district website, www.edenpr.org and click “edit profile.”

Weather-Related Closing

District families will be notified of any emergency school closures through the emergency phone system and district emails. If you don't see or hear any announcement, assume that school will be in session. Additional Resources:

Website: www.edenpr.org	Radio: WCCO radio (830 AM)	Phone: (952) 975-7000	TV Channels: 4, 5, 9, and 11
--	-------------------------------	--------------------------	---------------------------------

If school dismisses early, students will be told to go home on their regular buses – please be sure your child has a backup plan in place. Students may not remain at school. If school dismisses early, the building will be closed for after-school and evening activities (such as sports, PTO meetings, and community education classes). If your child goes to an after-school program at a location other than school, please check with them regarding their closing policy. Again, have a backup plan in place.

Website

Students and parents have access to student information by logging onto the district website, www.edenpr.org. Within that website, the following student information is available: attendance, grades, final report cards, and unofficial transcripts. If there are problems logging into the website call 952-975-7094 or email helpline@edenpr.org. In addition, our CMS website, www.edenpr.org/cms allows you to stay in closer contact with our school. Information available on-line includes general information, teacher web pages, supply lists, calendars, lunch menus, newsletters, parent involvement opportunities, etc.

Conferences

Eden Prairie Schools recognizes the importance of parents/guardians and teachers working together. Students and their parents/guardians will have opportunities to meet with teachers during the school year. Conferences are held in the fall and the spring. During the conferences, students/parents will be able to meet multiple teachers to discuss their child's progress. At the conference students may also develop a plan for improvement. Please note, we encourage families not to wait for conferences to discuss serious concerns; instead, please contact your child's teacher or advisor sooner rather than later to begin finding solutions.

Curriculum Nights

Each team plans a Curriculum Night in September. At Curriculum Night teachers share information about various ways the school communicates with parents, teachers make presentations about the curriculum, and families have the opportunity to meet the teachers.

Parent communication with CMS staff

As a community of learners, CMS parents, teachers, and students work together to build a positive learning environment. Communicating with students and parents about student progress, school events, and classroom activities builds and maintains the learning environment. All Central Middle School staff respond to requests for information and assistance

in a timely and professional manner. Here are some tips for communicating effectively with teachers:

- Utilize email and voicemail whenever possible to contact teachers; you can expect a response within one working day.
- Call the teacher in advance to schedule a face-to-face meeting.
- Strive to resolve a conflict directly with a teacher first; you are welcome to contact building administration if you are dissatisfied with the resolution.

Schoology

Each classroom teacher and student utilizes Schoology, a Learning Management System (LMS) that helps organize course content including: assignments, course resources, tests, quizzes, etc. Teachers may include more specific information regarding their class activities, homework, links to the internet and other information in Schoology as well. Teachers and students will set expectations about how to use Schoology at the beginning of the year. We encourage parents to enroll in Schoology too as it is another way to be informed about your student's education.

Student Activities

Central Middle School offers students a wide range of co-curricular activities in four areas: academics, arts, athletics, and student leadership. We encourage students to try an activity to help them learn more about their interests and meet new friends. Some examples of activities include math league, robotics, plays, yearbook, student council, art club, Science Bowl, and several sports including soccer, lacrosse, floor hockey, tennis, and ultimate frisbee. For details on meeting dates and times, seasons, and fees please see the student activity brochure or visit the [activities section](#) of the CMS website.

Student Life

Backpack/Handbags

Because of safety concerns, students are not allowed to carry backpacks during the school day. Students may use a backpack to transport books and belongings to and from school. Backpacks must remain in lockers between 7:45 a.m. and the end of the day. Handbags smaller than a school textbook may be carried at school. Exceptions to this policy may be granted to students with special circumstances. Check with the Student Management Office if circumstances warrant special permission to carry a backpack or larger handbag.

Counseling

The [counseling department](#) provides individual, group, and crisis counseling. Students are referred via teachers, parents/guardians, friends and/or self. Counselors deal with a multitude of issues pertaining to students' adolescent development. Some of these issues may include

depression, eating disorders, conflict resolution, healthy relationships, stress management, and school success. If parents or students need information, support, or skill-building during the year, please consult the team counselor.

Please also note “Outside Resources for Teens” under the Health section of this handbook.

Dress

Central Middle school encourages students to take pride in their attire as it relates to the school setting. Students should dress in a manner that, in addition to the following guidelines, takes into consideration the educational environment, safety, health and welfare of self and others. Students’ clothing must not become a distraction to the educational environment. Below is a list of examples of things not allowed in school. **This list is not all-inclusive.** Final decisions on student dress code will be made by building administrators.

- A. Wearing shorts that are an inappropriate length, shirts with bare midriff or shirts with shoulder straps less than 2 inches (i.e. tank tops) are not acceptable.
- B. Going barefoot, wearing slippers, or wearing pajamas is not acceptable.
- C. Hats, gloves, sunglasses, and jackets are not allowed during the school day. Students must store these items in their lockers.
- D. Clothing with obscene language or symbols, or symbols of drugs, tobacco, sex, alcohol, or gang references are expressly prohibited. Profane or defamatory jewelry or writing on clothing, notebooks or folders is not acceptable.
- E. Items considered to be culturally, racially or gender insensitive are unacceptable.
- F. If necessary, parents/guardians may be called to bring appropriate clothing to school.

Electronic Devices

Students may have cell phones at school as long as they are kept turned off and out of sight during the school day. Students are not allowed to use iPods or other music playing devices at school. If a cell phone becomes a distraction in any school environment, it will be confiscated and returned to the parent/guardian of the student. Failure to comply will result in further action. CMS is not responsible for lost or stolen cell phones. We do provide phones in each of our classrooms that students may use before and after school. If you need to contact your student during the school day, please call the main office, and we will contact him or her or relay a message. Please do not call your student’s cell phone during the day. The electronic item policy and expectations still apply if students are talking with family members.

Some bus drivers allow use of iPads and cell phones on the bus. If students have permission to use these items on the bus, they will need to store them out of sight during the day. If students store valuable items in their lockers, they assume any risk of theft that may result.

Students will be informed of the expectations for their school issued iPad. If a student violates these expectations, a consequence will be assigned.

Field trip Guidelines

Field trips provide a positive learning experience that takes place outside the walls of the regular classroom. A field trip accomplishes or reinforces an identifiable academic, social, emotional, or physical goal/outcome that is limited to middle school curriculum or philosophy. Planning considerations will include:

- Consistency and timing between teams.
- Balance in curricular area and outcomes such as an academic experience, cultural awareness, community service, real life experience, and team building.
- Identified insights and experiences not otherwise available in the classroom

Field trips effectively use all resources available including:

- Financial
- Opportunity cost (field trip benefit vs. missed class time)
- Allocation of time
- Consideration of facility space available

All field trips will be determined by the teachers on a student's team based on the field trip guidelines. As a result, field trips throughout the school year will be uniquely different from team to team in both content and dates.

Food/Drinks/Gum

Food and drinks other than water are not allowed in hallways. Teachers can use their discretion as to whether to allow food and/or gum in their classrooms.

Lockers

Students will be assigned a locker with a combination lock. Students and their advisors are the only people who should know a student's combination. It is a student's responsibility to keep his/her locker closed and locked when not using it. Under no conditions should a student change lockers or use someone else's locker. Students will be assigned lockers according to their team so that they will be located in close proximity to their classes. Students shouldn't try to go to their lockers between every class. Instead, take books and materials for several classes at once, eliminating frequent visits to lockers. Advisors will provide guidelines for the use of tape, standards of cleanliness and care, and posting of pictures or other materials that may constitute harassment.

The best way to prevent locker theft is to lock lockers. Students should not share a combination or locker with anyone (even a friend). Lockers are provided for student convenience but are not to be considered secure. Therefore, students should not leave items of value in their lockers unless they are willing to accept the risk of loss. School lockers are the property of the school district. School authorities may conduct inspections of lockers for any reason and at any time without notice or consent. If a student defaces or damages a locker, he or she will be responsible for cleaning it or paying for damages. More information can be found under the Search Policy heading in this handbook.

Students are only allowed to decorate for birthdays before school from 7:30-7:40 a.m. or after school from 2:15-2:30 p.m. Locker decorating must be contained to the individual locker and not be on surrounding areas. Decorations must be school appropriate and not include balloons.

A Physical Education locker will be assigned to students during the quarter they have Phy. Ed. The same rules that exist for a regular locker apply to the Phy. Ed. locker as well.

Lost and Found

If students find a lost item, they should turn it into the main office. Students may claim lost articles in the Lost and Found across from the main office. Please remember that valuable items should not be brought to school.

Breakfast and Lunch

Each morning, students may purchase a grab-and-go breakfast in the cafeteria. Students who choose to purchase a grab-and-go breakfast will eat their breakfast before 7:50 or during Advisory time at the beginning of the day.

Students can either bring a lunch from home or purchase a lunch at school with milk included. School lunch choices include the daily menu, soup and sandwich, or soup and salad. A student bringing a lunch from home can purchase milk. [Reduced price and free](#) breakfasts and lunches are available for those that qualify. For more information about this program, please call (952) 975-8055. [Lunch menus](#) are available online.

Lunch PINs

Each student is assigned an account with a personal identification number (PIN). Lunches will be paid for by a student entering the PIN on a keypad at the end of the serving line and saying their first and last name to the cashier. Families must pay for meals in advance by sending a check to school payable to Eden Prairie School or using the online FeePay system for parents to add funds to student meal accounts. It is the same system used to pay activities fees, sports fees, and transportation fees. Parents log into the [parent portal](#) to access this system and their student's meal account. If you have questions or need help with logging into the portal, please call the parent helpline at (952) 975-7094. Money remaining in a student's account at the end of the year will be transferred to the next year's account, even if they are moving on to a different Eden Prairie School.

Lunchroom Rules and Consequences

Lunch is a scheduled period for each student. Tardies to lunch or skipping lunch will carry the same consequence as being tardy or truant from class. Our students will be prepared to demonstrate digital responsibility, technological awareness and the ability to use technology to create, research, communicate and produce in the academic and professional setting. i-Learn@EP is about creating engaging curriculum, dynamic learning environments and students who are better prepared for the world beyond our school doors; it is not about the device, but rather how to use the device in education.

Students are required to give proper credit to all Internet sources used in academic assignments, whether quoted or summarized. This includes all forms of media on the Internet, such as graphics, movies, music and text. Plagiarism of Internet resources will be treated in the same manner as any other incidences of plagiarism, as stated in your school's handbook. In addition, students must adhere to the copyright laws of the United States (P.L 94-553) and the Congressional Guidelines that delineate it regarding software, authorship and copying information. Information Regarding the iPad in Eden Prairie Schools

iPad General Precautions

- The iPad is Eden Prairie Schools' property.
- The iPad must remain free of any writing, drawing, stickers, or labels that are not issued and placed onto the device by EPS staff.
- Cords and cables must be inserted carefully into the iPad to prevent damage.
- Never expose an iPad to extreme temperatures, direct sunlight, or prolonged periods of time in rooms that are not at a normal room temperature.
- iPads must be kept in a secure location at all times; it is the student's responsibility to know where their iPad is at all times. Do NOT leave unsupervised, or lend to friends or family members outside of your home. During times when the iPad is not needed, place the iPad in a secure location within the classroom.

iPad Cases

Acknowledging the importance of a protective case for the iPad, Eden Prairie Schools invested in purchasing protective cases for all of the iPads. iPads need to be in the EPS issued protective case.

- The iPad should ALWAYS be in its protective case, including the screen protector.

