All medical requirements for pre-season athletic clearance, including the Athlete Code of Conduct, can be found in Magnus Health. Log in to the parent portal at www.mka.org/parents/portal and select the link to Magnus Health.

The best way for us to have the kind of quality program we all want for our student-athletes is to continue to work together. Please keep your respective coach informed of any conflicts that may arise as it pertains to practices and games throughout the season. I look forward to seeing you during the spring season...until then stay warm!
