Homecoming Daze

Autumn is the season when almost anything can happen—and it does. In emptied garages throughout the city, floats take on massive proportions. Coronation candidates make preparations for that Cinderella-like event. Band members develop a march step, and cheerleaders gyrate twice as furiously as usual. The football team becomes a sweaty, everworking mass. The school is a pinwheel of activity and then suddenly—it's HOME-COMING.

"Nothing beats winning," closes the Thursday night pep fest. The lights dim and MC Don Johnson announces the candidates for homecoming royalty. A hush, a crash of cymbals, and out of the crowd in the center of the auditorium steps Debbie Fratzke, page, whose sealed envelopes reveal the names of the royalty—a memorable coronation.

On Friday the band blares forth, and float after float glide lazily down Main Street. In the evening popcorn pops; leaves crackle; bundled-up people stand in the chilly air around the football field to witness the defeat of the Spring Valley Wolves by the unbeaten Gophers. The Concert Band's half-time show "Hey, Look Me Over" echoes throughout the valley.

Cheers—congratulations—the Homecoming dance—a souvenir paper—are all jumbled together into the last few hours of Homecoming time. Then, everything is packed away; the floats are torn apart, and decorations wait again for the next year—the time when almost anything can happen.

Gophers

Offense Grinds 'Em Out

In summing up the Chatfield football team's season, one word describes it completely: SUCCESS. In every phase of the game and at all times during the season, the Gophers showed superiority over their opponents. In eight games Dean Brown's Bombers piled up 279 points while their staunch defense allowed 26 points. In the first game the Gophers made believers of everyone in the district as they shutout a potentially potent Rushford team 27-0.

In the following weeks the Gophers showed signs of improvement, beating a young St. Charles team 34-0, and edging a scrappy Farmington team 14-7. The following week conference games started. Wykoff showed its talent in returning kickoffs, but for the most part, their offense was checked by the Gophers. The final score was 48-12. The Gopher defensive unit turned in a sparkling performance in their next game by defeating Lanesboro 33-0. The unit allowed the Burros only five first downs all of which came in the second half. Spring Valley had the misfortune of facing a fired-up Gopher squad the following Friday. Returning alumni were treated to a successful homecoming, which always includes a victory. The Gophers romped 46-0 over the Wolves.