- The iPad should be charged (EPS provides a charger) and brought to school ready to use each day.
- Do NOT place your iPad in a book bag that contains food, liquids, heavy or sharp objects.

iPad Screen & Cleaning

- The screens are sensitive to pressure and therefore can be damaged; they are scratch resistant, not scratch proof.
- The screens are made of glass and can either break or shatter.
- Do NOT use liquids to clean the iPad. This includes, but is not limited to: window cleaners, household cleaners, aerosol sprays, solvents, alcohol, ammonia, or abrasives.
- PLEASE USE: A soft, dry cloth or anti-static cloth.

iPad Care

- Only labels or stickers approved and placed onto the iPad by EPS staff are acceptable.
- Never leave an iPad unattended. It is your responsibility to keep your iPad stored in a safe, secure, temperature appropriate space.
- Do NOT dismantle or attempt to repair the internal workings of the iPad or the iPad case.
- If your iPad is not working take your iPad to the Media Center as soon as possible and have EPS technology support specialist examine it. If your iPad needs to be worked on for an extended period of time, you will be issued a temporary iPad until yours is working properly.

Earphones

Eden Prairie Schools does not provide earphones; however, they are requested as part of the school supply list.

- Earphones shall not be used within or on school property unless a teacher specifically requests or allows students to do so.
- If allowed to use earphones, the appropriate level is when only the person wearing the earphones can hear the sound.

Storing Documents

There will be limited storage on the device and academic files take priority over personal. Several backup options exist to cloud storage or personal computers. Students should back up their files.

Applications and Content

Students, with the support and permission of parents may install apps or other content having an educational purpose on their iPad. Applications or content that does not have an educational purpose and is disruptive to the educational process or at home will be removed from the device.

Student Discipline

If a student violates any part of the above policy, he/she will be subject to disciplinary action. The disciplinary action for a violation may include restrictions for downloading apps, checking the iPad in and out of school each day, having all iPad privileges revoked, or other actions deemed appropriate.

In instances where the student has put his/her own safety or the safety of others at risk (i.e. bullying), iPad privileges will be revoked immediately.

iPad Statement of Responsibility for Parent/Guardian and Student

We understand that instances of damage, destruction, or loss of the assigned iPad may occur. These instances will be dealt with on a case-by case basis. Incidents of gross negligence or repeated incidents may result in financial restitution from the family, up to the cost of the entire device if warranted. If the device is damaged beyond repair or lost the cost of replacement is \$400.00. Samples of approximate repair and replacement cost of individual parts are listed below. If there is damage that can be repaired the student will be charged for the actual cost of repair.

Student Behavior

Expectations of Adults and Students

Philosophy of Behavioral Expectations for Adults and Students

Adults will:

1. Create a balanced approach for all learning
2. Create a climate for learning that includes:
 - Opportunities for students to explore and construct their learning through choice, practice, trial, error, and reworking
 - Knowing the students culturally, and individually, by being fully cognizant of their strengths and interests
 - Co-creating classroom routines and procedures that maximize learning bell-to-bell
 - Creating a climate that respects difference and allows for multiple perspectives without hurting others
 - Fostering opportunities for students to determine responsibility in meeting academic, social, and emotional expectations in monitoring their self control

Students will:

1. Participate fully in the learning experience, including curricular, co-curricular, and extracurricular activities, from the moment s/he is on the bus until s/he is returned home, at all district activities and events.
2. Participate actively in the learning experience by being fully engaged, fully prepared, raising engaging questions, and effectively and positively communicating with all students and staff.
3. Participate actively in the learning experience by sharing information about themselves—strengths, weakness, and culture to create common bonds in curricular, co-curricular, and extracurricular activities.
4. Participate actively in the learning experience by respecting differences while asserting perhaps a divergent viewpoint, doing so without harm to the other students, staff, and property.
5. Demonstrate empathy (knowing others) to build fruitful relationships that create a cohesive learning opportunity for all and through self-control behave in an ethical manner from the moment s/he is on the bus until s/he is returned home.

If a student demonstrates a lack of responsibility, respect, empathy or self control and disrupts the learning of other students, adults will:

- Re-direct, work with and ensure that student fully understands the expectations
- Create an accountability system with the student and parent/guardian with clear consequences or processes for resolution for additional violations
- Work in partnership with family, students, staff and other significant adults to determine additional strategies and/or consequences
- Refer to Peer Mediation, Conflict Resolution or other proven process
- Determine if there are extenuating physical, emotional or mental challenges
- Submit referral as required
- Remove from class, suspend, or expel

Student Management Mission

Central Middle School will foster a partnership with students, staff, and parents to establish clear expectations for respect of self, others, and school in order to create a safe, secure environment in which everyone can learn. We strive to work with students regarding their behavior in a respectful manner that strengthens students and helps them be responsible, respectful, and self-directed learners.

Student Discipline Guidelines

The following pages contain summaries of District and Central Middle School policies and procedures related to Student Management.

Behavior, Severe

Severe behaviors halt or significantly interrupt the educational process, endanger the safety or well-being of another individual, or have occurred with such frequency that routine disciplinary actions have been deemed ineffective. Examples include but are not limited to

- Serious disrespect of adults or peers
- Repeated refusal to cooperate
- Fighting or causing physical harm to another
- Use/possession/sale of controlled substances including tobacco
- Property damage
- Harassment of another individual, including sexual, racial or religious harassment and verbal abuse
- Stealing
- Other behaviors identified in a building plan
- Behaviors identified as severe in the School Bus Ridership Plan
- Threatening and/or intimidating behavior
- Possession of a weapon
- Hazing
- Bullying

Bottom Lines

Some severe violations always result in an out-of-school suspension. These are called our “bottom lines”:

- Physical violence and intimidation
- Extreme instances of insubordination and/or serious disruption of the educational process
- Use/possession of chemicals
- Use/possession of weapons
- Extreme instances of harassment/bullying/cyberbullying

Consequences

Behavior considered “severe” may result in the following consequences:

- Parent contact and/or conference
- Restriction of free time or privileges
- Removal from class
- Mediation
- Restitution
- Dismissal for one day or less
- Suspension
- Exclusion or expulsion
- Referral to Eden Prairie Police Department or outside agencies

Definitions

- **Removal from Class** – Students may be prohibited from attending a class or activity for a period of time not to exceed five days for each violation of school district rules, regulations or policies.
- **Mediation** - Bringing two parties involved in a conflict together to settle the dispute.
- **Restitution** - A student could choose to fix a problem or mistake, or to set things right. Restitution may be done instead of a consequence or along with a consequence.
- **Dismissal** - The dismissal of a student from school for one day or less.
- **Suspension** - An action taken by school administrators under the district's discipline policy, which prohibits a pupil from attending school for a period of no more than 10 school days. The suspension period may be extended by an additional five days with a parent conference. A re-entry conference must occur before the pupil returns to school. This conference will include the pupil and his/her parent/guardian and any school official deemed necessary.
- **Expulsion** - An action taken by the school board to prohibit an enrolled student from further attendance for a period that will not extend beyond an amount of time equal to one school year from the date a pupil is expelled.
- **Exclusion** - An action taken by a school board to prevent enrollment or re-enrollment of a pupil for a period which will not extend beyond the school year.

Detention Rules

Violations of school-wide rules may result in office detention. Detention is from 2:20-3:50 p.m. every day but Friday. Rules:

- Bring study and/or reading materials.
- No food or beverages.
- No talking or music.
- Students must stay the entire time; no breaks allowed.
- Students who have been scheduled for a detention but are unable to attend must contact the Student Management office in person or by phone, (952) 975-7335. Activities and athletics are not acceptable excuses for missing an assigned detention. Students who do not attend an assigned detention and do not have a parent excuse will receive an additional detention.
- Students not following detention rules will be assigned an additional detention and/or other consequences.

Tardiness

Students are expected to be in their assigned area at the start of school or the start of a class when the bell rings. Failure to do so constitutes tardiness. Accumulating three tardies or one unexcused absence in any class is a violation of the CMS attendance policy. Violations will result in further intervention and may include disciplinary action. All students in the hallways or other unsupervised areas during class time must have a pass from a staff member.

Late to Class

~~Students need to be in their assigned location before the bell rings or they will be marked tardy. Students who are more than 15 minutes late to any class will be marked absent and unexcused. All students in the hallways or other unsupervised areas during class time must have a pass from a staff member.~~

Office Visits

When a dean or the dean's assistant meets with a student to discuss problem behavior, it is considered an office visit. Parents will be notified of each office visit and the resulting consequences.

Planning Room

Teachers assign students to the Planning Room for violation of classroom rules. In the Planning Room students reflect on the incident that occurred and develop a plan to enable future success. Students call a parent/guardian to explain what happened and may be assigned a detention for the referral. After completing a reflection form, students work on assignments sent by their referring teacher or study. Students refusing to follow directions will be sent to a dean. Students assigned in-school suspension may spend the day in the Planning Room working on assignments given by their teachers for the day. If students run out of assigned work, the supervisor will give them additional work to complete.

Volunteering

District Volunteers

A variety of district level committees and advisory councils, such as the Curriculum Advisory Council, Finance Advisory Committee, Special Education Advisory Council, and Community Education Advisory Council are important ways parents can help shape district policies, procedures, and programs. More information is available at www.edenpr.org.

Parent-Teacher Organizations

The [Parent-Teacher Organization](#) (PTO) at Central Middle School is comprised of parents and staff working together to enhance your child's school experience. The group sponsors family-oriented social activities during the year and also organizes parent volunteer programs. The PTO plans events and fundraisers and uses associated proceeds to supplement programs at CMS that directly benefit students.

School Volunteers

Opportunities: Central Middle School offers a variety of volunteer opportunities for parents. A current [list of volunteer needs](#) is posted on the CMS website. There is a place for you to volunteer at Central Middle School whether you have an hour or a day to share with our students and staff. Fill out the volunteer form available on the website and drop the form off at CMS, mail it to the school, or e-mail it to teggert@edenpr.org.

Procedures: Volunteer forms will be available at your school at the beginning of the school year. Please fill one out and return it at any time. Volunteers are asked to follow the school security sign-in procedures. Staff are instructed to ask if they can help any visitor without a volunteer badge. This procedure has been developed as a proactive safety measure. As you work with staff and students, information of a confidential nature may be shared with you. The problems, abilities, relationships, and confidences of students, their parents, and staff should never be discussed with anyone who does not have a professional right or need to know. Like teachers, volunteers are bound by a code of ethics to keep confidential matters within the school.

Attendance

Eden Prairie Schools values attendance. We believe that every student should be in school every day. Regular school attendance is directly related to success in academic work, benefits students socially, provides opportunities for important communications between teachers and students, and establishes regular habits of dependability important to the future of the student. Class attendance is a joint responsibility to be shared by the student, parent or guardian, teacher, and administrators. Eden Prairie Schools is a participant in the Hennepin County Attorney's Office be@school program. This program seeks to improve school attendance and increase the opportunity for Hennepin County's children to realize their potential. In collaboration with the County efforts, Eden Prairie aims to have each student attend school every day. In accordance with the Minnesota Compulsory Instruction Law, Minn. Stat. 120A.22, the students of the school district are REQUIRED to attend all assigned classes and/or study halls every day school is in session, unless the student has been excused by the school board from attendance because the student has already completed state and school district standards required to graduate from high school, has withdrawn, or has a valid excuse for absence.

No student is to leave the building or its premises during the school day without having an early dismissal pass, permission from a dean, signing out with the nurse, or being on an authorized work program. Students who leave without permission will be considered unexcused from the classes missed.

Excused Absences

The following reasons shall be sufficient to constitute excused absences:

1. Illness
2. Serious illness in the student's immediate family
3. A death or funeral in the student's immediate family or of a close friend or relative
4. Medical, dental, or orthodontic treatment, or counseling appointment
5. Court appearances occasioned by family or personal action
6. Religious instruction not to exceed three hours in any week
7. Physical emergency conditions such as fire, flood, storm, etc.

