

Edison Preparatory School Advanced Placement (AP) Contract 2019-2020

When enrolling in an AP course for the 2019-2020 academic year by selecting the course online and/or submitting your enrollment form, you are acknowledging your understanding of the AP contract. If you have any questions please contact the AP Coordinator; Rachael McAnany

Edison Preparatory School is committed to providing an environment in which all students have equal access to Advanced Placement (AP) classes and the AP Diploma Program. Students enrolling in AP courses are demonstrating a willingness to meet the challenges of college level curriculum as directed by The Collegeboard. Course requirements and syllabi are carefully outlined at www.edison.tulsaschools.org

An Advanced Placement (AP) course is a challenging learning experience that is recognized as highly effective preparation for success in college. A record of AP courses on a student's transcript is an indication of the student's commitment to rigorous academics. AP course work requires the use of higher order thinking skills including abstract reasoning, analysis, syntheses, and evaluation; requires flexibility in thinking and the use of differing viewpoints. Students must demonstrate a strong work ethic and full engagement in learning. Typically, successful AP students are task-oriented, proficient readers, able to prioritize their time, and have parental support. The rigor of the curriculum requires more effort and homework on the part of the student.

Edison Preparatory High School requires that all students and their parent/guardian(s) sign this contract to acknowledge the student is making an informed decision regarding enrollment in AP classes.

- One of the goals of AP coursework is to help students master skills required for success in college. As such, enrollment in AP courses requires a higher level of student independence. The formation of study groups and participation/conversation with AP teacher(s) is strongly recommended.
- Per Tulsa Public Schools policy, all AP students will receive weighed credit for the course with an earned grade of C or better. Students are highly encouraged to take the associated with the examination. A fee does apply.
- A student desiring to exit an AP course must follow the process listed below. Both parent and students are to provide his/her initials below.
 - Attend a minimum of 3 documented study sessions acknowledged by the teacher, _____
Parent Student
 - Attend a student/parent/teacher conference, and _____
