## Aim For A Star

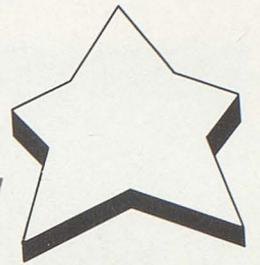

by Helen Lowrie Marshall

Aim for a star! Never be satisfied  
With a life that is less than the best,  
Failure lies only in not having tried-  
In keeping the soul suppressed.

Aim for a star! Look up and away,  
And follow its beckoning beam.  
Make each Tomorrow a better Today-  
And don't be afraid to dream.

Aim for a star, and keep your sights high!  
With a heartful of faith within,  
Your feet on the ground, and your eyes  
on the sky,  
Some day you are bound to win!

# New At CVHS

## Energy Savings

On June 4, 1984, a project was begun at CVHS that would provide a 9.97 year payback period in energy savings. The project was the replacement of all windows in the 1958 portion except for the windows in the lunch room.

Originally, the exterior and interior court yard walls were lined with  $\frac{1}{4}$ -in plate glass windows. Now the walls contain sheetrock, brick and insulation.

Each room has two small, thermal glass windows. Venetian blinds are enclosed within the double glass windows.

Ample circulation of air will be provided by the windows during warm weather; while uni-vents will continue to circulate cool or warm air, as needed, during the winter months.

## Accu-tab

Our school is one of many who have purchased an Accu-tab (pictured at the right). It is not required by the state, but it is recommended so that an accurate count can be kept of those eating hot lunch.

Each ticket is used for ten days. Nine buttons are coded into the ticket in the form of stripes. Each person has a different code which the Accu-tab can read.

After the lunch line is through, the nine buttons are pushed and the count is given for each of the following categories: milk, adult, free, reduced, general students, and tokens. The pieces cut off from the tickets are put into an envelope each day. The state auditor later checks the envelopes to make sure accurate counts are being taken.

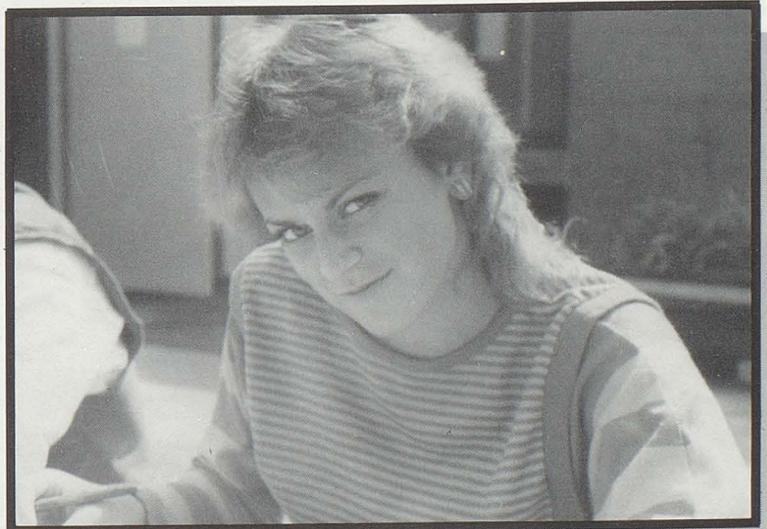

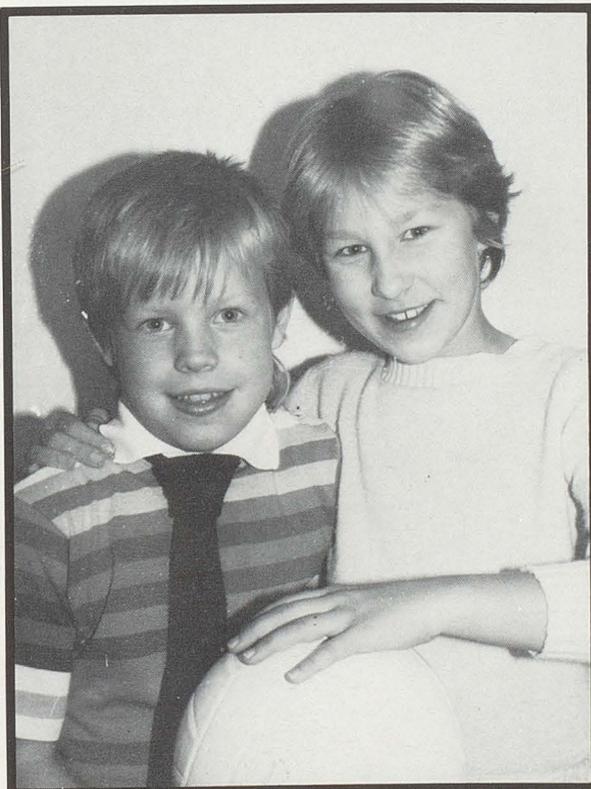

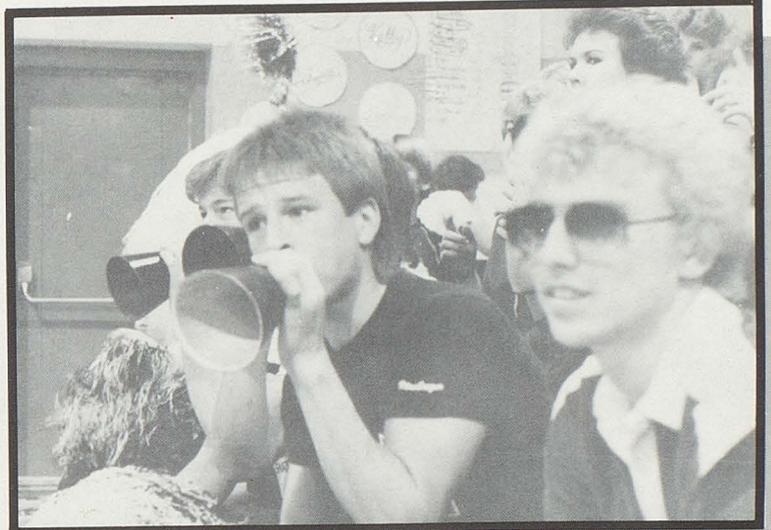

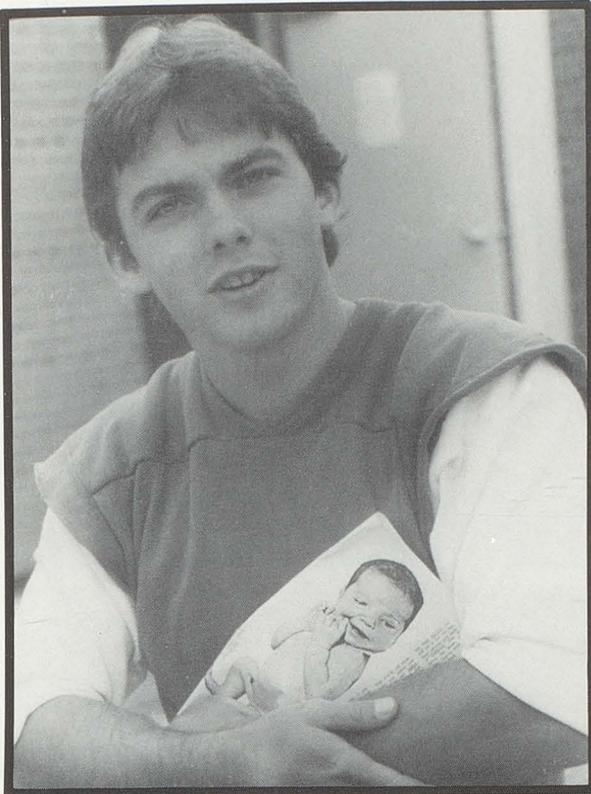

## "Fan"-tastic

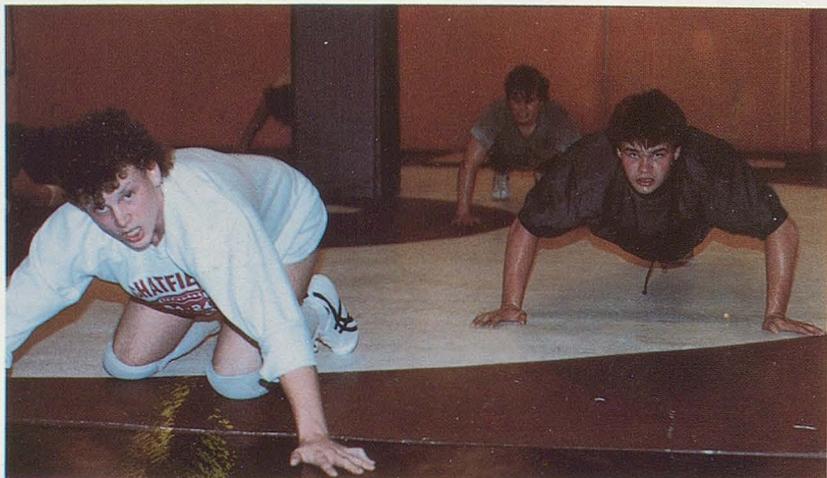

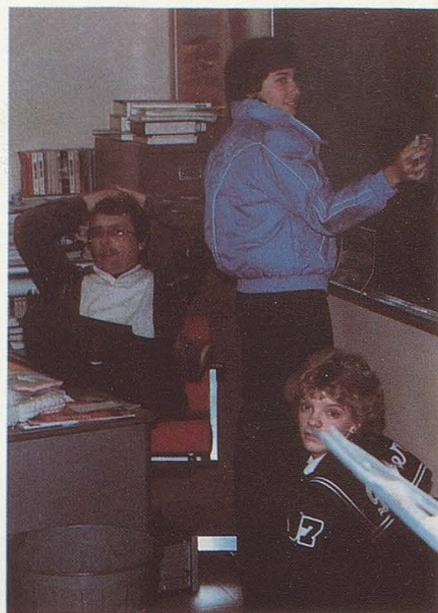

The gymnasium reverberated with cheering and yelling. New enthusiasm had sprung up as fans rooted for CVHS. The following members of the student body had tapped people's hidden emotions: Cye Welch, Tom Wright, Mark Elder, and Ricky Irish. Other students wore spirit hats to cheer their team on. They were Rae Lecy, Dawn Bicknese, Wendy Fingerson, and Sherri Branum. The students were not the only ones aroused, however! Mr. Hurley leaped to the floor so he could "work like a zipper." Yes, the 1984-85 CVHS fans were "fan"-tastic.

