Back to school information:

Emergency Weather Closing

When a decision is made to close schools, an announcement will be made over major radio and television stations as early in the morning as possible. The announcement will identify our school district as White Bear Lake Area Public Schools. Efforts will also be made to use the parent notification alert system to notify families of school closures. If no announcement is made, schools will be in session as scheduled. Parents may also check the District website or Facebook/Twitter page, or call the White Bear Lake Area School Closing Hotline number at 651-407-7540.

Transportation

Bus route information will be mailed to parents approximately one week before the first day of the school year. Students should be at the bus stop five minutes before the bus is scheduled to arrive. Students are only allowed to ride the bus to and from the school and bus stop they are assigned. Students are not allowed to ride another bus to events such as birthday parties, scouting, or other activities. Bus schedules are somewhat flexible during the first week of school while drivers become familiar with the routes.

In cases of inclement weather, bus drivers will try to maintain their schedules. However, if roads are icy or snow covered, buses may be late and parents and students should plan accordingly. Parents should use their discretion in sending children outside when the weather is extremely cold.

For more information about District transportation, please call the Transportation Office at 651-407-7538.

Early Childhood Screening - Screen At Three

Early Childhood Screening is required by the state of Minnesota for all children prior to entering kindergarten. The best age at which to screen is age three. The White Bear Lake Area School District provides this screening at no charge.

3 reasons to screen at 3:

- Screening can ensure school success
- If health or developmental concerns are identified, educational services are available
- It is fun and provides parents/guardians with valuable information regarding child development

Register on-line at www.whitebear.ce.feepay.com or call 651-653-3100.

Early Childhood Screenings take place at: Normandy Park Education Center

Minnesota Student Immunization Law

Minnesota Statutes Section 121A.15 and Minnesota Rules Chapter 4604 requires that each student enrolled in and remaining in an elementary or secondary school must submit a record stating that they have received immunizations consistent with medically accepted standards. Immunization records from parents or health care provider stating the month, day, and year of each dose are acceptable. If the student or parent(s) meets one of the legal exemptions - contraindication for medical reasons or contraindication for conscientiously held beliefs - the health care provider or notary needs to sign an appropriate exemption.

For students entering Kindergarten - 12th grade, the following immunizations are required:

- 5 DPT, DT, Td (Diphtheria, Tetanus, Pertussis) - with the last given after the 4th birthday
- 3 Hepatitis B (HBV) - these injections are given over a 6 month period
- 4 Polio (OPV or IPV) - with the last given after the 4th birthday
- 2 MMR (Measles, Mumps, Rubella) - with the first given after the 1st birthday
- 2 Varicella (Chicken Pox) - with the first given after the 1st birthday or verification of having had the disease (mo/yr)

For students entering 7th grade - 12th grade, the following additional immunization is required:

- 1 Booster dose of Tdap (Tetanus, Diphtheria, Pertussis) - given at or after 11 years of age
- 1 Meningococcal (Meningitis) prior to entering 7th grade

For information about immunizations, please call the Student Support Services Office at 651-407-7558 or speak with your school nurse.
