8a. Report of the Superintendent

The Superintendent reported on the following current student enrollment - 3,314

Village School..... 930	Wm. R. Satz School..... 544
Indian Hill School..... 777	High School.....1,063

Highlights since our last board meeting:

Village School –in coordination with Meryl Gill, the Director of Special Services, the preschool information session was open to the public on Jan. 21st for a morning and evening session. Each session was well attended and the parents were very enthusiastic about the program. Preschool applications were accepted this week on Tuesday January 26th, Wednesday January 27th, and Thursday January 28th from 9-11 a.m.

The PSA, in coordination with Ms. Sweeney, had an excellent assembly featuring, “The Rope Warrior,” who is a professional jump roper. The students and teachers were amazed by his skills and it was a wonderful way to kick-off the campaign for “Jump Rope for Heart” that will be taking place on Feb. 10th. Village school students earned 500 "sneakers" this month for demonstrating RESPECT. Next month the students will be learning about CARING.

Indian Hill –The Knowledge Master's Open results are in!

Indian Hill 5th graders came in 2nd in NJ and 18th in USA.

And Indian Hill 6th graders came in 1st in NJ and 25th in USA!

The Knowledge Master's Open is a trivia style online competition that is open to fifth and sixth grade students. It is held twice a year once in January and once in March. It is a challenging academic competition in which teams of students compete nationally and internationally without leaving their own schools. The Knowledge Master’s Open began in 1983 with 72 schools; annually the “Open” attracts over 3,000 schools and 45,000 participants from the U.S. and several foreign lands. Teams in the Knowledge Master Open receive curriculum-based contest questions (200 at secondary levels, 100 at 5th & 6th grade levels) on a CD-ROM and compete using a computer at their own schools.

Indian Hill 4th grade classes ran a Poetry Day for their students and parents. The children did a wonderful job presenting their poems by reciting them to the group and using the new ELMO projectors to give everyone a nice visual.

Additionally, Indian Hill is running a fundraiser activity for the relief effort in Haiti. They are very proud to be giving the students an opportunity to help those in need during such a difficult time.

Satz School - The students that participated in the Future City Engineer's contest had a discussion and decided that they would like to donate their winnings to the Haiti relief fund. One student took the initiative and contacted Sports Authority about cashing in the three \$40.00 cards to put towards the Haiti cause and received a reply from them which explained how to do so.

As of last week the students and staff at Satz School raised \$5,943.00 for their Haiti relief fund. This is phenomenal given the fact that the school's goal was \$1,200.00.

W. R. Satz Middle School Proudly Presents....

Oliver will be presented January 29th at 7PM and January 30th at 3PM and 7PM in the Holmdel High School Auditorium

Holmdel High School –On January 22nd, Ms. Connelly's Acting classes presented an acting showcase in the high school auditorium, before an audience of over 200, entitled "**Love and Lunacy.**"

Thirty-seven students performed in eleven different scenes under the direction of Ms. Connelly and a senior student director. This was the culmination of their semester-long experience in the class. As Ms. Connelly noted in her Director's Notes, "there were twists and turns as we progressed from auditioning with monologues to collaborating with scene partners. We scrambled for makeshift costumes and outrageous props (imagine building a wooden leg or a washing machine!). Often, students were asked to move outside of their "comfort zone" to try and live truthfully in someone else's skin. Over the past few weeks, "I can't" became "I'll try" and eventually "I did it!"

The showcase, now in its third year, is more popular than ever, and a great example of performance assessment and differentiated instruction. Bravo!

HHS Guidance - in order to better serve our student population, Holmdel High School has purchased *Family Connection* from Naviance. *Family Connection* is a Web-based service designed especially for students and parents. It is a comprehensive website that can be used to help in making decisions about colleges and careers. Working with your student's school counselor, *Family Connection* can assist in many areas:

- College searches
- College resumes
- Career Interest surveys
- Standardized test preparation
- Scholarship opportunities
- College visits
- And much more!

We look forward to working with your child and introducing a tool to ensure future success.

All-Star Musicians- congratulations to a freshman, who recently earned **1st Chair - Oboe** in the **NJ All-State Wind Ensemble!**

Progress Towards Reaching Our District Goals:

Several second and third grade teachers at **Village School** were trained on Everyday Math games which they will integrate into their lessons in order to continue differentiating their instruction.

At Indian Hill the 4th grade Literacy teachers are meeting weekly to plan and articulate lessons in Reading Workshop.

Satz School is continuing to work with DSACS to develop Safe and Civil Schools towards the Character Education goal. They are in the process of developing and gathering data on bullying prevention and will also be implementing a climate survey to the students and staff later in the spring to evaluate the school climate.

