**A MESSAGE FROM CHIEF ADVANCEMENT OFFICER MIKE FADELLI '88**

Dear Serra Community,

As we honor 75 years of tradition and excellence at Serra, it's time to reflect on the 2017-18 school year while celebrating the exciting year ahead.

Highlights from 2017-18 include:

- 94 percent of 2018 graduates applied to four-year college; 100 percent of those students were accepted
- Members of the Class of 2018 received \$27 million in college scholarships; 65 percent of graduates received one or more awards
- All 14 of Serra's varsity teams met the Central Coast Section Scholastic Achievement criteria
- The alumni base is 13,000 strong worldwide

While many of the school's traditions have not changed over the years, Serra continues to evolve by offering today's Padres a rich and rigorous academic curriculum, a wide range of extracurricular activities and an environment of support and mutual respect.

Our faculty and staff members, parents and alumni are shaping the experiences of our students, as they become well-adjusted young men who care about world around them. One example is our new Mission and Brotherhood Program, which examines teen issues and stresses the importance of becoming young men of respect, inclusion, integrity and compassion. This year's focus is on developing healthy relationships.

When I was small boy growing up in the Serra community, I heard many stories about what it means to be a Padre. As I reflect on the role that Serra has played in my life and the role that it's playing in my oldest son's life, the saying, "Once a Padre, Always a Padre" couldn't be more true. Together, we can make a significant difference in the lives of our current and future Padres.

We know that the Serra community is incredibly generous. We are extremely grateful to you, the benefactors listed in our 2017-2018 annual report, for your commitment to Serra. We hope that you will continue to support Serra today and in the future.

Warm regards,

Mike Fadelli '88  
Chief Advancement Officer

## PATRICK DUGGAN '01

Patrick Duggan '01 has found an easy way to give back to his high school—he includes Serra in his monthly budget.

“I support the schools that supported me and helped me to become the person I am today,” said Duggan, who also donates to Loyola Marymount University every month. “I give on a monthly basis with monthly automatic deduction. I love my plan; it’s convenient and easy for me.”

In addition to his monthly donation to the Padre Fund, which supports all aspects of the school, Duggan also has contributed to Serra’s performing arts and football programs.

“Serra was the best thing that ever happened to me in terms of becoming the person I wanted to be,” he said. “My high school years were incredibly rewarding and they shaped the direction of my life. I support Serra because of how much my high school education impacted me. I hope that today’s Padres will have the same positive experience that I did.”

When he reflects on his time at Serra, Duggan remembers some of Serra’s core values—integrity, compassion for others and a strong work ethic. “I learned a lot about the importance of camaraderie, and how to be responsible for myself,” he added. “I take pride in the company I work for, the teams I cheer for, and the schools I attended.”

At Serra, Duggan participated in theater, football, the men’s chorus, campus ministry and student council. He also was the recipient of the Michael Olcese Leadership Award, which is given each year to a student who is not a member of the Serra Executive Council but is honored for assisting the council.

After graduating from Loyola Marymount University with a degree in communication studies, he pursued a career in event marketing. Today, he works for Acxiom Corporation as a senior director of partnerships. In that role, he oversees Acxiom’s relationship with key digital publishers including Pinterest, LinkedIn and Pandora.

Duggan and his wife, Emily, live in Foster City. They have a 9-year-old daughter, Cassidy, and they are expecting a baby boy in January.

“My four years at Serra helped to define my life,” Duggan said. “I will always be grateful for that. Serra will always hold a special place in my heart.”

## LORI AND DAVID WHITNEY

For Lori and David Whitney, Serra was their second home for many years. As their two boys, Peter and Jason, enjoyed their high school days, Lori and David created strong bonds with other Serra parents.

Jason '07 made the decision to attend Serra in the fall of 2003. “He was impressed by the reputation of the school,” David remembered. “He liked the camaraderie of Serra, and wanted a school that had a great reputation for academics, athletics and extracurricular activities. Serra was the right fit.”

Peter '09 followed a few years later, and the Whitneys appreciated the benefits of a single-sex education. “Serra gave our boys an opportunity to build strong friendships,” Lori noted. “They were able to concentrate on their academics without worrying about the social part—there’s plenty of that after school. The single-gender environment kept them more focused.”

The Whitneys were extremely involved during their sons’ high school years. Lori assisted with sports dinners and served on the Serra Board of Regents for many years. David started the Robotics Club with Serra science teacher Michael Patterson, and enjoyed sharing his programming and engineering knowledge with the students. They founded the Michael Peterson Endowed Scholarship in 2006, which is given to Padres for tuition assistance. The Whitneys’ generosity inspired other members of the Serra community to donate to this important scholarship fund, which currently has \$1.1 million invested.

The Whitneys are a husband and wife team who work for a national wealth management firm in San Francisco as financial advisors. “We help families to plan and manage all aspects of their wealth,” David explained. “That includes everything from their core investment needs, charitable giving, building the financial competency of their children and, most important, a financial plan.”