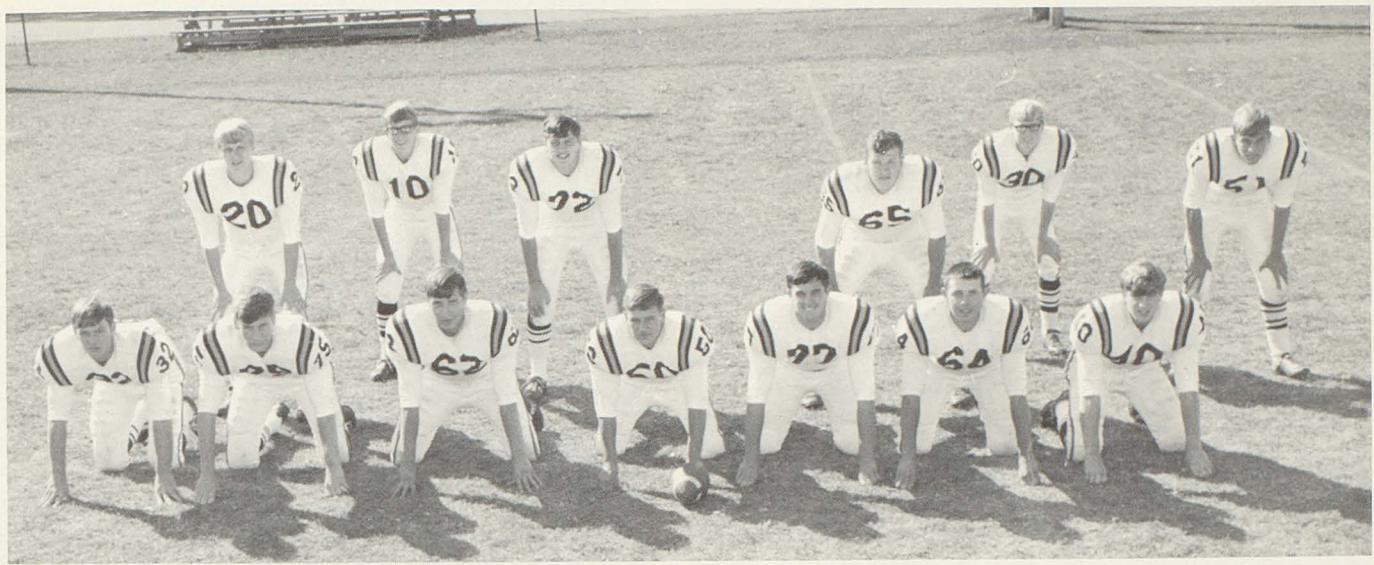

The hapless Harmony Cardinals posed little threat to the ever-improving Gophers. Line blocking reached a peak as the Gophers rolled up over 300 yards on the ground alone! The score was Chatfield 48, Harmony 0. In the final game of the season, the Gophers wouldn't allow an upset. With only two days of preparation, they successfully stopped Preston's aerial attack. With this final win—29-7, the Gophers extended their winning streak to 24 games in a row.

Ron King was honored by being selected for the All-state team at the center position. At the end of the football season, the Chatfield team was ranked 25th in the state.

The GOPHER is the weekly voice of Chosen Valley High School. Its staff of forty members is dedicated to the ideals of accurate reporting and free expression of ideas. The paper is published in a special page of the Chatfield NEWS. Under the direction of Miss Janice Lee, the staff has published additional specials on homecoming, Christmas, safety, and spring.

The journalists are divided into three groups—feature writers, reporters, and typists. The editor and his assistant supervised the assigning of articles and approved or revised articles submitted for publication; the department coordinator and her assistant kept a list of ideas for future paper articles and suggested assignments for all departments. The assistant department coordinator exchanged copies of the GOPHER with other area schools.

Junior high editors informed their reporters of their assignments. The most needed members of the staff were the section heads who assigned and collected the articles.

AFS Provides *An International Flavor*

John Hegouet, Brazil's ambassador to Chatfield, won the hearts of all the students. John Brazil, as he was nicknamed by his classmates, found himself involved in so many activities during the school year. He was introduced to the new sports of football and basketball and participated in each.

Chatfield was doubly fortunate in its AFS program to have Jack Halvorson sent to spend the summer in Valencia, Spain.

FTA's Motto Is Service

Students in FTA become acquainted with the responsibilities, requirements and rewards of teaching. The club is open to all students in grades 10-12 who are interested in the role of the teacher. Meetings are scheduled monthly with a wide variety of programs. The group has attended the district workshop and has sent delegates to the state FTA convention. FTA'ers help during parent-teacher conferences acting as guides and during American Education Week they serve in many capacities.

Executive Board: C. Billman, treasurer; J. Halvorson, Student Senate Representative; Mrs. Turner, adviser; L. Ruskell, president; J. Kinney, secretary; D. Johnson, vice-president.

The FHA has sponsored various activities throughout the school year. Among these are the Sadie Hawkins dance held in November and the house-to-house food drive for two needy families. The candle sale was the club's December project. One meeting during the year was devoted to wrapping suitable used gifts for two welfare families.

In January, the group held the winter style show—"Travel in a Dreamland of Fashion." While the spring style show was held in April.

The "Tea for Teachers" was a February project and in March the Parents' Banquet was held.

The year's activities ended with the installation of the new officers in May.