They are also working towards the differentiation of instruction goal through the I&RS committee by having staff members attend workshops on developing strategies to address the learning and behavior problems of students at the middle school level. Several of these workshops focus on manipulating the curriculum to meet the individual needs of students. The staff members then report back on these interventions and they turn key them to other

10. Old Business

Ms. Garrity reported out on the results of the QSAC review.

Dr. Tai reiterated the topic of policy review and procedure and requested Mrs. Duncan and Mr. Petrizzo to speak about Strauss Esmay.

Mr. Petrizzo gave an overview of the services provided by Strauss Esmay and applicable cost to implement. After discussion among the Board, the Board approved utilizing Strauss Esmay Services.

Mrs. Wetmore spoke about the status of the Holmdel Foundation for Educational Excellence World Language Lab fundraiser and referenced the materials that were distributed.

Ms. Peart spoke about the new implementation of an E-Alert category for policies that would impact the community. The community can register for e-alert and be notified when policies impacting the community are on the agenda for Board discussion and action.

Mr. Petrizzo reported out on the status of the 2010/2011 Budget regarding the following:

- Due to the delay of receiving actual state aid amounts due (3/18/10), we need to agree on the date of the first reading (not to exceed budget). Board consensus was March 24, 2010.
- As per guidance from State, the budget is being developed based on the assumption of a 10% reduction in State Aid and 3% tax levy cap.

11. New Business

That the Board accept the resignation of Dr. Shelton as a member of the Board and include his statement with its minutes of the Board meeting of January 27, 2010. Please see Attachment #3 for statement and motions.

Copyright 1980 by NJSBA. All rights reserved.

To: Dr. Ray Tai, President, Holmdel Board of Education
From: Dr. Jim Shelton, Member, Holmdel Board of Education
Subject: Resignation (as conditioned in the below statement)

My purpose is for now to stop what I perceive as internal controversy within the Board consuming time and energy, in the hope of improving effectiveness of what the Board chooses to address.

In engaging with the Board's responsibilities for policy planning and assessment, I wanted and expected to apply my experience from the navy, education, and business. And so I have worked on introducing interests and best-practices that I know are powerfully successful.

But I perceive that my actions have been too controversial for the Board and therefore too time-consuming within our Board. I perceive the root causes are:

- Controversy with respect to our policies, planning and assessment about the scope of our activities, and about the appropriate depth of my involvement as a Board member; and
- Controversy about whether I may be involved in important Board business, for example with respect to committee work on a) curriculum & instruction; b) personnel; c) budget & finance.

To the citizens of Holmdel, I say: Our schools and district are worth support from all of us, and I (as do all Board members) appreciate your contributions.

I have also appreciated your support of my candidacy, thinking your votes were based on my interests and experience as described at <http://DrJimShelton.com>. I continue to invite your interaction

Because I remain committed to the excellence of our students and schools, I will continue to offer my help. I don't want to end my work with Holmdel's schools that began first as a teacher, then as a member and chair of an ad-hoc committee chartered by the Board, and then as a Board member. I expect I shall be more effective now from outside the Board.

I will gladly respond to requests and interactions, so please ask. I expect to offer questions, observations and suggestions - frequently privately, and occasionally publicly.

Mr. President, I respectfully offer my resignation as a member of Holmdel Township's Board of Education effective midnight Friday January 29, 2010, contingent on the Board's affirmative vote by then to accept the resignation and include this statement with its minutes.

Motion:

That the Board accept the resignation of Dr. Shelton as a member of the Board and include his statement with its minutes of the Board meeting of Jan 27, 2010.

Respectfully,

Dr. Jim Shelton January 27, 2010

Corollary Motion

Whereas the Board has voted acceptance of the resignation of Dr. Jim Shelton effective midnight January 29, and whereas the Board on January 13 approved as agenda item 7f-3 Dr. Shelton's attendance at the NJSBA Winter School Public Relations Forum; and whereas Dr. Shelton's email records for all Board interactions currently reside only on the District's email server,

Now therefore,

1. The Board rescinds its approval of item 7f-3 on January 13 and directs the Board Secretary to withdraw Dr. Shelton's registration at the Forum.
2. The Board directs the district's administrators to:
 - a) discontinue future email service for Dr. Shelton beginning Saturday 1/30/10, b) provide forwarding service for emails addressed Dr. Shelton for a convenient period of time no longer than 2/10/10, and c) provide to Dr. Shelton an electronic version of his Board email account as of 1/30/10 in a format usable for his future email activities using non-district assets.
