National Honor Society

Scholarship, leadership, service, and character are the basis for recognition given to outstanding students who are elected to the National Honor Society. No honor conferred by the school excels that represented by this society.

Eligibility for the National Honor Society requires a minimum of a "B" average during high school. In the junior year five per cent of the class is elected and an additional ten per cent in the senior year. Selection of these students is made by the faculty. This award represents the fundamental objectives for which schools are established.

JUNIORS: R. Salter, J. Halvorson, R. King, J. Sommerfeld, S. Thompson.

Our Governing Body

Student Government Practiced by the Student Senate

The Student Senate is the student voice assisting in the governing of the Chosen Valley High School. Each class and school organization is represented. During the Senate meetings, the members discuss matters of importance to the entire student body. They work together to improve student activities. By voting on matters, it shows a form of democracy in action.

The Student Senate serves as a vital link between the faculty and the students of the high school.

FTA encourages interest in the teaching profession and gives to its members a chance to learn about teaching. The club has been very active this year. Teas were given for the teachers of both the elementary and high school. The members also served as guides at the Parent-Teacher Conferences in October. In order to learn about teaching, the group has visited colleges and has listened to several speakers. To gain practical experience, the members have acted as teachers' aides.

Safety Council Make Us Aware of Safety --

ELEMENTARY COMMITTEE--M. Ellis, P. Donahoe, C. Clemens, D. Johnson, J. Ward, J. Zawacki.

HIGH SCHOOL COMMITTEE--N. Jensen, S. Rowland, R. Ward, P. Flynn, L. Meeker, Mr. Rogers.

COMMUNITY COMMITTEE--A. Bergstrom, J. Hervey, M. Kiehne, W. Pavlish, M. Ruskell.

The Safety Council is made up of three committees: Elementary, High School, and Community, whose main concern this year is to achieve greater safety in the school and community. The elementary committee takes care of anything dealing with safety in grades one through six; this includes such things as poster contests, bicycle-rodeo, bulletin displays, and fire drills.

The high school committee stresses safety especially in sports and in driving. Pamphlets, assemblies, and fire drills are methods used to present safety information in grades seven through twelve.

The community committee has the most complicated job of trying to reach the whole community in an attempt to keep them safety minded. They stress driving and pedestrian safety, as well as hunting safety, fire safety, and any other fields of value to the general public. The biggest event of the year is the community program which is an evening of entertainment which emphasizes safety.

The Safety Council has an all day annual convention at one of the Olmsted County schools where certain topics of safety are discussed.

For the past three years the Chosen Valley High School has won the Safety Council award for being the outstanding school stressing safety in Olmsted County.

"Boys and Ghouls Together"

Everyone who enjoys monster movies or plays had a wonderful time watching the Junior Class presentation of BOYS AND GHOULS TOGETHER. The scene used throughout the play was the living room of an old castle somewhere high in the Alps. The hair-raising screams as the clock struck the hour were one of the things helping to create the ghostly atmosphere.

Jim Sommerfeld as "Model S", a mechanical robot, with machine like movements, marked him as definitely non-human. Mary Ellis, as Granny, maintained a difficult bent position and rasping voice without ever seeming "normal". Donald Johnson as the Count had the appearance and accent for the traditional unearthly pride of his ancestors, Frankenstein and Dracula. The other members of the cast included Ilene Nelson, Judd Whitcomb, Lynda Lawson, Dianne Bicknese, Jean Ward, Jean Asleson, Judy Zawacki, Steve Rogers, Jack Halvorsen, Linda Ruskell, David Todd, and Bernie Tuohy.

The play was directed by Mr. Richard Fenwick.

Studying Our Southern Neighbors Through Spanish Club

Mrs. Dennis Gunderson, D. Johnson, L. McBroom, A. Voshell, D. McConochie, L. Wertz, J. Zawacki, J. Ward.

Spanish Club is organized to promote interest and understanding of Spanish customs and traditions.

In order to earn money, the members sponsored a dance at Christmas. In January, Mrs. Dennis Gunderson of Spring Valley spoke to the members. In 1959, as a member of the Chatfield High School Spanish Club, she and ten others went to Mexico. She showed slides of the many things they saw and visited. She also brought glass figurines, a large pottery plate, Mexican money, earrings.

Future plans of the club include a trip to a Mexican restaurant in Minneapolis.

What a Season !!!

SENIORS: S. Amundson, M. Fratzke, S. Rowland.

Another Maple Leaf Conference Championship was won by the 1966-67 basketball team coached by Mr. Gerald Bernatz. This was indeed an exceptional title since the squad was undefeated in conference play, the first time in the history of the conference. The highly successful season was made possible through strong defensive play and even scoring balance among the squad members. The regular season ended with a 16-2 record.

Three senior starters, Steve Amundson, Mike Fratzke, and Steve Rowland were accompanied by two juniors, Bob Hall and Dan Bernard. A strong bench of "regulars" who contributed more than their share to the season included Al Voshell, Bob Drogemuller, Ron King, Jeff Fratzke, Mike Lane, Rick Billman and Pat Lawson.

Although many games were thrilling, probably the turning point of the season was the memorable game at Harmony with Chatfield winning in the last second by one point. As a result captain-elect Steve Rowland received the honor of being named to the WCCO All State Team of the week.

In tournament play, Chatfield defeated La Crescent 72-45, Houston 68-65, and went on to trounce Rushford 68-54 to win the DISTRICT 1 CHAMPIONSHIP.

Nothing Beats Winning!

During the season Rick Arnold, Bob Stroebel, and Larry Thieke were included on both the "A" and "B" squads.

A year of firsts--our first home meet with our new set of hurdles made with much patience by Mr. Jones and the hurdlers. Other arrangements for the field events were made by patiently hauling sand in trailers, which developed flat tires. We formed pits. Mr. Jones' ingenuity even provided a high jump pit made of inner tubes and mats. Yes, a year of firsts . . . we even won a few.

Hiroko in her Japanese costume

Hiroko Takemori

The enchantment of Japan comes to Chatfield through our American Field Service student, Hiroko Takemori. Her home town is Himeji on the island of Honshu. Hiroko's father works in the office of a bus company, while her mother takes care of the home. Her sister, Kazuko, is a sophomore in school, and her brother, Toshiyuki, is in the fourth grade. Her American home is with Mr. and Mrs. Wendell Andersen.

Hiroko, a gentle and soft spoken person, has helped us gain international understanding. Her polite manner and neatness reflect the way the Japanese people live. Wherever Hiroko goes, she wears a warm and sincere smile.

Chatfield students have discovered that Hiroko has a keen and perceptive mind. She enjoys math and science courses. She is active in the Student Senate, FTA, paper staff, chorus, and GAA. Hiroko, quiet but yet fun-loving, enjoys sports, especially football and tennis. Her hobbies include singing, listening to records, and reading in her second language. Upon returning to Japan, Hiroko plans to attend college to prepare for an international career.