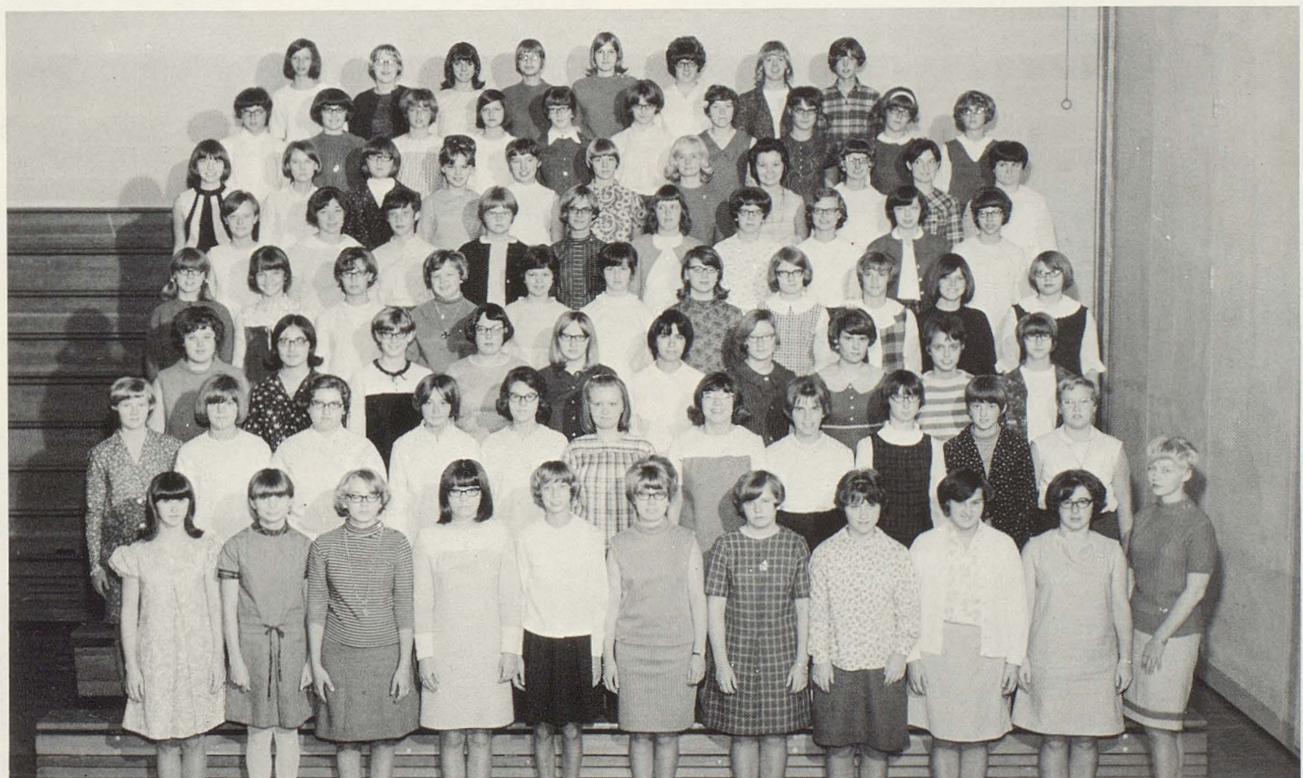

Unpacking Christmas candles are: K. Jensen, J. Fortier, S. Thompson, D. Bandel, B. Voshell, P. Trogstad, N. Kohlmeyer.

We Did It Again!

Before the season started Coach Bernatz's Gophers was picked to win the Maple Leaf Conference title. The team seemed ready, but the more avid followers could sense a lack of hustle and alertness. The Gophers won the first three out of four games of the young season, and then the roof fell in. While entertaining strong teams during the holiday break, the Gopher's game crumbled. Simple shots would not go in; the lack of height began to show, and most important of all a lack of hustle was very much in evidence. With the new year, the team finally snapped its losing streak at five games in a row and started the rich part of a rags to riches season. Although being two games behind Preston, the league leader, the Gophers went to work and won the last eight conference games to settle with Preston for a tie for the conference championship.