8. Official school field trip or other school-sponsored outing
9. Removal of a student pursuant to a suspension
10. Religious observance
11. Family vacation (limited to 5 days per year) handled as excused absences and students will be permitted to complete make-up work
12. Family emergencies
13. A student's condition that requires ongoing treatment for a mental health diagnosis

In order for an absence to be excused, a parent needs to call the school attendance line prior to, or the day of the absence. The parent needs to state when the child will be absent and explain the reason for the absence. Students whose absences are excused are required to make up assignments missed or to complete alternative assignments as deemed appropriate by the classroom teacher. Students who accumulate excessive absences, even when excused, will work with the school staff and parents to develop a plan to assure attendance at school daily. In addition, a doctor's note may be requested to excuse excessive absences.

Late Arrival/ Early Departure

CMS students arriving late or leaving early must bring a note from a parent/guardian that includes the parent's name, student name and reason for absence. Excused reasons for being late or leaving early will follow the same listing as excused absences. Students should give the note to the receptionist as soon as they arrive at school. If leaving early, the note should indicate the time the student should meet their parents at the reception desk. Students who are late due to oversleeping or missing the bus are considered unexcused. ~~and may be counted as tardy or in some cases, unexcused for a full day. Students who have three unexcused tardies in a quarter will work with school staff to determine a plan and may have detention or other consequences assigned.~~

Tardiness

~~Students are expected to be in their assigned area at the start of school or the start of a class when the bell rings. Failure to do so constitutes tardiness. Accumulating three tardies or one unexcused absence in any class is a violation of the CMS attendance policy. Violations will result in further intervention and may include disciplinary action.~~

~~Procedures for Reporting Tardiness~~

~~Students tardy at the start of the school day must report to the school office for an admission slip. Tardiness between class periods will be handled by the teacher and student management office.~~

Excused Tardiness

Valid excuses for tardiness are:

1. Illness
2. Serious illness in the student's immediate family.
3. A death or funeral in the student's immediate family.

4. Medical, dental, orthodontic, or mental health treatment.
5. Court appearances occasioned by family or personal action.
6. Physical emergency conditions such as fire, flood, storm, etc.
7. Any tardiness for which the student has been excused in writing by an administrator or faculty member.

Unexcused Tardiness:

An unexcused tardy is failing to be in an assigned area at the designated time class period commences without a valid excuse.

Unexcused Absences or Truancy

These are examples of absences that will not be excused:

1. Truancy which is an absence that is not approved by the parent and/or the school district
2. Any absence where the student/ family failed to comply with any reporting requirements of the school district's attendance procedures
3. Work at home
4. Work at a business, except under a school-sponsored work release program.
5. Vacations with family without prior notice and exceeding 5 days
6. Personal trips to schools or colleges
7. Any other absence not included under the attendance procedures set out in this policy

Consequences of Unexcused Absences

1. School district staff will work with the parent, student and the Hennepin County Attorney's office be@school program and follow the three day notification and six day Parent Group Meeting process.
2. If unexcused absences continue after following be@school process, the Hennepin County Attorney's office will follow with necessary legal action to ensure attendance at school.
3. Absences resulting from official suspension will be handled in accordance with the Pupil Fair Dismissal Act, Minn. Stat. 121A.40-121A.56.
4. Days during which a student is suspended from school shall not be counted in a student's total cumulative unexcused absences.
5. Along with following the Hennepin County Attorney's be@school programs, the student or his or her parent or guardian may, within a reasonable time, request a conference with school officials regarding the student's absences and the prescribed discipline. The notification will state that the school strongly urges the student's parent or guardian to request such a conference.
6. Participation in School-sponsored Extracurricular Activities

On-the-Job Training Programs and Enrichment Activities

This applies to all students involved in any extracurricular activity scheduled either during or outside the school day and any school-sponsored on-the-job training programs.

1. School-initiated absences will be accepted and participation permitted.

2. A student may not participate in any activity or program if he or she has an unexcused absence from any class during the day.
3. If a student is suspended from any class, he or she may not participate in any activity or program that day.
4. If a student is absent from school due to medical reasons, he or she must present a physician's statement or a statement from the student's parent or guardian clearing the student for participation that day. The note must be given to the coach or advisor before the student participates in the activity or program.
5. Students who miss school regularly due to enrichment activities must seek prior approval in order for those absences to be excused. Families for whom this applies may contact the building principal for further information.

Health

The Health Services staff work in partnership with educational staff to provide students with high quality and consistent health care and health management. Find [Health Services forms](#) online at www.edenpr.org.

Allergies (Animals, Fragrances, Latex)

Animals and pets are not allowed to visit inside schools without principal permission and specific policy requirements. This policy is in place because of student and staff health needs and air quality issues. Some exceptions may be made; please check with the principal before bringing any animals into the classroom.

Eden Prairie Schools encourages a fragrance aware and latex limited environment. "Fragrance Aware" means that we will try to have a fragrance and scent-free environment. "Latex Limited" means that no latex gloves or latex balloons are allowed.

Health Conditions

The school nurse will work closely with students who have an acute or chronic health need such as asthma, cancer, diabetes, allergies, or other illness. Parents will want to notify Health Services about their student's specific health needs. The student and parents will work with the school nurse to determine how best to manage the health conditions and plan for any potential life threatening emergencies.

Homebound or Hospital Instruction

Homebound or hospital instruction is provided for children who are absent from school due to prolonged illness or disability. If your child is going to be absent longer than 15 school days, please contact the school.

Illness

Please call your school's attendance line if your child will not be at school due to illness. Also, please notify the school office if your child contracts a communicable disease or parasite so that notices may be sent home with classmates listing symptoms and treatments.

Illness/Injury at School

When a student is unable to remain in school due to an illness or injury, a parent or emergency contact will be notified. First aid is given by school personnel, and parents are expected to provide transportation and decide whether a doctor should be contacted. In emergencies, 911 will be notified. No child will be sent home unless an adult assumes responsibility for his/her care.

Immunizations Up-to-Date

Eden Prairie Schools is part of the "No Shots, No School" program. All students must have proof of vaccine to start school. Students who have special medical problems and cannot be vaccinated, or whose parents conscientiously object, may receive legal exemption. Contact Health Services for assistance with accessing immunizations or to get information on exemptions.

Insurance

The Eden Prairie School District does not carry medical insurance for student accidents on district property. The District does make available student accident insurance at a low cost to parents. More information can be found on the district's website under Departments/Finance/Student Accident Insurance. The district also carries public/general liability coverage for district premises and/or employee negligence. MinnesotaCare health insurance is available for those families who qualify based on monthly income and family size. Questions about this plan can be directed to the school nurse or social worker.

Medications

Students are not usually permitted to administer their own medication at school. Parents requesting that prescription or non-prescription medication be administered during school hours are required to provide:

- A physician's order/signature for medication during the school day
- Parent's signature on a Medication Authorization Form or a note
- Medicine in original prescription bottle labeled with student's name, etc. Please ask the pharmacy to put prescription medication in two bottles completely labeled – one for home and one for school.

All non-prescription medications must be provided in their original labeled container. No medications can be dispensed when provided in envelopes, plastic bags, etc. Medication Authorization Forms are available in the nurse's office. At the end of the school year, all medication, both prescription and over-the-counter, will need to be picked up by a parent. Medications will not be sent home with students.

Restricted Activities

Written excuses are required for students who need to miss physical education. The note must state how long the restriction will be in effect.

Notices

Asbestos/Pesticide/Air Quality Notices

The Environmental Protection Agency requires school districts to annually notify parents, guardians, and staff about the presence of asbestos in district facilities as well as planned abatement activities. Eden Prairie Schools performs routine six month periodic inspections of all asbestos-containing building material to ensure materials are in good condition. Records of these inspections are available for viewing in each building maintenance office and the Facilities and Safety Department at the Administrative Services Center. Anyone is welcome to review these plans with prior notice during normal working hours Monday through Friday. No planned asbestos abatement is scheduled for the 2015-2016 school year. If you have any questions or concerns, please contact the district's Asbestos Designated Person, Jim Anderson, at 952-975-7126. More information on Asbestos can be found at:

www.epa.gov/asbestos/pubs/asbestos_in_schools.html

The Parents' Right-To-Know Act that was passed by the Minnesota Legislature requires schools to notify parents, guardians, and staff regarding pesticide application in schools. The district uses Orkin Pest Control to conduct planned pesticide applications during the school year.

Applications will be done as needed, but will always be on the fourth Thursday of each month while school is not in session. However, the schedule may change due to inclement weather. Parents, guardians, and staff may request to be notified of any changes in the application schedule by contacting any of the school offices. If you have any questions or concerns, please contact the Facilities and Safety Department at 952-975-7121. More information on Pest Management can be found at:

www.mda.state.mn.us/en/plants/pestmanagement/ipm/ipmschools.aspx

Eden Prairie Schools has developed an Indoor Air Quality (IAQ) Management Program as required by the Minnesota Department of Education. The program includes information for concerned parents, guardians, and staff regarding the IAQ in our schools as well as an overall building walkthrough inspection that is conducted in all school district buildings annually. The program also includes a written set of procedures that describe ways to correct the identified IAQ problems, prevent future problems, and respond to emergencies and concerns. The district's Indoor Air Quality Coordinator is Jim Anderson, Facilities and Safety Director. He can be reached at 952-975-7126. More information on Indoor Air Quality can be found at:

www.health.state.mn.us/divs/eh/indoorair/schools/index.html

Background Checks, Employment

The school district will seek criminal history background checks for all applicants who receive an offer of employment with the school district. The school district also will seek criminal history background checks for all individuals, except enrolled student volunteers, who are offered the opportunity to provide athletic coaching services or other extracurricular academic coaching services to the school district, regardless of whether compensation is paid. These positions include, but are not limited to, all athletic coaches, extracurricular academic coaches, assistants, and advisors. The school district may elect to seek criminal history background checks for other volunteers, independent contractors, and student employees.

Curriculum Content Review

As part of its policy, the district has specified a procedure for a parent, guardian, or adult student 18 years or older to review the content of instructional materials, address concerns, and propose alternative instruction for an individual student. The procedure spells out three action steps beginning with an informal meeting of the adult and responsible staff members. If the concern is not resolved, it will be taken to the building principal. If resolution cannot be reached, the parent/guardian/adult/student will be asked to complete a form and a meeting involving representatives of the district and site Teaching and Learning staff will be convened.

Fees

Materials that are part of the basic educational program are provided with state, federal, and local funds at no charge to a student. Students are expected to provide their own pencils, paper, erasers, and notebooks. Students may be required to pay certain other fees or deposits, including (not an all-inclusive list):

- Cost for materials for a class project that exceeds minimum requirements and is kept by the student.
- Security deposits for the return of materials, supplies, or equipment.
- Field trips considered supplementary to the district's educational program.
- Admission fees or costs to attend or participate in optional extracurricular activities and programs.
- Voluntarily purchased student health and accident insurance.
- Use of musical instruments owned or rented by the school district.
- A school district-sponsored driver or motorcycle education training course.
- Transportation to and from school for students living within two miles of school.
- Transportation of students to and from optional extracurricular activities or post-secondary instruction conducted at locations other than school.

Students will be charged for textbooks, workbooks, and library books that are lost or destroyed. The school district may waive a required fee or deposit if the student and parent/guardian are unable to pay. For more information, contact your school's principal.

Parent Right to Know

If a parent requests it, the school district will provide information regarding the professional qualifications of his/her child's classroom teachers, including, at a minimum, the following:

1. Whether the teacher has met state qualifications and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
2. Whether the teacher is teaching under emergency or other provisional licensing status through which state qualification or licensing criteria have been waived;
3. The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree;
4. Whether the student is provided services by paraprofessionals and, if so, their qualifications.

In addition, the school district will provide parents with information as to the level of achievement of their child in each of the state academic assessments. The school district also will provide notice to parents if, for four or more consecutive weeks, their child has been assigned to or taught by a teacher who is not highly qualified.

