8a. Report of the Superintendent

Highlights since our last board meeting:

Village School – End of the year activities and procedures went well. All of the classes engaged in end of the year parties where parents were welcomed to share in the festivities. Students who achieved perfect attendance this school year were given "Perfect Attendance" certificates.

On Friday June 11, 2010, twelve packages of supplies totaling over 258 pounds in weight were shipped from Holmdel, NJ to Sharana, Afghanistan. This was a 3rd grade project from our Village school students and families in cooperation with Lieutenant Elizabeth Costello, platoon leader of the Rough Ryders stationed in Afghanistan. The soldiers were thrilled to receive the food, books Q-tips and all of the poems. The soldiers decorated their tents with the poems from the students.

Another uplifting and wonderful learning opportunity for Village and Indian Hill school students was the American Heart Association project, Jump Rope for Heart. Village school students were one of the top 10 supporting schools in New Jersey in this fundraising project. Congratulations to all of the students.

Indian Hill School –Our students wrapped up an amazing year at Indian Hill! Our children enjoyed their Field Days at the Holmdel Swim Club. The weather was perfect, and the students did an outstanding job of demonstrating good sportsmanship and had fun hanging out with their friends. Our sixth graders also had a great time at their special yearbook signing. We are very proud of all of our students, and wish everyone a wonderful summer vacation!

Satz School –The 8th grade commencement ceremony that took place at Brookdale Community College on June 23rd was very successful. Our graduates did an excellent job at graduation and had a lot of fun dancing the night away at the Lakeside Manor in Lincroft.

Many members of the Satz School administration, faculty, and support staff attended the first ever Karaoke fundraiser event. This event, organized by Mrs. Chu and members of the World Language Department, and hosted by Satz's own Sean Dowd and Colette Rafferty, was a fun-filled night of great food, singing, and dancing for all. All proceeds from this event went towards the HFEE's fund for construction of the new World Language Lab.

The Satz School 8th grade trip to Washington, DC was a success. The students and chaperones had a wonderful time visiting the various museums and touring our nation's capitol.

Holmdel High School – Holmdel High School conferred diplomas upon the 269 members of the **Class of 2010** last Wednesday evening, June 23rd, at the Collins Arena on the campus of Brookdale Community College. The ceremonies were both festive and dignified, and reflected well on the entire community. Thanks to all in attendance for making it such a memorable evening.

Following the graduation, most seniors attended the annual Project Graduation event at the Atlantic Club in Manasquan. A sincere "thank you" to Mrs. Debbie Lynch and all the parents involved for their tireless efforts in making this a safe and special evening for the senior class of 2010.

The most recent plan received the highest rating in four of the six areas that were assessed. Further, the committee members have been invited to present at a countywide meeting in the fall of 2010.

Our recent Professional Development Day was held on June 24, 2010. Teachers participated in a state mandated workshop on Suicide Prevention and then met with their Professional Learning Communities (PLC) for the rest of the day. The PLCs finalized plans for the upcoming school year. Our secretaries also attended the Suicide Prevention session and then participated in a workshop on managing stress at the workplace.

At the last Board of Education Meeting, a Partnership Agreement between the Monmouth University and Holmdel Township Public Schools was established to provide field experiences for Monmouth University students, and on-going professional development for Holmdel Township teachers and administrators. She stated that she appreciated the efforts made by the administration to discourage the use of air horns during graduation. She also stated the positive experience she had chaperoning Project Graduation.

Mr. Sockol also commented positively regarding the graduation ceremony and also stated the positive feedback he received from his mother (a teacher and a school administrator for 30 years) who attended the ceremony.

Mrs. Pascucci stated that since there has been so much discussion regarding Policy 5131, she requested that review of this policy be expedited.