# - One Act Play - Traveling Theatre -

ONE ACT PLAY Cast and Crew: First Row-T. Bradt, J. Luoma. Second Row-C. Verville, E. Luoma, S. Pederson, Mr. G., C. Conway, J.C. Thieke, T. Clemens, D. Kohlmeyer, D. Meeker.

## Opportunities Abound

There are many opportunities for young actors and actresses in our school to develop acting skills by participating in drama. The Children's Traveling Theatre and One Act Play Contest are two such options.

This was the eighth year for the Children's Traveling Theatre. The theatre is very unique because there are very few, if any, other area schools that have such a group. The group performed at nine different elementary schools before some 2,800 students. The favorite story performed was "The Orkin Man". The Traveling Theatre is an enriching experience for both the performers and the audience.

In January our school, along with seven others, participated in the District One Act Play Contest. This play is always an extra challenge for the cast because it is judged. This year's cast consisted of Terry Bradt-Estrogon, Eric Luoma-Vladimir, Tim Clemens-Pozzo, J.C. Thieke-Lucky, and Sheila Pederson-Messenger. The avant garde play entitled "Waiting for Godot" concerns two men who are waiting for judgment.

CHILDREN'S TRAVELING THEATRE: First Row (crew)-J. Luoma, S. Cocker, D. Kohlmeyer, B. Blazing, C. Hanley, Mr. G. Second Row-J.C. Thieke, L. Eggleston, C. Verville, J. Richardson, R. Felt. Third Row-E. Luoma, W. Stenberg, J. Jacobson, T. Anderson, S. Pederson, L. Niemeyer, T. Clemens, M. Pederson.

# Arsenic And Old Lace

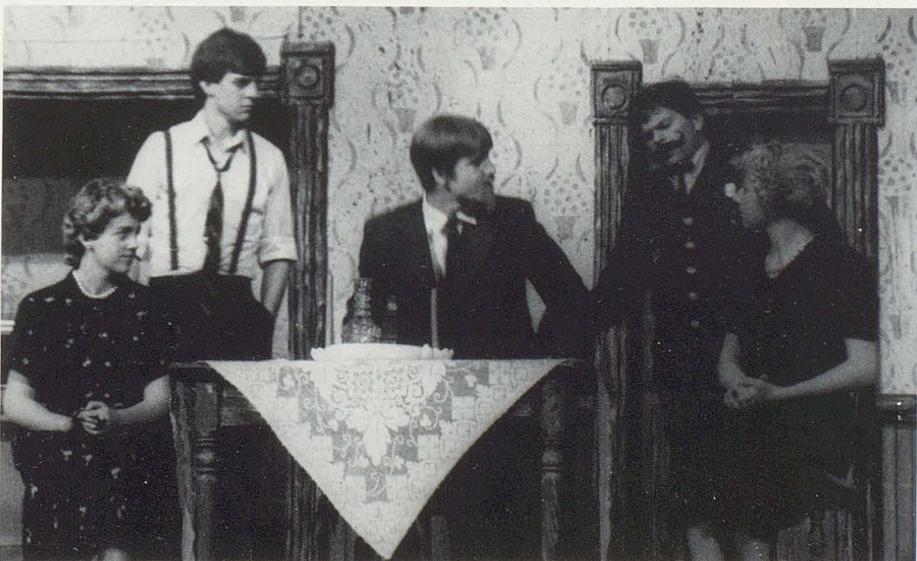

CREW: First Row-D. Bessingpas, S. Pressnall, L. Urban, S. Cocker, C. Hanley, B. Danielson, J. Luoma, D. Kohlmeyer, C. Welch. Second Row-T. Southern, R. Riley, C. Conway, R. Rowland, J. Huper, D. Meeker, J. Wentz.

## For The Sake Of Charity

This year's spring play, "Arsenic and Old Lace", was the first comedy Mr. G. has directed here. The play's setting is in Brooklyn, New York, in the Victorian home of two sweet, hospitable ladies who put arsenic in wine, engaging in the act of murder for the sake of charity. Teddy, their nephew who thinks he is President Roosevelt, buries the "yellow-fever" victims in the "canal" in the cellar. All of this greatly disturbs Mortimer, another nephew, who tries to cover up for his aunts' actions. Meanwhile nephew Jonathon and his accomplice, Dr. Einstein, return home to Brooklyn with their "dead companion."

This charming comedy had a cast of sixteen people, the smallest spring play cast for several years. The cast consisted of: Christine Vrieze-Abby Brewster, Jeff Jacobson-Reverend Dr. Harper, Greg Hughes-Teddy Brewster, Richard Felt-Officer Brophy, Wayne Stenberg-Officer Klein, Laura Morley- Martha Brewster, Cindie Verville- Elaine Harper, Tim Clemens-Mortimer Brewster, Tom Wright-Mr. Gibbs, Mike Pederson-Jonathon Brewster, Eric Luoma-Dr. Einstein, J.C. Thieke-Officer O'Hara, Geoff Heppding-Lieutenant Rooney, Todd Pease-Mr. Witherspoon, Karl Hokanson-Mr. Hoskins, and Jim Ryan-Mr. Spenalzo.

# Snow Week 1985

## A Tradition Continues

Snow Week, a tradition here at CVHS, is enjoyed by all. This year's Snow Week began with Hillbilly Day and continued with Pajama and Stuffed Animal Day, Wacky Wednesday, Senior Slave Day, and Maroon & White and Hug-a-buddy day.

On Friday seniors built the annual snow sculpture, even though the snow condition wasn't the best.

The pep fest was the climax to the activities. It included the annual ping-pong, pudding pigout, and tug-of-war contests. The candidates for King and Queen were as follows:

