Class Prophecy

Pastromi Cheeseburger has polished up her crystal ball and gazed into the future so that I might come here and tell you what has happened to the Class of 1964.

The first lady, the former Joyce Strande of Chatfield, has just done the White House in Irish Modern. President Manahan is quite pleased. Terry Cravath, being a good friend of Pete Manahan, has received a high paying job at the White House. He polishes the President's desk.

Last week's newspapers were full of the news of Dr. Wayne King, winner of the 1974 Nobel Prize for Physics.

The mystery of Alton Asleson's disappearance has not yet been solved; some think he has been swallowed by his tuba.

For five years Mike Walker has held the position as editor for PLAYBOY magazine.

Mike Busian just received a gigantic promotion at I.B.M. He is now head-custodian in the warehouse wing. Congratulations, Mike!

Guess it must have agreed with them; haven't seen hide nor hair of those girls since.

Jerome Easler is manager of the ladies' lingerie department at Dayton's.

Diane Anderson is completing her senior year at Reagan College; there seems to be some questions as to why it's taking her so long.

Chuck French can still be found roaming the halls of C.V.H.S. He has taken over his father's job as custodian there.

Because of her love for commercial subjects, Audrey Brown is now a commercial teacher in Boston, Mass.

Suzanne Ellis is following the path of Henry VIII. She is now on her eighth husband.

Robert Benchley once stated, "It took me fifteen years to discover I had no talent for writing, but I couldn't give it up because by then I was too famous." With this in mind, we do not claim the GOPHER to be the greatest thing that has ever hit the newspaper business. We do boast of a dedicated staff which takes great pride in its accomplishment, and of a large number of devoted readers.

The goal of the GOPHER, published weekly in the CHATFIELD NEWS, is to acquaint the reader with the current happenings in school, to disperse our "pearls of wisdom" to the masses, and to provide some good wholesome entertainment.

Student Senate

This is a representative of the student body which consists of two elected officials from each senior high class and one elected official from junior high classes. Also every club or organization in school has a representative in the Senate.

The Senate elected Reid Trulson, president; Wayne King, Vice-president; and Sue Jacobson, Secretary-Treasurer.

The representatives express the student body's likes and dislikes. Many problems are discussed and worked on besides being in charge of the various school functions such as: the coronation, bonfire, pepfest, parade, dance, and the selling of Homecoming buttons. Other activities sponsored by the Student Senate are Christmas parties and the all-school party. The Student Senate also buys a useful object from the school profits obtained from the magazine drive.

We of Chosen Valley High School are proud of the job that our Student Senate is doing, and we are sure it will keep up the good job of representing us.

Homecoming

Homecoming festivities seemed more exciting than ever this year. The cheerleaders led the snake dance to the bonfire which was built by the freshmen.

The excitement reached a peak as fairy godmother Maureen Keefe waved her wand over all the candidates. Diane Tangen and Wayne King were crowned Queen and King. Lynn Kremer was chosen junior attendant and Vicki Jacobson, sophomore attendant. Ivan Shutte, our foreign exchange student from South Africa, was Honorary Prince.

Our Homecoming parade was held on a beautiful day with all the grades participating. The senior and junior floats tied for first place. The sophomore float came in second. Our spirits rose even higher when we won the game against Spring Valley. Following the game a dance was held with music supplied by Jimmy and the Tuxedos. This drew another homecoming to a close.

Basketball

Starting the season with an inexperienced squad, Head Coach Jerry Bernatz and Assistant Coach Dean Brown brought the team along very fast finding an improvement with each game. Impressive victories over Spring Valley and Preston showed that the team started to play the type of ball that would make them champions. Using a fast break offense and an aggressive defense, the Gophers made everyone notice that they were out to defend the District 1 title. This inspired team won the Maple Leaf Conference championship.