Pledge of Allegiance

Students will recite the Pledge of Allegiance to the flag of the United States of America weekly. Any person who does not wish to participate in reciting the Pledge of Allegiance for any personal reason may elect not to do so. Students must respect another person's right to make that choice. Students will also receive instruction in the proper etiquette toward, correct display of, and respect for the flag.

Release of Directory Information

The Family Education Rights and Privacy Act requires school districts to notify parents/guardians and students that certain information from student records may be released

and made public without the written consent of the parents or students 18-years-of-age or older. This information is called “directory information.” Directory information includes name, residential mailing address, telephone number, date and place of birth, grade in school, major field of study, participation in officially organized activities and sports, weight and height of athletic team members, dates of attendance, degrees and awards received, previous school attended, and photos. These publications could include district-initiated publications such as calendars, newsletters, annual reports, and brochures. They also include school-initiated publications such as student newspapers and yearbooks. In addition, media, including weekly community newspapers, metro daily papers, and television stations may ask to take photos of district students. Parent/guardians or students of majority age who do not want directory information released for internal and/or external use must notify the district in writing by October 1.

Student Records

Eden Prairie Schools has adopted a policy about the rights of parents and students with respect to school records. This policy complies with federal and state laws guaranteeing the right to examine and challenge the contents of student records. The Minnesota Legislature has said that all school records are deemed private. This means that the district cannot release any information without permission except directory information. A summary of census information along with grades and attendance data is stored electronically when students leave the school system.

Student Surveys

Occasionally, the school district utilizes surveys to obtain student opinions and information about students. If you have questions related to the rights of parents/guardians and eligible students about conducting surveys contact your principal.

Policies and Guidelines

Bullying Prohibition

The school district is committed to providing a safe and respectful learning environment for all students. Acts of bullying, in any form, by either an individual student or a group of students, is prohibited on school district property or at school-related functions.

Distribution of Nonschool-Sponsored Materials on School Premises

The school district recognizes that students and employees have the right to express themselves on school property. This protection includes distributing nonschool-sponsored material, subject to school district regulations and procedures, at a reasonable time and place and in a reasonable manner.

Equal Education Opportunity

The school district does not unlawfully discriminate on the basis of race, color, creed, religion, national origin, sex, marital status, parental status, status with regard to public assistance, disability, sexual orientation, or age. The school district also makes reasonable accommodations for disabled students.

The school district also makes reasonable accommodations for disabled employees.

Harassment and Violence Prohibition

It is the policy of the school district to maintain a learning and working environment that is free from harassment and violence on the basis of race, color, creed, religion, national origin, sex, age, marital status, familial status, status with regard to public assistance sexual orientation, or disability. The school district prohibits any form of harassment or violence on the basis of race, color, creed, religion, national origin, sex, age, marital status, familial status, status with regard to public assistance, sexual orientation, or disability.

Hazing Prohibition

Hazing is prohibited. No student will plan, direct, encourage, aid, or engage in hazing. Students who violate this rule will be subject to disciplinary action pursuant to the school district's "Student Discipline" policy.

Internet Acceptable Use Policy

Users are expected to use Internet access through the district system to further educational and personal goals consistent with the mission of the school district and school policies. Uses which might be acceptable on a user's private personal account on another system may not be acceptable on this limited-purpose network. In accordance with the Children's Internet Protection Act, the district filters Internet access. Students are directed to inform staff immediately if they receive any image or communication that is inappropriate.

Nondiscrimination

The school district is committed to inclusive education and providing an equal educational opportunity for all students. The school district does not discriminate on the basis of race, color, creed, religion, national origin, sex, marital status, parental status, status with regard to public assistance, disability, sexual orientation, or age in its programs and activities. If you have questions about this policy, please contact your principal.

- **Disability Nondiscrimination:** The school district shall not engage in contractual or other arrangements that have the effect of subjecting its qualified applicants or employees with disabilities to discrimination on the basis of disability. The school district shall not exclude or otherwise deny equal jobs or job benefits to a qualified individual

because of the known disability of an individual with whom the qualified individual is known to have a relationship or association.

- **Student Sex Nondiscrimination:** The school district provides equal educational opportunity for all students, and does not unlawfully discriminate on the basis of sex. No student will be excluded from participation in, denied the benefits of, or otherwise subjected to discrimination under any educational program or activity operated by the school district on the basis of sex.

Notice of Violent Behavior by Students

The school district will give notice to teachers and other appropriate school district staff before students with a history of violent behavior are placed in their classrooms. Prior to giving this notice, district officials will inform the student's parent or guardian that the notice will be given. The student's parents/guardians have the right to review and challenge their child's records, including the data documenting the history of violent behavior.

Search and Seizure of Student Possessions

School officials may, without a search warrant, search a student and/or their personal possessions based on a reasonable suspicion. Reasonable suspicion means that a school official has grounds to believe that the search will result in evidence of a violation of school district policy, rules, and/or law. Personal possessions include, but are not limited to purses, backpacks, book bags, packages, clothing, cell phones, and vehicles. Pursuant to Minnesota statutes, school lockers and student desks are the property of the school district. At no time does the school district relinquish its exclusive control of lockers and desks provided for the convenience of students. Inspection of the interior of lockers and student desks may be conducted by school authorities for any reason, at any time, without notice, without student consent, and without a search warrant.

Tobacco-Free Schools

School district students and staff have the right to learn and work in an environment that is tobacco-free. School policy is violated by any individual's use of tobacco or tobacco-related devices in a public school, on school grounds, in any school-owned vehicles, or at any school events or activities. Students may not possess any type of tobacco or tobacco-related device in a public school, on school grounds, in any school-owned vehicles, or at any school events or activities. Any student who violates this policy is subject to school district discipline. Contact the school principal or another staff member if you have questions or wish to report violations.

Weapons

The district has adopted a weapons policy. Anyone who has reason to believe a weapon is on a school site, bus, or at a school-sponsored activity has a duty to report that information to the site administrator, police officer, or any adult supervisor. Possession is defined as, but not limited to, having a weapon on one's person or in an area subject to one's control in a school environment. Weapons are defined as any object, device, instrument, or substance designed as a weapon or through its use capable of threatening or producing bodily harm, or which may be used to inflict

self-injury, including, but not limited to: firearms, loaded or unloaded, functional or non-functional, look-alike or facsimile or having the appearance of a weapon; all knives; objects designed to be worn over fists or knuckles; blackjacks, clubs, nunchucks or throwing stars; explosive or incendiary devices; bows and arrows, slingshots, razors; poison chemicals including mace, pepper gas, or similar sprays; firearm muffler, silencer, or ammunition; any object modified to serve as a weapon; articles designed for other purposes such as pencils or scissors but used to inflict bodily harm or intimidate others.

Violation of the weapons policy may result in one or more of these consequences: out-of-school suspension, confiscation of the weapon; notification of the police, recommendation for expulsion or exclusion from school for up to one year. Students with disabilities who violate the policy will be disciplined in accordance with the requirement of the Individuals with Disabilities Education Act and Section 504 of the Rehabilitation Act.

Wellness Policy

Eden Prairie Schools has adopted a Wellness Policy to encourage students and staff to eat nutritiously and incorporate physical activity into a healthy lifestyle. A Wellness Advisory Committee was convened to monitor implementation of Wellness policies and guidelines, and to make recommendations to the district. Guidelines for healthy snacks, treats, and lunches from home were created. School district practices that have changed as a result of the policy include: lunch was moved after recess to discourage hurried eating, no pop is sold where students are present during the school day, classroom birthday treats are discouraged, staff is encouraged to model healthy behaviors, food and beverage rewards are discouraged, healthy snacks from home are encouraged (a snack guideline is available at each site), classroom/holiday parties should be limited and not centered around food, and staff are encouraged to create opportunities for physical activity for students.

Administrative Discretion

This handbook does not cover all situations. The administration reserves the right to sanction students for violating school rules and expectations not specifically covered in this publication. Sanctions may include, but are not limited to a warning, planning room visit, detention, after-school detention, in-school suspension, out-of-school suspension, exclusion, expulsion, community/school service, parent involvement, and loss of privileges. Any and all of the material in this handbook is subject to amendment by the school administration or the Board of Education at any time.

Safety and Security

Drills

State law requires schools to have 11 emergency drills each school year, including fire drills, lockdown drills, and tornado drills. School staff train students on procedures required to observe

each drill. During drills, staff will act immediately to assist students, visitors, and volunteers in evacuation to a safe location.

Emergencies

During emergency procedures or evacuation, students, visitors, and volunteers are required to:

- Follow all emergency directions given by school officials.
- Report to designated area for attendance and further instruction.
- Report any suspicious activity/behavior, concern or information immediately to school officials.

Police Liaison

Eden Prairie Police Liaison Officers are connected with each school. Some have offices on campus, others visit regularly to develop relationships with students and teach safety programs. Officers also assist school staff with some student behavior investigations. Police Liaison Officers and the Facilities Department work cooperatively to review district crisis management plans and site emergency procedures so that there is a coordinated response to emergencies by the school district and emergency responders.

Visitor Check-In

All visitors, volunteers, and parents visiting any Eden Prairie school must enter through the main door and follow the procedures at the Welcome Desk. These procedures include providing a driver's license for a security check and receiving a printed name tag. Please check out before exiting the building. It is the responsibility of all adults in the school to explain the check-in procedures and to direct any visitors to the front office to complete this procedure. In addition, it is not permissible for any adult or child to open other entry doors to allow a visitor to enter a school building. No student "shadowing" is permitted.

Transportation

The Eden Prairie School District is pleased to offer safe, dependable, cost-effective transportation. In accordance with state law, a bus is available to any student living further than two miles from their school and to any special education student regardless of where they live if it is part of their individual education plan. For all students who live within two miles of school, bus transportation is available for a fee.

Activity buses for CMS

An after-school activities bus is provided on a limited basis for students in grades 7-12. Central Middle School (CMS) students are required to show the bus driver a student I.D. and a bus pass from their activity. Four bus routes are provided Monday-Thursday. Route maps are posted at CMS. Students may have a longer ride and be dropped further from home than their normal bus stop.

Bus Assignment

The bus assignment process is as follows:

- May – Families receive Transportation Commitment Letters
- June – Transportation Commitment Forms and payment are due. Families inform the district of how their student(s) will be getting to school the following year so the district can plan appropriately for bus routes and pedestrian and vehicle traffic at each school. Pay-to-Ride payment is due by date on form.
- End of August – Families receive student bus route information (bus number, stop locations, pick-up and drop-off times)

Riding a Different Bus Home

Students may ride a different bus to or from school on a space available basis. Please check with the bus driver of the alternate route before planning on sending your child on a different bus. You must send a signed and dated note with your child saying what bus he/she is to ride and with whom they are to ride. The student must then have the note signed by office staff before giving it to the bus driver of the alternate route.

Rules and Consequences

Transportation by school bus is a privilege, not a right, for an eligible student. A student's eligibility to ride a school bus may be revoked for a violation of school bus safety or conduct policies or for violation of any other law governing student conduct on a school bus.

Rules

1. Follow the driver's instructions.
2. Remain seated until the bus arrives at your stop.
3. Speak in a quiet voice.
4. Keep hands, feet, and objects to yourself.
5. Don't throw objects in the bus or out the window.
6. Don't use profanity (words or gestures).
7. Do not tease or harass others.
8. Do not spit, eat, drink, or chew gum.
9. Do not vandalize the bus.

Grades 7-12 Consequences (listed in order of severity)

1. Warning given, may be assigned discipline seat—may involve school consequences
2. One- to three-day bus suspension
3. Five-day bus suspension, conference with student, parent, school, driver, and Transportation Department
4. Ten-day bus suspension
5. Loss of bus riding privileges for the remainder of the school year. There will be no mid-year forgiveness period for students in grades 7-12.

Severe behavior moves immediately to step 3, 4, or 5 at the administrator's discretion based on the severity of the action and/or previous bus violations. School Student Management Guidelines may also be enforced when appropriate.