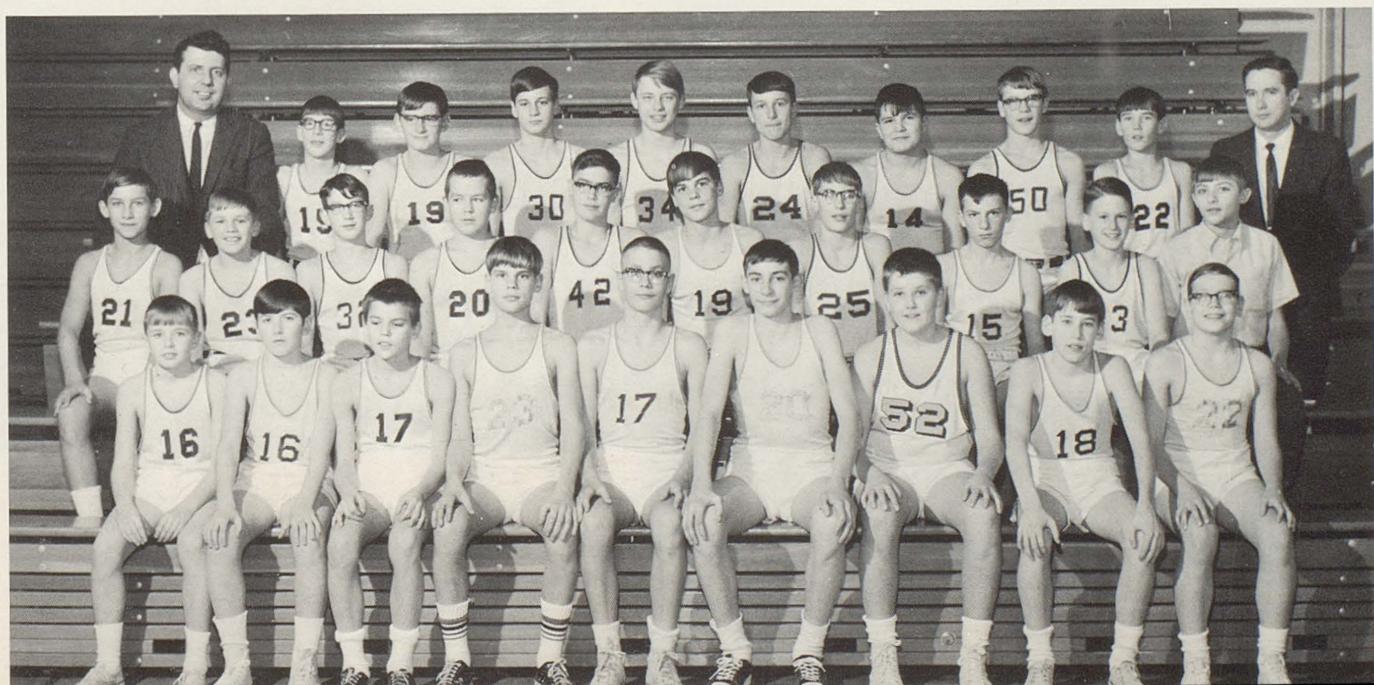

The season had ended for most teams, but it had just begun for the Gophers. Mabel-Canton, the first opponent in the district quarter-finals, proved to be no match for the highly potent Bernatz team. The score was close at half time, but a thirty point output in the third quarter put the game out of reach for the opponent. The Gophers advanced to the semi-finals of the district in Rochester and met a tall Harmony team. The game was close until the middle of fourth quarter. The Gophers shrugged off their nervousness and held Harmony to one field goal in the last quarter, winning by eight points. The stage was set for the district championship. The Gophers stopped the sharp-shooting Rushford team when Bob Hall in the last two seconds of overtime dropped a thirty foot shot to win the game and championship for Chatfield.