12) KING GLENN NICHOLS AND QUEEN WENDY MARTIN

11) Thor Lien and Cherie Lacey

10) Curt Amundson and Angie Zimmerman

9) Tim Neis and Janet Stokes

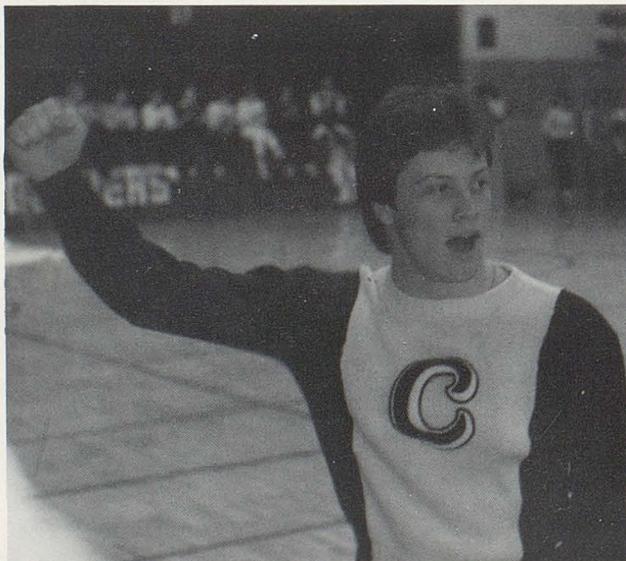

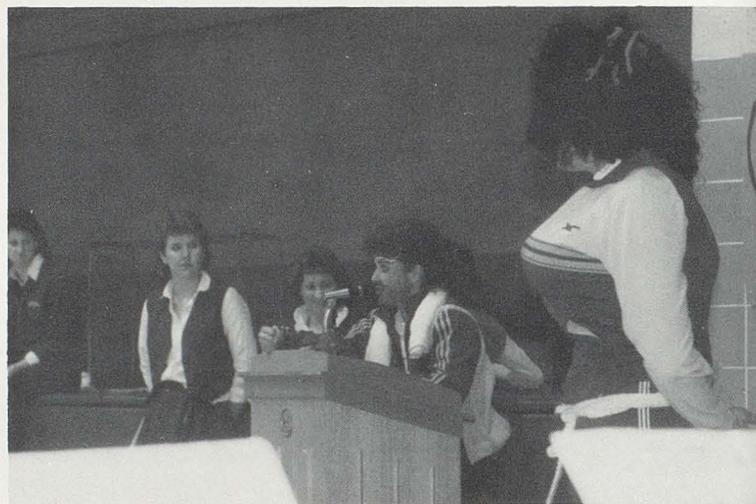

8) Steve Bradt and Dawn Nolan

7) PRINCE Scott Bernard and PRINCESS Heidi Heppding

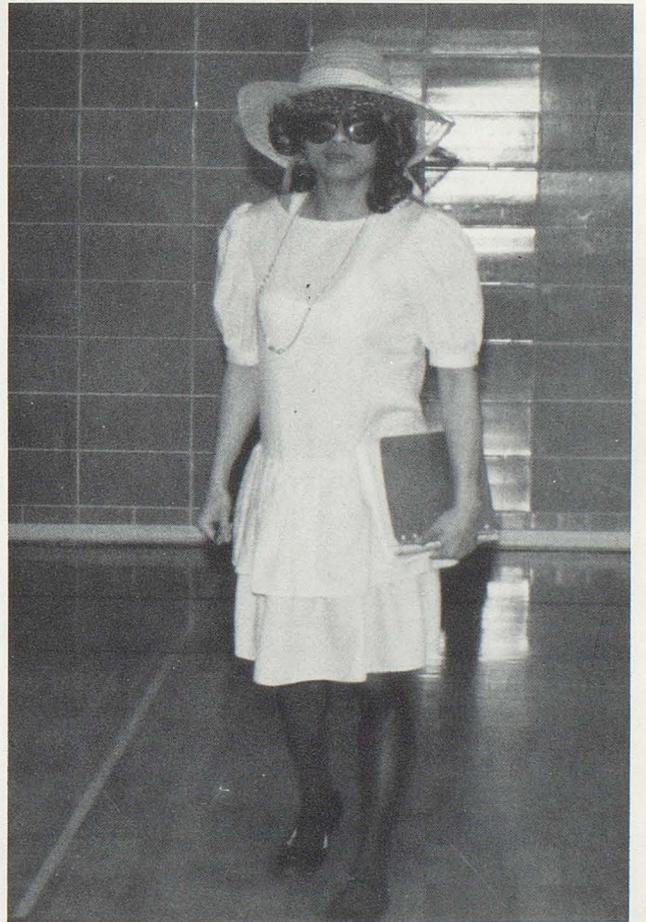

DUTCH-Mr. Hurley

DUTCHESS-Mrs. Martin

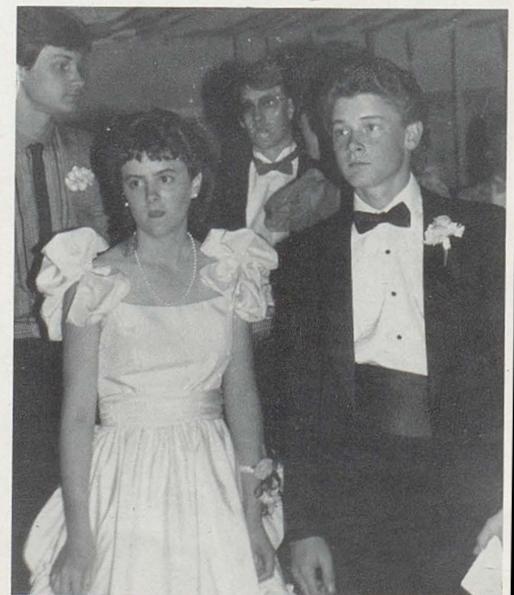

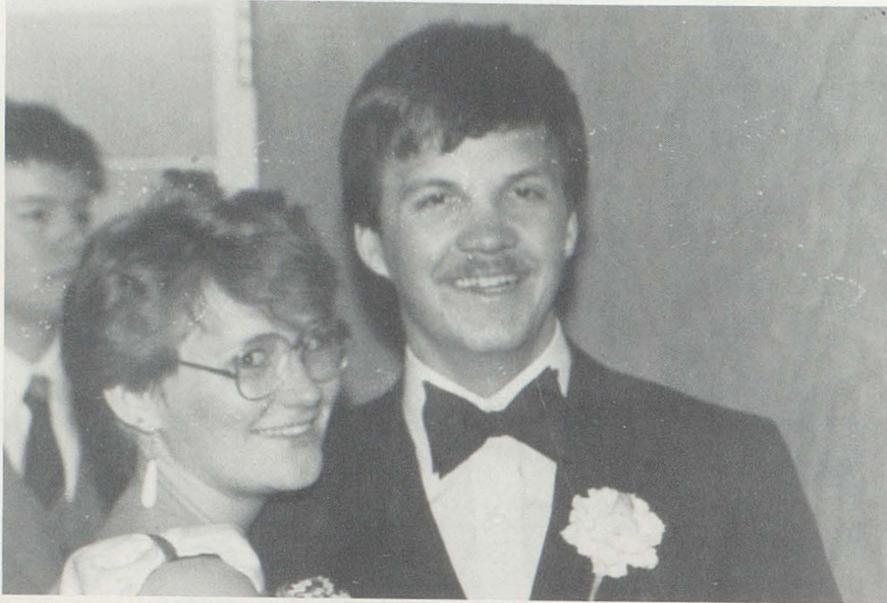

A dance that evening was the finale of the week.

AIM FOR

ORGANIZATIONS

## Opportunity To Use Creative Skills

A week at summer camp is when it all begins. Yearbook editors and photographers meet for a week of learning and fun. They set up ladders to account for all the pages in the book and design the cover and division pages so that the theme, either written or visual, will be portrayed.

They return home and go to work coordinating the photography and yearbook staffs so that these people can help to take and develop pictures; sell ads; plan pages; photofit pictures; write, copyfit, and type articles; and draw the final layouts. There are several deadlines which they must meet if the yearbook is to come out on time.

It is a lot of work, but it is also fun. Editors, staff members, and photographers have the opportunity to use their creativity and skills to design a book and then see it published.

Advisor-Mrs. Balcome, Editor-Christine Vrieze, Head Photographer-Jason Pease.

The editor would like to give **SPECIAL RECOGNITION** to Mrs. Balcome for being a terrific advisor, to Jennifer and Sandy for selling so many ads, to Jason and Todd for the superb pictures, and to everyone on the staffs for the work they did.

# Membership Is An Honor

Membership in National Honor Society is an honor bestowed only upon students who have a grade point average of 3.0. Another requirement is that he or she be a sophomore, junior, or senior. Selection is made by the faculty and is based on outstanding scholarship, character, leadership, and service.

New members are inducted at a special ceremony. The members then have the responsibility to continue to demonstrate and promote the four principals through their activities. This is the organization's purpose.

**NATIONAL HONOR SOCIETY:** First Row-G. Tangen, L. Blazing, K. Ryan-Treasurer, D. Schriever-Service, K. Greene-Scholarship, V. Sprau, L. Brainard. Second Row-E. Luoma-Character, C. ## Color My World

Art Club is open to anyone in grades seven through twelve. During their meetings they work on a variety of arts and crafts projects.

This year they have a large project. They are painting a mural in the nursery of the Chatfield Lutheran Church. The painting, symbolizing Noah's Ark, is pictured on the bottom right-hand corner of this page.

They also like to take a field trip. This fall they went to the Renaissance Festival. Even though it was a cold and rainy day, they enjoyed the food and had a great time.

ART CLUB: First Row-T. Asher, S. Grell, K. Greene, L. Morley. Second Row-S. Kehret, B. Merrill, Mrs. Anderson, B. Amundson, L. Stender, T. Martin.

## March Of Dimes: In-Depth Project

"You are America; America is You" was the theme at the state FHA convention that several CVHS students attended in April. The theme emphasized their role as members and citizens of this country. Another message, "Move to Improve," was also stressed.

The convention was also the site for the state Action Activity Event competition. Dee Krahn, Vicki Brummond, and Jenny Richardson had received gold awards at the district and so were involved in the state competition. All three did exceptionally well. Vicki and Dee received a gold award and Jenny a silver. District silver award winners were Kari Weivoda, Teresa Johnson, Chris Ebnet, Kyle Hanson, Allison Walker, and Heidi Heppding.

This year's in-depth FHA project was the March of Dimes. The chapter had guest speakers, set up a display in the Public Library, and sponsored a Walk-a-thon in Chatfield.

FHA: First Row-A. Barnes, M. Turner, A. Walker, L. Barnes. Second Row-T. Lacey, K. Hanson, S. Hanley, L. Morehart. Third Row-D. Amy, S. Fogarty, L. Barnes, V. Sprau, Mrs. Bishop.

FHA: First Row-Mrs. Bishop, V. Brummond, D. Krahn. Second Row-T. Johnson, L. Morehart, K. Weivoda, J. Richardson, L. Barnes.

OFFICERS: First Row-K. Weivoda-Parliamentarian, J. Richardson-President, C. Ebnet-Historian/Reporter. Second Row-L. Barnes-Secretary, K. Hanson-Treasurer, L. Morehart-President Elect.

## Chapter Makes Achievements

The Chatfield FFA Chapter made several achievements this year. Two of its teams qualified for state competition. Dave Giehtbrock and Mark Vrieze represented the Landscape and Nursery and Forestry teams at the state competition.

Past graduate Keith Mercer and President Mark Vrieze received the state FFA degree. They are the first Chatfield members to receive such an award. The selection of the award recipients was based on their records and an interview.

Mark also won the state FFA Forest Management Proficiency Award. He will now be competing against other state winners to be named one of the four National finalists. Congratulations Mark!

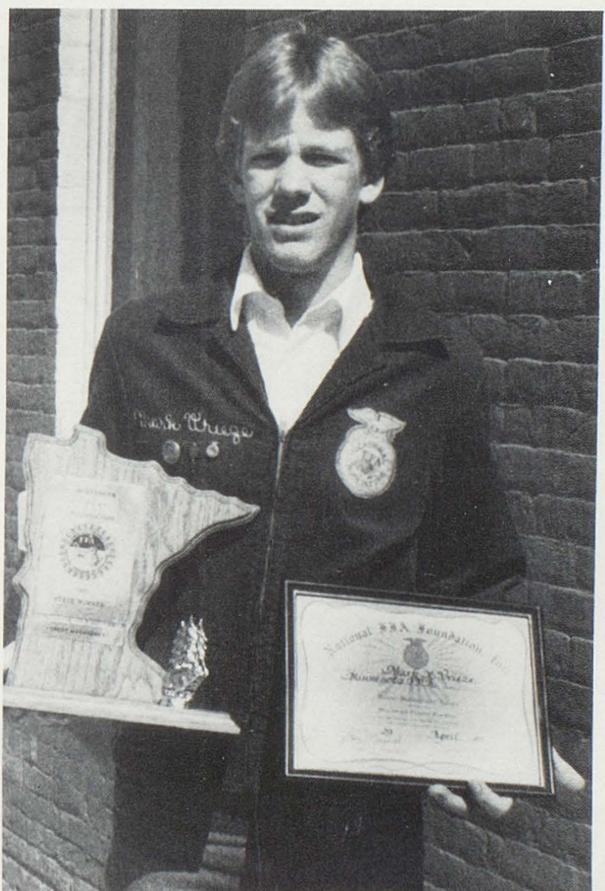

FFA: First Row-Mr. Cleveland, M. Brock, K. Erickson, K. Borgen, D. Hill, N. Lawler, D. Amundson, M. Stokes. Second Row-M. Horsman, K. Borgen, S. Greenlee, A. Gathje, S. Daniels, T. Baker, K. FFA OFFICERS: Clockwise-D. Jech-Reporter, S. Bidsler-Secretary, D. Giebtbrock-Vice President, Mr. Cleveland-Advisor, M. Vrieze-President, M. Horsman-Treasurer, S. Daniels-Sentinel.

MARK VRIEZE-Winner of State FFA Forest Management Proficiency Award and FFA degree.

## More Than Competition

There were four students from our school who placed at the district speech contest this year. They were Laura Traff, Bob Snyder, Kyle Ebner, and Karl Hokanson. Laura and Bob did exceptionally well by advancing to region competition.

Participation in speech does involve competition, but the emphasis is on building speaking skills and gaining confidence in that area. The speech program offers concrete enhancement of academic strengths and excellence.

It is open to grades seven through twelve. There are eleven categories to choose from. The entries can be original or nonoriginal.

This year's season began in January, followed by the local contest and speech party in March which officially started the 1985 round of competition.

Congratulations to everyone who participated for doing a fine job!

DISTRICT SPEECH CONTEST WINNERS: K. Hokanson, K. Ebner, B. Snyder, L. Traff.

