Safety

Safety at ADB is of utmost importance. In short, here is a list of some of our safety procedures. ADB participates in the GUSD drills which include fire drills, earthquake drills and Code Red - active shooter/intruder drills. Staff have been inserviced on safety protocols and procedures. Should you have any questions or concerns, please contact Mrs. Codiga, principal. We will be holding another Code Red Drill on Feb. 13.

Parking

We ask that you please not park in the handicap parking slots unless you have the appropriate placard to do so. Also, please do not park in the hashtag next to the handicap parking slot. The staff parking lot in front of our play yard is only for staff. The handicap parking in the staff parking lot is intended for staff that need to park in the handicap slots. The staff parking lot is not intended for any parent parking, including the handicap slots.

No School for students Feb. 18-22 for Presidents week.
