Aim for a star! Never be satisfied
With a life that is less than the best,
Failure lies only in not having tried--
In keeping the soul suppressed.

Aim for a star! Look up and away,
And follow its beckoning beam.
Make each Tomorrow a better Today--
And don't be afraid to dream.

Aim for a star, and keep your sights high!
With a heartful of faith within,
Your feet on the ground,
and your eyes on the sky,
Some day you are bound to win.

I've learned how to handle
Parents and teachers,
I've learned how to yell my head off in bleachers,
I've learned how to rise
And be bright-eyed by seven,
I've learned an old Chevy can carry eleven.
I've learned how to "wear out"
A new pair of jeans
And other techniques for surviving the "teens,"
I've learned how to get
And get out of a date--
So I guess I'm ready to graduate!

The Torch has from the earliest times been the emblem of knowledge. Unlighted, it has no power to lead and guide. It is of no effect until the touch of fire shall change it into a vital and beautiful flame. Just as the knowledge, the wisdom, the inspiration that lie buried in the great treasure stores of books and hidden in the minds of man are valueless until by faithful study we unlock these treasure houses and make them give up their stores for the use of man. As the Indian of long ago lighted his torch to guide him into dark places, so all men who seek truth must light the torch of knowledge. In keeping with our emblem our motto is "Light is the Symbol of Truth." Pledge of the National Honor Society: I pledge myself to uphold the high purpose of this society to which I have been elected striving in every way by work and deed to make its ideals the ideals of my school and of my life.

It's tough to summarize two and a half months of football in a few paragraphs. I thought maybe something about blood, sweat, and tears would be appropriate. Then the familiar, "when the going gets tough, the tough get going," struck me. But none of these traditional lines give you a picture of this bunch of guys. We had a personality all our own. You see this team had something that really set it apart. The Devil's own luck. When things looked like they couldn't get worse, they did. We were cut with injuries until spectators turned to one another and asked, "Are those the biggest guys we have to send out there?" We played teams that were bigger in the backfield, but none that were bigger in guts.

At times we showed streaks of brilliance, like one Friday night in Wykoff. The Wykats came to the next morning wondering if they had been hit by a bus. They had, and he wore number forty.

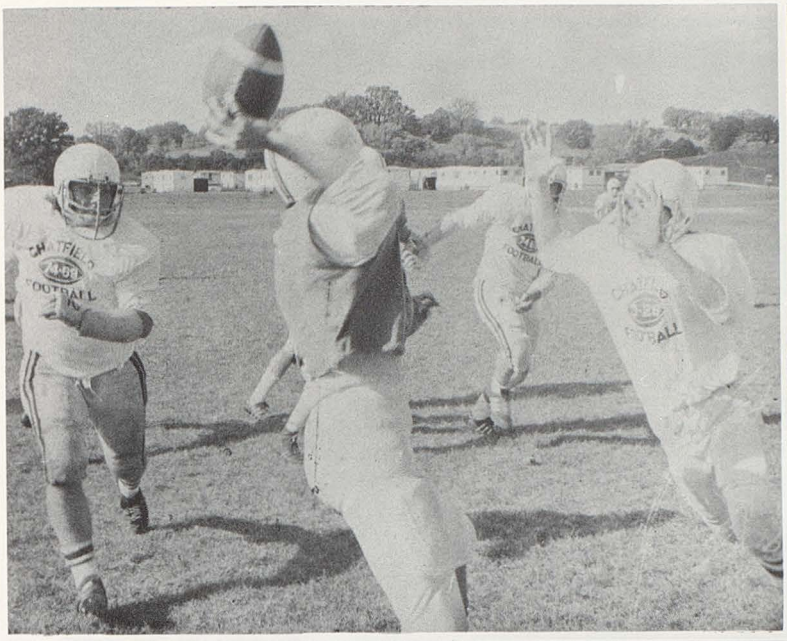

Our defeats were all-too-often, and bitter, but our victories were sweet. We make no excuses. We played hard, and dished it out as well as we took it.

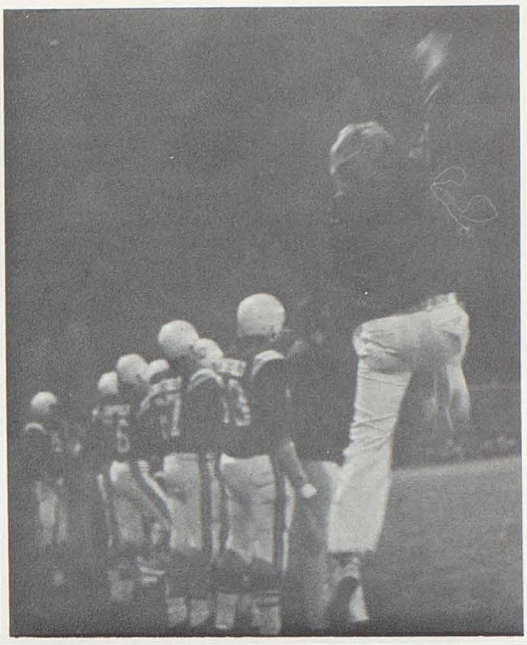

Winning is a big part of any athletic endeavor, but not everything. We gave everything we had, and when that wasn't enough we gave more.