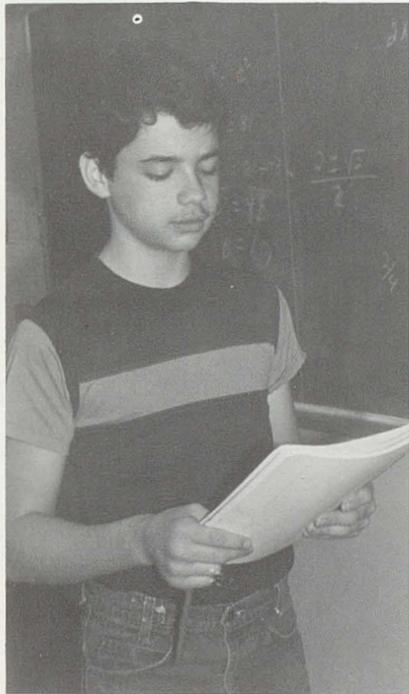

SPEECH: First Row-B. Snyder, K. Ebner. Second Row-M. Holets, K. Melcher, L. Melcher, L. Traff, D. Meyer. Third Row-R. Brogan, K. Hokanson, D. Amy, M. Branum, J. Hokanson, K. Reynolds, M. Rabe. Fourth Row-Mrs. Crowson, K. Weivoda, A. Scheff, S. Hanson, J. Shaw, J. Bennett.

## Team Off To A Great Start

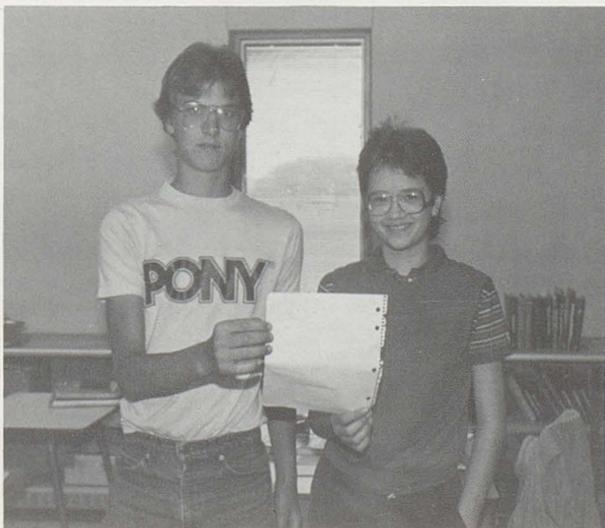

The high quiz bowl team is off to a great start. This was their first year and they already participated in the state tournament. They did fairly well considering several teams have been doing it for the past ten years. The team's conference record was 4-0.

The team was chosen by having tryouts for those students that were interested. They then prepared for the meets by answering trivia and past game questions.

Coach Grutzmacher is looking forward to next year even though Laura and Greg will be greatly missed.

HIGH QUIZ BOWL TEAM: K. Moore, G. Hughes, J. Wentz, L. Morley, T. Anderson, Mr. G.

## Interaction With Exchange Students

"AFS Club is great! It offers many opportunities to meet students from countries all over the world," said one AFS Club member.

The AFS Club is involved in many activities. One of them is the AFS Weekend. This year Chatfield hosted the event. Foreign exchange students and their hosts toured the Leo Ward farm, Chosen Valley Veterinary Clinic, Country Art, and the Chatfield News. Friday evening an "educational" dance was attended. Saturday's activities included swimming in Rochester and a potluck dinner. It was an interesting experience for all.

The club also had activities at the local level. Birthdays were celebrated with a party during the noon hour. A going away party was held so that everyone had the opportunity to bid farewell to Yoko.

Jenny Richardson is fortunate to have the opportunity to visit Yoko's native country this summer through the Youth For Understanding program. She was one of four selected from 467 applicants in Minnesota. Congratulations Jenny!

AFS CLUB: Bottom to Top-T. Lien, C. Lacey, M. Polzin, T. Aaland, P. Vahamaki, T. Duong, S. Bacon, T. Martin, N. Duong.

## Never A Dull Moment

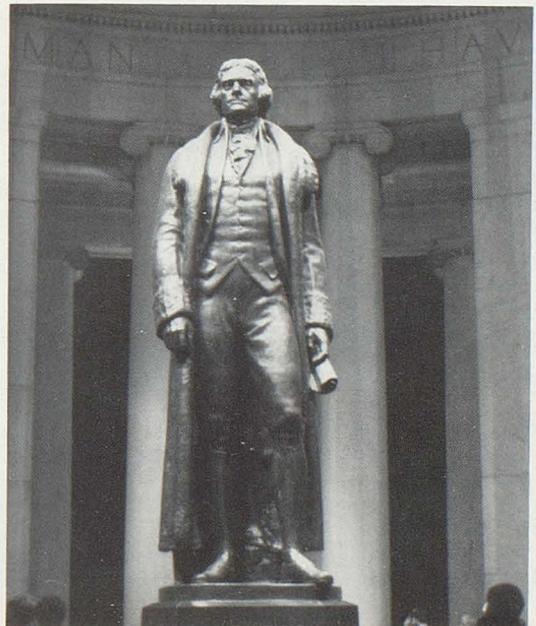

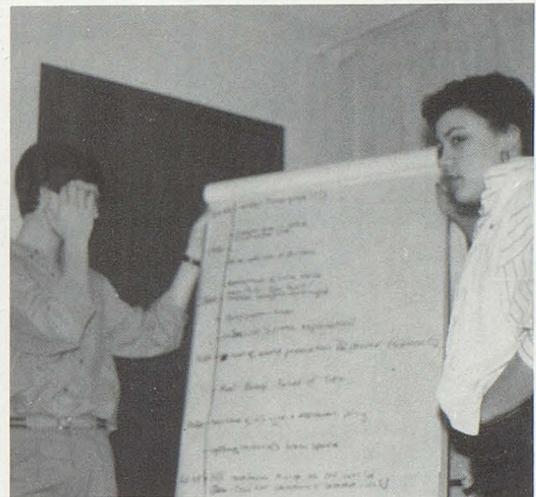

Seven students from CVHS were a part of the Washington Close-Up trip this year. The other students were from Minnesota, Oregon, and California. While in Washington D.C. they saw the Capitol, the Supreme Court building, the Senate and Representative's buildings, the Library of Congress, the White House, Vice President Bush's home, the Lincoln Memorial, the Jefferson Memorial, and the Department of Health.

Seminars were also held. The total group was split into smaller groups of approximately fifteen people. These groups met in the evening to discuss what had taken place that day and the next day's schedule.

One participant said, "There was never a dull moment. So many things were learned and new friends met that it was hard to leave."

## A Continuous Learning Process

A continuous learning process of reading music, marching, and disciplining oneself begins in fifth grade and continues through twelfth grade for band students. Some 238 students were involved in the process this year.

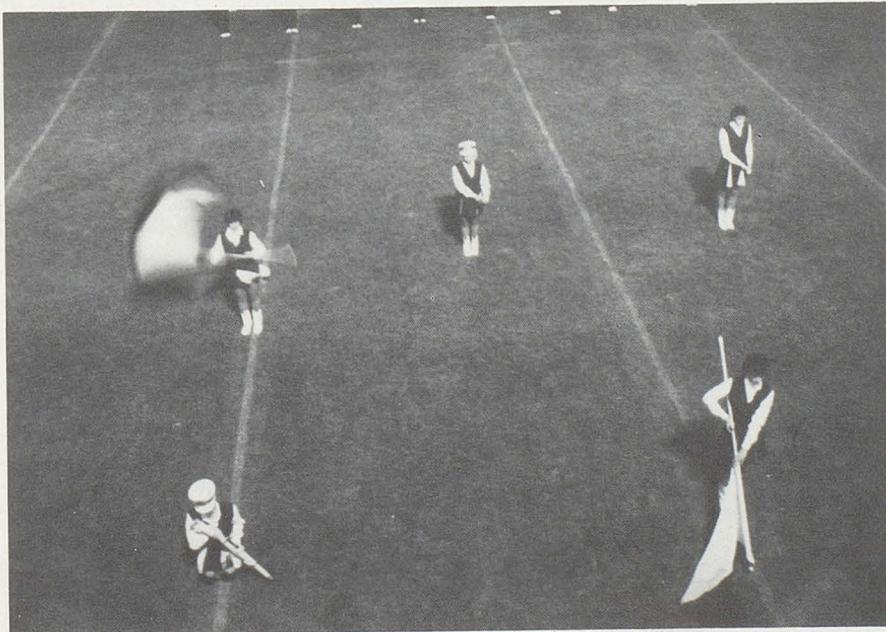

The school year began with an Indoor Marching Concert and continued with a light-spirited Pop Concert in the winter and the Spring Concert in May. The Concert Band had many additional engagements also. It continued with lessons, rehearsals, parades, and concerts during the summer.

## Music Department Remains Strong

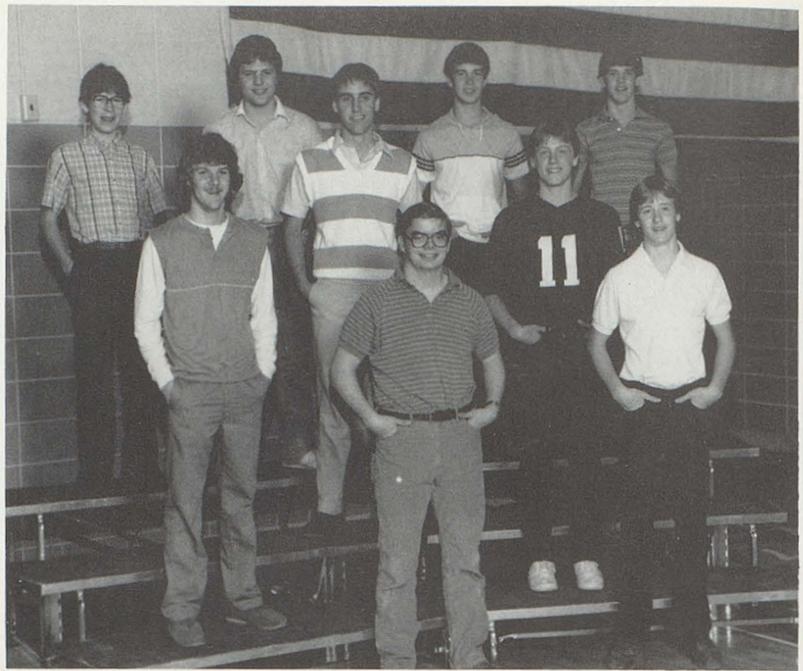

Chorale, like band, met only every other day this year. The program didn't appear to suffer, however. The Chorale earned a superior in the district music contest by obtaining three stars.

In addition to Chorale, the choir department consisted of the Freshman Chorus, C-Squad Singers, and Gopherettes. In all, over 260 students participated in choir. Ensembles were also a very special addition.

