Addendum #2

Subject: Questions and Answers

**RFP #18/19-4**

**RFP Title: SWITCHES/SERVICES, RFP 18/19-4**

**Highline Public Schools No. 401**

## Questions and Answers

### Question 1.)

The RFP says a bid bond is required upon award of contract. Does that apply if we are only responding to appendix B since it is just for purchase of switching / APs w/ net 60 terms? I would think the bid bond would apply only to appendix A.

Answer: Correct, only for Inside Wiring. For Switches it is not required.
