Eden Prairie Schools Strategic Plan

Inspire EACH Student

The Strategic Plan is designed to be a roadmap for the school district, guiding decisions and development as we move together into the future. The plan was the result of many hours of work by hundreds of people, including parents, community members and district staff. It encompasses all aspects of the district's work, from our youngest learners in Early Childhood, through the K-12 school years, and into lifelong learning provided by Community Education. It touches everyone – parents, staff, and community – but most importantly, is focused on our students.

Our Mission

Inspire each student to learn continuously so they are empowered to reach personal fulfillment and contribute purposefully to our ever-changing world.