The choir performed at the Christmas Concert, District Music Contest, Senior Banquet, Spring Senior Concert, and Graduation. They also sang in Rochester during the Christmas season. A trip to the Twin Cities, after school let out, was the finale.

## A Better Season For The Gophers

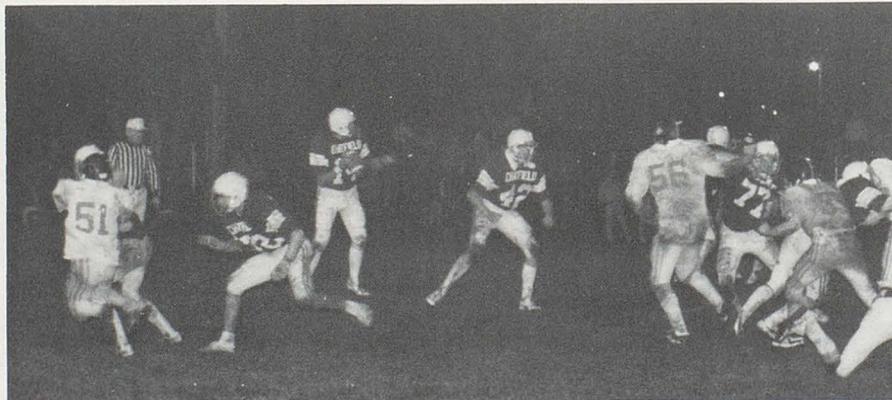

Determination and confidence were the key elements that pressed this year's Gopher football team to an 8-3 record. At the beginning of the season many fans thought it would be another building year, but the seniors and coaching staff were determined to do better than that. The team accomplished two major goals — to get into the play-offs and to play in the sectional finals. It was a major step forward for the players, leaving an even greater challenge for next year's team.

Coach Jacobson reported that many other positive things happened also. The team's attitude became one of winning when their hard work paid off. Close feelings developed between members of the team. Tom Redalen was named as All-State tight end. The seniors left a legacy for the teams to come.

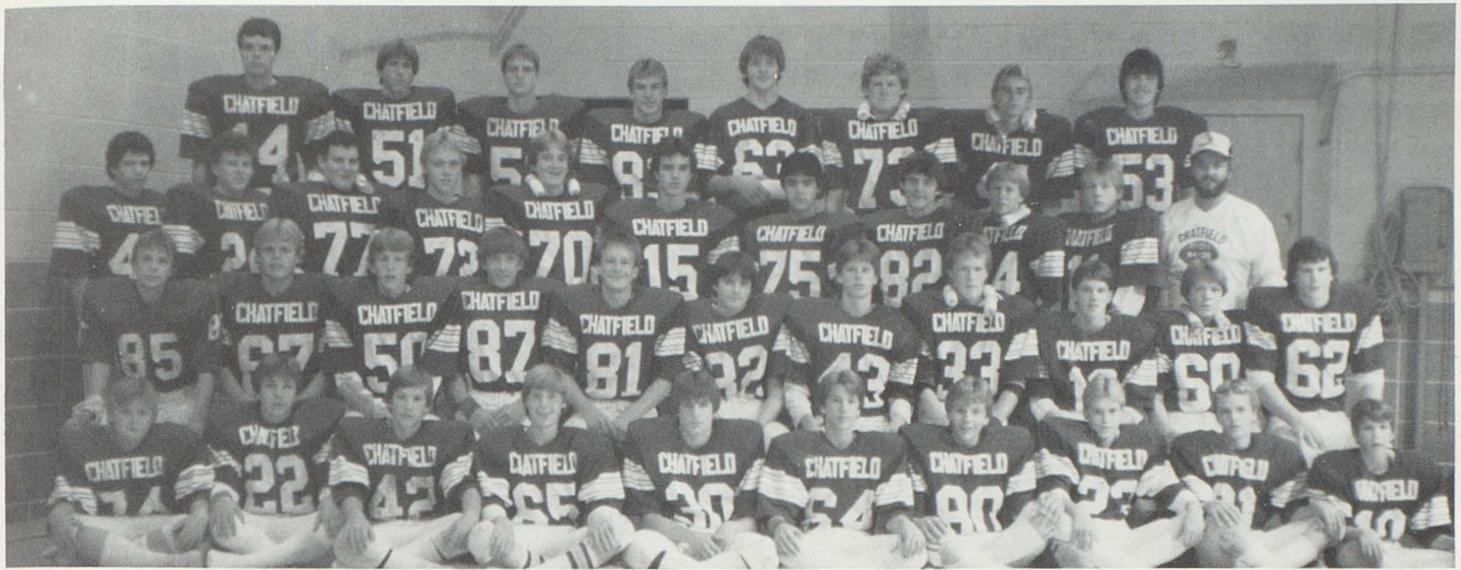

The coaching staff would like to thank the fans for their support. They thought the school spirit was great.

## Team Captures Conference Title

Chatfield lost several good volleyball players last year, but that didn't hinder this year's team. After winning the final 10 conference games, they captured the Three Rivers Conference title, an honor Chatfield hasn't received since 1975.

At the beginning of the season it appeared that it might only be a rebuilding year, but it didn't take long for the team to prove that prediction wrong. In a conference rematch, the Gophers won in three straight against Spring Valley, a team they hadn't beat in seven years. The Gopher's conference and overall records were 12-2 and 13-5, respectively. An interesting fact is that they were never beat at home.

Their greatest strength, said Coach Thieke, was that they worked as a team. Everyone did their part and then some. Chari Hurley and Deb Amundson did outstandingly well, both being named to All-Conference. Chari had 125 set assists and Deb had 110 ace hits. Chari was also named to KFIL "Team of the Year."

## V-I-C-T-O-R-Y

The goal of every cheerleader is to have the fans cheer with her/him. Cheerleaders do not automatically achieve this goal however. It takes time and practice.

Cheerleaders spend much of their time "behind the scenes" preparing activities to "cheer their team on to victory". These include pom-pom routines, locker signs, pep fests, and homecoming festivities.

## Winning Streak Highlights Season

The 1984-85 boys' basketball team had a rough beginning, losing their first 14 games. But their continued hard work began to pay off toward the end of the season. Their three-game winning streak against Preston-Fountain, Elgin-Millville, and Wykoff highlighted their year. In these three games they made close to 50 percent of their shots.

Senior Brian Baum, named to the All-Conference Basketball team, capped his career as a three year starter by leading the Gophers with a 12 point average.

Tracy Serfoss was the leading rebounder in nine of the last 10 games. He scored 21 points one game, which was the team's single-game high.

All of the seniors contributed a lot to the team and will be greatly missed next year. The team didn't pick up a lot of victories, but they left a great attitude and a lot of hard work that will carry over to next year's team.

## Another Winning Season For Girls

This year's girls' basketball team set a scoring record with a 53.8 average per game. It was their eighth consecutive winning season. Even though they had a shaky start due to injuries, the team pulled through with a 13-7 record. They placed third in the Three Rivers Conference with a 9-5 record.

The quickness of guards Chari Hurley and Nancy Narveson and the rebounding of Deb Amundson were real strengths for the team. Nancy was named to the All-Conference team and Chari and Deb were Honorable Mention. Nancy and Chari formed the best guard tandem in the conference.

Coach Zahn is looking forward to another good year in 1985-86 with five of the top six girls returning. They are Jeanette Bicknese, Shawn Turner, Chari Hurley, Nancy Narveson, and Katy Norton. This year's record should only be a foretaste of what is to come next year.

## Exceptional Wrestlers Emerge

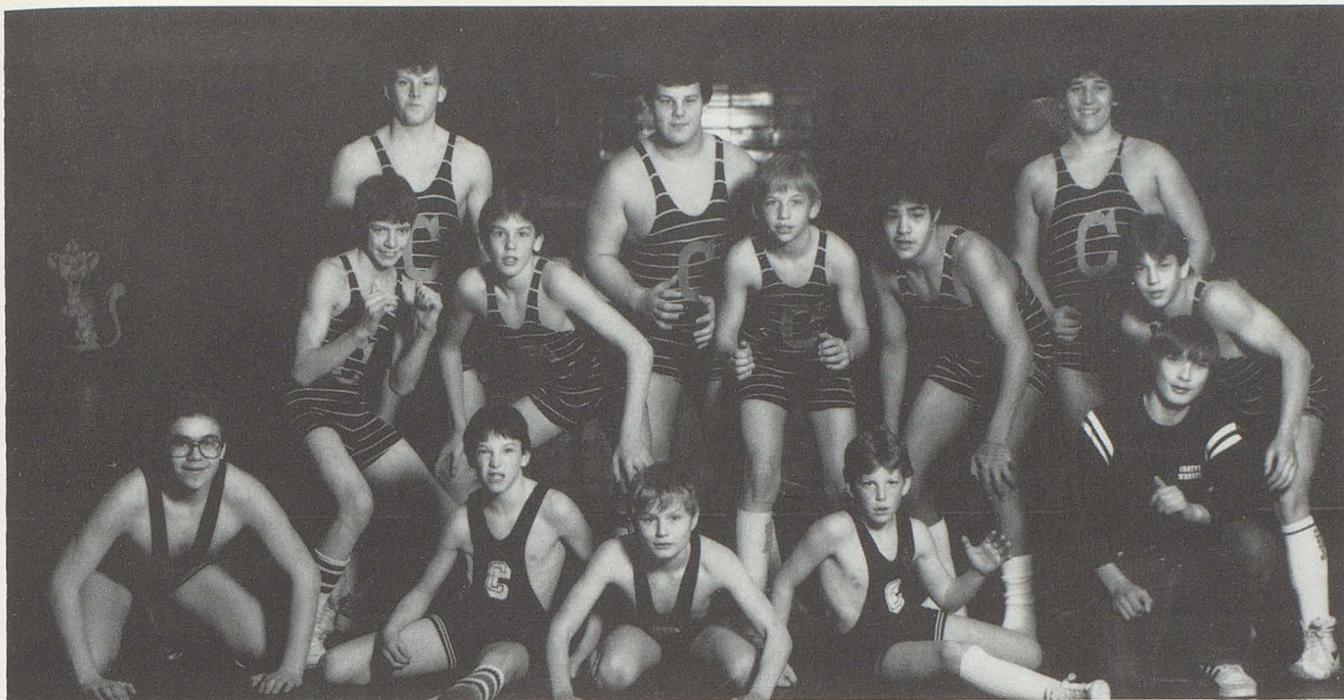

It was a bright season for the wrestling team. They won four out of seven dual meets, placing third in the Byron and Lake City tournaments. They only forfeited one bout, which is much better than years past.