This team was no loser. We're proud because we competed, and whether we won or lost, we gave it our best shot.

Although the 1974 volleyball season left much to be desired, only those directly involved in it could realize what a success it actually was. The determination of each girl was a factor in our season's outcome. Regular practices are idealistic for the success of a team, but the morale of the team was our major asset. Being in its second year and not fully mastered, we met our competition head on. In our first game a 14 point deficit almost conquered us, but the determination of a young team carried us to our victory. We took our confidence into the next game but in the following matches we found determination is not the only factor of a successful volleyball team. After our not-so-successful season we entered the tournaments as a venture to prove our initiative toward succeeding. We came out of the conference with third place and a feeling of accomplishment. With the help of strong support, we finally knew what it was like to be an athlete in interscholastic competiion.

Girls' Basketball

Seniors: Horse, Deb, Julie, Mary and Kay.

The girls basketball team had what you could call a "fairly good" season, ending up with a record of 7 wins and 8 losses. The team showed promise at the beginning of the season by winning the first four games before losing the next few to even out their record. The season climaxed when the team met Preston coming out as the victor. Entering the tournaments, the feeling of wanting to do their best was evident in the girl's determination. They came out with a victory over Harmony, who had defeated them twice during the regualr season. In the second tournament game, the girls met Spring Valley and were defeated. This is the girl's second year in interscholastic competition and the skills needed must have time to improve. The team will be losing several seniors and now it will be up to the girls coming up to develop these necessary skills.

With Mr. Brech back in the coaching position the wrestlers seemed to pull together, having a 5-6 win--loss record during the regular season. This was a respectable job having one meet canceled. Having a little bad luck, Steve Finley and Steve Trogstad were eliminated in the Districts, leaving Tom Benike and Dean French to "take down" the Regions themselves. Dean secured fifth place while Tom didn't place. All in all it was a good year.

It was a disappointing season for the Gophers, winning only six games and losing 15. Many times throughout the season, the entire starting lineup was under six feet tall. This and a poor shooting percentage hampered the Gophers all year. This year's seniors were Jim Meyer, Steve LaPlante, Steve Baier, Eric Kammer, and Butch Isensee. The outlook for next year is hopeful with Dan Schindler, Dave Dudek, Dave Narveson, Mike Elliot, Scott Oldre, Don Thompson, and many sophomores returning.

The gymnastics season this year clearly showed the ability and determination of the young team. The long hard practices proved successful for us throughout the whole season. Although there were many injuries, we were able to go on strong and confident to the District competition. There we took first place in team rank which enabled the whole team to advance to the regions. There were also many individual medalists.

Track

Seniors

Track is a long sport. We start running on the first of March and aren't done till June. It's a hard sport, but tremendously rewarding. "The thrill of victory" really is something else, and this year's team felt that thrill often.

We were an excellent running team, but weak in the field events. We not only broke school records, we broke and set new records three and four times in the season. We won the District in all three relays, and the sprint medley and the mile relays were both second in the Region.

It seems like Chatfield's track teams were always building for next year. Well, next year finally came. As a graduating Senior I can express only one regret, and that is that the Sophomores and Juniors are so good that my school records will be erased next year.

The best part about the season was the fun we had, and as Frank Shorter, Olympic Marathoner says, "Isn't that what it's all about? Being able to go out and have a few laughs with your competition after a day at the races?"

Jr. High--First Row: S. Plank, D. Vandermoon, D. Kohlmeyer, T. Vogt, D. Delaney, G. Fratzke, N. Ferguson. Second Row: Coach Hansen, M. Tabor, J. Clemens, M. Clemens, M. Olson, S. Finley, M. Alexander, Coach Hayek.

A squad: D. Aulich, D. Thompson, S. Baier, B. Aarsvold, T. Sisson, P. Aarsvold, J. Judd, Coach Brech.

Golf

The Chosen Valley High golf team enjoyed another successful season with a record of seven wins, three losses, and one tie in 1975. Coach Don Brech used four returning lettermen and two underclassmen to bring his team to a third place finish in the district tournament. The Gophers continued their domination in the Maple Leaf Conference with their fifth consecutive conference championship.

Future hopefuls will have to take the places of the four graduating Seniors, and that's where B squad experience comes in handy. Steve Morley, Tracy Christenson, Bob Delaney, and a host of others will prove that statement true in 1976. With the right kind of team effort, the Chatfield golf tradition should be carried on for years to come.

Being in its first year of interscholastic play, the girls softball team was faced with many challenges. They met these challenges with much enthusiasm and desire to win. With Mr. Bennett in the coaching position, the girls played together as one--they won together, lost together, and learned together. Although we did not have a winning season, valuable experience was gained throughout the year. As in any sport, one of the main objectives is to have fun--and we did just that.