Rules at the Bus Stop

1. Stay away from the street, road, or highway when waiting for the bus. Line up at least three feet away from the street in an orderly fashion and wait until the bus stops before boarding.
2. Respect the property of others while waiting at your bus stop. Do not pick flowers or shrubs, throw stones, snowballs, litter, etc.
3. Keep your arms, legs, and belongings to yourself.
4. Do not use offensive or foul language.
5. Avoid standing in and blocking sidewalks and driveways.
6. No pushing, fighting, harassment, intimidation, or horseplay.
7. Do not run to the curb when the bus comes. Stay back until the bus is actually stopped. (A push at the middle or end of the line can send the front person into the bus or under its wheels.)
8. Older students should be helpful to younger ones.

Safety

Eden Prairie Schools has a well-trained staff of drivers and our buses are very well maintained. We have an excellent safety record. Safety is everyone's responsibility. The majority of children injured in student transportation are not hurt on the bus but outside the bus. Students should be aware of the 10-foot area around the stopped school bus referred to as the "Danger Zone." Parents and community members are required by law to stop at least 20 feet from a bus with flashing red lights.

What's allowed on the bus?

Students may bring items such as musical instruments that they can hold in their laps or between their legs during the bus ride. Objects like balls, ice skates, and in-line skates must be stowed in a backpack or bag. Examples of objects not allowed on the bus include:

- Guns (including toy guns or look-alikes)
- Knives or other sharp objects
- Skis, ski poles, hockey or lacrosse sticks, bats, golf clubs, snow sleds (unless they roll up)
- Flammable items
- Glass items
- Laser pens
- Balloons
- Any items of dangerous or objectionable nature

Academic Success

The Eden Prairie School District is committed to the academic success of all students. We know you have entrusted your student's education to us, and we promise to work as hard as possible to educate each child in a caring, safe environment.

i-Learn Expectations

The mission of Eden Prairie Schools is "To inspire each student to learn continuously so they are empowered to reach personal fulfillment and contribute purposefully to our ever changing world". Our world is changing with a new generation who never knew life without the Internet. Technology is a major tool in our personal lives as well as many professions. Our students will be prepared to demonstrate digital responsibility, technological awareness and the ability to use technology to create, research, communicate and produce in the academic and professional setting. *i-Learn@EP* is about creating engaging curriculum, dynamic learning environments and students who are better prepared for the world beyond our school doors; it is not about the device, but rather how to use the device in education.

Eden Prairie Schools Expectations for Student Learning:

- Engaging and relevant learning experiences and development of life skills
- Learning experiences that encourage cooperation, collaboration, and innovation
- Use current technology to create, research, communicate and produce academically sound products

- Demonstrate respect, self-control, ethical behavior and empathy as classmates and members of our communities
- Being responsible citizens in our schools and communities, as well as the digital world

Family Involvement

Learning at Home: Research supports that families are the earliest and the most significant teachers in a child's life. A child's value of education and lifelong learning is also impacted by teachers, caregivers, and outside influences. Families know their child best, and can help foster learning by linking current and past experiences, by asking questions that help the child reflect, and by supporting the child's growing knowledge of self and what works best for him or her. More information about how families can take an active role in their students' education can be found at www.edenpr.org.

Student Support Services

Personalized Learning

Gifted and Talented Services:

KEY is a program for gifted and talented students in second through sixth grade. KEY students engage in activities utilizing problem solving, higher level thinking skills and advanced topics. Parents or teachers may recommend a child for these KEY services. When this occurs, students are assessed using multiple criteria. A district team then reviews and evaluates the data to determine whether this child will benefit

from inclusion in the program. In addition to specialized services, enrichment occurs within the classroom through teacher differentiation of curriculum and instruction. The KEY program is separate from the Mosaic program. The district also has an acceleration policy for core subjects in those rare instances where subject or grade acceleration best meets the student's educational needs.

MOSAIC - Full Day Program for Highly Gifted Learners

Elementary Eden Prairie Schools has implemented MOSAIC, a full-day classroom program for highly gifted students, with 4 classrooms at Eden Lake Elementary and 4 classrooms at Prairie View Elementary. This program will provide challenging curriculum at an accelerated pace while meeting the unique academic and social/emotional needs of highly gifted learners in a supportive educational environment. Currently these classrooms are serving qualifying students in grades 3 through 6 from across the district. There is an application process and criteria for entrance to the Mosaic program.

Communications

Alerts

The district has the ability to call and email all district families. In order to help ensure that you receive these important messages, please go to www.edenpr.org and make sure that we have the correct email address and phone numbers for us to use. You can update your email address and cell phone number yourself by logging into the parent portal and click on "Family Members". Make the necessary changes and click "Update" in each cell that you change. If you have moved or changed your primary home phone number, please contact your students' schools to have that information updated in the system. Contact us with questions at (952) 975-7094 or helpline@edenpr.org.

Families can also receive time-sensitive notifications, such as school closures and weather-related information via the [district mobile app](#). The app is free and available for Apple, Android or Windows devices.

Backpack

Elementary school students frequently bring home information from the classroom and the office for parents/guardians to review. Please watch for this information in your child's backpack.

Changes in Student Information

If you have any address, home or work phone number changes during the school year, it is very important that families notify your child's teacher and the office. The office needs current telephone numbers in case you need to be reached during the day. Also, these changes will be used to keep school district census information up-to-date. Families will then be assured of receiving all school-related mailings.

You can update your email address and cell phone number yourself by logging into the parent portal and click on "Family Members". Make the necessary changes and click "Update" in each cell that you change.

If you have moved or changed your primary home phone number, please contact your students' schools to have that information updated in the system.

Conferences

Eden Prairie Schools recognizes the importance of families and teachers working together. Families and teachers communicate and build relationships at conferences. There are two reporting conferences during the school year. Please come prepared with any questions you have concerning your child's education and social adjustment. This is also an opportunity to meet with art, music, physical education, world language, specialists, or special services teachers.

Contacting Your Child

If you need to contact your child during the school day, call your school's office. Students are not permitted to use cell phones during the day. It is important that you contact your child's school before 2 p.m. if there are changes to your child's normal after school routine that affects their mode of transportation. Please do not email teachers with end of the day messages as they may not be received on time.

Email

Email is one of the most cost-effective, timely, efficient ways for your teacher, principal, and the district administration to communicate with families. You can update your email address and cell phone number yourself by logging into the parent portal and click on "Family Members." Make the necessary changes and click "Update" in each cell that you change. If you have moved or changed your primary home phone number, please contact your students' schools to have that information updated in the system.

End of Semester Report Cards

End of semester report cards will be available online by logging onto the district website, www.edenpr.org, with your username and password. If you need assistance with your username or password, contact the website helpline at helpline@edenpr.org or (952) 975-7094. The timeline for grading and reporting will be posted on the district's website; school officials will inform families when report cards are ready to view.

Parent Problem Solving How To's

Throughout the school year, situations regarding the program at your elementary school may arise which cause concern for parents, teachers, students, or community members. The process described below is structured to promote resolving situations quickly to the satisfaction of all parties involved. This process also encourages those people closest to the situation to examine and develop solutions to concerns. A positive resolution of these situations enhances communication, builds trust between members of the school community, and benefits the educational program for the students. These are the steps designed to resolve problem situations quickly and satisfactorily. Please use these steps if you have a concern:

- **Step 1 – Contact the appropriate staff member:** The first step in resolving a concern is to discuss it with the staff member(s) involved, i.e. the teacher, associate principal, principal, etc. More than 95 percent of all concerns are resolved at this level.
- **Step 2 – Contact the principal:** If Step 1 does not resolve the concern, discuss it with the principal. He/she is the instructional leader in charge of the school and the person responsible for handling concerns regarding the school's operation. The principal can share school information and explain policies, guidelines and procedures. He/she is open and willing to listen to your concerns.
- **Step 3 – Contact the appropriate district administrator:** If the previous steps have been unsuccessful, contact the appropriate district administrator or the superintendent. We sincerely hope that we can work together to solve problems as they arise. Please know we believe clear, open, honest, and two-way communication is the key to preventing problems, miscommunication, misinterpretations, or other concerns.

Publications

Families with students attending Eden Prairie Schools receive print and electronic publications from the district. To ensure you're receiving electronic communication from the district and your school, log onto the district website, www.edenpr.org. You can update your email address and cell phone number yourself by logging into the parent portal and click on "Family Members". Make the necessary changes and click "Update" in each cell that you change. If you have moved or changed your primary home phone number, please contact your students' schools to have that information updated in the system. Each school uses electronic communication. Communication includes news on upcoming events, changes in school policy, and reminders. Classroom teachers also keep parents informed with electronic communication through websites, Schoology, and e-mails. This information is also posted on your school website and can be obtained through requested hard copy.

Registering your child

If your child attended an Eden Prairie School last year, they will automatically be registered for the current school year and you will receive information from your child's teacher prior to the beginning of the school year. Preschool children who are listed on census information will automatically be sent kindergarten registration information. Census information forms are sent out each year via the district office. If you are new in the area, please contact our District Central Registration Office for registration materials. You may either pick up the forms at the Administrative Services Center or call 952-975-7008 and have them mailed to you.

Weather-Related Closing

District families will be notified of any emergency school closures through the emergency phone system and district emails. If you don't see or hear any announcement, assume that school will be in session.

Additional Resources:

Website: www.edenpr.org Radio: WCCO radio (830 AM)

Phone: (952) 975-7000 TV Channels: 4, 5, 9, and 11

Emergency School Closing Forms will be completed by all families at the beginning of the school year, so that if school dismisses early students will have a backup plan in place. Students may not remain at school since staff will also face hazardous travel home. If school dismisses early, the building will be closed for after-school and evening activities (such as sports, scouts, PTO meetings, and community education classes). If your child goes to an after-school program at a location other than school, please check with them regarding their closing policy. Again, have a backup plan in place.

Website

Our district website, www.edenpr.org allows you to stay in closer contact with Eden Prairie Schools – click the “Schools” menu to find the website for your school. Information available online includes general information, teacher web pages, supply lists, calendar, lunch menus, newsletters, parent involvement, etc.

Student Behavior

Expectations of Adults and Students

Philosophy of Behavioral Expectations for Adults and Students

Adults will:

1. Create a balanced approach for all learning
2. Create a climate for learning that includes:
 - Opportunities for students to explore and construct their learning through choice, practice, trial, error and reworking
 - Knowing the students culturally, and individually, by being fully cognizant of their strengths and interests
 - Co-creating classroom rituals that maximize learning bell-to-bell
 - Creating a climate that respects difference and allows for multiple perspectives without hurting others
 - Fostering opportunities for students to determine responsibility in meeting academic, social, and emotional expectations in monitoring their self-control

Students will:

1. Participate fully in the learning experience, including curricular, co-curricular and extracurricular activities, from the moment he/she is on the bus until s/he is returned home, at all district activities and events.
2. Participate actively in the learning experience by being fully engaged, fully prepared, raising engaging questions, and effectively and positively communicating with all students and staff.
3. Participate actively in the learning experience by sharing information about themselves—strengths, weakness, and culture to create common bonds in curricular, co-curricular and extracurricular activities.