Several exceptional wrestlers emerged. Senior Jason Pease placed second in the district and fourth in the region: He was Chatfield's most successful wrestler with an outstanding 24-4 record including 50 take-downs. Juniors Charlie Hanley, Ross Knutson, and Darwin Deyo, and eighth grader Steve Bradt also did exceptionally well, advancing to region tournaments. Jason and Steve were both named to the All-Conference Wrestling Team.

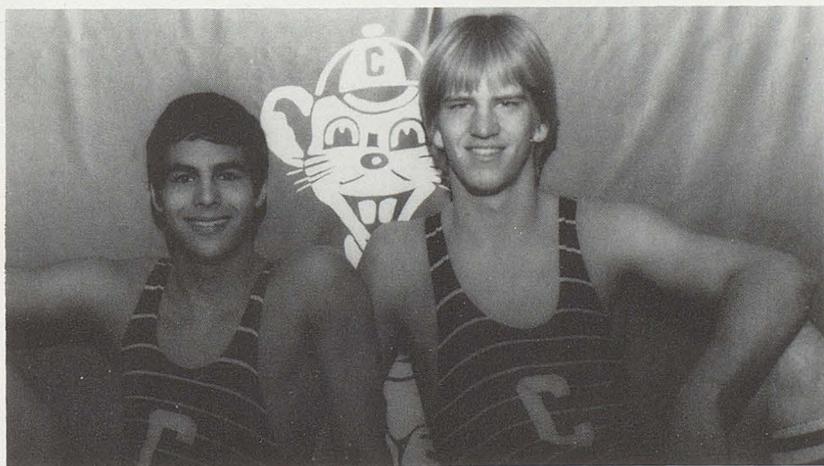

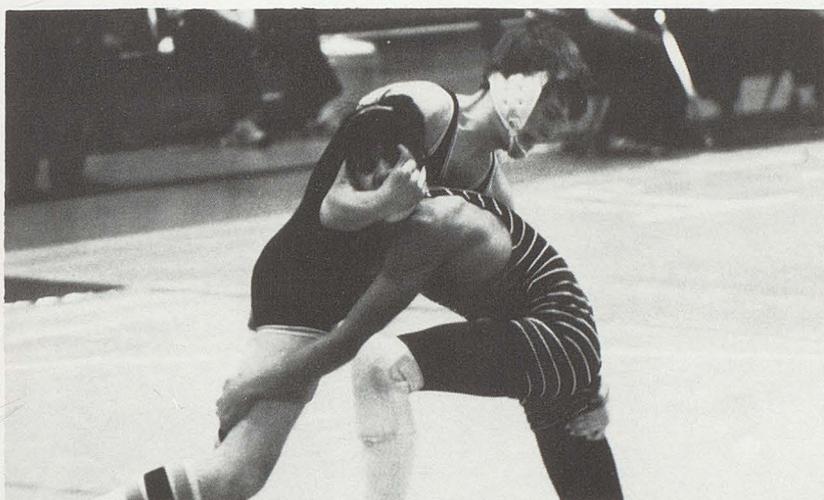

Coach Viss reported that it was also a very positive building season for the younger wrestlers. They did a fine job against some tough opponents. The future looks bright with many fine wrestlers coming back next year, even though seniors Jason and Eric will be badly missed.

## Leaping To Fame

The gymnastics team had another great season. They captured the sixth region title in seven years and placed eighth in state competition.

Several members were a great asset to the team. Lisa Bradt was the region floor exercise champion. Angela Copeman was second all-around in the region and also competed at the state meet in floor exercises and beam. Angie Zimmerman qualified for the state meet on bars. It was her second year to win such an honor.

The gymnast's record was 11-3. In late January they had a school record of 124.0 in a win over Stewartville. The next meet wasn't as awarding, however. They had a score of less than 110 points, a loss to Caledonia, and Lisa and Angie were both injured.

Seniors Lisa and Nena will be greatly missed, but Coach Rock is looking forward to next year. Six of the eight varsity members will be back. Best of luck next year!

## Individuals Form Fine Team

The 1985 softball team may not have been the most consistent, but it was made up of individuals that each had a lot to contribute to the team. Each member was very unique. Some's strengths were in pitching or playing a certain position, while others greatly contributed by their team spirit, attitude, and improvement. Together, these individuals made a fine team.

They finished the season having won eight games and lost seven.

They played very well in the first district game, beating Wabasha-Kellogg 12-2. The game that really stands out, however, is the second district game against Stewartville. They had nine innings of great defensive plays. "There was super effort and intensity by the entire team," said Coach Christenson. Even though they lost 0-1, it will be remembered as a great game.

## A Great Accomplishment

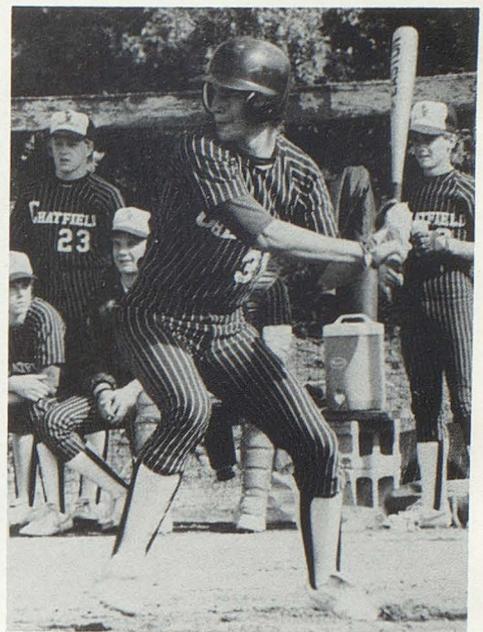

Congratulations to the baseball team for achieving the Three Rivers Conference title this year! It was quite an accomplishment for them to have a 13-3 regular season when they were competing against many other good teams.

They were ranked number one in the district and hoped to win, but lost to Stewartville 4-5 in the District Semifinals at Plainview.

Pitching and catching were their strong points at the beginning of the season and they lived up to their expectations. A big surprise, however, was their hitting. Jerry Judd, Brian Baum, Tom Redalen, Tim Volz, and Bruce Blazing all hit over 0.400. The team had an average of 0.350. They won three of their games by scoring a lot of runs in the last innings. Lewiston, for example, led 0-5 in the sixth inning of one game, but lost 8-5 after the Gophers scored eight fantastic runs.

The seniors will be greatly missed next year for their fine leadership. Glenn Nichols will also be missed for his past three years of being a very capable manager.

## Team Does Tremendously Well

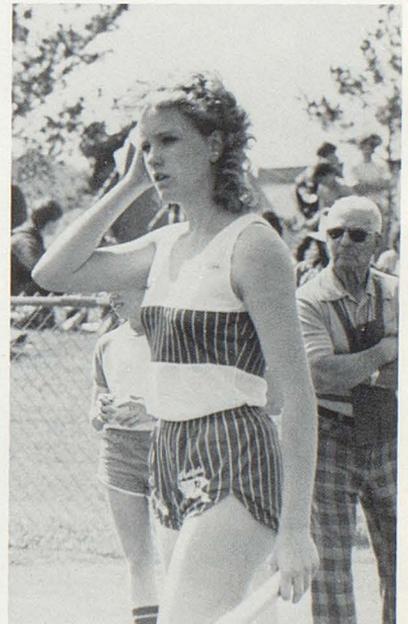

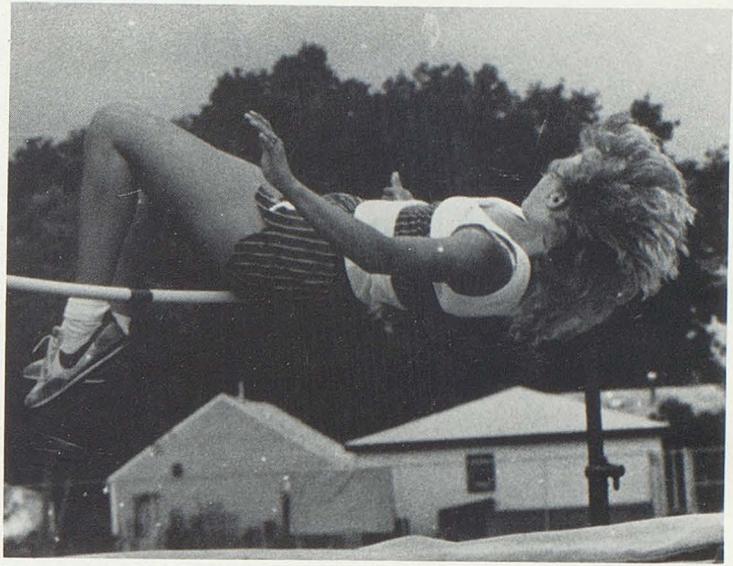

Never before has a Chatfield girl made it to state competition in four events, and this year there were two girls — Dawn Schriever and Jessie Westrum. But that's how this year was for the girls' track team — great! At districts Chatfield won the track title and five events and broke two school records and one district meet record. They then went on to region competition where the team placed first again. Angie Zimmerman, Lisa Copeman, Dawn, and Jessie formed the Gopher 400 and 800-meter relay-team which took first place.

Other region competitors who did very well and contributed points were Virginia Sprau, Allison Walker, Tami Greenslade, and Toni Buss.

Seniors Dawn Schriever and Wendy Fingerson were a definite asset to the team and will be greatly missed next year. The girls' track team should remain just as strong, however. Good luck!

## Six Qualify For Region

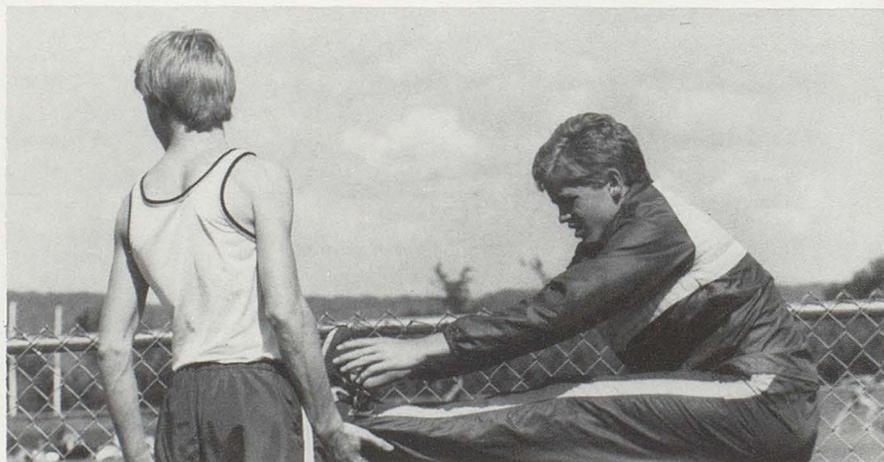

This was a good building year for the boys' track team. Five of the six who qualified for the regions are only sophomores, so they have two good years ahead of them. These trackstars are Terry Schriever, Dave Giehtbrock, Mike Hansen, Kyle Hanson, and Jeff Jacobson.

