I. Meeting called to order at 3:01PM

II. Rebecca motioned to have the previous meeting minutes approved. Katy seconded the motion.

III. Kelsey gave treasurer's report. Received \$179.69 from Smiths donations and .17 cents in dividends. Spent \$181.78 on Maturation kits and \$9.00 on membership dues. Current balance is \$4029.26. Kelsey motioned to have the budget amended and Katy seconded the motion. Katy motioned to vote and the budget passed unanimously with 10 votes.

IV. Katy asked to have the bylaws changed for the executive committee term from 2 years to 1 year in order to better correlate with other schools in the district. Katy motioned to change and Kimberly seconded that motion. Kelsey motioned to vote and the vote passed unanimously with 10 votes.

V. Reflections had 22 entries total, 18 moved on to district and 1 moved on to state. Awards will be given out during student of the month assembly in February. Debbye will email parents of winners beforehand. Debbye will ask for parent feedback regarding whether or not we want to continue Reflections program next year. We will vote on it at next general membership meeting.

VI. Fun Run Fundraiser with get moving crew. First committee meeting in the next two weeks. Experience based rewards as incentives. Need more volunteers as well as someone to chair the event. Event will be held March 29th during school hours.

VII. Upcoming Events and Volunteer Opportunities:

Fun Run Fundraiser - March 29th

Teacher Appreciation - May

Field Day - May

VIII. PTA put together 300 STEM challenge kits for students that haven't had an opportunity to participate yet. Teachers will choose which students in their classes receive the kits each month. The goal is for each student to have the chance to be a part of a STEM challenge at least once during the school year and to solidify that we are a STEM school.

IX. WIN tutoring which stands for "What I Need" is our **#1 volunteer need at this time**. This is the program which was announced at the 3 For Me event at the first of January which many people were not able to attend. Each grade has specific times that they need help with tutoring which are listed on the facebook page and newsletter that is sent out monthly. These are specific lessons through Lexia and Core 5 that students get stuck on and need a little extra help to advance. All it takes is a short coaching by our instructional coach Casey Weaver and a 20 minute lesson with the student. If each parent could donate just 3 hours for the whole year that would be 1800 hours donated to our school to benefit our students.

X. Katy Motioned to adjourn meeting at 3:45 and Kelsey seconded the motion.

XI. Next board meeting: **February 11, 2019 at 8:30 AM** in the conference room.
