Sub Committee Reports

PBIS

- ABE data. 8th grade has the most office referrals
- ISS- Nov- 35, Dec- 53
- OSS- Nov- 9, Dec- 25
- Although 8th grade has the most referrals most of them are receiving minimal consequences. Discussion needs to happen on how some of these can be handled within the classroom
- Meeting notes: ABE reteach, Touching Spirit Bear, reteaching behaviors/expectations, Gotcha Gators

MTSS

- Leadership team has gained representation from the EC department
- Meetings more efficient
- Strengths- parent meetings are occurring, Read Naturally program has arrived, one parent volunteer to deliver interventions
- SUCCESS- student went from grade 3 on diagnostic to grade 6!!!

Parent-Involvement

- Revised list for volunteer sign-ups
- Parent University- good turn out, too many choices, maybe reduce in the future
- Breakfast and a Book- option to pick up the book from the library if they can't meet in the morning
- STEM night- Feb. 7th. Prize for passport tickets??
- Climate survey- Muffins with moms/Donuts for dads, Feb. 26th
- Off to Middle School night- March 28th
- Volunteer Breakfast- May 16th
- Volunteer hours are increasing each month, great job!
- Volunteers must sign in as volunteers...ask your people and get them to sign in right!!!

Data Wall

- Grew in every area except for 6th grade math and 8th grade Science (EOGs, proficiency)
- Running below the district average in every area except for 8th grade math on the checkins
- Rosser has been working very closely with 6th grade math. Tutor starts Monday for 6th and 7th grade math
- 20 students with 10 or more absences

- Data on why kids are absent. (Go to their community)

*Incentives for attendance?

*Better information about outreach nights in communities. Everybody is invited!!!!

*Teacher attendance was amazing in December!!!

Vision/Mission

- Use the sheet Carpenter gave you to categorize the values into either ethical or performance. We will develop our vision through the use of these terms

Indicators

- Go back to your grade level and together, rate where we are according to the indicators. Let's check some off the list!!!

Area Concerns

6th Grade

- Teachers love Touching Spirit Bear
- Air conditioner, super hot in the morning, super cold in the morning
- Grade level planning- ELA teachers are struggling to come up with things from scratch...and no time. SS planning, station planning, etc.
 - Ask other teachers in the county for resources
 - Plan more ahead
 - Bring stuff that you've researched first to the meeting
 - Do the 'knows and dos' as the end of the meeting for the next lesson

7th Grade

- Volunteer for January 16-18
- Wooddell would like a volunteer
- 7th grade moving on Feb. 5th, all the volunteers we can get!
- Increase in students getting calls from parents during class- Bliss will put a notice out to parents
- Email load/length- please keep them brief. Google doc?

8th Grade

- Science and SS, blend the two high school courses by letting them go year long on alternating days
- Bliss wants to focus on 8th Grade Science, that's why the decision was made to be half year

Electives

- Class change- they are telling students to go to bathroom, etc and core teachers are saying, go to class, go to class, go to class. Better communication
- Teachers should not have any students in their room that they don't teach

EC

- Still struggling to get present levels to EC teachers
- Maybe having a PD for teachers on how to share present levels
- All students MUST have a pass when they are in the hallway

Students

- Small water bottles at lunch as an option

- Some students think they aren't being given the recognition they deserve. Gotcha gators aren't giving them out
- 8th graders want a study hall as an elective class
- More dance mornings

Admin

- Students with passes all the time, general supervision
- New hires- 8th grade ELA, PE teacher

*Friday hallway huddle to say goodbye to Bettwy
