### Section II

This section is to be filled out by the appropriate person providing a recommendation for the applicant.

*Founded in 1889, Marlborough School is a college preparatory day school for girls in grades 7-12. Those students who benefit most from our curriculum are intellectually inquisitive, strongly motivated, and prepared for and committed to the academic challenges and extracurricular opportunities the School offers. Marlborough believes that, for women, academic excellence and leadership skills flourish best in a school exclusively devoted to their education. Marlborough School provides a learning environment where bright young women develop independence to pursue their goals and aspirations with confidence and conviction.*

**In what area have you taught or worked with the applicant? If this is a personal recommendation, please select "Personal".**