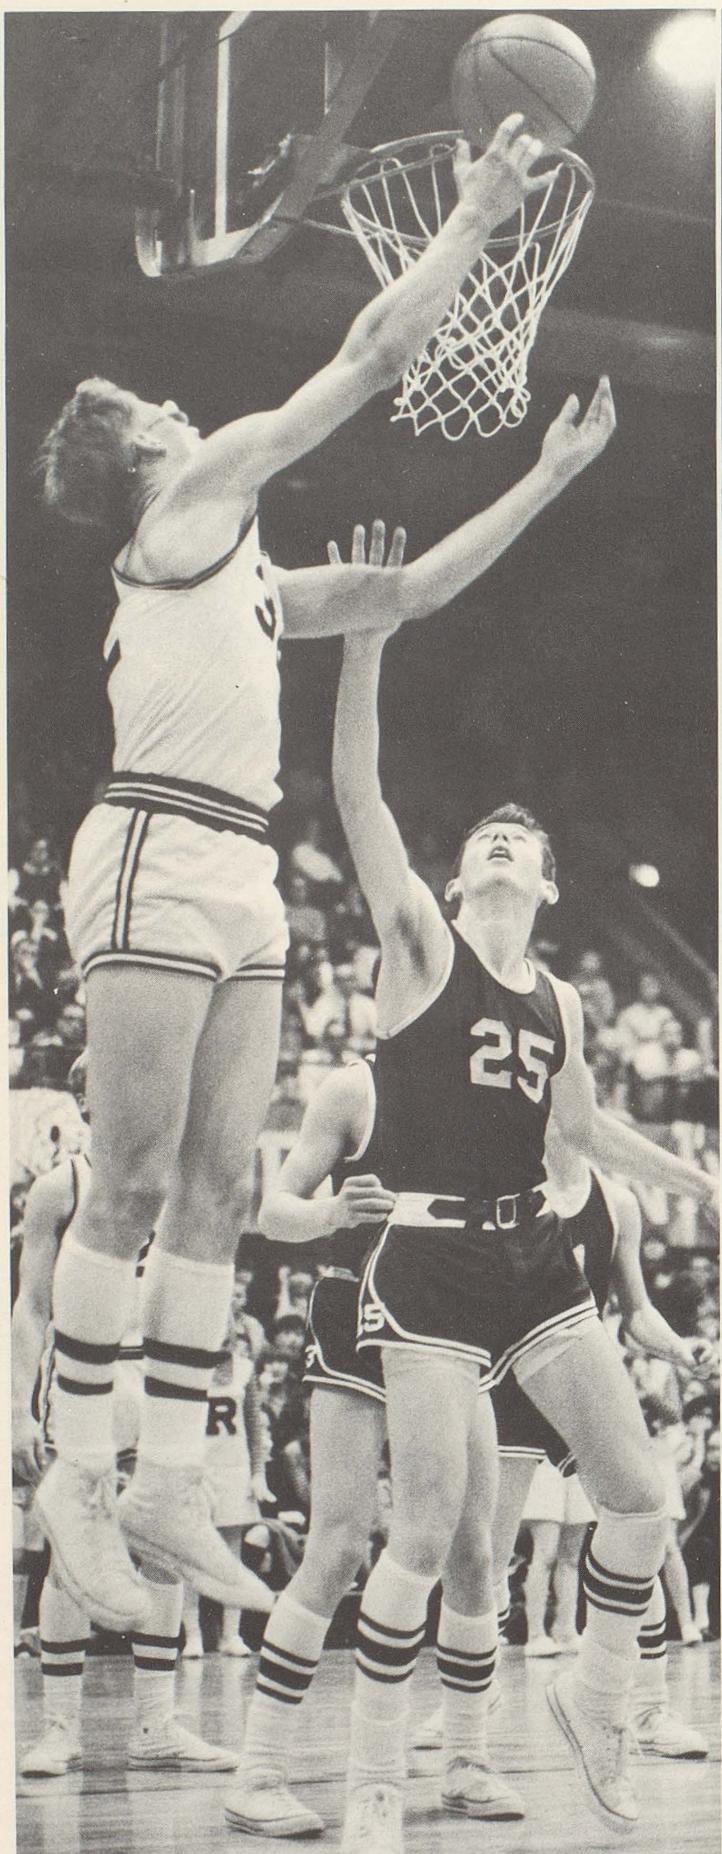

In the first game of the Regional tournament, Chatfield was defeated by a strong Hayfield team. The basketball team and its coaches deserve congratulations for an exciting and fruitful season.

Burr Oak

The BURR OAK staff consists of fourteen inexperienced seniors who at first didn't realize how much work went into putting out a yearbook. Working many hours, they struggled to meet each deadline. Laying out the pages was only part of the job. Pictures had to be taken, copy written, and many little jobs that took much planning and work had to be done.

Everyone associated with the yearbook felt lasting pride when pages were completed, and they were anxiously looking forward to viewing the finished product.

