- **Welcome**
- **Bond Presentation**
Willie Painter, District PIO, presented the first draft of the Bond presentation video. The vote for the new Bond will take place in the November 2016 Presidential election. More information will be coming out about the bond along with how the staff can help.
- **Canvas Training**
The next training will be on Friday, April 22nd in the Corrigan Room at FPHS. This training will be broken into two parts, one for secondary and one for elementary. Clock hours will be provided. An agenda for the training is on the Canvas TAC page. The new user interface is now in place.
- **Phase 1 & 2 Learning Wall Survey Update**
The survey went out on Monday, April 18th, as of today there are 83 responses. The survey results from the time of the meeting are on the TAC page in Canvas. The survey focused on equipment use, placement of equipment, target audience when using the equipment, and how well the different equipment worked. As a whole, feedback seemed pretty positive and most staff find the audio enhancements beneficial.

It is Liza's recommendation that all TAC members review the survey results and talk with their secondary counterparts as phase 3 will be going into the high schools either during Winter Break 2016 or Spring Break 2017. The high schools need to be thinking about how the learning walls will look in their schools.

- **Small Group Status Check**
Liza received good feedback from both Lance Goodpaster and Dr. Shaun Carey after the last TAC meeting about the group's presentations. Liza, Brad, Brian and Linda will talk between now and the next meeting on how we are going to continue the groups going into the next school year and will report at our next meeting.

- **Canvas**

We are at the point where we need to make some decisions about Canvas. We went into this school year with Canvas as our pilot LMS. What is your feedback and the feedback you have heard about Canvas? Are we at a spot where we want to go into a multi-year contract or a continue for one more year as a pilot?

Our last meeting of the 2015/2016 school year is on Wednesday, May 18th, 2016 from 4:30-6pm in the Corrigan Room at Franklin Pierce High School (11002 18th Ave East, Tacoma, WA 98445)