Lori and David believe in the effectiveness of planned gifts. As members of the Father Heritage Society, they understand the benefits of long-term planning, especially when it comes to estate gifts. The Father Serra Heritage Society is comprised of generous donors who have designated estate gifts to Serra High School. Millions of dollars from Heritage Society members have been raised for Serra’s endowment and capital projects. Gifts can be directed to any fund.

“We believe that planned gifts are important for any organization, because you tend to get larger, more meaningful gifts,” Lori noted. “David and I have remembered Serra as one of the beneficiaries in our retirement plan because we know that you can really make a substantive difference when you leave a planned gift to an organization that you are passionate about.”

David and Lori said that Serra prepared their boys well academically for the real world. Jason is the director of sales for a software company called Tubular Labs in New York City. Peter is in his third year of a Ph.D. program at New York University, where he is studying developmental biology. “When you look at the institutions that made a difference in your life and your children’s lives, you should be able to say, ‘These institutions deserve my support,’ David said. “I want to remember and recognize Serra for making my life and my children’s lives better.”

The Whitneys made lifelong friendships through their volunteer work at Serra. They still keep in touch with the parents of Jason’s and Peter’s friends. “One thing that I would say to other Serra parents is that the bonds you make will last a very long time,” David said. “It really is a family experience when you send your son to Serra. After your sons graduate, you will always remember that sense of belonging and community. We will always be part of the Serra community—once a Serra family, always a Serra family!”

# Endowed Scholarship Funds

Serra's Named Endowed Scholarship Funds exist to honor families and loved ones by supporting Serra's financial aid program in perpetuity. Each year, these funds accrue interest on their principal amounts, and scholarship awards are given to deserving families. This year, these funds are contributing \$337,000 toward financial aid for our Padres. We are grateful to the Serra families who have set up these funds and to the scores of alumni, parents and friends who have generously contributed to building them over the years.

“My high school years at Serra have provided me with incredible opportunities to thrive academically, musically and athletically. Because of my educators and mentors at Serra, I have developed into a leader in student government, Mock Trial, A Cappella and wrestling. At Serra, interdisciplinary learning and passion are highly prized. I cannot thank Serra enough for my personal growth.”

# Fund a Dream Scholarship Benefit

Serra Padres are thoughtful, accomplished young men who value their Serra experience. The *Fund a Dream Scholarship Benefit* assures that each young man who dreams of becoming a Padre will have an opportunity to be part of Serra, regardless of his family's ability to afford tuition. To date, *Fund a Dream* has raised nearly \$4 million for financial aid for Serra's deserving young men. If you are interested in attending the 2019 *Fund a Dream*, please contact Theresa Stoye at 650.573.9935, or email [tstoye@serrahs.com](mailto:tstoye@serrahs.com).

# Memorial Endowment Fund

A memorial gift to Serra can help to perpetuate the values that guided a loved one's life. Gifts may also honor a person during his or her lifetime, or commemorate a significant event. Your thoughtful donation becomes a living memorial that touches the lives of our students. All those listed in our memorial book are remembered during a monthly Mass offered in the school chapel. Memorial/honorees are listed in blue, followed by the names of donors.

## Legacy Gifts

In the 2017-18 school year, 82 Serra alumni gave the school their greatest gifts . . . their sons. We would like to acknowledge and thank these alumni for entrusting us to develop their sons into young men of respect, integrity, inclusion and compassion. We encourage all area alumni to give their sons what they received years ago—a Serra education.

“My experience with Campus Ministry at Serra has become a main focus of my life. Because of the opportunities that Mr. Byrnes and Mr. Lantz have given me, I have been able to express my faith in many ways through immersion trips and leading retreats. These experiences have made me the proud man I am today.”

THE 2018-2019 SCHOOL YEAR IS A LANDMARK  
YEAR FOR SERRA HIGH SCHOOL

Following decades of excellence and innovation,  
the Serra community is celebrating 75 outstanding  
years of education in San Mateo.

Our definition of brotherhood is virtue based; it  
stresses the importance of being men of respect,  
inclusion, integrity and compassion. We remain  
steadfast in our mission to send men of faith,  
wisdom and service into the world.

The 75th anniversary will culminate with a party in  
the fall of 2019 for the entire Serra community—  
past, present and future.

We are looking forward to celebrating with you!

## Serra's Matching Gifts Program

If your employer has a matching gifts program, we urge you to take advantage of this benefit. Your donation will have an even greater impact on supporting the young men of Serra High School. Check with your employer's human resources department for the matching gift form. In some cases, your generous gift might be doubled or tripled! Some companies also match gifts made by retirees and/or spouses.

For more information on Serra's Matching Gifts Program, or to find out if your company has a matching gift policy, log on to: [www.matchinggifts.com/serrahs](http://www.matchinggifts.com/serrahs). Remember, all annual gifts are 100% tax deductible in accordance with federal tax laws.