The other qualifier was senior Brad Musolf. He placed sixth in the triple jump and fourth in the high jump by jumping 5-11. That was also the event which gave him the opportunity to compete at the state level last year.

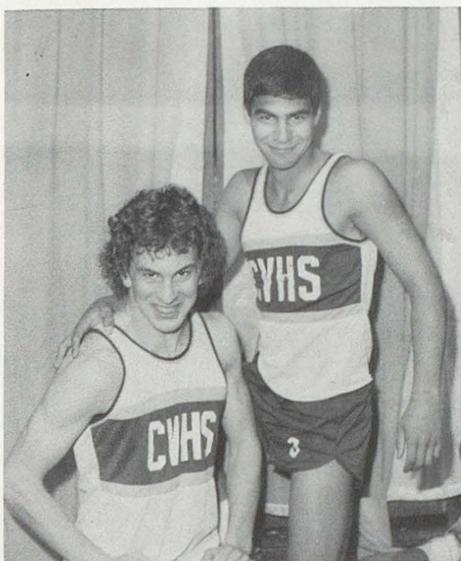

Chatfield's 1600-meter relay-team came in fourth. The Gophers took sixth overall.

At the region meet Terry placed sixth in the long jump, and Brad placed sixth in the high jump. The others also contributed a lot, but didn't place as high.

Coaches Hansen and Jacobson feel that the team members should do well next year with that much more experience behind them. Best of luck!

## Competition Brings Out The Best

The 1985 golf team found seven individuals battling for six varsity positions at any given time. This competition brought out the best, as the players showed solid improvement throughout the season.

Sophomore Jim Ryan led the team well as he was medalist in four out of the nine regular season meets.

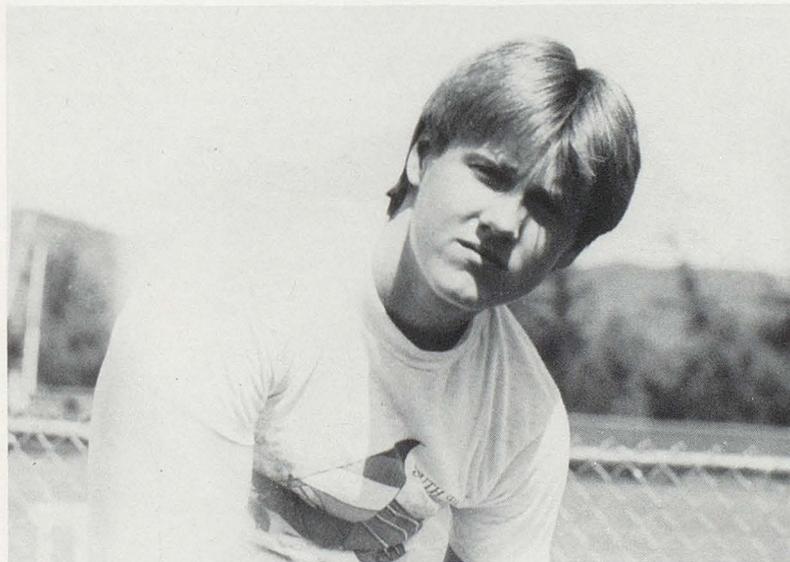

The district golf tournament was the highlight of the season: The Chatfield Gophers turned in their best performance to place fifth in a field of nine.

# ATHLETES

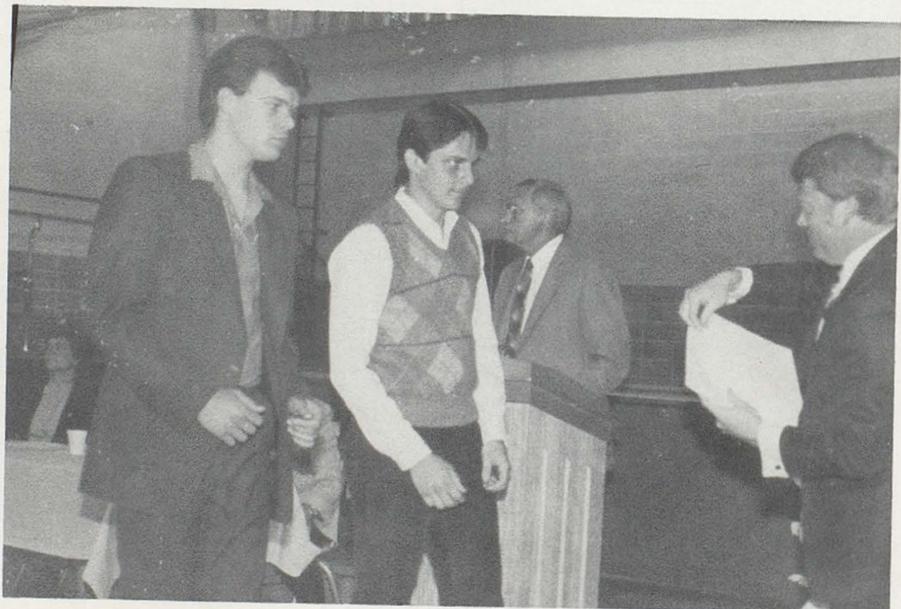

## A Special Night For Many

The evening of May 15 was very special for many CVHS athletes. It was a time they were to be honored for their many hours of work.

Brad Musolf was named this year's winner of the Cazz Connelly Memorial Award and Chris Judd the Mike Partello Memorial Award.

Ron King was the guest speaker. He spoke on the sacrifices and commitment made by athletes and parents.

It was also a special night for Mr. Bernatz when the track/football field was named after him.

## Mrs. Augustin

After earning a Bachelor's degree in Psychology and doing graduate work in Special Education, Mrs. Augustin began her career in Madison, Wisconsin.

In June of 1984, a year later, she was married and made Rochester her new home. She now works "behind the scenes" each morning at our school in the Special Education department. She works at Lanesboro the rest of the day.

Mrs. Augustin participated in band and square dancing in high school. Reading and needlework are hobbies she now enjoys.

and minors in health and coaching. Her name is Miss Meyer.

She then went on to attain a chemistry degree from the College of St. Benedict and an education degree and physics minor from the University. Her ambition is to get a master's degree in some field of chemistry education.

Having come from a small town herself, she enjoys living in Chatfield because of the "friendliness of a small town."

She teaches business education but she also has a major in Phyd

tences that Mrs. Lawver, the new Spanish teacher, has taught her students.

Mrs. Lawver graduated from John Marshall High School and then went on to earn majors in History and Spanish at Luther College. Since that time she has taught at Rochester and substitute taught at Becker and Litchfield.

Mrs. Lawver is the mother of four boys. Her hobbies include reading and sewing. Her hope is to some day do more traveling and to further her education.

Fishing, motorcycles, and attending movies are only a few of Mr. Viss's hobbies. He also enjoys foot-

## Miss Meyer

Special Education teacher originally from Max, North Dakota.

Miss Meyer went to Valley City High School and Valley State College in North Dakota.

Miss Meyer responded that students at Chosen Valley High School are well behaved in class, as well as friendly and caring.

Basketball and track are the sports she participated in while in high school, but her hobbies include any kind of sports.

ball, wrestling, and track. He became involved in these sports while in high school at Hancock, Minnesota. He continued his interest in wrestling by being on the wrestling team in college. Now at Chatfield he is a wrestling coach. Mr. Viss attended Bemidji State University. He has a major in Biology and a minor in mathematics.

He likes Chatfield because of the friendly teachers and kids and because it is such a nice area.

Miss O'Connor went to high school in Lakefield, Minnesota, which is about the same size as Chatfield. She participated in cheerleading, track, band, FHA,

## Miss Leis

Special Education teacher originally from Max, North Dakota.

Miss Leis attended Moorhead State University and obtained majors in Elementary and Special Education. These majors also give her the opportunity to work in the areas of learning disabilities and mental handicaps. She is also qualified for teaching kindergarten. Some day she would like to obtain a master's degree.

Miss Leis likes Chatfield because of the "good" kids and because it is close to the Twin Cities.

# The Seventh Grade Adventure

"Wow, I'm finally in seventh grade!" is the typical thought of students as they begin their adventure through Junior High School.

Seventh grade means a variety of changes. The most popular is the opportunity to participate in sports. It's also their first chance to try out for the fall play, go to dances, participate in Homecoming

festivities, and attend the pepfests.

Seventh grade also means more independence. There are no more teachers "taking them by the hand." They also have a locker with their very own combination and a greater selection of classes and teachers.

During the first couple days; however, some of the seventh grad-

ers tend to be anxious about such things as their homework, I.S.S. points, new teachers, the competitiveness of sports, and points for tardiness. But as the year progresses, things come into perspective, and they discover they can tackle the tough times as well as enjoy the new opportunities that await them.

# Eighth Grade In "Swing Of Things"

The class of 1989 was "back in the swing of things" as they began their eighth grade year. With a year of experience behind them, they felt much more confident, knowing what to expect in regard to school-work, sports, and extra-curricular activities. Hopefully, they also had a better understanding of what it's

like to be in junior high.

This class has many things to look forward to in the years ahead. Homecoming, Prom, Snow Week, field trips, and greater competition are just a few. They will also experience the excitement of being more active in organizations, playing on the A-squad, or having a lead part

in the school play.

The joys and frustrations of being a teenager will also be confronted. Driving, dating, a busier schedule, work, and more responsibility will all become a part of their life.

# Ninth Grade — A Year Of Transition

Senior high dances, diagramming sentences, the fox trot, B-squad athletics, civics, the waltz, being last in the lunch line, driver's training — these are some of the things that make up a freshman's year.

The ninth grade is a rather

unique grade. They are being introduced to the activities, the social structure, and the classes that make up high school, yet they are not really in the mainstream of things. Freshmen are not included in Concert Band or Chorale; most of their classes are still picked for them;

and they are not old enough to drive yet. The ninth grade is a year of transition, a bridge between junior and senior high. It is a year of growth, the ending of their days as "little kids" and the beginning of their days as high school students.