4. Participate actively in the learning experience by respecting differences while asserting perhaps a divergent viewpoint, doing so without harm to the other students, staff, team, other leader, and property.
5. Demonstrate empathy (knowing others) to build fruitful relationships that create a cohesive learning opportunity for all and through self-control behave in an ethical manner from the moment he/she is on the bus until s/he is returned home.
 - **If a student is unable to demonstrate how to be Safe, Responsible, and Kind and disrupts the learning for other students, adults may:**
 - Re-direct and re-instruct, work with and ensure that student fully understands the expectations
 - Work in partnership with family, students, staff and other significant adults to determine additional strategies and/or consequences
 - Create an accountability system with the student and parent/guardian with clear consequences or processes for resolution for additional violations
 - Refer to Peer Mediation or Conflict Resolution or other proven processes
 - Determine if there are extenuating physical, emotional or mental challenges
 - Submit referral as required
 - Move to remove from class, suspension, or expulsion

Severe Behavior

The Eden Prairie Schools' student management program is based on the foundation that students have a right to be educated in a manner which is not disrupted by the behavior of other students. Teachers or adults in authority have the responsibility to require appropriate behaviors of all students so they can deliver instruction effectively. Behaviors which are considered "severe" will be met with a stricter set of consequences, depending on the severity of the behavior, the frequency of the occurrence, and the student's age. Severe behavior incidents are as follows:

- Repeated refusal to cooperate
- Fighting/assault/or causing physical harm to another
- Use/possession of controlled substances including tobacco
- Written or verbal threats
- Property damage
- Stealing
- Possession of a weapon or toy replica weapons
- Harassment of another individual, including hazing, sexual or racial harassment, or verbal abuse
- Attempting to access inappropriate websites when working on the computer
- Other behaviors that cause excessive disturbance to the school day

These behaviors are subject to one or more of the following consequences:

- Parent phone call and conference
- Restitution
- In-school or out-of-school suspension
- Referral to outside agencies

- Referral to Eden Prairie Police Department
- Recommendation for expulsion

The Pupil Fair Dismissal Act (Statutes 121A.40-121A.56) will be followed with reference to any out-of-school suspension.

Safe and Supportive Schools

Eden Prairie Schools believes each student, regardless of age, race, gender, ability level, religious beliefs, national origin, sexual orientation (actual or perceived), or physical attributes, deserves the right to be educated in an environment that does not interfere with their educational opportunities or ability to participate in school functions or activities or receive school benefits, services, or privileges. To that end, acts of bullying towards another student or groups of students will not be tolerated and will be dealt with in a swift and serious manner.

According to the Minnesota Safe and Supportive Schools Act bullying means any intimidating, threatening, abusive, or harming conduct that is objectively offensive in nature. Furthermore, there is an actual or perceived imbalance of power between the student engaging in prohibited conduct and the target of the behavior and the conduct is **repeated or forms a pattern**. The act of cyber-bullying which refers to bullying others by using technology or other electronic devices, or retaliation for asserting, alleging, reporting, or providing information about bullying or knowingly making a false report about bullying in any form are prohibited as well. **Bullying does not refer to a one-time argument or disagreement between students.**

Our intent is to create and maintain a safe and welcoming environment by taking a proactive rather than reactive approach. To prevent or stop bullying or cyber-bullying behaviors we will provide ongoing training around anti-bullying techniques and strategies for all staff and students.

If bullying occurs on any district property (i.e. school building, school grounds, bus stop, walking route to and from school, school bus, school related vehicles) or at any school-related function, school-sponsored activity, event, or trip, the incident should be reported to the building's designated primary contact person (principal, associate principal, or social worker) who will begin an investigation as soon as possible. If bullying/cyber-bullying takes place off of school property and impacts the educational process, it should be reported to the school. In the event an act of cyber-bullying has occurred the same protocol will be followed.

If the result of the investigation concludes bullying or cyber-bullying took place the offender(s) could receive consequences ranging from written conduct reports to loss of privileges during the school day to in or out of school suspensions depending on the severity of the incidents.

Student Life

Attendance

We believe **each** student should be in school every day. Regular school attendance is directly related to success in academic work, benefits students socially, provides opportunities for important communications between teachers and students, and establishes regular habits of dependability important to the future of the student. Class attendance is a joint responsibility to be shared by the student, parent or guardian, teacher, and administrators. Eden Prairie Schools is a participant in the Hennepin County Attorney's Office be@school program. This program seeks to improve school attendance and increase the opportunity for Hennepin County's children to realize their potential. In collaboration with the County efforts, Eden Prairie aims to have each student attend school every day. In accordance with the Minnesota Compulsory Instruction Law, Minn. Stat. 120A.22, the students of the school district are **REQUIRED** to attend all assigned classes and/or study halls every day school is in session, unless the student has been excused by the school board from attendance because the student has already completed state and school district standards required to graduate from high school, has withdrawn, or has a valid excuse for absence.

Late Arrival/ Early Departure

Eden Prairie students arriving late or leaving early must have parents call the attendance line. The message should include the parent/guardian's name, student name, and reason for absence. Excused reasons for being late or leaving early will follow the same listing as excused absences. Students who are late due to oversleeping or missing the bus are considered unexcused and may be counted as tardy or in some cases, as an unexcused absence.

Excused Absences

The following reasons shall be sufficient to constitute excused absences:

1. Illness
2. Serious illness in the student's immediate family
3. A death or funeral in the student's immediate family or of a close friend or relative
4. Medical, dental, or orthodontic treatment, or counseling appointment
5. Court appearances occasioned by family or personal action
6. Religious instruction not to exceed three hours in any week
7. Physical emergency conditions such as fire, flood, storm, etc.
8. Official school field trip or other school-sponsored outing
9. Removal of a student pursuant to a suspension.
10. Religious observance
11. Family vacation (limited to 5 days per year) handled as excused absences and students will be permitted to complete make-up work
12. Family emergencies
13. A student's condition that requires ongoing treatment for a mental health diagnosis

In order for an absence to be excused, a parent needs to call the school attendance line prior to, or the day of the absence. The parent needs to state when the child will be absent and explain the reason for the absence. Students whose absences are excused are required to make up assignments missed or to complete alternative assignments as deemed appropriate by the classroom teacher. Students who accumulate excessive absences, even when excused, will work with the school staff and parents to develop a plan to assure attendance at school daily.

Tardiness

Students are expected to be in their assigned area at the start of school or the start of a class. Failure to do so constitutes tardiness.

Procedures for Reporting Tardiness

Students tardy at the start of school must report to the school office to be signed in. Tardiness between class periods will be handled by the teacher.

Excused Tardiness

Valid excuses for tardiness are:

1. Illness
2. Serious illness in the student's immediate family.
3. A death or funeral in the student's immediate family.
4. Medical, dental, orthodontic, or mental health treatment.
5. Court appearances occasioned by family or personal action.
6. Physical emergency conditions such as fire, flood, storm, etc.
7. Any tardiness for which the student has been excused in writing by an administrator or faculty member.

Unexcused Tardiness:

An unexcused tardiness is failing to be in an assigned area at the designated time class period commences without a valid excuse.

Unexcused Absences or Truancy

These are examples of absences that will not be excused:

1. Truancy which is an absence that is not approved by the parent and/or the school district
2. Any absence where the student/ family failed to comply with any reporting requirements of the school district's attendance procedures
3. Work at home
4. Work at a business, except under a school-sponsored work release program.
5. Vacations with family without prior notice and exceeding 5 days
6. Any other absence not included under the attendance procedures set out in this policy

Consequences of Unexcused Absences

- School district staff will work with the parent, student and the Hennepin County Attorney's office be@school program and follow the three-day notification and six-day Parent Group Meeting process.
- If unexcused absences continue after following be@school process, the Hennepin County Attorney's office will follow with necessary legal action to ensure attendance at school.
- Absences resulting from official suspension will be handled in accordance with the Pupil Fair Dismissal Act, Minn. Stat. 121A.40-121A.56.
- Days during which a student is suspended from school shall not be counted in a student's total cumulated unexcused absences.
- Along with following the Hennepin County Attorney's be@school programs, the student or his or her parent or guardian may, within a reasonable time, request a conference with school officials regarding the student's absences and the prescribed discipline. The notification will state that the school strongly urges the student's parent or guardian to request such a conference.

Before and After School Activities

All our elementary schools offer unique activity opportunities for students. Examples include Student Council, Run Club, and Destination Imagination. Ask for information about activities for your student from your school's office.

EPIC Offered through Community Education

The EPIC program will ignite interest and challenge students in a fun, safe, and supportive atmosphere. Enrichment and recreational classes are open to all Eden Prairie students in grades k-6, and are conveniently held right at school (class days and fees vary). Flyers will be sent home from school with your child. Questions may be directed to Eden Prairie Schools' Community Education at 952-975-6940.

Dress Code

Appropriate dress is a necessary component in providing an optimal learning environment. Students may not wear clothing that presents inappropriate language (as determined by each classroom teacher or administrator), drug or alcohol advertising, or ethnic, racial, or sexist put-downs. Your clothing must not become a distraction to the educational environment. Clothing that does not cover the shoulders, midriff and chest, clothing that does not cover undergarments, and undergarments that are worn as outer garments, are all examples of dress that creates a distracting environment. Students who wear such clothing will be required to change clothes. (The school will provide appropriate clothing.) Types and amounts of clothing worn should be appropriate for weather forecasts. Hats and caps must be removed inside the building. Students need to wear boots when there is snow or ice. Sweaters, jackets, snow pants, boots, hats, and mittens should be labeled with the student's name. Gym shoes are required for safety when participating in physical education activities.

Field Trips

Field trips are designated for each grade level. Permission slips and information will be sent home prior to the trip. The permission slip and payment (if any) should be returned to your child's classroom teacher as soon as possible. No student will be permitted to go on a field trip without a signed permission slip. No child will be denied the opportunity to go on a field trip because of its cost. If your child needs financial assistance in order to participate in a field trip or other school activity, please contact your school principal.

Homework/Study Time

Homework/study time policies vary from grade to grade, among the teachers, and from subject to subject. Literacy is the foundation of all student achievement; it is our expectation that all students spend at least 15 minutes each day reading. Occasionally, parents misunderstand the difference between homework and "unfinished work" or "make-up work". Unfinished work and make-up work are not considered to be homework/study time by the school. Rather they are an individual responsibility that the student is expected to complete on his/her own time.

Lockers

Students are advised not to store valuables in their assigned lockers as the school district cannot reimburse families if personal property is stolen. Items left in lockers at the end of the school year will be donated to charity. School lockers and student desks are the property of the school district and may be searched by school authorities **with reasonable cause**. More information can be found under the Search Policy heading in back of this handbook.

Lost and Found

Please label all items of clothing. Students always have access to the lost and found area at their school. Parents are encouraged to look through the lost and found items on conference days and times they visit the school. If you do not find a lost item, please ask in the office. Unclaimed items will be donated to PROP at various times throughout the year.

Lunch and Breakfast

Students can either bring a lunch from home or purchase a lunch at school with milk included. School lunch choices include the daily menu in the mainline, soup and sandwich, or soup and salad. A student bringing a lunch from home can purchase milk. Reduced-price and free breakfasts and lunches are available for those who qualify. For more information about this program, please call 952-975-8055. Lunch menus and answers to frequently asked questions are available online.

Lunch PINS

Each student is assigned an account with a personal identification number (PIN) at the beginning of the school year. Lunches will be paid for by a student entering the PIN number on a keypad at the end of the serving line and saying their first and last name to the cashier. Families must pay for meals in advance by sending a check to school payable to Eden Prairie Schools. Please print your child's name and PIN number on the check. You will be notified when the account balance runs low. Money remaining in a student's account at the end of the year will be transferred to the next year's account, even if they are moving on to a different Eden Prairie School. Parents can also go to the Food Service webpage on the district website, www.edenpr.org to make online payments with FeePay and review history and meal

account balance. This is a secure, fast, and friendly online way for parents and guardians to manage their children's school food service account.

Parental/Sibling Visits During Lunch

Parents are welcome and encouraged to join their children during their assigned lunch period ~~and~~ do not need to notify the school in advance. **Parents** are encouraged to use **their** child's PIN number.

Parties and Treats

--Birthday Invitations: Birthday party invitations for personal parties should not be distributed at school. By adhering to this policy, we alleviate hurt feelings and friendship dilemmas. Please handle the distribution of invitations outside of the school environment. The school directory may be helpful in this process.

--Birthday Treats: **In light of our district Wellness Policy, students should not bring birthday treats or gifts of any kind.** Our classroom teachers may acknowledge and celebrate the birthdays of their homeroom student ~~in~~ unique and individual ways.