Art Club . . .

The ability to think creatively is given a chance to exercise itself in art club. On alternating Mondays, the Art Club meets for an hour after school, and there its members are given a chance to do whatever they wish to do with the various artistic mediums. Block prints, mobiles, and papier mache are but a few of the art forms open to the members. Each member often takes one of these forms and concentrates on it for a lengthy project, the results often good and satisfying to the artist. The Art Club is also of benefit to the school, as it assists in such school projects as Coronation and Prom decorations. Its members find the club a place to "relax" and let their imaginations take over.

"Go with the **GO** signal." That's the slogan that best describes the activities of CVHS' 1967-68 Safety Council. From the start of the school year, the Safety Council sponsored projects to help make Chatfield safer.

The Council is divided into the Elementary, High School, and Community committees which are free to plan their own projects of skits, movies, contests, etc.

The Council's big project was in February, "Traffic Safety Month." During this time, poster contests by the Elementary Committee, assemblies and car checks by the High School Committee, and a Community safety program by the Community Committee helped to point up all forms of traffic safety, and made the month's program a success. A special "Traffic Safety" issue of the **Gopher** was published in cooperation with the Council, and was entered in the Kemper Insurance Company's Traffic Safety Contest.

At the Olmsted County Safety Conference at Stewartville, Don Johnson, the Chatfield Safety Council president was elected first president of the Olmsted County Youth Safety Council. At this conference, CVHS was presented the President's award for its 1966-67 safety campaign.

The student voice of Chosen Valley High School is found in the Student Senate. The members who are elected by the various classes and clubs in the school provide a vital link between the faculty and the student body. Opinions of both groups are expressed here on a common meeting ground. Student ideas and interests relating to the school are discussed and voted upon. In

this way student opinions can be voiced and discussed. The Senate members voted on the cheerleaders. Another innovation of the group was the formation of an honor system by which approved students may be free during their study halls. Mr. Jerome Knapp, high school principal, is adviser of the group.

"Act well your part—therein the honor lies" is the motto of the National Thespian Society. CVHS's troupe has done its best to live up to this motto during 1967-68. Under the direction of Mr. Joseph Thicke the group produced "The Long Christmas Dinner" by Thornton Wilder, "The Sandbox" by Edward Albee, and Jules Feiffer's "Passionella." Many of the group were involved in the senior class play "The Music Man." Donald Johnson was chosen as the outstanding Thespian member of the year.

"Pancho—Pancho Lopez" ... blares forth Trini Lopez from the record player on the table in a somewhat free translation of "Davey Crockett." Cries of "Hey, he almost hit it," echo through the gym as a brave member of "El Club de Español" tries to break the piñata swaying lazily from the ceiling.

Activities such as these make for an active Spanish Club. During its monthly meetings, the club has managed to learn about Latin culture through Brazilian and Guatemalan speakers, Spanish skits, a piñata party, and an authentic Spanish dinner.

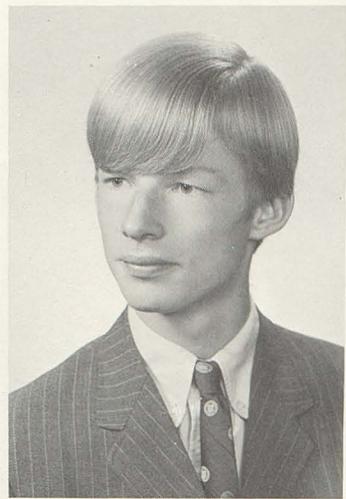

So, don your sombrero and come to one of the Spanish Club meetings. Olé!

National Honor Society . . .

S. Thompson, D. Johnson, A. Flynn.

Scholarship, leadership, service, and character are the principles which help the faculty to select members for the National Honor Society. Eligibility requires a minimum of a "B" average during high school. In the junior year five per cent of the class is elected and an additional ten per cent in the senior year. No honor conferred by the school excels that represented by the society.

Fourteen Seniors and four Juniors attended the Banquet at La Crescent on May 6. All charter and new members were invited to the banquet with the induction ceremony afterward.