# Sophomores - Variety of Personalities

Restrained, rambunctious, silly, egotistic, witty, energetic, bold, and cordial — all of these could be used to describe certain members of the sophomore class.

There is such a wide variety of personalities in the class of 1987 that every member is a unique individual. Their personalities range

anywhere from quiet and shy to loud and boisterous, or even to just friendly.

Many of the teachers and students have commented that the sophomores also have a large and varied vocabulary; although their vocabulary tends to set them off in groups rather than as individuals.

Nevertheless, each sophomore possesses certain qualities, unique to him or her, that will contribute to his or her success. Who knows, one day those who now seem to be rather outgoing, and perhaps outspoken, could be powerful and productive politicians.

# Juniors Strive For Independence

The Juniors are looking toward new horizons with a lot of self-assurance. It is the year for becoming independent, both at school and at home. New jobs mean not only more money and more freedom for some students, but also more responsibility. Many will have their

first attempt at being members of the Varsity teams. With that comes a realization that everyone will be recognized for his own accomplishments in his remaining years, no matter how big or small. By eleventh grade each one begins to see his own special talents, and many

hidden personalities appear. At school, friendships bind closer than ever as classmates get to know and accept each other as individuals with his own unique and special qualities.

# Foreign Exchange Students

FOREIGN EXCHANGE STUDENTS: Front-Yoko. Second Row-Paula, Tone, Peter.

## Yoko Hiraku

Yoko is from Japan. She has a brother who is fourteen. Her father works at an electric company. Her mother is a housewife.

Anyone that got to know Yoko well, knows that she really enjoys art, especially drawing. She also enjoys playing the organ and volleyball.

Yoko will attend high school one more year when she returns to Japan. An interesting fact is that her school starts in April and ends in March. Kids are not required to attend high school. They must take an entrance examination if they wish to. They have to go to school on Saturdays. They don't have lockers, but they have homerooms. They are also required to wear uniforms. Yoko attends Kakamigahara High School.

## Tone Aaland

Tone loves to travel to foreign countries and learn foreign languages. She has already learned the English, Spanish, Swedish, Danish, and German languages. In fact, after school is out, Tone would like to live in Germany or the United States.

Tone will return to Norway at the end of June. She will then work as a travel agent until school starts in the middle of August. Her school is academically between high school and college. Her main subjects are sociology, social economy, and English.

Tone has an older brother and sister whose names are Harold and Gerd. She also has a cat named Thomas.

When Tone leaves she will miss her friends and her two American families, the food, and Saturday morning cartoons.

## Paula Vahamaki

Paula will miss our language and her new friends the most when she returns to Finland. She has really enjoyed living here. At first it was hard for her to adjust to American lifestyles and cultures, but she feels it was well worthwhile. When asked how the United States is different from Finland, she responded that our curfews are earlier and that our driving age is 16, while theirs is 18.

Paula has two younger brothers. Her dad is a civil engineer and her mother is a nurse.

She enjoys playing piano, swimming, dancing, and running. School and studying occupies much of her time, however.

She has two years of high school left. Sometime Paula would like to return to the United States.

## Peter Lueders

Peter is from Hamburg, West Germany. He has an older brother, Christoph, and an older sister, Ulrike. His father is a Lutheran minister. His mother is a social worker.

Peter thinks that there are many differences between Germany and the United States. Transportation, clothing, food, and hairstyles are only a few.

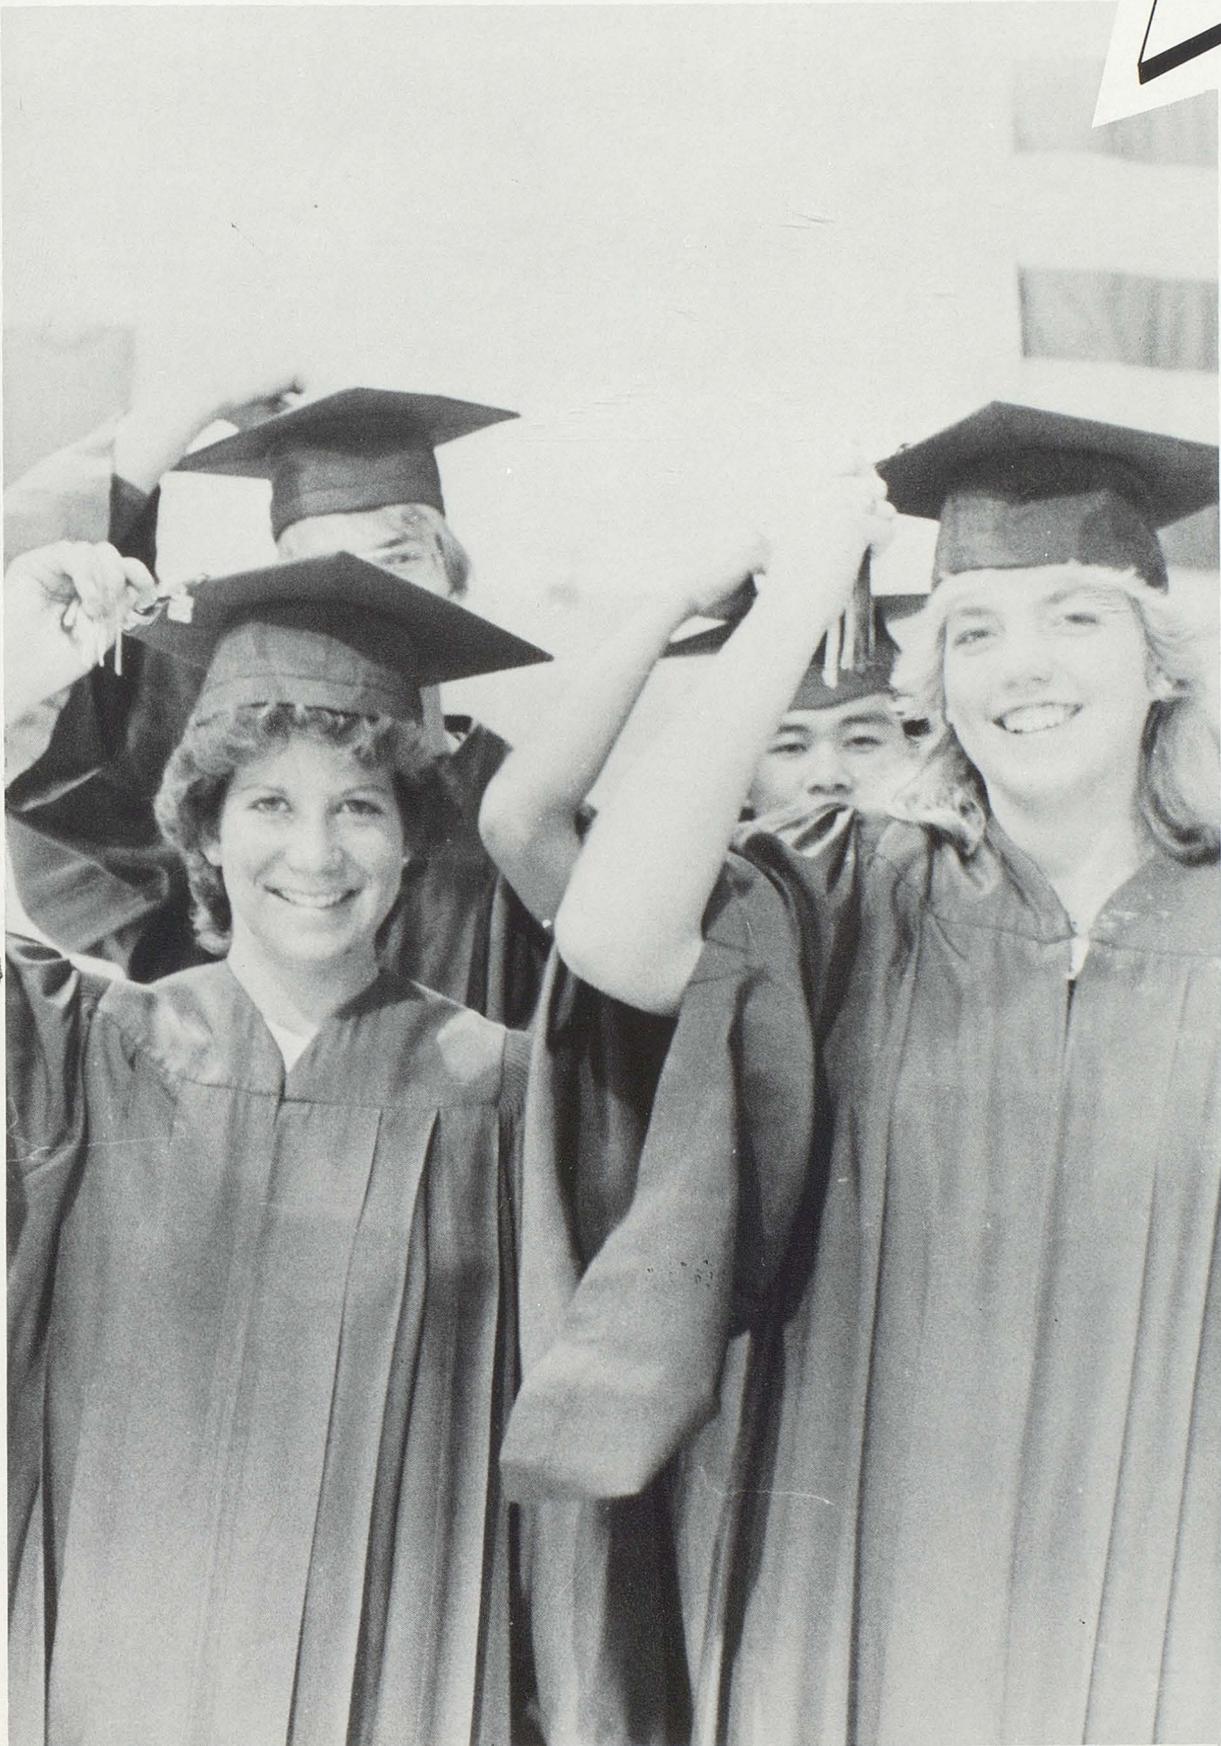

He will have two years of school left when he returns. Then he plans to be a policeman for two years. Every male must be in the army or police force for two years upon completion of high school. After his two years he would like to study graphic design.

Peter's hobbies are playing the trumpet, drawing, playing chess, and Jiu-Jitsu, which is martial art.