Recess/Playground

Students will have approximately 20 minutes for recess and will go outside for recess —Should there be a request for a child to stay indoors, a doctor's request / permission must be provided and should state how long the restriction is to remain in effect. It is important that children be prepared to go outside with appropriate outdoor clothing: boots, mittens, gloves, jackets, snow pants, and hats. Note: If students are in need of winter clothing, please contact the social worker. The Eden Prairie service organization, People Reaching Other People (PROP), provides us with warm clothing for children in need. All playgrounds are adult supervised and have the necessary equipment needed for recess activities. Students should not bring their personal equipment (balls, bats, footballs, frisbees, etc.) from home.

Playground Behavior

Specific behaviors are necessary to provide a safe environment on the playground. These guidelines are shared with all students, posted in classrooms, and will be reinforced by the playground supervisors. ~~If~~ students choose inappropriate behavior on the playground, specific consequences **may** occur;

School-Aged ~~Before and After School~~

All elementary schools have before- and after-school childcare programs which run from 6:15 a.m. to the start of school and after-school to 6 p.m. On non-school days, a full day of programming is available. For more information, log onto www.edenpr.org.

Weather

The decision on whether or not to keep the students indoors is made each day prior to lunch. The following weather conditions necessitate the students to remain inside for recess with alternative

recreation provided: it is raining, the temperature drops below -10 degrees, or the wind-chill is -10 degrees. Other weather circumstances could also lead to students remaining inside for recess.

Student Telephone Use

General student use of the school telephone is limited; students may use the telephone at school only when absolutely necessary. Arrangements for transportation, visiting or going home with another child, or other social reasons should be arranged before the child leaves home in the morning. Parents needing to leave a message for their child should contact the school office prior to 2 p.m. **Parents should not contact their children via text, personal calls, etc. during the school day.**

Technology and Digital Learning (?)

Electronic Devices

All students are provided iPads as learning tools for all grade levels, K - 6. Your child's teacher will communicate with you regarding specific classroom procedures and expectations. Filtered and monitored internet access is provided when the student connects to our wireless network. If students bring a mobile device to school, the school is not responsible for loss, damage, or theft.

Students using **personal** electronic equipment during the day without teacher permission may lose possession of the item, and parents may be asked to pick the item up in the school office. **Personal** electronic devices such as laser pointers, electronic games and devices are not allowed at school.

Responsible Digital Citizenship:

Being a responsible citizen in our schools, communities and the digital world requires responsibilities adapted for a changing world. We embrace the following conditions of being a digital citizen:

- Respect yourself. I will select names that are appropriate. I will consider the information and images I post online.
- Protect yourself. I will protect my personal details, contact details or a schedule of my activities.
- Respect others. I will NOT use technology to bully or tease other people.
- Protect others. I will protect myself and others by reporting abuse, and not forwarding inappropriate or hurtful materials or communications.
- Respect & protect intellectual property. I will suitably use and cite and all content use intellectual property (websites, books, media, software, etc.) according to the copyright or creative commons licensing.

Access to Eden Prairie Schools' owned technology is a privilege and not a right. At any point access to devices, internet and the like can be revoked.

Student Digital Responsibility: As listed below, but not limited to:

Personal Safety

Do not send any message that includes your personal information such as: home address, personal phone numbers and/or last name for yourself or any other person. Do not send information regarding your schedule (where you are/will be, timing, dates, etc.).

Password Protection

Never share your password, steal or use another person's password. If a password is lost or compromised the student or teacher should call the technology helpdesk. A technology support specialist will help resolve the password issue.

Privacy

Students and families need to know that files stored on school computers are not private. Network and Internet access is provided as a tool for educational purposes only. Eden Prairie Schools (EPS) has the right to monitor, inspect, copy, review, and store at any time, without prior notice, any and all usage of the computer network and Internet access including transmitted and received information. All information files are the property of EPS and no user shall have any expectations of privacy regarding such files.

Volunteering

District Volunteers

A variety of district-level committees and advisory councils, such as the Curriculum Advisory Council, Finance Advisory Committee, Special Education Advisory Council, and Community Education Advisory Council, are important ways parents can help shape district policies, procedures, and programs. For more information, log onto www.edenpr.org or call (952) 975-7150.

Parent-Teacher Organizations

The Parent-Teacher Organization (PTO) at each elementary school is comprised of parents working to enhance your child's school experience. The group sponsors family-oriented social and/or academic activities during the year and also organizes a wide variety of parent volunteer programs. The PTO plans events that serve as fundraisers with money used for programs and curriculum supplements that directly benefit students.

School Volunteers

Opportunities: Elementary schools offer a wide variety of volunteer opportunities that can vary by school and school year depending on need. Some of the possibilities include volunteering in the classroom, computer room, art classes, on the playground, or at lunch. Parents can also help with "Box

Tops for Education,” vision and hearing screening, events, field trips and the PTO. If you are unable to make it to school, there are some opportunities to work on projects from home.

Procedures: Volunteer forms will be available at your school at the beginning of the school year. Please fill one out and return it at any time. Volunteers are required to follow the school security sign-in procedures. Staff are instructed to ask if they can help any visitor without a volunteer badge. This procedure has been developed in response to safety concerns. As you work with staff and students, information of a confidential nature may be shared with you. The problems, abilities, relationships, and confidences of students, their parents and staff should never be discussed with anyone who does not have a professional right or need to know. Like teachers, volunteers are bound by a code of ethics to keep confidential matters within the school.

Notices

Asbestos/Pesticide/Air Quality Notices

The Environmental Protection Agency requires school districts to annually notify parents, guardians, and staff about the presence of asbestos in district facilities as well as planned abatement activities. Eden Prairie Schools performs routine six month periodic inspections of all asbestos-containing building material to ensure materials are in good condition. Records of these inspections are available for viewing in each building maintenance office and the Facilities and Safety Department at the Administrative Services Center. Anyone is welcome to review these plans with prior notice during normal working hours Monday through Friday. No planned asbestos abatement is scheduled for the 2012-2013 school year. If you have any questions or concerns, please contact the district’s Asbestos Designated Person, Jim Anderson, at 952-975-7126. More information on Asbestos can be found at: www.epa.gov/asbestos/pubs/asbestos_in_schools.html

The Parents’ Right-To-Know Act that was passed by the Minnesota Legislature requires schools to notify parents, guardians, and staff regarding pesticide application in schools. The district uses Orkin Pest Control to conduct planned pesticide applications during the school year. Applications will be done as needed, but will always be on the fourth Thursday of each month while school is not in session. However, the schedule may change due to inclement weather. Parents, guardians, and staff may request to be notified of any changes in the application schedule by contacting any of the school offices. If you have any questions or concerns, please contact the Facilities and Safety Department at 952-975-7121. More information on Pest Management can be found at: www.mda.state.mn.us/en/plants/pestmanagement/ipm/ipmschools.aspx

Eden Prairie Schools has developed an Indoor Air Quality (IAQ) Management Program as required by the Minnesota Department of Education. The program includes information for concerned parents, guardians, and staff regarding the IAQ in our schools as well as an overall building walkthrough inspection that is conducted in all school district buildings annually. The program also includes a written set of procedures that describe ways to correct the identified IAQ problems, prevent future problems,

and respond to emergencies and concerns. The district's Indoor Air Quality Coordinator is Jim Anderson, Facilities and Safety Director. He can be reached at 952-975-7126. More information on Indoor Air Quality can be found at: www.health.state.mn.us/divs/eh/indoorair/schools/index.html

Background Checks, Employment

The school district will seek criminal history background checks for all applicants who receive an offer of employment with the school district. The school district also will seek criminal history background checks for all individuals, except enrolled student volunteers, who are offered the opportunity to provide athletic coaching services or other extracurricular academic coaching services to the school district, regardless of whether compensation is paid. These positions include, but are not limited to, all athletic coaches, extracurricular academic coaches, assistants, and advisors. The school district may elect to seek criminal history background checks for other volunteers, independent contractors, and student employees.

Curriculum Content Review

As part of its policy, the district has specified a procedure for a parent, guardian, or adult student 18 years or older to review the content of instructional materials, address concerns, and propose alternative instruction for an individual student. The procedure spells out three action steps beginning with an informal meeting of the adult and responsible staff members. If the concern is not resolved, it will be taken to the building principal. If resolution cannot be reached, the parent/guardian/adult student will be asked to complete a form and a meeting involving representatives of the district and site Teaching and Learning staff will be convened.

Fees

Materials that are part of the basic educational program are provided with state, federal, and local funds at no charge to a student. Students are expected to provide their own pencils, paper, erasers, and notebooks. Students may be required to pay certain other fees or deposits, including (not an all-inclusive list):

- Cost for materials for a class project that exceeds minimum requirements and is kept by the student.

Parent Right to Know

If a parent requests it, the school district will provide information regarding the professional qualifications of his/her child's classroom teachers, including, at a minimum, the following:

1. Whether the teacher has met state qualifications and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
2. Whether the teacher is teaching under emergency or other provisional licensing status through which state qualification or licensing criteria have been waived;

The school district also will provide notice to parents if, for four or more consecutive weeks, their child has been assigned to or taught by a teacher who is not highly qualified.

Pledge of Allegiance

Students will recite the Pledge of Allegiance to the flag of the United States of America weekly. Any person who does not wish to participate in reciting the Pledge of Allegiance for any personal reason may elect not to do so. Students must respect another person's right to make that choice. Students will also receive instruction in the proper etiquette toward, correct display of, and respect for the flag.

Release of Directory Information

The Family Education Rights and Privacy Act requires school districts to notify parents/guardians and students that certain information from student records may be released and made public without the written consent of the parents or students 18-years-of-age or older. This information is called "directory information." Directory information includes name, residential mailing address, telephone number, date and place of birth, grade in school, major field of study, participation in officially organized activities and sports, weight and height of athletic team members, dates of attendance, degrees and awards received, previous school attended, and photos. These publications could include district-initiated publications such as calendars, newsletters, annual reports, and brochures. They also include school-initiated publications such as student newspapers and yearbooks. In addition, media, including weekly community newspapers, metro daily papers, and television stations may ask to take photos of district students. **Parent/guardians or students of majority age who do not want directory information released for internal and/or external use should indicate this on the annual "Directory Release Form" located on the parent portal by October 1. If you need a hard copy of the form, please contact your child's school. Hard copies of the form should be turned into the school office by October 1.**

Student Records

Eden Prairie Schools has adopted a policy about the rights of parents and students with respect to school records. This policy complies with federal and state laws guaranteeing the right to examine and challenge the contents of student records. The Minnesota Legislature has said that all school records are deemed private. This means that the district cannot release any information without permission except directory information. A summary of census information along with grades and attendance data is stored electronically when students leave the school system.

Student Surveys

Occasionally, the school district utilizes surveys to obtain student opinions and information about students. If you have questions related to the rights of parents/guardians and eligible students about conducting surveys, contact your principal.

Health

The Health Services staff work in partnership with educational staff to provide students with high quality and consistent health care and health management. Find Health Services forms online at www.edenpr.org.

Allergies (Animals, Fragrances, Latex)

Animals and pets are not allowed to visit inside schools without principal permission and specific policy requirements. This policy is in place because of student and staff health needs and air quality issues. Some exceptions may be made; please check with the principal before bringing any animals into the classroom.

Eden Prairie Schools encourages a fragrance aware and latex limited environment. “Fragrance Aware” means that we will try to have a fragrance and scent-free environment. “Latex Limited” means that no latex gloves or latex balloons are allowed.

Communicable Disease

Your school’s Health Services office should be notified when a student has a communicable condition (i.e. chicken pox, strep throat, head lice) so appropriate measures may be taken. Notices may be sent home with other students when these conditions occur in a classroom. For a list of common childhood diseases, symptoms, communicability, and source of infection, log on to the district website, www.edenpr.org.

Health Conditions

The school nurse will work closely with students who have an acute or chronic health need such as asthma, cancer, diabetes, allergies, or other illness. Parents will want to notify Health Services about their student’s specific health needs. The student and parents will work with the school nurse to determine how best to manage the health conditions and plan for any potential life threatening emergencies.

Homebound or Hospital Instruction

Homebound or hospital instruction is provided for children who are absent from school due to prolonged illness or disability. If your child is going to be absent longer than 15 school days, please contact the school.

Illness/Injury

When should my child be kept at home, and when can he/she attend school?

- Fever of 100 degrees Fahrenheit or more – child should stay home until 24 hours after the temperature returns to normal
- Vomiting or diarrhea – child should stay home until 24 hours after the last episode
- Rash that may be disease-related or the cause is unknown – check with your health care provider before sending the child to school

If the child is ill at home, call the school attendance line daily to report the reason for absence. It is helpful if specific symptoms and/or diagnosis are reported. When a student becomes ill or is injured at school, first aid and illness management will be provided by the health paraprofessional and 911 will be called if it is needed. The parent/guardian will be contacted using the health and emergency information form. It is important that the names and phone numbers listed on the form are current and updated. Please list people who can pick the student up from school if you are not available.

Immunizations Up-to-Date

Eden Prairie Schools is part of the “No Shots, No School” program. All students must have proof of vaccine to start school. Students who have special medical problems and cannot be vaccinated, or whose parents conscientiously object, may receive legal exemption. Contact Health Services for assistance with accessing immunizations or to get information on exemptions.

Insurance

Eden Prairie Schools does not carry accident, disability, or medical insurance for students. Coverage is through the student’s family medical coverage, including the cost of ambulance services. The district does carry public/general liability coverage for district premises and/or employee negligence. MinnesotaCare health insurance is available for those families who qualify based on monthly income and family size. Questions about this plan can be directed to the school nurse or social worker.

Medications

Students are not usually permitted to administer their own medication at school. Parents requesting that prescription or non-prescription medication be administered during school hours are required to provide:

- A physician’s order/signature for medication during the school day
- Parent’s signature on a Medication Authorization Form or a note
- Medicine in original prescription bottle labeled with student’s name, etc. Please ask the pharmacy to put prescription medication in two bottles completely labeled – one for home and one for school.

All non-prescription medications must be provided in their original labeled container. No medications can be dispensed when provided in envelopes, plastic bags, etc. Medication Authorization Forms are available in the nurse's office.

Restricted Activities

Written **doctor's** excuses are required for students who need to be kept in from recess at elementary school or who need to miss physical education. The note must state how long the restriction will be in effect.

Screening (Vision and Hearing)

Students will be screened according to the Minnesota Department of Health recommendations. Parents or teachers can also request vision or hearing screening any time if they have a concern about their child. If a student does not pass the vision or hearing screening procedure, the screening will be repeated. If the student does not pass the screening the second time, a physician referral notice will be sent to the parent. Parents are strongly encouraged to return the referral form to the school's Health Services office.

State law requires schools to have 11 emergency drills each school year, including fire drills, lockdown drills, and tornado drills. School staff train students on procedures required to observe each drill. During drills, staff will act immediately to assist students, visitors, and volunteers in evacuation to a safe location.

Emergencies

During emergency procedures or evacuation, students, visitors, and volunteers are required to:

Eden Prairie Police Liaison Officers are connected with each school. Some have offices on campus, others visit regularly to develop relationships with students and teach safety programs. Officers also assist school staff with some student behavior investigations. Police Liaison Officers and the Facilities Department work cooperatively to review district crisis management plans and site emergency procedures so that there is a coordinated response to emergencies by the school district and emergency responders.

Visitors

We welcome and encourage volunteers and visitors to our schools. Parents are considered visitors during the school day. As a safety measure, everyone must enter and exit through the main doors during school hours. All other doors will remain locked throughout the school day.

The student must then have the note signed by office staff before giving it to the bus driver of the alternate route.

7. Do not run to the curb when the bus comes. Stay back until the bus is actually stopped. (A push at the middle or end of the line can send the front person into the bus or under its wheels.)
8. Older students should be helpful to younger ones.

Safety

Eden Prairie Schools has a well-trained staff of drivers and our buses are well maintained. We have an excellent safety record. Safety is everyone's responsibility. The majority of children injured in student transportation are not hurt on the bus but outside the bus. Students should be aware of the 10-foot

area around the stopped school bus referred to as the “Danger Zone.” Parents and community members are required by law to stop at least 20 feet from a bus with flashing red lights.

What’s allowed on the bus?

Students may bring items such as musical instruments that they can hold in their laps or between their legs during the bus ride. Objects like balls, ice skates, and in-line skates must be stowed in a backpack or bag. Examples of objects not allowed on the bus include: guns (including toy guns or look-alikes); knives or other sharp objects; skis, ski poles, hockey or lacrosse sticks, bats, golf clubs, snow sleds (unless they roll up); flammable items; glass items; laser pens; balloons; and any items of dangerous or objectionable nature

Parent/Guardian Guide and Refusal for Student Participation in Statewide Testing

This information will help parents/guardians make informed decisions that benefit their children, schools, and communities.

Why statewide testing?

Minnesota values its educational system and the professionalism of its educators. Minnesota educators created the academic standards which are rigorous and prepare our students for career and college.

The statewide assessments are how we as a state measure that curriculum and daily instruction in our schools are being aligned to the academics standards, ensuring all students are being provided an equitable education. Statewide assessment results are just one tool to monitor that we are providing our children with the education that will ensure a strong workforce and knowledgeable citizens.

Why does participation matter?

A statewide assessment is just one measure of your student's achievement, but your student's participation is important to understand how effectively the education at your student's school is aligned to the academic standards.

- In Minnesota's implementation of the federal Every Student Succeeds Act, a student not participating in the statewide assessments will not receive an individual score and will be counted as "not proficient" for the purpose of school and district accountability, including opportunities for support and recognition.
- Students who receive a college-ready score on the high school MCA are not required to take a remedial, noncredit course at a Minnesota State college or university in the corresponding subject area, potentially saving the student time and money.
- Educators and policy makers use information from assessments to make decisions about resources and support provided.
- Parents and the general public use assessment information to compare schools and make decisions about where to purchase a home or to enroll their children.
- School performance results that are publicly released and used by families and communities, are negatively impacted if students do not participate in assessments.

Academic Standards and Assessments

What are academic standards?

The [Minnesota K–12 Academic Standards](#) are the statewide expectations for student academic achievement. They identify the knowledge and skills that all students must achieve in a content area and are organized by grade level. School districts determine how students will meet the standards by developing courses and curriculum aligned to the academic standards.

What is the relationship between academic statewide assessments and the academic standards?

The statewide assessments in mathematics, reading, and science are used to measure whether students, and their school and district, are meeting the academic standards. Statewide assessments are one measure of how well students are doing on the content that is part of their daily instruction. It is also a measure of how well schools and districts are doing in aligning their curriculum and teaching the standards.

Minnesota Comprehensive Assessment (MCA) and Minnesota Test of Academic Skills (MTAS)

- Based on the Minnesota Academic Standards; given annually in grades 3–8 and high school in reading and mathematics; given annually in grades 5, 8 and high school for science.
- Majority of students take the MCA.
- MTAS is an option for students with the most significant cognitive disabilities.

ACCESS and Alternate ACCESS for English Learners

- Based on the WIDA English Language Development Standards.
- Given annually to English learners in grades K–12 in reading, writing, listening and speaking.
- Majority of English learners take ACCESS for ELLs.
- Alternate ACCESS for ELLs is an option for English learners with the most significant cognitive disabilities.

Why are these assessments effective?

Minnesota believes that in order to effectively measure what students are learning, testing needs to be more than answering multiple choice questions.

- To answer questions, students may need to type in answers, drag and drop images and words, or manipulate a graph or information.
- The Reading and Mathematics MCAs are adaptive, which means the answers a student provides determine the next questions the student will answer.
- The Science MCA incorporates simulations, which require students to perform experiments in order to answer questions.

All of these provide students the opportunity to apply critical thinking needed for success in college and careers and show what they know and can do.

Are there limits on local testing?

As stated in Minnesota Statutes, section 120B.301, for students in grades 1–6, the cumulative total amount of time spent taking locally adopted districtwide or schoolwide assessments must not exceed 10 hours per school year. For students in grades 7–12, the cumulative total amount of time spent taking locally adopted districtwide or schoolwide assessments must not exceed 11 hours per school year. These limits do not include statewide testing.

In an effort to encourage transparency, the statute also requires a district or charter school, before the first day of each school year, to publish on its website a comprehensive calendar of standardized tests to be administered in the district or charter school during that school year. The calendar must provide the rationale for administering each assessment and indicate whether the assessment is a local option or required by state or federal law.

What if I choose not to have my student participate?

Parents/guardians have a right to not have their student participate in state-required standardized assessments. Minnesota Statutes require the department to provide information about statewide assessments to parents/guardians and include a form to complete if they refuse to have their student participate. This form follows on the next page and includes an area to note the reason for the refusal to participate. Your student's district may require additional information.

A school or district may have additional consequences beyond those mentioned in this document for a student not participating in the state-required standardized assessments. There may also be consequences for not participating in assessments selected and administered at the local level. Please contact your school for more information regarding local decisions.

When do students take the assessments?

Each school sets their testing schedule within the state testing window. Contact your student's school for information on specific testing days.

- The MCA and MTAS testing window begins in March and ends in May.
- The ACCESS and Alternate ACCESS for ELLs testing window begins at the end of January and ends in March.

When do I receive my student's results?

Each summer, individual student reports are sent to school districts and are provided to families no later than fall conferences. The reports can be used to see your child's progress and help guide future instruction.

How much time is spent on testing?

Statewide assessments are taken one time each year; the majority of students test online. On average, the amount of time spent taking statewide assessments is **less than 1 percent of instructional time** in a school year. The assessments are not timed and students can continue working as long as they need.

Why does it seem like my student is taking more tests?

The statewide required tests are limited to those outlined in this document. Many districts make local decisions to administer additional tests that the state does not require. Contact your district for more information.

Where do I get more information?

Students and families can find out more on our [Statewide Testing page](https://education.state.mn.us) (education.state.mn.us > Students and Families > Programs and Initiatives > Statewide Testing).

Minnesota Statutes, section 120B.31, subdivision 4a, requires the commissioner to create and publish a form for parents and guardians to complete if they refuse to have their student participate in state-required standardized assessments. Your student's district may require additional information. School districts must post this three page form on the district website and include it in district student handbooks.

Parent/Guardian Refusal for Student Participation in Statewide Assessments

To opt out of statewide assessments, the parent/guardian must complete this form and return it to the student's school.

*To best support school district planning, please submit this form to the student's school no later than January 15 of the academic school year. For students who enroll after a statewide testing window begins, please submit the form within two weeks of enrollment. A new refusal form is required **each year** parents/guardians wish to opt the student out of statewide assessments.*

Date _____ (This form is **only** applicable for the 20____ to 20____ school year.)

Student's Legal First Name _____ Student's Legal Middle Initial _____

Student's Legal Last Name _____ Student's Date of Birth _____

Reason for refusal:

Please indicate the statewide assessment(s) you are opting the student out of this school year:

_____ MCA/MTAS Reading

_____ MCA/MTAS Science

_____ MCA/MTAS Mathematics

Contact your school or district for the form to opt out of local assessments.

I understand that by signing this form, my student will lose one opportunity to receive a qualifying score that could potentially save him/her time and money by not having to take remedial, non-credit courses at a Minnesota State college or university. My student will not receive an individual score and will be counted as "not proficient" for the purpose of school and district accountability. My school and I may lose valuable information about how well my student is progressing academically. In addition, refusing to participate in statewide assessments may impact the school, district, and state's efforts to equitably distribute resources and support student learning.
